RESOLUTION NO. 2021-83 RESOLUTION NO. 2021-02 (NPC)

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARINA AND THE ABRAMS B NON-PROFIT CORPORATION APPROVING ABRAMS B HOUSING AREA BUDGET FOR FY 2021-2022 AND AUTHORIZING FINANCE DIRECTOR TO MAKE APPROPRIATE ACCOUNTING AND BUDGETARY ENTRIES

WHEREAS, Greystar ("Alliance"), now Greystar Real Estate Partners, as the management agent of Abrams B Housing Area, has submitted a draft FY 2021-2022 budget; and

WHEREAS, City staff, Greystar staff, and the Tenant's Association representatives Paula Pelot and Denise Turley have met in preparation of this budget; and

WHEREAS, the staff of Greystar and the City of Marina have worked collectively on preparing a budget to be presented to the City Council and Board of Abrams B Non-Profit Corporation; and

WHEREAS, Alliance submitted a budget letter describing highlights of the proposed Abrams Park Housing Area FY 2021-2022 Budget and accompanied by updated proposed budgets; and

WHEREAS, the rental revenues are used to provide funds for debt service payments on the Abrams Park property purchase; and

WHEREAS, in 2010, the City Council adopted a rent formula. The Council Policy has been further clarified for In Place, market-rate residents as follows: In Place, market-rate residents (residents who are not on a Below Market Rate program), rent may increase by the lesser of CPI-U for SF/OAK/SJ for February over February annually or 3% but no more than the average of the Monterey County Housing Authority Payment Standard and the HUD Fair Market Rent (FMR) documentation schedule, reduced by an average household amount for Water/Meter, Sewer and Garbage costs in the former Fort Ord community as an equivalent rent. If an individual's current equivalent rent exceeds the averaged FMR, then no increase will be assessed. If an individual's equivalent rent is less than the averaged FMR but exceeds it after the allowable increase is added, then the alternative increase will only be sufficient to meet the averaged FMR; and

WHEREAS, anticipated Owner revenues for Owner Distributions for FY 2021-2022 will be approximately \$1,532,220. This owner distribution is used to pay the Abrams B Housing Area debt payment of \$735,000 with the remainder of \$420,000 being General Fund proceeds. This funding is available for city staff support for Abrams Park which includes assistance with the affordable housing program, developing a long-term capital improvement program, and help with developing ideas for potential development and expansion of the property; and

WHEREAS, City staff has reviewed the budget package for FY 2021-2022; and

WHEREAS, the City Council of Marina and the Board of the Abrams B Non-Profit Corporation reviewed and considered the proposed budgets.

Re: Abrams Park FY 2021/2022 Proposed Budget

Dear Mr. Long:

It has been a pleasure to continue to work with residents and the City of Marina over the last year. With the combination of wonderful residents and effective staff, a number of positive changes have been seen in Abrams Park:

- 1) <u>Building Upgrades:</u> Double paned vinyl windows and sliding screen doors are being replaced throughout Abrams Park this FY. Concrete repairs are also underway. The garage door springs were replaced throughout all of the property and backflow cages were rebuilt and painted. The basketball courts received new striping and netting throughout as well. New mailboxes were purchased which will be installed court by court within the next four months. Lastly, lighting additions were installed throughout Preston Park to increase visibility. However, there are still a few lighting inadequacies which are addressed in the Capital Improvement Program.
- **2)** Landscaping/Asphalt Repairs: The annual tree trimming, fire clearance and common area clearance projects were completed this Fiscal Year. Irrigation repairs were made routinely throughout the property as well. Lastly, gopher abatement process is underway with a monthly service.
- 3) <u>Units of Long-Term Residents:</u> In a typical year, several long-term residents go through the process to refresh their flooring, paint and appliances. These services are extended to long-term residents upon notification or inspection indicating replacement is necessary based on age or condition. These assessments were put on hold due to COVID-19 but resumed in April 2021 when Monterey County moved into the Orange Tier.
- **Green Initiatives:** In addition to the Marina Coast Water District's and other utility conservation programs, Greystar purchases and installs water or energy saving devices as replacement fixtures as needed. PG&E continues to work directly with income eligible residents to weatherize their homes at no cost to the resident or the community.

Greystar looks to continue to provide the residents at Abrams Park a comfortable and quality living experience. Continued capital improvements throughout the community will allow this property to remain a desirable neighborhood for renters, as well a source of housing that is essential to the general populace of Marina.

Revenue

The primary source of revenue is rents, Section 8 voucher payments from the Housing Authority of the County of Monterey, and associated charges to residents such as late fees.

The City Council of the City of Marina and the Corporation Board of the Abrams B Non-Profit Corporation adopted rent formulas at a regular meeting held on the 2nd of June 2010. The formula states that the annual increase in market rents for in-place residents shall be capped at the lesser of three percent (3%) or the Department of Labor's Consumer Price Index for San Francisco-Oakland-San Jose, All Items, for All Urban Consumers (referred to as CPI-U) Average percentage for the previous year (February to February) to be applied to the next fiscal year (currently 1.6%), provided that the increased rent for in-place tenants does not exceed the market rent charged to move-in residents.

<u>Proposed Budget</u> – Targeted Rental Increase applies the allowable 1.6% Rental Increase to inplace residents who are currently under the Fair Market Rental Rate as computed by averaging rates from the Monterey County Housing Authority and the HUD Fair Market Rent schedule and is adjusted for a determined amount for the Water, Sewer and Garbage that residents pay directly to the provider for those services. A reduced Rental Increase amount proportionate to their current rent would be applied to households that may not qualify for the standard Rental Increase.

Current Market Rent Conditions

The market rent for new move-ins is calculated by comparable market rent levels in the competitive market throughout the year. As shown in **Attachment A**, the proposed Budget results in a 2.5% increase in Total Income (\$91,522). Per the Marina City Council approved rent formula in 2010, the market rents for new move-ins are fluid throughout the year and change according to market conditions. Currently, market rents for incoming residents are as follows:

Unit Size	Current Rent Range for Incoming Market Rate Residents
Two Bedroom	\$1,700 - \$1,850
Remodeled – Two BR	\$2,250
Four Bedroom	\$2,475 - \$2,550
Remodeled – Four BR	\$2,650 - \$3,000

^{*} Note: Four 2-Bedroom homes and eight 4-Bedroom homes have additional features that warrant higher than average rental rates.

The Averaged HUD Fair Market Rents (FMR) and the Monterey County Housing Authority Peninsula Payment Standard for December, 2020 are as follows:

Unit Bedroom Size	Fair Market	Utility	Adjusted Rental
	Rent	Allowance	Amount
Two Bedroom	\$1,872.00	\$160.27	\$1,711.73
Four Bedroom	\$2,937.00	\$160.27	\$2,776.73

A number of in-place market renters in Abrams Park homes are leasing below the averaged Fair Market Rent. The Fair Market Rates above include allowance for some utilities, which are currently paid directly by Abrams Park residents in addition to their monthly rental amount. The two-bedroom average in-place market rent at Abrams Park is \$1,580 (effectively \$1,740), while the average four-bedroom units at Abrams Park rent at \$2,164 (effectively \$2,324).

Affordable Rents

Affordable rental rates are derived from median income schedules published by governmental agencies. Rental rates at Preston Park are based upon 50% and 60% and 80% of the median income for Monterey County. The U.S. Department of Housing and Urban Development calculates the maximum household income by family size in Monterey County, generally once a year. As of the date of this memo, the rental rates are based upon families at 50% and 60% and 80% of the Monterey County median income for 2020.

Expenses

Expenses as outlined in **Attachment D** include Operating Expense projections and relevant changes from the FY 2021/22 budget. Operating expenses typically include expenditures for routine maintenance of the property, redecorating expenses as they apply to unit turns, and expenditures relating to the daily operations of the Leasing Office. Overall, total operating expenses proposed for FY 2021/22 are 0.8% higher than the Estimated Actuals for FY 2020/21 (\$11,104). Greystar seeks to maximize cost savings, e.g. lower utilities expenses through installation of water/energy saving devices, while contending with cost increases.

Projected Revenue and Expenses in FY 20/21

FY 20/21 budget includes \$3,570,866 in Total Revenue vs. FY 20/21 forecast of \$3,591,707 resulting in a \$20,841 positive variance. Further, FY 20/21 budget includes \$1,406,563 in Total Operating Expenses vs. FY 20/21 forecast of \$1,355,536 resulting in a \$51,027 positive variance. Abrams Park is projected to outperform FY 20/21 budgeted expectations by \$71,868.

Owner Distributions

The proposed budget repeats the previous years' Owner Distributions \$1,532,220.

Capital Expenses

Expenses categorized as Capital expenses directly impact the long term value of the community, including roof replacements, exterior painting, large-scale landscaping improvements, and

interior upgrades including appliances and carpeting/vinyl. Note that amounts labeled for interior upgrades in future budget years are placeholders and are anticipated to change based on Annual Inspection findings.

Recommended capital projects include:

- 1) Asphalt repairs following PG&E road work \$110,000
- 2) Duct cleaning work that was postponed due to COVID-19 \$45,000
- 3) Placeholder for additional parking \$292,000
- 4) Lighting Additions \$50,000

Capital Reserve Fund

Adoption of the proposed budget will result in a contribution of \$2,811 per unit during this fiscal year. Please note the replacement reserve only conceptualizes typical replacements. It does not contemplate or allow for unknown expenses which are typical, particularly as a building continues to age.

In reviewing the physical needs of the property, and in conjunction with recommendations from the City of Marina Building Department, Greystar recommends the maximum reserve withholding per unit per year going forward. This withholding would ensure that the asset holds adequate reserves to perform necessary replacements and repairs to protect the useful life of the buildings (Attachment F).

We will continue to look for new ways to improve our services over the coming year and remain committed to meeting the objectives set by the City of Marina. Please feel free to contact me at (831) 384-0119 should you have additional questions or concerns.

Regards, Victor Vo-Khuong Community Manager

Honorable Mayor and Members of the Marina City Council

City Council Meeting of July 13, 2021

Chair and Board Members of Abrams B Non-Profit Corporation Corporation Board Meeting of July 13, 2021

CITY COUNCIL AND ABRAMS B NON-PROFIT CORPORATION BOARD CONSIDER ADOPTING RESOLUTION NO. 2021-, AND 2021-(NPC), APPROVING ABRAMS B HOUSING AREA BUDGET FOR FY 2021-22 AND AUTHORIZING FINANCE DIRECTOR TO MAKE APPROPRIATE ACCOUNTING AND BUDGETARY ENTRIES

REOUEST:

It is requested that the City Council and Corporation Board consider:

- 1. Adopting Resolution No. 2021- and Resolution No. 2021- (NPC), approving the Abrams B Housing Area Budget for FY 2021-2022; and
- 2. Authorizing Finance Director to make appropriate accounting and budgetary entries.

BACKGROUND:

The City of Marina is the owner of the 194-unit Abrams Park Housing Area. Greystar has been retained to provide property management services.

City staff, Greystar staff, and Tenant's Association representatives have met to discuss the preparation of the Abrams B Housing Area Budget for FY 2021-22.

ANALYSIS:

The budget package provided for the City Council's consideration includes:

- Greystar Abrams Park FY 2021/2022 Proposed Budget Memo
- Attachment A Abrams Park Income
- Attachment B Market Survey
- Attachment C BMR Rent Calculation Documentation
- Attachment D Abrams Park Expenses
- Attachment E Abrams Park Standard Budget
- Attachment F Abrams Park Capital Budget Projections 2021-2022

Information in each of the sections below is intended to highlight each of these pieces of the budget package. Please refer to the attachments themselves for greater details.

Greystar Abrams Park FY 2021/2022 Proposed Budget Memo

This document provides larger capital project accomplishments for the year, summary of revenue/rents, summary of expenses and capital budget spending.

Attachment A Abrams Park Income

Summarizes the performance of the current year revenues and projects revenues for 2020/2021

budget year. Revenue for FY 2020-2021 revenue is projected to end \$20,841 more than budgeted. The increase in revenue is attributed primarily to turnover of units to market rate. The additional revenue is a result of rent increases and turnover of units to market rate. Net revenue for FY 2020-2021 actual is estimated to close \$71,868 more than budgeted. FY 2020-2021 budget revenue totals \$3,683,230. This is a \$112,364 increase over FY 2020-2021 FY budget, primarily due to turnover of units to market rate.

In 2010, the City Council adopted a rent formula. As a matter of practice, this Council Policy has been further clarified for In Place, market-rate residents. In Place, market-rate residents (residents who are not on a Below Market Rate program), rent may increase by the lesser of CPI-U for SF/OAK/SJ for February over February annually or 3% but no more than the average of the Monterey County Housing Authority Payment Standard and the HUD Fair Market Rent (FMR) documentation schedule, reduced by an average household amount for Water/Meter, Sewer and Garbage costs in the former Fort Ord community as an equivalent rent. If an individual's current equivalent rent exceeds the averaged FMR, then no increase will be assessed. If an individual's equivalent rent is less than the averaged FMR but exceeds it after the allowable increase is added, then the alternative increase will only be sufficient to meet the averaged FMR.

Attachment B Market Survey

Current market survey for 5 similar apartment communities in Marina, plus a "shadow market" or non-apartment complex comparable units. This survey is used to determine the rents for new market rate move-in tenants. The survey is updated throughout the year to reflect the most recent market rents of the comparable apartment homes in Marina.

Attachment C BMR Rent Calculation Documentation

Current year BMR rent calculations included in the proposed Alliance budget memo for the current 46-Very Low-Income qualifying units and 26-Low Income qualifying units.

Attachment D Abrams Park Expenses

Summary of all operating expenses. FY 2020-2021 is estimated to close with \$51,027 in expenses under budget. Proposed FY 2021-2022 operating expenses total \$1,366,640. This is a \$39,923 decrease over FY 2020-2021 FY budget, primarily due to less required capital expenses than the previous year.

Attachment E Abrams Park Standard Budget

This document contains a summary sheet supported by the detailed budget line items. The summary sheet combines the Revenue and Operating Expenses described in the Attachments above, and adds accounting for the City's distribution of \$1,532,220 and the Replacement Reserve (capital project set-aside) of \$545,340. It should be noted that the Abrams B Housing Area debt payment of \$735,000 is paid through the City's distribution with the remainder of \$420,000 being General Fund proceeds.

Attachment F Abrams Park Capital Budget Projections

A five-year projection of capital projects. This sheet also provides accounting for the Capital Reserve. The beginning balance of the Capital Reserve set aside funds is \$833,667. The capital expenditures for FY 2021-2022 equal \$726,209, parking improvements and street resurfacing. Each year there is a \$545,340 set-aside contribution (Replacement Reserve) in the budget. The final Capital Reserve set aside funds for FY 2021-2022 equal \$652,798.

At the Greystar Management Agreement renewal discussion earlier this year, the Council asked staff to return in with a review of performance standards for Alliance. This was to be done well in advance of the next management agreement renewal in December. This is being scheduled as a separate discussion item in August.

FISCAL IMPACT:

Should the City Council and Corporation Board elect to approve this request for the FY 2020-2021 Budget, the owner distribution as proposed will be \$1,532,220. This owner distribution is used to pay the Abrams B Housing Area debt payment of \$735,000 with the remainder of \$420,000 being General Fund proceeds.

CONCLUSION:

City of Marina

This request is submitted for City Council and NPC Corporation Board consideration and possible action.

Respectfully submitted,
Matt Mogensen
Assistant City Manager
City of Marina
