Section 2.01. Authorization of the Bonds. The Bonds are hereby authorized to be issued by the Authority under and subject to the terms of this Indenture, the Marks-Roos Act and the Fort Ord Reuse Authority Act. This Indenture constitutes a continuing agreement with the Owners of all of the Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal and redemption premiums (if any) and the interest on all Bonds which may from time to time be executed and delivered hereunder, subject to the covenants, agreements, provisions and conditions herein contained. The Bonds shall be designated the "Fort Ord Reuse Authority Tax Allocation Bonds, Series 2020 (Federally Taxable)." The Bonds shall be issued in the initial aggregate principal amount of \$_____.

Section 2.02. Terms of the Bonds. The Bonds shall be issued in fully registered form without coupons. The Bonds shall be issued in Authorized Denominations, and no Bond shall have more than one maturity date. The Bonds shall be dated the Closing Date. The Bonds shall be lettered and numbered as the Trustee shall prescribe.

The Bonds shall mature on the dates, and shall bear interest (calculated on the basis of a 360-day year comprised of twelve 30-day months) at the rates per annum, as follows:

<u>Maturity Date (September 1)</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
	\$	%

* Term Bond.

Each Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless (a) it is authenticated after a Record Date and on or before the following Interest Payment Date, in which event it shall bear interest from such Interest Payment Date; or (b) it is authenticated on or before August 15, 2020, in which event it shall bear interest from its Closing Date; provided, however, that if, as of the date of authentication of any Bond, interest thereon is in default, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

The principal of the Bonds and any premium upon redemption, are payable in lawful money of the United States of America upon presentation and surrender thereof at the Principal Corporate Trust Office of the Trustee.

Section 2.03. Redemption of Bonds.

(a) Optional Redemption. The Bonds maturing on or prior to _____ 1, 20__ are not subject to optional redemption. The Bonds maturing on or after _____ 1, 20__, are subject to optional redemption prior to their respective maturity dates as a whole, or in part by lot, on any date on or after _____ 1, 20__, by such maturity or maturities as shall be directed by the Authority (or in absence of such direction, pro rata by maturity and by lot within a maturity), from

any source of available funds. Such optional redemption shall be at a redemption price equal to the principal amount to be redeemed, plus accrued but unpaid interest to the date fixed for redemption, without premium.

The Authority shall be required to give the Trustee written notice of its intention to redeem Bonds under this subsection (a) with a designation of the principal amount and maturities to be redeemed at least forty five (45) days prior to the date fixed for such redemption (or such later date as shall be acceptable to the Trustee in the sole determination of the Trustee), and shall transfer to the Trustee for deposit in the Debt Service Fund all amounts required for such redemption not later than the date fixed for such redemption.

(b) Mandatory Sinking Fund Redemption. (d) Notice of Redemption; Rescission. The Trustee on behalf and at the expense of the Administrator shall mail (by first class mail, postage prepaid) notice of any redemption at least twenty (20) (or such longer period, up to thirty (30) days, as may be required by the Depository) but not more than sixty (60) days prior to the redemption date, (i) to the Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) to the Securities Depositories and one or more Information Services designated in a Written Request of the Administrator filed with the Trustee; but such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice shall state the redemption date and the redemption price, shall state, in the case of a redemption pursuant to (a) above, that such redemption is conditioned upon the timely delivery of the redemption price to the Trustee for deposit in the Redemption Account, shall designate the CUSIP number of the Bonds to be redeemed, shall state the individual number of each Bond to be redeemed or shall state that all Bonds between two stated numbers (both inclusive) or all of the Bonds Outstanding are to be redeemed, and shall require that such Bonds be then surrendered at the Principal Corporate Trust Office of the Trustee for redemption at the redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Administrator shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available in the Redemption Account on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. None of the Authority, the Administrator or the Trustee shall have any liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent; provided, however, the notice of rescission shall not be required to be mailed within the time period required for the notice of redemption.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(e) Partial Redemption of Bonds. In the event only a portion of any Bond is called for redemption, then upon surrender of such Bond the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Administrator, a new Bond or Bonds of the same interest rate and maturity, of Authorized Denominations, in aggregate principal amount equal to the unredeemed portion of the Bond to be redeemed.

(f) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the redemption price of and interest on the Bonds so called for redemption shall have been duly deposited with the Trustee, such Bonds so called shall cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price and accrued interest to the redemption date, and no interest shall accrue thereon from and after the redemption date specified in such notice.

All Bonds redeemed and purchased by the Trustee pursuant to this Section shall be canceled by the Trustee. The Trustee shall destroy the canceled Bonds and, upon written request of the Administrator, issue a certificate of destruction thereof to the Administrator.

(g) Manner of Redemption. Whenever any Bonds or portions thereof are to be selected for redemption by lot, the Trustee shall make such selection in such manner as the Trustee shall deem appropriate and shall notify the Administrator thereof to the extent Bonds are no longer held in book-entry form. In the event of redemption by lot of Bonds, the Trustee shall assign to each Bond then Outstanding a distinctive number for each \$5,000 of the principal amount of each such Bond. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected, but only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. All Bonds redeemed or purchased pursuant to this Section 2.03 shall be cancelled and destroyed by the Trustee.

(h) Purchase in Lieu of Redemption. In lieu of redemption of the Term Bonds pursuant to the subsection (b) above, amounts on deposit in the Principal Account may also be used and withdrawn by the Trustee, upon the Written Request of the Administrator, for the purchase of the Term Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the Administrator may in its discretion determine. The par amount of any Term Bonds so purchased by the Authority in any twelve-month period ending on July 15 in any year shall be credited towards and shall reduce the par amount of the Term Bonds required to be redeemed pursuant to subsection (e) on September 1 in each year; provided that evidence satisfactory to the Trustee of such purchase has been delivered to the Trustee by said July 15.

Section 2.04. Form of Bonds. The Bonds, the form of Trustee's Certificate of Authentication, and the form of Assignment to appear thereon, shall be substantially in the form set forth in Exhibit A, which is attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

Section 2.05. Execution of Bonds. The Bonds delivered on the Closing Date and at any time prior to the Dissolution Date shall be executed on behalf of the Authority by the signature of the Chair or the Executive Officer or the written designee of either of them and the signature of the Secretary of the Authority who are in office on the date of execution and delivery of this Indenture. Bonds executed on or after the Dissolution Date shall be executed on behalf of the

Administrator by the signature of the Mayor or City Manager of the Administrator who are in office as of the date of execution thereof. Any of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the purchaser. Any Bond may be signed and attested on behalf of the Authority or the Administrator by such persons as at the actual date of the execution of such Bond shall be the proper officers of the Authority or the Administrator, respectively, although on the date of such Bond any such person shall not have been such officer of the Authority or the Administrator.

Only such of the Bonds as shall bear thereon a Certificate of Authentication in the form hereinbefore set forth, manually executed and dated by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such Certificate shall be conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture. In the event temporary Bonds are issued pursuant to Section 2.09 hereof, the temporary Bonds may bear thereon a Certificate of Authentication executed and dated by the Trustee, may be initially registered by the Trustee, and, until so exchanged as provided under Section 2.09 hereof, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.06. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Principal Corporate Trust Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bond shall be surrendered for transfer, the Authority (prior to the Dissolution Date) or the Administrator (on or after the Dissolution Date) shall execute and the Trustee shall thereupon authenticate and deliver to the transferee a new Bond or Bonds of like tenor, maturity and aggregate principal amount of Authorized Denominations. The Trustee shall require the payment by the Owner of any tax or other governmental charge on the transfer of any Bonds pursuant to this Section 2.06. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Administrator.

The Trustee may refuse to transfer, under the provisions of this Section 2.06, either (a) any Bonds during the period fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption.

Section 2.07. Exchange of Bonds. Bonds may be exchanged at the Principal Corporate Trust Office of the Trustee for Bonds of the same tenor and maturity and of other Authorized Denominations. The Trustee shall require the payment by the Owner of any tax or other governmental charge on the exchange of any Bonds pursuant to this Section 2.07. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange shall be paid by the Administrator.

The Trustee may refuse to exchange, under the provisions of this Section 2.07, either (a) any Bonds during the fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption or (b) any Bonds selected by the Trustee for redemption.

Section 2.08. Registration of Bonds. The Trustee will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient records for the registration and registration of transfer of the Bonds, which shall at all times during normal business hours be open to inspection and copying by the Administrator, upon reasonable prior notice to the Trustee; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books Bonds as hereinbefore provided.

Section 2.09. Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such Authorized Denominations as may be determined by the Authority, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Authority upon the same conditions and in substantially the same manner as the definitive Bonds. If the Authority issues temporary Bonds, it will execute and furnish definitive Bonds without delay and in any event prior to the Dissolution Date, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Principal Corporate Trust Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of Authorized Denominations, interest rates and like maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Authority (prior to the Dissolution Date) or the Administrator (after the Dissolution Date), at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to it and indemnity for the Trustee, the Authority and the Administrator satisfactory to the Trustee shall be given, the Administrator, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond has matured or has been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee and the Authority). The Authority or the Administrator, as applicable, may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.10 and of the expenses which may be incurred by the Authority or the Administrator, and the Trustee, in the premises. Any Bond issued under the provisions of this

Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.11. Book-Entry System.

(a) Original Delivery. The Bonds shall be initially delivered in the form of a separate single fully registered Bond without coupons (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, none of the Authority, the Administrator or the Trustee shall have any responsibility or obligation to any Depository System Participant or to any person on behalf of which the Depository System Participant holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, none of the Authority, the Administrator or the Trustee shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the Administrator elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Authority, the Administrator and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bondowner shall receive a Bond evidencing the obligation of the Authority to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Authority shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Authority shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds and provide a copy of such letter to the Trustee. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Authority, the Administrator or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bondowners. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, upon written request of the Depository or the Trustee, the Authority or the Administrator, as applicable, may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Administrator determines to terminate the Depository as such, then the Administrator shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Administrator and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Administrator fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Depository System Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

(a) There shall be established a separate and segregated fund to be known as the Project Fund and within the Project Fund a County Bond Proceeds Account, a Marina Bond Proceeds Account, a Seaside Bond Proceeds Account, a MCWD Bond Proceeds Account, a MST Bond Proceeds Account, and a TAMC Bond Proceeds Account.

(b) On the Closing Date, the Trustee will remit the amount deposited in the respective Accounts of the Project Fund to the applicable Local Agency as directed in the Funding Agreement for the Local Agency, to be applied by the Local Agencies to the payment of the costs of the Building Removal and of expenses incidental thereto pursuant to the Funding Agreements and the Trustee shall close the respective Accounts of the Project Fund. The Trustee shall be provided a copy of the Funding Agreement for each Local Agency and the Trustee may conclusively rely upon the wire transfer instructions in the respective Funding Agreement for the Local Agency.

(c) It is hereby expressly understood and agreed that none of the Authority, the Administrator, the County (except only with respect to the County's obligations set forth in the Funding Agreement to which it is a party) or the Trustee shall be under any liability of any kind or character whatsoever with respect to the use by the Local Agencies of the amounts remitted to them, or the payment of any Building Removal Costs, and that any such Building Removal Costs shall be the responsibility of the applicable Local Agency.

ARTICLE IV

SECURITY FOR THE BONDS; FLOW OF FUNDS

Section 4.01. Security of Bonds; Equal Security. Except as may otherwise be provided below and in Section 6.06, the Bonds shall be equally secured by a pledge of, security interest in and lien on all of the Pledged Tax Revenues, and the Bonds shall also be secured by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Redemption Account and the Reserve Account without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Except for the Pledged Tax Revenues and such moneys, no funds or properties of the Authority, the County or the Administrator shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the Bonds.

In the event the Administrator receives any moneys that constitute Pledged Tax Revenues, the Administrator shall promptly transfer to the Trustee such Pledged Tax Revenues for deposit by the Trustee in the Debt Service Fund. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Bonds and the payment in full of all other amounts

payable hereunder, neither the Authority nor the Administrator shall have any beneficial right to or interest in the Pledged Tax Revenues, except as may be provided in this Indenture.

Amounts in the Project Fund (and the accounts therein) and the Administrative Expense Account are not pledged to the repayment of the Bonds.

The Authority and the Administrator shall not be obligated to make any payments required hereunder or under any Bond, or be deemed to incur any liability hereunder or by reason hereof or arising out of any of the transactions contemplated hereby, payable from any funds or assets other than the Pledged Tax Revenues as provided herein. The Bonds and the obligation to pay principal of and interest thereon and any redemption premium with respect thereto will not constitute an indebtedness or an obligation of the Authority, the members and officers of the Authority, the Administrator, any agency, any district, any city, the County, the State or any other political subdivision thereof, within the meaning of any constitutional or statutory debt limitation, or a charge against the general credit or taxing powers of any of them. The Bonds shall be limited obligations of the Authority, payable solely from the Pledged Tax Revenues duly pledged therefor. Neither the faith and credit nor the taxing power of the Authority, any member of the Authority, the Administrator, any agency, any district, any city, the County, the State or any political subdivision thereof is pledged to the payment of the Bonds.

In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Authority and the Administrator, and the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Authority or the Administrator shall be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.02. Deposit of Amounts by Trustee. There is hereby established a trust fund to be known as the Debt Service Fund, and within the Debt Service Fund a Principal Account, an Interest Account, a Reserve Account, an Administrative Expense Account, a Redemption Account and a Surplus Account, each which shall be held by the Trustee hereunder in trust. Pledged Tax Revenues received by the Trustee pursuant to the Irrevocable Instructions or otherwise shall be deposited by the Trustee in the Debt Service Fund. The Trustee shall transfer from the Debt Service Fund the following amounts, at the following times, to the following respective special accounts, which are hereby established in the Debt Service Fund, and in the following order of priority:

(a) Interest Account. Not later than the fifth (5th) Business Day preceding each Interest Payment Date, commencing with the Interest Payment Date of September 1, 2020 the Trustee shall deposit in the Interest Account an amount which when added to the amount contained in the Interest Account on that date, will be equal to the aggregate

amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds redeemed prior to maturity pursuant to this Indenture).

(b) Principal Account. Not later than the fifth (5th) Business Day preceding September 1 in each year beginning September 1, 202__ the Trustee shall deposit in the Principal Account an amount which, when added to the amount then contained in the Principal Account, will be equal to the principal becoming due and payable on the Outstanding Serial Bonds and Outstanding Term Bonds, including pursuant to mandatory sinking account redemption, on the next September 1. No such transfer and deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal to become due on the next September 1 on all of the Outstanding Serial Bonds and Term Bonds. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Serial Bonds and the Term Bonds, including by mandatory sinking account redemption, as the same shall become due and payable.

(c) Reserve Account. In the event that the amount on deposit in the Reserve Account as of any Interest Payment Date is less than the then Reserve Requirement (taking into account the amount available to be drawn on the Reserve Policy), the Trustee shall transfer to the Reserve Account an amount sufficient to increase the amount in the Reserve Account to the then amount of the Reserve Requirement.

[The Reserve Requirement will be satisfied by the delivery of the Reserve Policy by the Insurer on the Closing Date with respect to the Bonds. Neither the Authority nor the Administrator will have any obligation to replace the Reserve Policy or to fund the Reserve Account with cash if, at any time that the Bonds are Outstanding, any rating assigned to the Insurer is downgraded, suspended or withdrawn or amounts are not available under the Reserve Policy other than in connection with a draw on the Reserve Policy. Notwithstanding anything to the contrary set forth herein the amounts available under the Reserve Policy shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account in such order of priority, in the event of any deficiency at any time in any of such accounts with respect to the payment of debt service on the Bonds.]

The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of this Section 4.02(c) and provide notice to the Insurer in accordance with the terms of the Reserve Policy at least five Business Days prior to each date upon which interest or principal is due on the Bonds.

If there shall then not be sufficient Pledged Tax Revenues to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account, the Authority shall be obligated to continue making transfers as Pledged Tax Revenues become available until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. No such transfer and deposit need be made to the Reserve Account so long as there shall be on deposit therein a sum at least equal to the Reserve Requirement. All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of making transfers hereunder to the Interest Account and the Principal Account, in the event of any deficiency at any time in any of such accounts or for the retirement of all the Bonds then Outstanding, except that so long as the Authority (prior to the Dissolution Date) or the Administrator (after the Dissolution Date) is not in default hereunder, any amount in the Reserve Account in excess of the Reserve Requirement shall be withdrawn from the Reserve Account semiannually on or before two (2) Business Days preceding each Interest Payment Date by the Trustee and deposited in the Surplus Account. All amounts in the Reserve Account on the Business Day preceding the final Interest Payment Date shall be withdrawn from the Reserve Account and shall be transferred to the Interest Account and the Principal Account, in such order, to the extent required to make the deposits then required to be made pursuant to this Section 4.02.

[With the prior written consent of the Insurer, the Administrator shall have the right at any time to direct the Trustee to release funds from the Reserve Account, in whole or in part, by tendering to the Trustee a Qualified Reserve Account Credit Instrument. Upon tender of such items to the Trustee, and upon delivery by the Administrator to the Trustee of written calculation of the amount permitted to be released from the Reserve Account (upon which calculation the Trustee may conclusively rely), the Trustee shall transfer such funds from the Reserve Account to the Surplus Account to be applied in accordance with Section 4.02(f) hereof. The Trustee shall comply with all documentation relating to a Qualified Reserve Account Credit Instrument as shall be required to maintain such Qualified Reserve Account Credit Instrument in full force and effect and as shall be required to receive payments thereunder in the event and to the extent required to make any payment when and as required under this paragraph (d). Upon the expiration of any Qualified Reserve Account Credit Instrument, the Administrator shall either (i) replace such Qualified Reserve Account Credit Instrument with a new Qualified Reserve Account Credit Instrument, or (ii) deposit or cause to be deposited with the Trustee an amount of funds equal to the Reserve Requirement, to be derived from the first legally available Pledged Tax Revenues. If the Reserve Requirement is being maintained partially in cash and partially with a Qualified Reserve Account Credit Instrument, including the Reserve Policy, the cash shall be first used to meet any deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.02(a) or 4.02(b) of this Indenture. If the Reserve Requirement is being maintained with two or more Qualified Reserve Account Credit Instruments, including the Reserve Policy, on which there is available coverage, any draw to meet a deficiency which may exist from time to time in the Interest Account or the Principal Account for the

purpose of making payments required pursuant to Sections 4.02(a), 4.02(b) or 4.02(c) of this Indenture shall be pro-rata with respect to each such instrument after applying all cash and investments in the Reserve Account. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regarding to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.]

(d) Administrative Expense Account. On the Closing Date, the Trustee shall make a deposit to the Administrative Expense Fund as required by Section 3.02(a)(viii). Thereafter, on each September 1, following the deposits required by subsections (a), (b), and (if applicable) (c) of this Section 4.02 on such date, the Trustee shall transfer an amount equal to the Minimum Expense Requirement to the Administrative Expense Fund. Deposits may also be made to the Administrative Expense Fund as provided in Section 4.02(f).

Amounts in the Administrative Expense Account shall be withdrawn by the Trustee and paid to or as directed by the Administrator upon receipt by the Trustee of a Written Certificate of the Administrator stating the amount to be withdraw, that such amount is to be used to pay an Administrative Expense and the nature of such Administrative Expense.

(e) Redemption Account. On or before the Business Day preceding any date on which Bonds are to be redeemed pursuant to Section 2.03(a), the Trustee shall withdraw from the Debt Service Fund any amount transferred to the Trustee to be applied to the redemption of Bonds pursuant to Section 2.03(a) for deposit in the Redemption Account, such amount being the amount required to pay the principal of and premium, if any, on the Bonds and on other Bonds to be redeemed on such date pursuant to Section 2.03(a). All moneys in the Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and premium, if any, on the Bonds to be redeemed pursuant to Section 2.03(a) on the date set for such redemption. Interest due on the Bonds to be redeemed on the date set for redemption shall, if applicable, be paid from funds available therefor in the Interest Account. Notwithstanding the foregoing, at any time prior to giving notice of redemption of any such Bonds, the Trustee may, at the direction of the Administrator, apply amounts deposited or otherwise to be deposited in the Redemption Account to the purchase of the Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest on such Bonds, which is payable from the Interest Account) as shall be directed by the Administrator.

(f) Surplus Account. On September 2 of each year, after making the deposits required under subsections (a) through (e) above on the preceding September 1, the Trustee shall transfer all amounts remaining on deposit in the Debt Service Fund to the Surplus Account. Any amounts transferred to the Surplus Account shall be disposed of by the Trustee as follows: (i) transfer to the Administrative Expense Account an amount

determined by the Administrator as necessary to pay Administrative Expenses to the extent amounts in the Administrative Expense Account are not sufficient for such purpose as directed in a Written Request of the Administrator delivered to the Trustee by ____ of each year; and (ii) promptly following the foregoing transfer to the Administrative Expense Fund, and in any event no later than 10 Business Days following the deposit of funds in the Surplus Fund each year, any remaining amount in the Surplus Fund shall be transferred by the Trustee, without further direction, to the County Auditor-Controller for redistribution by the County Auditor-Controller as provided in Section 33492.71(c)(1)(D) of the Health and Safety Code.

ARTICLE V

OTHER COVENANTS OF THE AUTHORITY AND THE ADMINISTRATOR

Section 5.01. Punctual Payment. The Administrator, on behalf of the Authority, shall punctually pay or cause to be paid the principal and interest to become due on the Bonds together with any premium thereon, if applicable, in strict conformity with the terms of the Bonds and of this Indenture, solely from the Pledged Tax Revenues and other amounts pledged to such payments hereunder. The Authority shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, all Supplemental Indentures and the Bonds.

Section 5.02. Limitation on Additional Indebtedness; Against Encumbrances. The Authority hereby covenants that, so long as the Bonds are Outstanding, the Authority shall not issue any bonds, notes or other obligations, enter into any agreement or otherwise incur any indebtedness, which is in any case payable from all or any part of the Pledged Tax Revenues. Neither the Authority nor the Administrator will encumber, pledge or place any charge or lien upon any of the Pledged Tax Revenues or other amounts pledged to the Bonds.

Section 5.03. Extension of Payment. Neither the Authority nor the Administrator will directly or indirectly, extend or consent to the extension of the time for the payment of any Bond or claim for interest on any of the Bonds and will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or funding the Bonds or claims for interest in any other manner. In case the maturity of any such Bond or claim for interest shall be extended or funded, whether or not with the consent of the Authority or the Administrator, such Bond or claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04. Enforcement of Irrevocable Instructions. The Administrator, on behalf of the Authority, hereby covenants to take such actions within its power as may be reasonable and necessary to compel the County Auditor-Controller to comply with the direction set forth in the Irrevocable Instructions to transfer to the Trustee for deposit in the Debt Service Fund, all of the Pledged Tax Revenues in the amounts and at the times provided in the California Health and Safety Code and other applicable law.

Section 5.05. Payment of Claims. The Administrator, on behalf of the Authority, shall promptly pay and discharge from funds in the Administrative Expense Fund, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Pledged Tax Revenues or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Bonds. Nothing herein contained shall require the Administrator to make any such payment so long as the Administrator in good faith shall contest the validity of said claims or if there are not sufficient funds in the Administrative Expense Fund to make such payment.

Section 5.06. Books and Accounts; Financial Statements. The Administrator, on behalf of the Authority, shall keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Administrator, in which complete and correct entries shall be made of all transactions relating to the Pledged Tax Revenues and the Administrative Expense Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding, or their representatives authorized in writing.

Section 5.07. Protection of Security and Rights of Owners. The Administrator, on behalf of the Authority, will preserve and protect the security of the Bonds and the rights of the Owners. From and after the Closing Date with respect to the Bonds, the Bonds shall be incontestable by the Authority or the Administrator.

Section 5.08. Maintenance of Pledged Tax Revenues. The Authority (prior to the Dissolution Date) and the Administrator on behalf of the Authority (after the Dissolution Date) shall comply with all requirements of the California Health and Safety Code to ensure the allocation and payment to the Trustee of the Pledged Tax Revenues pursuant to the Irrevocable Instructions or otherwise. The Authority shall not undertake proceedings for amendment of the Reuse Plan or the Authority's transition plan if such amendment shall result in a reduction in the amount of Pledged Tax Revenues available to pay the Bonds.

Section 5.09. Continuing Disclosure. The Administrator hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Administrator to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.10. Further Assurances. The Authority and the Administrator, as applicable, will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

ARTICLE VI

THE TRUSTEE

Section 6.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Administrator may remove the Trustee at any time, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Administrator has knowledge that the Trustee shall cease to be eligible in accordance with subsection (f) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Administrator to the Trustee, whereupon the Administrator shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Administrator and by giving the Owners notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Administrator shall promptly appoint a successor Trustee by an instrument in writing, with notice of such appointment to be furnished to any Insurer.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction at the expense of the Administrator for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing, acknowledging and delivering to the Administrator and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties,

rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Administrator or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Administrator shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Administrator shall cause either the predecessor Trustee or the successor Trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds and to the Owners at their respective addresses shown on the Registration Books.

(e) If an Event of Default hereunder occurs with respect to any Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.03(d) hereof, then the Trustee shall immediately give written notice thereof, by first-class mail to the Owner of each such Bond, unless such Event of Default shall have been cured before the giving of such notice; provided, however, that unless such Event of Default consists of the failure to make any payment on the Bonds when due, the Trustee shall, within thirty (30) days of the Trustee's knowledge thereof, give such notice to the Bondowners, provided that the Trustee may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Bondowners not to give such notice.

(f) The Authority and the Administrator agree that, so long as any Bonds are Outstanding, the Trustee shall be a financial institution having a corporate trust office in the State, having (or in the case of a corporation or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$75,000,000, and subject to supervision or examination by federal or state authority. If such financial institution publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such financial institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (f), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

Section 6.02. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under subsection (f) of Section 6.01, shall be the successor to such

Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.03. Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Authority and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Bonds nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee and its officers and employees may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee. Where the Trustee is given the permissive right to do things enumerated in this Indenture, such right shall not be construed as a mandatory duty.

(d) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer shall have actual knowledge thereof, or shall have received written notice thereof from the Administrator at its Principal Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee may rely conclusively on the Administrator's certificates to establish the Administrator's

compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Pledged Tax Revenues into the Debt Service Fund.

(e) The Trustee shall have no liability or obligation to the Bondowners with respect to the payment of debt service on the Bonds or with respect to the observance or performance by the Authority or the Administrator of the other conditions, covenants and terms contained in this Indenture.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall not be responsible for any intentional misconduct or negligence on the part of any agent, attorney or receiver appointed with due care by it hereunder.

(h) The Trustee shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

(i) Before taking any action under Article VIII or this Article at the request of the Owners, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

(j) The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Authority or the Administrator elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Authority or the Administrator, as applicable, agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(k) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include but not be limited to acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics, pandemics or other similar occurrences.

(l) The Trustee shall not be responsible for or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

Section 6.04. Right to Rely on Documents and Opinions. The Trustee shall have no liability in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, facsimile transmission, electronic mail, or other paper or document reasonably believed by it to be genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Trustee may consult with counsel, including, without limitation, counsel of or to the Authority, with regard to legal questions, and, in the absence of negligence or intentional misconduct by the Trustee, the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Authority or a Written Certificate of the Administrator, which shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such written certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant or Independent Fiscal Consultant appointed by the Administrator.

Section 6.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times upon reasonable notice to the inspection of and copying by the Administrator and any Owner, and their agents and representatives duly authorized in writing, during regular business hours and under reasonable conditions.

Section 6.06. Compensation and Indemnification. The Administrator shall pay to the Trustee from time to time, solely from amounts in the Administrative Expense Account, reasonable

compensation for all services rendered under this Indenture in accordance with the letter proposal from the Trustee approved by the Authority and/or the Administrator, as applicable, and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee shall have a lien on the Pledged Tax Revenues and all funds and accounts held by the Trustee hereunder, subordinate to the lien of the Bondowners thereon, to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel).

The Administrator further covenants and agrees to indemnify, defend and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense and liabilities including legal fees and expenses which it may incur to the extent arising out of or in connection with the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the Administrator and the rights of the Trustee under this Section 6.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

The Trustee's compensation and costs related to its indemnification under this Indenture shall constitute Administrative Expenses.

Section 6.07. Deposit and Investment of Moneys in Funds. Moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Reserve Account, the Administrative Expense Account, the Redemption Account, the Surplus Account and the Costs of Issuance Fund shall be invested by the Trustee in Permitted Investments as directed by the Administrator in the Written Request of the Administrator filed with the Trustee, except that moneys in the Reserve Account shall not be invested in Permitted Investments having a maturity of more than five (5) years, unless any such Permitted Investment is described in clause (g) of the definition thereof. In the absence of any such Written Request of the Administrator, the Trustee shall invest any such moneys in Permitted Investments described in clause (d) of the definition thereof, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder; provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received a Written Request of the Administrator specifying a specific money market fund and, if no such Written Request of the Administrator is so received, the Trustee shall hold such moneys uninvested. The Trustee shall be entitled to rely conclusively upon the written instructions of the Administrator directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State, and shall not be required to make further investigation with respect thereto. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the

funds or accounts held by the Trustee hereunder shall be retained in the respective fund or account from which the investment was made. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the Authority or otherwise made in accordance with this Section. For investment purposes only, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The Authority and the Administrator acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Administrator the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, the Authority and the Administrator specifically waive receipt of such confirmations to the extent permitted by law. The Authority and the Administrator further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker. The Trustee will furnish the Administrator monthly cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder. Upon the Administrator's election, such statements will be delivered via the Trustee's online service and upon electing such service, paper statements will be provided only upon request.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall be liable only to account for earnings derived from funds that have been invested. Investments of funds on deposit in the Reserve Account shall be valued on _____ of each year at their market value.

Section 6.08. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which complete and accurate entries shall be made of all transactions relating to the proceeds of the Bonds made by it and all funds and accounts held by the Trustee established pursuant to this Indenture. Such books of record and account maintained by the Trustee shall be available for inspection by the Administrator upon reasonable prior notice, at reasonable hours and under reasonable circumstances. The Trustee shall furnish to the Administrator, on at least a monthly basis, an accounting of all transactions in the form of its customary statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.09. Other Transactions with Administrator. The Trustee, either as principal or agent, may engage in or be interested in any financial or other transaction with the Administrator.

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.01. Amendment With And Without Consent of Owners. This Indenture and the rights and obligations of the Authority, the Administrator, the Trustee and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption without the consent of any Owners to the extent permitted by law, but only for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Authority, or of the Administrator for itself or on behalf of the Authority, in this Indenture contained, other covenants and agreements thereafter to be observed, including any covenant or agreement that provides for additional security for the Bonds, or to limit or surrender any rights or powers herein reserved to or conferred upon the Authority or the Administrator; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Administrator may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not, in the reasonable determination of the Administrator, materially adversely affect the interests of the Owners; or

(c) to comply with additional requirements of a provider of a Qualified Reserve Account Credit Instrument; provided that such amendment does not have an adverse impact on the Insurer's rights under the Indenture or the availability of Pledged Tax Revenues for the Bonds.

Except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the Authority, or of the Administrator for itself or on behalf of the Authority, and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the prior written consent of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Authority, or of the Administrator on behalf of the Authority, to pay the principal, interest, or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification. In no event shall any Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In no event shall any Supplemental Indenture modify any of the rights or obligations of any Insurer without its prior written consent.

Section 7.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03. Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Administrator may determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Administrator, as to such amendment or modification and in that case upon demand of the Administrator the Owners of such Bonds shall present such Bonds for that purpose at the Principal Corporate Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Administrator may determine that new Bonds shall be prepared at the expense of the Administrator and executed in exchange for any or all of the Bonds, and in that case, upon demand of the Administrator, the Owners of the Bonds shall present such Bonds for exchange at the Principal Corporate Trust Office of the Trustee, without cost to such Owners.

Section 7.04. Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond and, provided further that written consent to such amendment shall first be obtained from any Insurer.

Section 7.05. Opinion of Counsel. Prior to executing any Supplemental Indenture, the Trustee shall be furnished an opinion of counsel, upon which it may conclusively rely to the effect that all conditions precedent to the execution of such Supplemental Indenture under this Indenture have been satisfied and such Supplemental Indenture is authorized and permitted under this Indenture and does not adversely affect the exclusion of interest on the Bonds issued as tax-exempt bonds from gross income for federal income tax purposes or adversely affect the exemption of interest on the Bonds from personal income taxation by the State.

Section 7.06. Copy of Supplemental Indenture to S&P. The Trustee shall provide to S&P, for so long as S&P maintain a rating on any of the Bonds (without regard to any municipal bond or financial guaranty insurance), a copy of any Supplemental Indenture at least fifteen (15) days prior to its proposed effective date.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.01. Events of Default. The following events shall constitute Events of Default hereunder:

(a) if default shall be made in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Authority or the Administrator in the observance of any of the covenants, agreements or conditions on its respective part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of thirty (30) days following receipt by the Authority and the Administrator (prior to the Dissolution Date), or to the Administrator (from and after the Dissolution Date) of written notice from the Trustee or written notice from any Owner (with a copy of said notice delivered to the Trustee) of the occurrence of such default, provided that if in the reasonable opinion of the Administrator the failure stated in the notice can be corrected, but not within such thirty (30) day period, such failure will not constitute an event of default if corrective action is instituted by the Administrator within such thirty (30) day period and the Administrator thereafter diligently and in good faith cures such failure in a reasonable period of time; or

(c) If the Authority or the Administrator files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction will approve a petition by the Administrator seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will approve a petition by the Authority or the Administrator, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will assume custody or control of the Authority or the Administrator or of the whole or any substantial part of its respective property.

Immediately upon receiving notice or actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the Authority and the Administrator (if prior to the Dissolution Date) or the Administrator (from and after the Dissolution Date) confirmed in writing. With respect to any Event of Default described in subsections (a) or (c) above the Trustee shall, and with respect to any Event of Default described in subsection (b) above the Trustee in its sole discretion may, also give such notice to the Owners by mail.

If an Event of Default has occurred under this Section and is continuing, the Trustee, may, and, if requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, the Trustee shall, subject to the provisions of Section 8.06, exercise any remedies available to the Trustee and the Bondowners in law or at equity, including mandamus.

Any Bondowner shall have the right, for the equal benefit and protection of all Bondowners similarly situated:

(a) by mandamus, suit, action or proceeding, to compel the Authority, prior to the Dissolution Date, and the Administrator, from and after the Dissolution Date, and their respective officers, agents or employees to perform each of their respective covenants and agreements contained in this Indenture and in the Bonds, and to require the carrying out of any or all such covenants and agreements and the fulfillment of the respective duties specifically imposed upon them under this Indenture;

(b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Bondowners' rights; or

(c) upon the happening of any Event of Default, by suit, action or proceeding in any court of competent jurisdiction, to require the Authority, prior to the Dissolution Date, and the Administrator, from and after the Dissolution Date, and their respective employees to account as if they were the trustees of an express trust with regard to any of the Pledged Tax Revenues or any funds held in any of the funds and accounts under this Indenture.

Section 8.02. Application of Funds Upon Default. So long as an Event of Default has occurred and is continuing, all amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture (including any Pledged Tax Revenues) and all sums in the funds and accounts established and held by the Trustee hereunder, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order upon presentation of the Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, advisors, attorneys (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and counsel and any outstanding fees and expenses of the Trustee; and

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, as applicable, with interest on the overdue principal, and installments of interest at the net effective rate then borne by the Outstanding Bonds (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole

amount so owing and unpaid upon the Bonds, then to the payment of such principal and interest without preference or priority, ratably to the aggregate of such principal and interest.

Section 8.03. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 8.04. Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Authority and the Administrator (prior to the Dissolution Date) or the Administrator (from and after the Dissolution Date), and the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.05. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Authority, and the Administrator on behalf of the Authority, which is absolute and unconditional, to pay from the Pledged Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners or the Trustee to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner or the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners and the Trustee by the Marks-Roos Act or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners or the Trustee, the Authority, the Administrator, the Trustee and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.06. Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, provided, however, the Trustee shall have no duty or obligation to exercise any such right or remedy unless it has been indemnified to its satisfaction from any loss, liability or expense (including fees and expenses of its outside counsel and the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel).

Section 8.07. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Marks-Roos Act or any other law.

Section 8.08. Determination of Percentage of Bondowners. Whenever in this Indenture the consent, direction or other action is required or permitted to be given or taken by a percentage of the Owners of an aggregate principal amount of Outstanding Bonds (including by the Owners

of a majority in aggregate principal amount of the Outstanding Bonds), such percentage shall be calculated on the basis of the principal amount of the Outstanding Bonds determined as of the next succeeding Interest Payment Date.

ARTICLE IX

THE ADMINISTRATOR

Section 9.01. Duties, Immunities and Liabilities of Administrator. It is hereby acknowledged that the Administrator is entering into this Indenture solely as an accommodation to the Authority, the Trustee and the Bondowners in light of the dissolution of the Authority on the Dissolution Date. To that end, the Administrator shall be obligated to perform such duties and only such duties as are specifically set forth in this Indenture to be performed by it and no implied covenants, duties or obligations shall be read into this Indenture against the Administrator. Where the Administrator is given the permissive right to do things enumerated in this Indenture, such right shall not be construed as a mandatory duty.

Section 9.02. Liability of Administrator.

(a) The Administrator shall have no obligation to use any of its own funds (i) to make payments on the Bonds or to the Trustee in respect thereof, or (ii) to pay any costs or expenses of the Trustee, except from amounts in the Administrative Expense Account. The recitals of facts herein and in the Bonds contained shall be taken as statements of the Authority, and the Administrator shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Bonds nor shall incur any responsibility in respect thereof. The Administrator shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or misconduct.

(b) The Administrator shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or misconduct of the Administrator.

(c) The Administrator shall not be deemed to have knowledge of any Event of Default hereunder unless and until it shall have received written notice thereof from the Trustee or an owner of the Bonds. In the absence of such actual knowledge or notice, the Administrator may conclusively assume that no Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Administrator shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of any default thereunder.

(d) No provision of this Indenture shall require the Administrator to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder,

or in the exercise of any of its rights or powers, if amounts in the Administrative Expense Account are not available for that purpose. Nonetheless, the Administrator shall be entitled to interest on any amounts voluntarily advanced by it from its own funds at the maximum rate permitted by law.

(e) The Administrator shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

(f) The Administrator shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Administrator and could not have been avoided by exercising due care. Force majeure shall include but not be limited to acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

(g) The Administrator shall not be responsible for or accountable to anyone for the subsequent use or application of any moneys which are transferred to Local Agencies in accordance with the provisions hereof.

Section 9.03. Right to Rely on Documents and Opinions. The Administrator shall have no liability in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, facsimile transmission, electronic mail, or other paper or document reasonably believed by it to be genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Administrator may consult with counsel, including, without limitation, counsel of or to the Authority, with regard to legal questions, and, in the absence of negligence or intentional misconduct by the Administrator, the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Administrator hereunder in accordance therewith.

Section 9.04. Compensation and Indemnification. The Administrator shall be entitled to reasonable compensation for all services rendered under this Indenture and also payment or reimbursement of all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties under this Indenture. All such compensation and payment or reimbursements shall be Administrative Expenses payable from amounts in the Administrative Expense Account. The Administrator shall have a lien on the Pledged Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Administrator of all costs and expenses, including reasonable compensation to its attorneys, subordinate to the lien thereon for the benefit of the Bondowners and the Trustee.

ARTICLE X

In the case of a defeasance or payment of all of the Bonds Outstanding, any funds thereafter held by the Trustee which are not required for said purpose or for payment of amounts due the Trustee pursuant to Section 6.06 shall be paid over to the Administrator and applied by the Administrator consistent with the Fort Ord Reuse Authority Act and the Marks-Roos Act, as applicable.

Section 10.04. Execution of Documents and Proof of Ownership by Owners. Any request, consent, declaration or other instrument which this Indenture may require or permit to be executed by any Owner may be in one or more instruments of similar tenor, and shall be executed by such Owner in person or by such Owner's attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

The ownership of Bonds and the amount, maturity, number and date of ownership thereof shall be proved by the Registration Books.

Any demand, request, direction, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Authority, the Administrator or the Trustee and in accordance therewith, provided, however, that the Trustee shall not be deemed to have knowledge that any Bond is owned by or for the account of the Authority or the Administrator unless the Authority or the Administrator is the registered Owner or the Trustee has received written notice that any other registered Owner is such an affiliate.

Section 10.05. Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned or held by or for the account of the Authority or the Administrator (but excluding Bonds held in any employees' retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. The FORT ORD REUSE AUTHORITY, a public entity duly existing under and by virtue of the laws of the State of California (the "Authority"), for value received hereby promises to pay to the Registered Owner stated above, or registered assigns (the "Registered Owner"), on the Maturity Date stated above (subject to any right of prior redemption hereinafter provided for), the Principal Sum stated above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond, unless (i) this Bond is authenticated on or before an Interest Payment Date and after the close of business on the fifteenth (15th) day of the month immediately preceding an Interest Payment Date (the "Record Date"), in which event it shall bear interest from such Interest Payment Date, or (ii) this Bond is authenticated on or before August 15, 2020, in which event it shall bear interest from the Dated Date above; provided however, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from

the Interest Payment Date to which interest has previously been paid or made available for payment on this Bond, until payment of such Principal Sum in full, at the Interest Rate per annum stated above, payable semiannually on March 1 and September 1 in each year, commencing September 1, 2020 (each an "Interest Payment Date"), calculated on the basis of 360-day year comprised of twelve 30-day months. Principal hereof and premium, if any, upon early redemption hereof are payable upon surrender of this Bond at the corporate trust office of U.S. Bank National Association, as trustee (the "Trustee"), in Saint Paul, Minnesota, or at such other place designated by the Trustee (the "Principal Corporate Trust Office"). Interest hereon (including the final interest payment upon maturity or earlier redemption) is payable by check of the Trustee mailed by first class mail, postage prepaid, on the Interest Payment Date to the Registered Owner hereof at the Registered Owner's address as it appears on the registration books maintained by the Trustee as of the Record Date for such Interest Payment Date; provided however, that payment of interest may be by wire transfer to an account in the United States of America to any registered owner of Bonds in the aggregate principal amount of \$1,000,000 or more upon written instructions of any such registered owner filed with the Trustee for that purpose prior to the Record Date preceding the applicable Interest Payment Date.

This Bond is one of a duly authorized issue of bonds of the Authority designated as "Fort Ord Reuse Authority Tax Allocation Bonds, Series 2020 (Federally Taxable)" (the "Bonds"), of an aggregate principal amount of \$_____ all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers, maturities, interest rates, or redemption and other provisions) and all issued pursuant to the provisions of the Marks-Roos Local Bond Pooling Act of 1985, codified at Article 4 of Chapter 6 of Division 7 of Title 1 of the California Government Code (the "Marks-Roos Act") and the Fort Ord Reuse Authority Act, codified at Title 7.85 of the California Government Code (the "Fort Ord Reuse Authority Act"), and pursuant to an Indenture of Trust, dated as of May 1, 2020, entered into by and among the Authority, the City of Marina, California, as Administrator (the "Administrator") and the Trustee (the "Indenture"), providing for the issuance of the Bonds. The Bonds are being issued in the form of registered Bonds without coupons. Reference is hereby made to the Indenture (copies of which are on file at the office of the Trustee) and all indentures supplemental thereto, to the Marks-Roos Act and to the Fort Ord Reuse Authority Act, for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Pledged Tax Revenues (as that term is defined in the Indenture), and the rights thereunder of the registered owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Authority and the Administrator thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees. Capitalized terms used and not otherwise defined herein have the meanings given them in the Indenture.

The Bonds are limited obligations of the Authority and this Bond and the interest hereon and on all other Bonds and the interest thereon (to the extent set forth in the Indenture), are payable from, and are secured by a pledge of, security interest in and lien on the Pledged Tax Revenues.

There has been created the Debt Service Fund (as defined in the Indenture), which will be maintained by the Trustee, into which Pledged Tax Revenues shall be deposited for payment, when due, of the principal of and the interest and redemption premium, if any, on the Bonds. As and to the extent set forth in the Indenture, all such Pledged Tax Revenues and the moneys in the Debt Service Fund, except the Administrative Expense Account and the Surplus Account therein, are exclusively and irrevocably pledged to and constitute a trust fund, in accordance with the terms hereof and the provisions of the Indenture, the Marks-Roos Act and the California Health and Safety Code, for the security and payment or redemption of, including any premium upon early redemption, and for the security and payment of interest on, the Bonds. Except for the Pledged Tax Revenues and such moneys, no funds or properties of the Authority or the Administrator shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium, if any, on the Bonds.

The Bonds are subject to optional and mandatory redemption prior to maturity as described in the Indenture.

As provided in the Indenture, notice of redemption shall be given by first class mail no less than twenty (20) (or such longer period, up to thirty (30) days, as may be required by the Depository) nor more than sixty (60) days prior to the redemption date to the respective registered owners of any Bonds designated for redemption at their addresses appearing on the Bond registration books maintained by the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption.

The Administrator shall have the right to rescind any notice of optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Authority, the Administrator and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other Authorized Denominations and of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Principal Corporate Trust Office of the Trustee, but only in the manner

and subject to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new fully registered Bond or Bonds, of any Authorized Denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. The Trustee may refuse to transfer or exchange (a) any Bond during the fifteen (15) days prior to the date established for the selection of Bonds for redemption, or (b) any Bond selected for redemption.

The Authority, the Administrator and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Authority, the Administrator, the Trustee and the registered owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Authority to pay the principal, interest, or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of any Insurer or the Owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee.

This Bond is not a debt, liability or obligation of any of the members, Councilmembers or officers of the Authority or the Administrator, any agency, any district, any city, the County of Monterey, the State of California, or any of its political subdivisions except the Authority, and no agency, district, or city, and none of said County, said State, nor any of its political subdivisions except the Authority is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those pledged therefor under the Indenture. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Law and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Marks-Roos Act, the Fort Ord Reuse Authority Act, or any other laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Fort Ord Reuse Authority has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Executive Officer and attested by the facsimile signature of its Secretary, all as of the Dated Date set forth above.

BUILDING REMOVAL FUNDING AGREEMENT

THIS BUILDING REMOVAL FUNDING AGREEMENT (the "Agreement"), dated as of May 1, 2020, is by and between the FORT ORD REUSE AUTHORITY (the "Authority") and the CITY OF MARINA, CALIFORNIA (the "Funding Recipient"), and is related to use by the Funding Recipient of proceeds of the Fort Ord Reuse Authority Tax Allocation Bonds, Series 2020 (Federally Taxable) (the "Bonds").

RECITALS:

WHEREAS, the Authority is issuing the Bonds pursuant to an Indenture of Trust, dated as of May 1, 2020 (the "Indenture"), by and among the Authority, the City of Marina, California, as Administrator and U.S. Bank National Association, as trustee (the "Trustee") in order to fund Building Removal Costs of Building Removal to be undertaken by the Local Agencies, as such capitalized terms are defined in the Indenture; and

WHEREAS, the Funding Recipient is one of the Local Agencies, and the Indenture provides for the deposit of a portion of the proceeds of the Bonds on the date of issuance of the Bonds (the "Closing Date") to a Marina Bond Proceeds Account of a Project Fund held by the Trustee as set forth in Section 3.02(a)(iii) of the Indenture; and

WHEREAS, pursuant to Section 3.04(b) of the Indenture, the Trustee will remit the amount in the Marina Bond Proceeds Account to the Funding Recipient on the Closing Date to be used by the Funding Recipient as provided in this Agreement; and

WHEREAS, the Authority and the Funding Recipient now desire to set forth provisions related to the disposition by the Funding Recipient of the amount transferred to it by the Trustee on the Closing Date.

AGREEMENT:

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, and for other consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto do hereby agree as follows:

1. Recitals. Each of the above recitals as applicable to it is true and correct.

2. Issuance of the Bonds. The Authority hereby agrees to (a) issue the Bonds, (b) cause ____% of the proceeds of the Bonds to be deposited to the Marina Bond Proceeds Account under the Indenture, and (c) cause the Trustee to remit the amount deposited to the Marina Bond Proceeds Account to the Funding Recipient on the Closing Date. Notwithstanding the foregoing, this Agreement shall be null and void ab initio if for any reason whatsoever the Authority does not perform its obligations under the preceding sentence prior to its dissolution, and no damages

or liability whatsoever shall arise or be incurred by the Authority as a consequence of its failure to perform such obligations. In no event shall the Funding Recipient have a right to compel the issuance of the Bonds.

The Funding Recipient hereby advises that its wire transfer instructions for the transfer of funds provided for in clause (c) of the first sentence of the preceding paragraph are: _____.

3. Use of Proceeds. The Funding Recipient hereby agrees to establish an account on its books and records (referred to in this Agreement as the "Building Removal Account") in order to account for its use of the proceeds of the Bonds remitted to it as described in clause (c) of the first sentence of Section 2. Amounts deposited to the Building Removal Account may be comingled with other monies of the Funding Recipient for investment purposes, but the Funding Recipient shall at all times maintain records as to the funds in the Building Removal Account and the investment earnings thereon as provided below.

The Funding Recipient agrees that amounts withdrawn from the Building Removal Account will be used solely to pay costs of the Building Removal Costs, as described in Exhibit A hereto then due and payable by the Funding Recipient, or that have otherwise theretofore been paid by the Funding Recipient after the date of this Agreement. In no event shall the Authority have any responsibility for the use by the Funding Recipient of amounts disbursed from the Building Removal Account, or any Building Removal activities of the Funding Recipient, or for any Building Removal Costs incurred by the Funding Recipient.

The Funding Recipient shall have the sole right to direct the investment of the amounts on deposit in the Building Removal Account. While the Funding Recipient shall have no obligation or liability with respect to any such investment, including any losses with respect thereto, any investment earnings on funds in the Building Removal Account shall be credited to such account and used solely for the purposes thereof as provided in this Section 3.

The Funding Recipient agrees to maintain accounting records relating to the use of amounts disbursed to or upon its order from the Building Removal Account in accordance with Funding Recipient's accounting procedures for similar funds.

In the event that the Funding Recipient determines in its sole discretion that it has funds in the Building Removal Account that it will not expend on Building Removal Costs, it shall remit such amount to the Trustee for deposit in the Surplus Account under the Indenture for disposition from the Surplus Account as provided in the Indenture.

The Authority shall not have any liability or responsibility whatsoever with respect to any Building Removal activities of the Funding Recipient or any Building Removal Costs or other costs incurred for any reason by the Funding Recipient. The Funding Recipient hereby agrees to hold the Authority harmless with respect to any claim by any entity in opposition to the provisions of the preceding sentence.

4. Reimbursement of Administrative Costs. The Funding Recipient hereby agrees to pay, other than from amounts in the Building Removal Account, any and all costs with respect to its review, execution and performance of this Agreement. The Authority shall not have any obligation to pay any costs of the Funding Recipient incurred by it in connection with this Agreement or the Building Removal activities of the Funding Recipient.

Costs of the Authority and the City, in its role of Administrator under the Indenture, with respect to this Agreement and the Indenture (a) incurred on or before the Closing Date, shall be Costs of Issuance to be paid from the Costs of Issuance Fund under the Indenture; (b) incurred from and after the Closing Date shall be Administrative Expenses to be paid from the Administrative Expense Fund under the Indenture (as such capitalized terms used in the preceding clauses (a) and (b) are defined in the Indenture); and the Funding Recipient shall have no responsibility to pay any such costs. The Funding Recipient should have no responsibility to pay any costs of the Authority or the City, in its role as Administrator under the Indenture incurred by them with respect to the Indenture for the repayment or the administration of the Bonds.

5. Building Removal. The Funding Recipient shall have sole responsibility for all of its Building Removal activities..

6. Limited Obligations. All obligations of the Authority under and pursuant to this Agreement shall be limited to those specified in the first sentence of Section 2, subject in any event to the provisions of the second sentence of Section 2. No Boardmember, officer or employee of the Authority shall in any event be personally liable hereunder. Following any deposit of Bond proceeds in the Building Removal Account as provided in Section 3 above, the Authority shall have no liability with respect to the handling or the investment of such funds by the Funding Recipient, or the disposition of such funds by the Funding Recipient.

The only obligations of the Funding Recipient hereunder shall be to expend amounts in Building Removal Account for Building Removal Costs, and to maintain records as to the use of the amounts withdrawn from the Building Removal Account. If, for any reason whatsoever, there are insufficient funds in the Building Removal Account to pay all of the Building Removal Costs of the Funding Recipient, neither the Funding Recipient nor the Authority shall have any obligation under this Agreement to fund any such shortfall. No member of the City Council, or any officer or employee thereof, shall in any event be personally liable hereunder.

7. Termination. This Agreement shall cease to be effective and shall terminate (a) upon the dissolution of the Authority, if the Authority has not issued the Bonds prior to its dissolution, or (b) if not terminated pursuant to clause (a), upon the disbursement by the Funding Recipient of all amounts in the Building Removal Account. Notwithstanding the foregoing, the provisions of the fourth paragraph of Section 3 and the provisions of Section 6 shall survive such termination.

8. Entire Agreement. This Agreement contains the entire agreement among the parties with respect to the matters provided for herein and supersedes all prior agreements and negotiations between the parties with respect to the subject matter of this Agreement.

9. Notices. Any notice required or permitted by this Agreement to be given or delivered to another party shall be deemed to have been received when personally delivered or seventy-two hours following deposit of the same in any United States Post Office in California, registered or certified, postage prepaid, addressed as follows:

10. Exhibit. The exhibit attached hereto is incorporated into this Agreement by this reference.

11. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent reasonably possible.

12. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

13. Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by another party hereto, or the failure by a party to exercise its rights upon the default of another party, shall not constitute a waiver of such party's right to insist and demand strict compliance by such other party with the terms of this Agreement thereafter.

14. No Third Party Beneficiaries. No person or entity (including but not limited to the Trustee or the owners of the Bonds) shall be deemed to be a third party beneficiary hereof, and nothing in this Agreement (either express or implied) is intended to confer upon any person or entity, other than Authority and Funding Recipient, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

15. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute but one instrument.

16. Prepayment of Bonds. To that end, the Funding Recipient agrees to exercise any influence it may have over the Successor Agency or the consultants for the Successor Agency to avoid the early redemption or retirement of the Successor Agency's outstanding bonds titled Successor Agency to the Marina Redevelopment Agency Tax Allocation Bonds, Series 2018A and Successor Agency to the Marina Redevelopment Agency Housing Tax Allocation Bonds, Series 2018B.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.

WHEREAS, the Authority, the Administrator and the Funding Recipient now desire to set forth provisions related to the disposition by the Funding Recipient of the amount transferred to it by the Trustee on the Closing Date, and to specify the rights and limited liability of the Administrator hereunder.

AGREEMENT:

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, and for other consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto do hereby agree as follows:

1. Recitals. Each of the above recitals as applicable to it is true and correct.

2. Issuance of the Bonds. The Authority hereby agrees to (a) issue the Bonds, (b) cause ____% of the proceeds of the Bonds to be deposited to the Seaside Bond Proceeds Account under the Indenture, and (c) cause the Trustee to remit the amount deposited to the Seaside Bond Proceeds Account to the Funding Recipient on the Closing Date. Notwithstanding the foregoing, this Agreement shall be null and void ab initio if for any reason whatsoever the Authority does not perform its obligations under the preceding sentence prior to its dissolution, and no damages or liability whatsoever shall arise or be incurred by the Authority as a consequence of its failure to perform such obligations. In no event shall the Funding Recipient have a right to compel the issuance of the Bonds.

The Funding Recipient hereby advises that its wire transfer instructions for the transfer of funds provided for in clause (c) of the first sentence of the preceding paragraph are: _____.

3. Use of Proceeds. The Funding Recipient hereby agrees to establish an account on its books and records (referred to in this Agreement as the "Building Removal Account") in order to account for its use of the proceeds of the Bonds remitted to it as described in clause (c) of the first sentence of Section 2. Amounts deposited to the Building Removal Account may be comingled with other monies of the Funding Recipient for investment purposes, but the Funding Recipient shall at all times maintain records as to the funds in the Building Removal Account and the investment earnings thereon as provided below.

The Funding Recipient agrees that amounts withdrawn from the Building Removal Account will be used solely to pay costs of the Building Removal Costs, as described in Exhibit A hereto then due and payable by the Funding Recipient, or that have otherwise theretofore been paid by the Funding Recipient after the date of this Agreement. In no event shall the Authority or the Administrator have any responsibility for the use by the Funding Recipient of amounts disbursed from the Building Removal Account, or any Building Removal activities of the Funding Recipient, or for any Building Removal Costs incurred by the Funding Recipient.

The Funding Recipient shall have the sole right to direct the investment of the amounts on deposit in the Building Removal Account. While the Funding Recipient shall have no obligation or liability with respect to any such investment, including any losses with respect thereto, any investment earnings on funds in the Building Removal Account shall be credited to such account and used solely for the purposes thereof as provided in this Section 3.

The Funding Recipient agrees to maintain accounting records relating to the use of amounts disbursed to or upon its order from the Building Removal Account in accordance with Funding Recipient's accounting procedures for similar funds. The Funding Recipient will, upon written request, provide the Authority or the Administrator, whichever requests the same, complete copies of the Funding Recipient's records related to such disbursements.

In the event that the Funding Recipient determines in its sole discretion that it has funds in the Building Removal Account that it will not expend on Building Removal Costs, it shall remit

such amount to the Trustee for deposit in the Surplus Account under the Indenture for disposition from the Surplus Account as provided in the Indenture.

Neither the Authority nor the Administrator shall have any liability or responsibility whatsoever with respect to any Building Removal activities of the Funding Recipient or any Building Removal Costs or other costs incurred for any reason by the Funding Recipient. The Funding Recipient hereby agrees to hold the Authority and the Administrator harmless with respect to any claim by any entity in opposition to the provisions of the preceding sentence.

4. Reimbursement of Administrative Costs. The Funding Recipient hereby agrees to pay, other than from amounts in the Building Removal Account, any and all costs with respect to its review, execution and performance of this Agreement. Neither the Authority nor the Administrator shall have any obligation to pay any costs of the Funding Recipient incurred by it in connection with this Agreement or the Building Removal activities of the Funding Recipient.

Costs of the Authority and the Administrator with respect to this Agreement (a) incurred on or before the Closing Date, shall be Costs of Issuance to be paid from the Costs of Issuance Fund under the Indenture; (b) incurred from and after the Closing Date shall be Administrative Expenses to be paid from the Administrative Expense Fund under the Indenture (as such capitalized terms used in the preceding clauses (a) and (b) are defined in the Indenture); and the Funding Recipient shall have no responsibility to pay any such costs. The Funding Recipient shall have no responsibility to pay any costs of the Authority or the Administrator incurred by them with respect to the Indenture for the repayment or the administration of the Bonds.

5. Building Removal. The Funding Recipient shall have sole responsibility for all of its Building Removal activities..

6. Limited Obligations. All obligations of the Authority under and pursuant to this Agreement shall be limited to those specified in the first sentence of Section 2, subject in any event to the provisions of the second sentence of Section 2. No Boardmember, officer or employee of the Authority shall in any event be personally liable hereunder. Following any deposit of Bond proceeds in the Building Removal Account as provided in Section 3 above, the Authority shall have no liability with respect to the handling or the investment of such funds by the Funding Recipient, or the disposition of such funds by the Funding Recipient.

The only obligations of the Funding Recipient hereunder shall be to expend amounts in Building Removal Account for Building Removal Costs, and to maintain records as to the use of the amounts withdrawn from the Building Removal Account. If, for any reason whatsoever, there are insufficient funds in the Building Removal Account to pay all of the Building Removal Costs of the Funding Recipient, none of the Funding Recipient, the Authority or the Administrator shall have any obligation under this Agreement to fund any such shortfall. If the Funding Recipient shall fail to perform any of its obligations hereunder, the sole remedy of the Authority or the Administrator shall be the commencement of an action in the Superior Court for specific performance by the Funding Recipient of such obligations. No member of the governing board

of the Funding Recipient, or any officer or employee thereof, shall in any event be personally liable hereunder.

The Administrator shall have no obligation or liability to the Funding Recipient or the Authority under this Agreement. It is hereby acknowledged that the sole reason for the Administrator to be a party to this Agreement is to recognize its rights to accounting records of, and to compel performance by, the Funding Recipient hereunder, and to consent to amendments hereto in its sole discretion. In no event shall the Administrator have any liability to the Authority or the Funding Recipient under or by reason of this Agreement, and no Councilmember, officer or employee of the Administrator shall in any event be personally liable hereunder.

7. Termination. This Agreement shall cease to be effective and shall terminate (a) upon the dissolution of the Authority, if the Authority has not issued the Bonds prior to its dissolution, or (b) if not terminated pursuant to clause (a), upon the disbursement by the Funding Recipient of all amounts in the Building Removal Account. Notwithstanding the foregoing, the provisions of the fourth paragraph of Section 3 and the provisions of Section 6 shall survive such termination.

8. Amendment. This Agreement may be amended at any time but only in writing signed by (a) prior to the dissolution of the Authority, the Authority, the Administrator and the Funding Recipient, and (b) after dissolution of the Authority, the Administrator and the Funding Recipient.

9. Entire Agreement. This Agreement contains the entire agreement among the parties with respect to the matters provided for herein and supersedes all prior agreements and negotiations between the parties with respect to the subject matter of this Agreement.

10. Notices. Any notice required or permitted by this Agreement to be given or delivered to another party shall be deemed to have been received when personally delivered or seventy-two hours following deposit of the same in any United States Post Office in California, registered or certified, postage prepaid, addressed as follows:

14. Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by another party hereto, or the failure by a party to exercise its rights upon the default of another party, shall not constitute a waiver of such party's right to insist and demand strict compliance by such other party with the terms of this Agreement thereafter.

15. No Third Party Beneficiaries. No person or entity (including but not limited to the Trustee or the owners of the Bonds) shall be deemed to be a third party beneficiary hereof, and nothing in this Agreement (either express or implied) is intended to confer upon any person or entity, other than Administrator, the Authority and Funding Recipient, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

16. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute but one instrument.

17. Prepayment of Bonds. The Funding Recipient hereby agrees to use its best efforts to prevent the Successor Agency to the Redevelopment Agency of the City of Seaside (the "Successor Agency") from redeeming such entities' outstanding bonds prior to their stated maturity. RECITALS:

WHEREAS, the Authority is issuing the Bonds pursuant to an Indenture of Trust, dated as of May 1, 2020 (the "Indenture"), by and among the Authority, the Administrator and U.S. Bank National Association, as trustee (the "Trustee") in order to fund Building Removal Costs of Building Removal to be undertaken by the Local Agencies, as such capitalized terms are defined in the Indenture; and

WHEREAS, the Funding Recipient is one of the Local Agencies, and the Indenture provides for the deposit of a portion of the proceeds of the Bonds on the date of issuance of the Bonds (the "Closing Date") to an MST Account of a Project Fund held by the Trustee as set forth in Section 3.02(a)(v) of the Indenture; and

WHEREAS, pursuant to Section 3.04(b) of the Indenture, the Trustee will remit the amount in the MST Account to the Funding Recipient on the Closing Date to be used by the Funding Recipient as provided in this Agreement; and

WHEREAS, the Authority will be dissolved on June 30, 2020, and the Administrator is entering into this Agreement as assignee of the Authority under the Indenture solely to perform certain limited administrative activities as expressly set forth in the Indenture;

WHEREAS, the Authority, the Administrator and the Funding Recipient now desire to set forth provisions related to the disposition by the Funding Recipient of the amount transferred to it by the Trustee on the Closing Date, and to specify the rights and limited liability of the Administrator hereunder.

AGREEMENT:

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, and for other consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto do hereby agree as follows:

1. Recitals. Each of the above recitals as applicable to it is true and correct.

2. Issuance of the Bonds. The Authority hereby agrees to (a) issue the Bonds, (b) cause [1.75]% of the proceeds of the Bonds to be deposited to the MST Account under the Indenture, and (c) cause the Trustee to remit the amount deposited to the MST Account to the Funding Recipient on the Closing Date. Notwithstanding the foregoing, this Agreement shall be null and void ab initio if for any reason whatsoever the Authority does not perform its obligations under the preceding sentence prior to its dissolution, and no damages or liability whatsoever shall arise or be incurred by the Authority as a consequence of its failure to perform such obligations. In no event shall the Funding Recipient have a right to compel the issuance of the Bonds.

The Funding Recipient hereby advises that its wire transfer instructions for the transfer of funds provided for in clause (c) of the first sentence of the preceding paragraph are: _____.

3. Use of Proceeds. The Funding Recipient hereby agrees to establish an account on its books and records (referred to in this Agreement as the "Building Removal Account") in order to account for its use of the proceeds of the Bonds remitted to it as described in clause (c) of the first sentence of Section 2. Amounts deposited to the Building Removal Account may be comingled with other monies of the Funding Recipient for investment purposes, but the Funding Recipient shall at all times maintain records as to the funds in the Building Removal Account and the investment earnings thereon as provided below.

The Funding Recipient agrees that amounts withdrawn from the Building Removal Account will be used solely to pay costs of the Building Removal Costs, as described in Exhibit A hereto then due and payable by the Funding Recipient, or that have otherwise theretofore been paid by the Funding Recipient after the date of this Agreement. In no event shall the Authority or the Administrator have any responsibility for the use by the Funding Recipient of amounts disbursed from the Building Removal Account, or any Building Removal activities of the Funding Recipient, or for any Building Removal Costs incurred by the Funding Recipient.

The Funding Recipient shall have the sole right to direct the investment of the amounts on deposit in the Building Removal Account. While the Funding Recipient shall have no obligation or liability with respect to any such investment, including any losses with respect thereto, any investment earnings on funds in the Building Removal Account shall be credited to such account and used solely for the purposes thereof as provided in this Section 3.

The Funding Recipient agrees to maintain accounting records relating to the use of amounts disbursed to or upon its order from the Building Removal Account in accordance with Funding Recipient's accounting procedures for similar funds. No Boardmember, officer or employee of the Authority shall in any event be personally liable hereunder. Following any deposit of Bond proceeds in the Building Removal Account as provided in Section 1 above, the Authority shall have no liability with respect to the handling or the investment of such funds by the Funding Recipient, or the disposition of such funds by the Funding Recipient.

The only obligations of the Funding Recipient hereunder shall be to expend amounts in Building Removal Account for Building Removal Costs, and to maintain records as to the use of the amounts withdrawn from the Building Removal Account. If, for any reason whatsoever, there are insufficient funds in the Building Removal Account to pay all of the Building Removal Costs of the Funding Recipient, none of the Funding Recipient, the Authority or the Administrator shall have any obligation under this Agreement to fund any such shortfall. If the Funding Recipient shall fail to perform any of its obligations hereunder, the sole remedy of the Authority or the Administrator shall be the commencement of an action in the Superior Court for specific performance by the Funding Recipient of such obligations. No member of the governing board of the Funding Recipient, or any officer or employee thereof, shall in any event be personally liable hereunder.

The Administrator shall have no obligation or liability to the Funding Recipient or the Authority under this Agreement. It is hereby acknowledged that the sole reason for the Administrator to be a party to this Agreement is to recognize its rights to accounting records of, and to compel performance by, the Funding Recipient hereunder, and to consent to amendments hereto in its sole discretion. 8. Amendment. This Agreement may be amended at any time but only in writing signed by (a) prior to the dissolution of the Authority, the Authority, the Administrator and the Funding Recipient, and (b) after dissolution of the Authority, the Administrator and the Funding Recipient.

9. Entire Agreement. This Agreement contains the entire agreement among the parties with respect to the matters provided for herein and supersedes all prior agreements and negotiations between the parties with respect to the subject matter of this Agreement.

Item No. **11a**

Honorable Mayor and Members
of the Marina City Council

City Council Meeting
of May 5, 2020

**THE CITY COUNCIL OF THE CITY OF MARINA CONSIDER
ADOPTING RESOLUTION NO. 2020-, APPROVING AND
AUTHORIZING THE EXECUTION AND DELIVERY OF BUILDING
REMOVAL FUNDING AGREEMENTS AND INDENTURE OF TRUST
RELATED TO THE FORT ORD REUSE AUTHORITY TAX
ALLOCATION BONDS, SERIES 2020**

REQUEST:

It is requested that the City Council,

1. Adopt a resolution 2020-, approving and authorizing the execution and delivery of building removal funding agreements and indenture of trust related to the Fort Ord Reuse Authority Tax Allocation Bonds, Series 2020 (Federally Taxable).

BACKGROUND AND ANALYSIS:

The Fort Ord Reuse Authority (the "Authority") will cease to exist as of June 30, 2020. Prior to its dissolution, the Authority intends to issue bonds secured by the tax increment revenues received by the Authority in accordance with Health and Safety Code Section 33492.71. Because the Authority will dissolve shortly after the issuance of the bonds, the Authority has requested that the City act as the administrator of the bonds after the Authority's dissolution. As the administrator the City will be responsible for directing the Trustee with regards to the payment of the debt service on the bonds. The City will also be responsible for taking any action necessary to enforce the obligation of the County Auditor-Controller to deposit the tax increment funds pledged to repayment of the bonds with the Trustee and for compliance with the continuing disclosure certificate. The City has limited liability under the Indenture of Trust. The City will not be responsible for any payment due under the bonds or for any payments due to the Trustee. The city in its role as administrator, is not liable for ensuring the proper use of the bond proceeds by the other agencies receiving bond proceeds. As administrator, the City is entitled to be compensated for its costs, including costs incurred related to the issuance of the bonds and costs incurred during the term of the bonds. The administrative costs will be funded by bond proceeds deposited into the administrative costs account.

The proceeds of the bonds will be distributed to the City of Marina, the City of Seaside, the County of Monterey, Marina Coast Water District ("MCWD"), Monterey-Salinas Transit ("MST"), the Transportation Agency of Monterey County ("TAMC") and the County of Monterey for costs associated with the removal of former Army buildings. Upon issuance of the bonds, a portion of the bond proceeds will be deposited with each of the entities receiving funds and the use of those funds will be governed by a Building Removal Funding Agreement by and among the Authority, the City, in its role as administrator, and the applicable public agency. The City has no obligations under the Building Removal Funding Agreements with the other entities receiving bond proceeds but has the right to enforce the agreements, consent to amendments to the agreements and compel the party to the agreement to produce reports on compliance with the agreement.

The City is also entering into a Building Removal Funding Agreement as a recipient of bond proceeds. Pursuant to the terms of that Agreement, the City will deposit the bond proceeds received into a Building Removal Account and the funds may only be used for Building Removal Costs as that term is defined in the Building Removal Funding Agreement. The City's obligations under the Building Removal Funding Agreement are to use the funds for Building Removal Costs and to account for the use of the funds. If the City does not use all of the funds for Building Removal Costs, the excess funds are to be remitted to the Trustee to be placed in the Surplus Funds Account. The City of Marina Building Removal Funding Agreement also includes a clause that the City will use its best efforts to prevent the Successor Agency to the Marina Redevelopment Agency from redeeming the outstanding bonds issued for the Dunes Development prior to maturity. This provision is necessary since the funds pledged to the repayment of the Authority Bonds continue to be paid for the debts of the Authority as long as the Successor Agency continues to have enforceable obligations.

FISCAL IMPACT:

The City, in its role as administrator for the Authority Bonds will have certain tasks related to the bonds. The costs of performing those tasks will be reimbursed to the City on an annual basis from the Administrative Funds Account held by the Bond Trustee. The City's annual administrative fee will be _____. Additionally, the City's costs related to the issuance of the Bonds will be reimbursed from the Cost of Issuance Funds.

The City will receive approximately _____ in bond proceeds to be used to remove blighted former Army Buildings in the former Fort Ord area.

CONCLUSION:

This request is submitted to the City Council of the City of Marina for consideration and possible action.

Respectfully submitted
