Recommendation Regarding Social Distancing Including Remote Meetings of Legislative Bodies

Issued: September 22, 2021

The Monterey County Health Department continues to recommend that physical and social distancing strategies be practiced in Monterey County, which includes remote meetings of legislative bodies of local agencies, to the extent possible.

Monterey County continues to experience transmission of COVID-19 locally. Physical and social distancing is still an effective measure to reduce the spread of COVID-19, especially when combined with use of face coverings, frequent hand washing, staying home when ill, testing, and vaccination with U.S. Food and Drug Administration approved or authorized COVID-19 vaccines.

Remote meetings of legislative bodies allow for the virtual participation of agency staff, presenters, and community members in safer environments, with less risk of exposure to SARS-CoV-2, the virus that causes COVID-19.

The Monterey County Health Officer will continue to monitor local metrics and the necessity of this recommendation.

Item No. **5a(1)**

Honorable Mayor and Members
of the Marina City Council

City Council Special Meeting
of January 11, 2022

CITY COUNCIL CONSIDER ADOPTING RESOLUTION 2022-, RECOGNIZING A LOCAL EMERGENCY PERSISTS, RE-RATIFYING THE PROCLAMATION OF A STATE OF EMERGENCY BY GOVERNOR NEWSOM ON MARCH 4, 2020, AND RE-AUTHORIZING REMOTE TELECONFERENCE MEETINGS OF THE CITY COUNCIL OF THE CITY OF MARINA AND ITS CONSTITUENT BODIES FOR THE PERIOD JANUARY 11, 2022, THROUGH FEBRUARY 10, 2022, PURSUANT TO BROWN ACT PROVISIONS.

REQUEST:

It is requested that the City Council consider:

- (1) Adopting Resolution No. 2022-, regarding the Ralph M. Brown Act (California Government Code §§54950-54963, hereinafter the “Brown Act”) making certain findings and authorizing the City to continue to implement remote teleconferenced public meetings of the City Council and its constituent bodies for the period January 11, 2022, through February 10, 2022.

BACKGROUND:

Government Code §54953(e) allows cities to continue to meet remotely during states of emergency proclaimed by the Governor under modified Brown Act requirements that are similar to but not identical to the rules and procedures established by the prior Executive Orders of Governor Newsom relating to the relaxation of certain Brown Act requirements during the COVID-19 pandemic.

Government Code §54953(e) authorizes local agencies to use teleconferencing without complying with teleconferencing requirement imposed by the Brown Act during a declared state of emergency when state or local health officials have imposed or recommended measures to promote social distancing during the proclaimed state of emergency or when the legislative body had determined by majority vote that meeting in person would present imminent risks to the health or safety of attendees.

At a special meeting held on October 5, 2021, the City Council adopted Resolution 2021-104 regarding the Brown Act making certain findings, and authorizing the City to implement remote teleconferenced public meetings of the City Council and its constituent bodies might be held without compliance with Government Code §54953(b)(3) for the period October 5, 2021 through November 4, 2021; subsequently on November 2, 2021, the Council adopted Resolution 2021-113 extending that period until December 2, 2021; on November 16, 2021, the Council adopted Resolution 2021-118 extending that period until December 16, 2021, and on December 14, 2021, the Council adopted Resolution 2021-134 extending the period during which remote teleconferenced public meetings of the City Council and its constituent bodies might be held without compliance with Government Code §54953(b)(3) to January 13, 2022.

ANALYSIS:

On June 11, 2021, Governor Newsom issued Executive Order N-08-21 which among other things rescinded his prior Executive Order N-29-20 and set the date of October 1, 2021, for public agencies to transition back to public meetings held in full compliance with the Brown Act.

As the Delta variant surged in California, the legislature took action to extend the COVID-19 exemptions to the Brown Act's teleconference requirements, subject to some additional requirements. Assembly Bill 361 amended Government Code §54953 and allowed a local agency to use teleconferencing in any of the following circumstances without complying with certain Brown Act provisions:

1. The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.
2. The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.
3. The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote taken at a meeting held for the purpose described in 2 above, that as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

A local agency that holds a meeting under any of these circumstances would be required to follow certain requirements listed in the attached Resolution, in addition to giving notice of the meeting and posting agendas as required under the Brown Act. These additional requirements are intended to protect the public's right to participate in the meetings of local agency legislative bodies. The City of Marina currently adheres to the listed requirements.

Government Code §54953(e)(3) provides that if the state of emergency remains active for more than 30 days, a local agency must make the following findings by majority vote every 30 days to continue using the exemption to the Brown Act teleconferencing requirements:

- The legislative body has reconsidered the circumstances of the emergency; and
- Either of the following circumstances exist: the state of emergency continue to directly impact the ability of members to meet safely in person or State or local officials continue to impose or recommend social distancing measures.

The goal of Government Code §54953 as revised by AB 361 is to improve and enhance public access to local agency meetings during the COVID-19 pandemic and future applicable emergencies by allowing broader access through teleconferencing options. The current version of Government Code §54953 became effective on September 16, 2021, with a sunset of the present version on January 1, 2024.

FISCAL IMPACT: None identified.

CONCLUSION:

This request is submitted for City Council consideration and possible adoption of a resolution proclaiming a local emergency persists, re-ratifying the proclamation of a state of emergency by Governor Newsom on March 4, 2020, and re-authorizing remote teleconference meetings of the City Council of the City of Marina and its constituent bodies for the period January 11, 2022 through February 10, 2022, pursuant to Brown Act provisions.

Respectfully submitted,
