The City has duly authorized and executed all of the aforesaid agreements and such agreements constitute the legal, valid and binding agreements of the City, enforceable against the City in accordance with their respective terms.
- (c) *No Violations*. Neither the execution and delivery of the Site and Facility Lease, this Lease Agreement or the Trust Agreement, the fulfillment of or compliance with the terms and conditions hereof or thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions or provisions of any restriction, agreement or instrument to which the City is now a party or by which the City is bound, constitutes a default under any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrances whatsoever upon any of the property or assets of the City, or upon the Property, except Permitted Encumbrances.
- (d) *Execution and Delivery*. The City has duly authorized and executed the Site and Facility Lease, this Lease Agreement and the Trust Agreement in accordance with all applicable laws.

- (b) *No Encumbrances*. The Corporation will not pledge the Lease Payments or other amounts derived from the Property and from its other rights under this Lease Agreement and will not mortgage or encumber the Property, except as provided under the terms of this Lease Agreement and the Trust Agreement.
- (c) No Violations. Neither the execution and delivery of the Site and Facility Lease, this Lease Agreement, the Assignment Agreement or the Trust Agreement, the fulfillment of or compliance with the terms and conditions hereof or thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Corporation is now a party or by which the Corporation is bound, constitutes a default under

any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the Corporation, or upon the Property, except Permitted Encumbrances.

- (d) *No Assignments*. Except as provided herein, the Corporation will not assign this Lease Agreement, its right to receive Lease Payments from the City or its duties and obligations hereunder to any other person, firm or corporation so as to impair or violate the representations, covenants and warranties contained in this Section 2.2.

The Corporation hereby assigns to the City all rights and powers to enforce and execute in its own name or the name of the Corporation such purchase orders or contracts as are required for the Project which enforcement may be at law or in equity; *provided, however,* that the assignment made by the Corporation herein shall not prevent the Corporation or its assignee from asserting said rights and powers in its own behalf following written notice to the City.

#### ARTICLE IV

# AGREEMENT TO LEASE; TERM OF THIS LEASE AGREEMENT; LEASE PAYMENTS

# Section 4.1. Lease.

- (a) The Corporation hereby leases the Property to the City, and the City hereby leases the Property from the Corporation, upon the terms and conditions set forth in this Lease Agreement.
- (b) The leasing of the Property by the City to the Corporation pursuant to the Site and Facility Lease shall not affect or result in a merger of the City's leasehold estate pursuant to this Lease Agreement and its fee estate as lessor under the Site and Facility Lease.
- Section 4.2. <u>Term of Agreement</u>. The Term of the Lease Agreement shall commence on the Closing Date, and shall end on May 1, 2047, unless such term is extended as hereinafter provided. If, on May 1, 2047, the Trust Agreement shall not be discharged by its terms or if the Lease Payments or Additional Payments, if any, payable hereunder shall have been abated at any time and for any reason, then the Term of the Lease Agreement shall be extended without the need to execute any amendment to this Section 4.2 until there has been deposited with the Trustee an amount sufficient to pay all obligations due under the Lease Agreement, but in no event shall the Term of the Lease Agreement extend beyond May 1, 2057. If, prior to May 1, 2047, the Trust Agreement shall be discharged by its terms, the Term of the Lease Agreement shall thereupon end.
- Section 4.3. <u>Possession</u>. The City hereby agrees to accept and take possession of the Property on or prior to the date of recordation of this Lease Agreement.

# Section 4.4. Lease Payments.

- (a) Obligation to Pay. Subject to the provisions of Articles VI and X hereof, the City agrees to pay to the Corporation, its successors and assigns, as rental for the use and occupancy of the Property during each Rental Period, the Lease Payments (denominated into components of principal and interest) in the respective amounts specified in Exhibit C hereto, to be due and payable on the respective Lease Payment Dates specified in Exhibit C hereto. Any amount held in the Lease Payment Fund on any Lease Payment Date (other than amounts resulting from the prepayment of the Lease Payments in part but not in whole pursuant to Article X hereof and other than amounts required for payment of Certificates not yet surrendered) shall be credited towards the Lease Payment then due and payable; and no Lease Payment need be made on any Lease Payment Date if the amounts then held in the Lease Payment Fund are at least equal to the Lease Payment then required to be paid. The Lease Payments for the Property payable in any Rental Period shall be for the use of the Property for such Rental Period.
- (b) Effect of Prepayment. In the event that the City prepays all remaining Lease Payments and all Additional Payments due under Section 4.7 hereof in full pursuant to Article X hereof, subject to Section 4.2 hereof, the City's obligations under this Lease Agreement shall thereupon cease and terminate including, but not limited to, the City's obligation to pay Lease Payments under this Section 4.4; subject however, to the provisions of Section 10.1 hereof in the case of prepayment by application of a security deposit. In the event that the City optionally prepays the Lease Payments in part but not in whole pursuant to Section 10.2 hereof or pursuant to Section 10.3 hereof as a result of any insurance or condemnation award with respect to any portion of the Property, such prepayment shall be credited entirely towards the prepayment of

the Lease Payments as follows: (i) the principal components of each remaining Lease Payment shall be reduced in such order as shall be selected by the City in integral multiples of \$5,000; and (ii) the interest component of each remaining Lease Payment shall be reduced by the aggregate corresponding amount of interest which would otherwise be payable with respect to the Certificates thereby redeemed pursuant to Sections 4.01(a) or (b), as the case may be, of the Trust Agreement.

- (c) *Rate on Overdue Payments*. In the event the City should fail to make any of the payments required in this Section 4.4, the payment in default shall continue as an obligation of the City until the amount in default shall have been fully paid and the City agrees to pay the same with interest thereon, to the extent permitted by law, from the date of default to the date of payment at the rate per annum payable with respect to the Certificates. Such interest, if received, shall be deposited in the Lease Payment Fund.
- (d) Fair Rental Value. The Lease Payments for each Rental Period shall constitute the total rental for each such Rental Period and shall be paid by the City in each Rental Period for and in consideration of the right of the use and occupancy and the continued quiet use and enjoyment of the Property during each Rental Period. The parties hereto have agreed and determined that the total Lease Payments for the Property represent the fair rental value of the Property. In making such determination, consideration has been given to the obligations of the parties under this Lease Agreement, the uses and purposes which may be served by the Property and the benefits therefrom which will accrue to the City and the general public.
- (e) *Source of Payments; Budget and Appropriation*. Lease Payments and Additional Payments shall be payable from any source of available funds of the City, subject to the provisions of Articles VI and X hereof.

The City covenants to take such action as may be necessary to include all Lease Payments and Additional Payments due hereunder in each of its budgets during the Term of the Lease Agreement and to make the necessary annual appropriations for all such Lease Payments and for Additional Payments due under Section 4.7 hereof. To that end, the Council shall direct budgetary staff to include in each annual budget proposal to the Council an appropriation sufficient to pay Lease Payments and Additional Payments. The City hereby expresses its present intent to appropriate Lease Payments and Additional Payments due under Section 4.7 hereof during the Term of the Lease Agreement. The covenants on the part of the City herein contained shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease Agreement agreed to be carried out and performed by the City.

(f) *Assignment*. The City understands and agrees that all Lease Payments have been assigned by the Corporation to the Trustee in trust, pursuant to the Assignment Agreement, for the benefit of the Owners of the Certificates, and the City hereby assents to such assignment. The Corporation hereby directs the City, and the City hereby agrees to pay to the Trustee at the Designated Corporate Trust Office, all payments payable by the City pursuant to this Section 4.4 and all amounts payable by the City pursuant to Article X hereof.

Section 4.5. <u>Quiet Enjoyment</u>. During the Term of the Lease Agreement, the Corporation shall provide the City with quiet use and enjoyment of the Property and the City shall, during such Term, peaceably and quietly have and hold and enjoy the Property without suit, trouble or hindrance from the Corporation, except as expressly set forth in this Lease Agreement. The Corporation will, at the request of the City and at the City's cost, join in any legal action in

which the City asserts its right to such possession and enjoyment to the extent the Corporation may lawfully do so. Notwithstanding the foregoing, the Corporation shall have the right to inspect the Property as provided in Section 7.2. hereof.

Section 4.6. <u>Title</u>. During the Term of the Lease Agreement, the Corporation shall hold leasehold title to the Property and the City shall hold fee title to those portions of the Property which are newly acquired or constructed and any and all additions which comprise fixtures, repairs, replacements or modifications to the Property, except for those fixtures, replacements or modifications which are added to the Property by the City at its own expense and which may be removed without damaging the Property and except for any items added to the Property by the City pursuant to Section 5.8 hereof.

If the City prepays the Lease Payments in full pursuant to Article X hereof or makes the security deposit permitted by Section 10.1 hereof, or pays all Lease Payments during the Term of the Lease Agreement as the same become due and payable, subject to Section 4.2 hereof, and pays Additional Payments, if any, all right, title and interest of the Corporation in and to the Property shall be terminated. The Corporation agrees to take any and all steps and execute and record any and all documents reasonably required by the City to consummate any such transfer of title.

Section 4.7. <u>Additional Payments</u>. In addition to the Lease Payments, the City shall pay when due the following Additional Payments:

- (a) Any fees and expenses incurred by the City in connection with or by reason of its leasehold estate in the Property as and when the same become due and payable.
- (b) Any amounts due to the Trustee pursuant to the Trust Agreement for all services rendered under the Trust Agreement and for all reasonable expenses, charges, costs, liabilities, legal fees and other disbursements incurred in and about the performance of its powers and duties under the Trust Agreement.
- (c) Any reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the City, the Corporation or the Trustee to prepare audits, financial statements, reports, opinions or provide such other services required under this Lease Agreement or the Trust Agreement.
- (d) Any reasonable out-of-pocket expenses of the City in connection with the execution and delivery of this Lease Agreement or the Trust Agreement, or in connection with the execution and delivery of the Certificates, including any and all expenses incurred in connection with the authorization, execution, sale and delivery of the Certificates, or incurred by the Corporation in connection with any litigation which may at any time be instituted involving this Lease Agreement, the Trust Agreement, the Certificates or any of the other documents contemplated hereby or thereby, or incurred by the Corporation in connection with the Continuing Disclosure Certificate, or otherwise incurred in connection with the administration thereof.

#### ARTICLE V

# MAINTENANCE; TAXES; INSURANCE; USE LIMITATIONS; AND OTHER MATTERS

Section 5.1. Maintenance, Utilities, Taxes and Assessments. Throughout the Term of the Lease Agreement, as part of the consideration for the rental of the Property, all improvement, repair and maintenance of the Property shall be the responsibility of the City and the City shall pay, or otherwise arrange, for the payment of all utility services supplied to the Property which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and shall pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Property resulting from ordinary wear and tear or want of care on the part of the City or any assignee or sublessee thereof. In exchange for the Lease Payments herein provided, the Corporation agrees to provide only the Property, as hereinbefore more specifically set forth. The City waives the benefits of subsections 1 and 2 of section 1932 of the California Civil Code, but such waiver shall not limit any of the rights of the City under the terms of this Lease Agreement.

The City shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Corporation or the City affecting the Property or the respective interests or estates therein; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as are required to be paid during the Term of the Lease Agreement as and when the same become due.

The City may, at the City's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Corporation shall notify the City that, in the opinion of Independent Counsel, by nonpayment of any such items, the interest of the Corporation in the Property will be materially endangered or the Property or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Corporation with full security against any loss which may result from nonpayment, in form satisfactory to the Corporation. The City shall provide the Corporation with written notice of any such contest and shall provide such updates on the contest as the Corporation may reasonably request.

Section 5.2. Modification of Property. The City shall, at its own expense, have the right to remodel the Property or to make additions, modifications and improvements to the Property. All additions, modifications and improvements to the Property shall thereafter comprise part of the Property and be subject to the provisions of this Lease Agreement. Such additions, modifications and improvements shall not in any way damage the Property, substantially alter its nature, cause the interest component of Lease Payments to be subject to federal income taxes or cause the Property to be used for purposes other than those authorized under the provisions of State and federal law; and the Property, upon completion of any additions, modifications and improvements made thereto pursuant to this Section 5.2, shall be of a value which is not substantially less than the value of the Property immediately prior to the making of such additions, modifications and improvements. The City will not permit any mechanic's or other lien to be established or remain against the Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City pursuant to this Section 5.2; provided that if any such lien is established and the City shall first notify the Corporation of the City's intention to do so, the City may in good faith contest any lien filed or established against the Property, and in such

event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and shall provide the Corporation with full security against any loss or forfeiture which might arise from the nonpayment of any such item, in form satisfactory to the Corporation. The Corporation will cooperate fully in any such contest, upon the request and at the expense of the City.

Section 5.3. Public Liability and Property Damage Insurance. The City shall maintain or cause to be maintained, throughout the Term of the Lease Agreement, insurance policies, including a standard comprehensive general insurance policy or policies in protection of the Corporation, the City and the Trustee and their respective members, officers, agents and employees. Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried by the City, and may be maintained through a nonprofit public benefit corporation created for such purpose or in the form of self-insurance by the City. Said policy or policies shall provide for indemnification of said parties against direct or consequential loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Property. Said policy or policies shall provide coverage in the minimum liability limits of \$1,000,000 for personal injury or death of each person and \$3,000,000 for personal injury or deaths of two or more persons in each accident or event, and in a minimum amount of \$100,000 (subject to a deductible clause of not to exceed \$5,000) for damage to property resulting from each accident or event. Such public liability and property damage insurance may, however, be in the form of a single limit policy in the amount of \$3,000,000 covering all such risks. The Net Proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the insurance proceeds shall have been paid.

Section 5.4. Fire and Extended Coverage Insurance; No Earthquake Insurance. The City shall maintain, or cause to be maintained throughout the Term of the Lease Agreement, insurance against loss or damage to any part of the Property constituting structures, if any, by fire and lightning, with extended coverage and vandalism and malicious mischief insurance; provided, however, that the City shall not be required to maintain earthquake insurance with respect to the Property. Said extended coverage insurance shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. Such insurance shall be in an amount equal to one hundred percent (100%) of the replacement cost of such portion of the Property, if any. Such insurance may be subject to deductible clauses of not to exceed \$100,000 for any one loss. Such insurance may be maintained as part of or in conjunction with any other fire and extended coverage insurance carried by the City and may be maintained in whole or in part in the form of insurance maintained through a nonprofit public benefit corporation created for such purpose. The Net Proceeds of such insurance shall be applied as provided in Section 6.2(a) hereof. The City may not satisfy the requirements of this Section 5.4 for fire and extended coverage insurance with self-insurance.

Section 5.5. <u>Rental Interruption Insurance</u>. The City shall maintain, or cause to be maintained, throughout the Term of the Lease Agreement rental interruption or use and occupancy insurance to cover loss, total or partial, of the use of any part of the Property during the Term of the Lease Agreement as a result of any of the hazards covered in the insurance required by Section 5.4 hereof, if any, in an amount at least equal to two times maximum annual Lease Payments. The Net Proceeds of such insurance shall be paid to the Trustee and deposited in the Lease Payment Fund and shall be credited towards the payment of the Lease Payments in the order in which such Lease Payments come due and payable. Such insurance may be maintained as part of or in conjunction with any other insurance carried by the City and may be maintained in whole or in part in the form of insurance maintained through a nonprofit, public benefit corporation created for such purpose but not in the form of self-insurance by the City.

#### Section 5.6. Title Insurance.

- (a) The City shall provide, from moneys in the Delivery Costs Fund or at its own expense, on the Closing Date, a CLTA title insurance policy in the amount of not less than the principal amount of the Certificates, insuring the City's leasehold estate in the Property, subject only to Permitted Encumbrances.
- (b) The Net Proceeds of such title insurance shall be applied as provided in Section 6.2(c) hereof.

Section 5.7. Insurance Net Proceeds; Form of Policies. Each policy or other evidence of insurance required by Sections 5.3, 5.4, 5.5 and 5.6 hereof shall provide that all proceeds thereunder shall be payable to the Trustee as and to the extent required hereunder, shall name the Trustee as an additional insured and shall be applied as provided in Section 6.2 hereof. Insurance must be provided by an insurer rated "A" or better by S&P or A.M. Best Company. The City shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease Agreement. All policies evidencing required insurance shall provide thirty (30) days' prior written notice to the Corporation, the City and the Trustee of any cancellation, reduction in amount or material change in coverage. The Trustee shall not be responsible for the sufficiency of any insurance herein required, including any forms of selfinsurance and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss. The City shall cause to be delivered annually on or before each July 1 to the Trustee a certification, signed by a City Representative, stating compliance with the provisions of Section 5.3 through 5.6 of this Lease Agreement. The Trustee shall be entitled to rely on such certification without independent investigation. The City shall have the adequacy of any insurance reserves maintained by the City or by a nonprofit public benefit corporation, if applicable, for purposes of the insurance required by Section 5.3, 5.4 and 5.5 hereof reviewed at least annually, on or before each July 1, by an independent insurance consultant and shall maintain reserves in accordance with the recommendations of such consultant to the extent moneys are available for such purpose and not otherwise appropriated.

Section 5.8. <u>Advances</u>. If the City shall fail to perform any of its obligations under this Article V, the Corporation or the Trustee may, but shall not be obligated to, take such action as may be necessary to cure such failure, including the advancement of money, and the City shall be obligated to repay all such advances as soon as possible, with interest at a rate equal to the rate then payable with respect to the Certificates from the date of the advance to the date of repayment.

Section 5.9. <u>Installation of City's Equipment</u>. The City may, at any time and from time to time in its sole discretion and at its own expense, install or permit to be installed items of equipment or other personal property in or upon any portion of the Property. All such items shall remain the sole property of the City in which neither the Corporation nor the Trustee shall have any interest and may be modified or removed by the City at any time provided that the City shall repair and restore any and all damage to the Property resulting from the installation, modification or removal of any such items. Nothing in this Lease Agreement shall prevent the City from purchasing or leasing items to be installed pursuant to this Section 5.9 under a lease or conditional sale agreement, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Property.

Section 5.10. <u>Liens</u>. The City shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Property, other than the respective rights of the Corporation and the City as provided herein and Permitted Encumbrances. Except as expressly provided in this Article V, the City shall promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim, for which it is responsible, if the same shall arise at any time. The City shall reimburse the Corporation for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

Section 5.11. <u>Private Activity Bond Limitation</u>. The City shall assure that proceeds of the Certificates are not so used as to cause the Certificates or the Lease Agreement to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

Section 5.12. Federal Guarantee Prohibition. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Certificates or the Lease Agreement to be "federally guaranteed" within the meaning of section 149(b) of the Code.

Section 5.13. <u>Rebate Requirement</u>. The City shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Certificates and the Lease Agreement.

Section 5.14. No Arbitrage. The City shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Certificates which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Certificates or the Lease Agreement to be "arbitrage bonds" within the meaning of section 148 of the Code.

Section 5.15. <u>Maintenance of Tax-Exemption</u>. The City shall take all actions necessary to assure the exclusion of interest with respect to the Certificates from the gross income of the Owners of the Certificates to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the Closing Date.

#### ARTICLE VI

# DAMAGE, DESTRUCTION AND EMINENT DOMAIN; USE OF NET PROCEEDS

# Section 6.1. Eminent Domain.

- (a) If all of the Property shall be taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of this Lease Agreement shall cease as of the day possession shall be so taken. If less than all of the Property shall be taken permanently, or if all of the Property or any part thereof shall be taken temporarily under the power of eminent domain, (1) this Lease Agreement shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties waive the benefit of any law to the contrary, and (2) there shall be a partial abatement of Lease Payments as a result of the application of the Net Proceeds of any eminent domain award to the prepayment of the Lease Payments hereunder, in an amount to be agreed upon by the City and the Corporation, and so certified to by the parties to the Trustee, such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portion of the Property, except to the extent of special funds are available for the payment of Lease Payments.
- (b) The City hereby covenants and agrees, to the extent it may lawfully do so, that so long as any of the Certificates remain outstanding and unpaid, the City will not exercise the power of condemnation with respect to the leased property. The City further covenants and agrees, to the extent it may lawfully do so, that if for any reason the foregoing covenant is determined to be unenforceable or if the City should fail or refuse to abide by such covenant and condemns the leased property, the appraised value of the leased property shall not be less than the greater of (i) if such Certificates are then subject to redemption, the principal and interest components of the Certificates outstanding through the date of their redemption, or (ii) if such Certificates are not then subject to redemption, the amount necessary to defease such Certificates to the first available redemption date in accordance with the Trust Agreement.

# Section 6.2. <u>Application of Net Proceeds</u>.

- (a) From Insurance Award. The Net Proceeds of any insurance award resulting from any damage to or destruction of any portion of the Property constituting structures, if any, by fire or other casualty shall be paid by the City to the Trustee, as assignee of the Corporation under the Assignment Agreement, deposited in the Insurance and Condemnation Fund held by the Trustee and applied as set forth in Section 6.01 of the Trust Agreement.
- (b) From Eminent Domain Award. The Net Proceeds of any eminent domain award resulting from any event described in Section 6.1 hereof shall be paid by the City to the Trustee, as assignee of the Corporation under the Assignment Agreement, deposited in the Insurance and Condemnation Fund and applied as set forth in Section 6.02 of the Trust Agreement.
- (c) From Title Insurance. The Net Proceeds of any title insurance award shall be paid to the Trustee, as assignee of the Corporation under the Assignment Agreement, deposited in the Insurance and Condemnation Fund and applied as set forth in Section 6.03 of the Trust Agreement.
- Section 6.3. <u>Abatement of Lease Payments in the Event of Damage or Destruction</u>. Lease Payments shall be abated during any period in which, by reason of damage or destruction, there is substantial interference with the use and occupancy by the City of the Property or any

portion thereof (other than any portions of the Property described in Section 5.2 hereof) to the extent to be agreed upon by the City and the Corporation and communicated by a City Representative to the Trustee. The parties agree that the amounts of the Lease Payments under such circumstances shall not be less than the amounts of the unpaid Lease Payments as are then set forth in Exhibit C, unless such unpaid amounts are determined to be greater than the fair rental value of the portions of the Property not damaged or destroyed (giving due consideration to the factors identified in the last sentence of Section 4.4(d)), based upon any appropriate method of valuation, in which event the Lease Payments shall be abated such that they represent said fair rental value. Such abatement shall continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction as communicated by a City Representative to the Trustee. In the event of any such damage or destruction, this Lease Agreement shall continue in full force and effect and the City waives any right to terminate this Lease Agreement by virtue of any such damage and destruction. Notwithstanding the foregoing, there shall be no abatement of Lease Payments under this Section 6.3 to the extent that (a) the proceeds of rental interruption insurance or (b) amounts in the Insurance and Condemnation Fund and/or the Lease Payment Fund are available to pay Lease Payments which would otherwise be abated under this Section 6.3, it being hereby declared that such proceeds and amounts constitute special funds for the payment of the Lease Payments. If an abatement event has occurred but remedied, the City shall be required to extend the Term of this Lease Agreement, as described in Section 4.2, so that amounts abated are recouped.

#### ARTICLE IX

# **EVENTS OF DEFAULT AND REMEDIES**

Section 9.1. Events of Default Defined. The following shall be "events of default" under this Lease Agreement and the terms "Events of Default" and "Default" shall mean, whenever they are used in this Lease Agreement, any one or more of the following events:

- (a) Failure by the City to pay any Lease Payment, any Additional Payment or other payment required to be paid hereunder at the time specified herein.
- (b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Lease Agreement (including failure to request appropriation pursuant to Section 4.4(e) hereof) or under the Trust Agreement, other than as referred to in clause (a) of this Section 9.1, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Corporation, the Trustee or the Owners of not less than five percent (5%) in aggregate principal amount of Certificates then outstanding; provided, however, if the failure stated in the notice can be corrected, but not within the applicable period, the Corporation, the Trustee (as directed by such Owners of not less than 5% in aggregate principal amount of Certificates then Outstanding) and such Owners shall not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the City within the applicable period and diligently pursued until the default is corrected.
- (c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of the Federal Bankruptcy Act, as amended, or under any similar acts which may hereafter be enacted.

Section 9.2. <u>Remedies on Default</u>. The Trustee shall have the right to re-enter and re-let the Property and to terminate this Lease Agreement.

Whenever any Event of Default referred to in Section 9.1 hereof shall have happened and be continuing, it shall be lawful for the Corporation to exercise any and all remedies available pursuant to law or granted pursuant to this Lease Agreement; provided, however, that notwithstanding anything herein or in the Trust Agreement to the contrary, there shall be no right under any circumstances to accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable. Each and every covenant hereof to be kept and performed by the City is expressly made a condition and upon the breach thereof, the Corporation may exercise any and all rights of entry and re-entry upon the Property, and also, at its option, with or without such entry, may terminate this Lease Agreement; provided, that no such termination shall be effected either by operation of law or acts of the parties hereto, except only in the manner herein expressly provided. In the event of such default and notwithstanding any re-entry by the Corporation, the City shall, as herein expressly provided, continue to remain liable for the payment of the Lease Payments and/or damages for breach of this Lease Agreement and the performance of all conditions herein contained and, in any event, such rent and/or damages shall be payable to the Corporation at the time and in the manner as herein provided, to wit:

(a) In the event the Corporation does not elect to terminate this Lease Agreement in the manner hereinafter provided for in subparagraph (b) hereof, the City agrees to and shall remain

liable for the payment of all Lease Payments and the performance of all conditions herein contained and shall reimburse the Corporation for any deficiency arising out of the re-leasing of the Property, or, in the event the Corporation is unable to re-lease the Property, then for the full amount of all Lease Payments to the end of the Term of the Lease Agreement, but said Lease Payments and/or deficiency shall be payable only at the same time and in the same manner as hereinabove provided for the payment of Lease Payments hereunder, notwithstanding such entry or re-entry by the Corporation or any suit in unlawful detainer, or otherwise, brought by the Corporation for the purpose of effecting such re-entry or obtaining possession of the Property or the exercise of any other remedy by the Corporation. The City hereby irrevocably appoints the Corporation as the agent and attorney-in-fact of the City to enter upon and re-lease the Property in the event of default by the City in the performance of any covenants herein contained to be performed by the City and to remove all personal property whatsoever situated upon the Property, to place such property in storage or other suitable place within Monterey County, for the account of and at the expense of the City, and the City hereby exempts and agrees to save harmless the Corporation from any costs, loss or damage whatsoever arising or occasioned by any such entry upon and re-leasing of the Property and the removal and storage of such property by the Corporation or its duly authorized agents in accordance with the provisions herein contained. The City hereby waives any and all claims for damages caused or which may be caused by the Corporation in re-entering and taking possession of the Property as herein provided and all claims for damages that may result from the destruction of or injury to the Property and all claims for damages to or loss of any property belonging to the City that may be in or upon the Property. The City agrees that the terms of this Lease Agreement constitute full and sufficient notice of the right of the Corporation to re-lease the Property in the event of such re-entry without effecting a surrender of this Lease Agreement, and further agrees that no acts of the Corporation in effecting such re-leasing shall constitute a surrender or termination of this Lease Agreement irrespective of the term for which such re-leasing is made or the terms and conditions of such re-leasing, or otherwise, but that, on the contrary, in the event of such default by the City the right to terminate this Lease Agreement shall vest in the Corporation to be effected in the sole and exclusive manner hereinafter provided for in paragraph (b) hereof.

(b) In an Event of Default hereunder, the Corporation at its option may terminate this Lease Agreement and re-lease all or any portion of the Property. In the event of the termination of this Lease Agreement by the Corporation at its option and in the manner hereinafter provided on account of default by the City (and notwithstanding any re-entry upon the Property by the Corporation in any manner whatsoever or the re-leasing of the Property), the City nevertheless agrees to pay to the Corporation all costs, loss or damages howsoever arising or occurring payable at the same time and in the same manner as is herein provided in the case of payment of Lease Payments. Any surplus received by the Corporation from such re-leasing shall be credited towards the Lease Payments next coming due and payable. Neither notice to pay rent or to deliver up possession of the premises given pursuant to law nor any proceeding in unlawful detainer taken by the Corporation shall of itself operate to terminate this Lease Agreement, and no termination of this Lease Agreement on account of default by the City shall be or become effective by operation of law, or otherwise, unless and until the Corporation shall have given written notice to the City of the election on the part of the Corporation to terminate this Lease Agreement. The City covenants and agrees that no surrender of the Property and/or of the remainder of the Term of the Lease Agreement or any termination of this Lease Agreement shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Corporation by such written notice.

Section 9.3. <u>No Remedy Exclusive</u>. No remedy herein is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease Agreement now or hereafter existing at law or in equity. No delay or omission

to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Corporation to exercise any remedy reserved to it in this Article IX it shall not be necessary to give any notice, other than such notice as may be required in this Article IX or by law.

Section 9.4. <u>Agreement to Pay Attorneys' Fees and Expenses</u>. In the event either party to this Lease Agreement should default under any of the provisions hereof and the non-defaulting party should employ attorneys or incur other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will on demand, pay to the non-defaulting party the reasonable fees and expenses of such attorneys and such other expenses so incurred by the non-defaulting party; *provided*, *however*, that the Trustee shall not be required to expend its own funds for any payment described in this Section 9.4.

Section 9.5. <u>No Additional Waiver Implied by One Waiver</u>. In the event any agreement contained in this Lease Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.6. <u>Application of Proceeds</u>. All net proceeds received from the re-lease or other disposition of the Property under this Article IX, and all other amounts derived by the Corporation or the Trustee as a result of an Event of Default hereunder, shall be applied in accordance with Section 13.03 of the Trust Agreement.

Section 9.7. <u>Trustee and Certificate Owners to Exercise Rights</u>. Such rights and remedies as are given to the Corporation under this Article IX have been assigned by the Corporation to the Trustee under the Assignment Agreement, to which assignment the City hereby consents. Such rights and remedies shall be exercised by the Trustee and the Owners of the Certificates as provided in the Trust Agreement and herein.

Section 9.8. <u>No Right to Terminate for Corporation Default</u>. The City shall not have the right to terminate this Lease Agreement as a remedy for a default by the Corporation in the performance of its obligations hereunder.

#### PREPAYMENT OF LEASE PAYMENTS

Section 10.1. Security Deposit. Notwithstanding any other provision of this Lease Agreement, the City may, on any date, secure the payment of all or a portion of the Lease Payments remaining due by an irrevocable deposit with the Trustee or an escrow holder under an escrow deposit and trust agreement as referenced in Sections 13.01(b) and (c) of the Trust Agreement, of: (a) in the case of a security deposit relating to all Lease Payments, either (i) cash in an amount which, together with amounts on deposit in the Lease Payment Fund and the Insurance and Condemnation Fund, is sufficient to pay all unpaid Lease Payments, including the principal and interest components thereof, in accordance with the Lease Payment schedule set forth in Exhibit C, or (ii) Defeasance Obligations in such amount as will, in the written opinion of an independent certified public accountant or other firm of recognized experts in such matters, together with interest to accrue thereon and, if required, all or a portion of moneys or Defeasance Obligations or cash then on deposit and interest earnings thereon in the Lease Payment Fund and the Insurance and Condemnation Fund, be fully sufficient to pay all unpaid Lease Payments on their respective Lease Payment Dates; or (b) in the case of a security deposit relating to a portion of the Lease Payments, a certificate executed by a City Representative designating the portion of the Lease Payments to which the deposit pertains, and either (i) cash in an amount which is sufficient to pay the portion of the Lease Payments designated in such City Representative's certificate, including the principal and interest components thereof, or (ii) Defeasance Obligations in such amount as will, together with interest to be received thereon, if any, in the written opinion of an independent certified public accountant or other firm of recognized experts in such matters, be fully sufficient to pay the portion of the Lease Payments designated in the aforesaid City Representative's certificate.

In the event of a deposit pursuant to this Section 10.1 as to all Lease Payments and the payment of all fees, expenses and indemnifications owed to the Trustee, all obligations of the City under this Lease Agreement shall cease and terminate, excepting only the obligation of the City to make, or cause to be made, all payments from the deposit made by the City pursuant to this Section 10.1 and the obligations of the City pursuant to Section 5.12 hereof and title to the Property shall vest in the City on the date of said deposit automatically and without further action by the City or the Corporation. Said deposit and interest earnings thereon shall be deemed to be and shall constitute a special fund for the payments provided for by this Section 10.1 and said obligation shall thereafter be deemed to be and shall constitute the installment purchase obligation of the City for the Property. Upon said deposit, the Corporation will execute or cause to be executed any and all documents as may be necessary to confirm title to the Property in accordance with the provisions hereof. In addition, the Corporation hereby appoints the City as its agent to prepare, execute and file or record, in appropriate offices, such documents as may be necessary to place record title to the Property in the City.

Section 10.2. <u>Prepayment Option</u>. The Corporation hereby grants an option to the City to prepay the principal component of the Lease Payments in full, by paying the aggregate unpaid principal components of the Lease Payments as set forth in Exhibit C hereto, or in part, in a prepayment amount equal to the principal amount of Lease Payments to be prepaid, together with accrued interest to the date fixed for prepayment, without premium.

Said option may be exercised on any date, on and after April 15, \_\_\_\_. In the event of prepayment in part, the partial prepayment shall be applied against Lease Payments in such order of payment date as shall be selected by the City.

Lease Payments due after any such partial prepayment shall be in the amounts set forth in a revised Lease Payment schedule which shall be provided by, or caused to be provided by, the City to the Trustee and which shall represent an adjustment to the schedule set forth in Exhibit C attached hereto taking into account said partial prepayment.

Section 10.3. Mandatory Prepayment from Net Proceeds of Insurance, Title Insurance or Eminent Domain. The City shall be obligated to prepay the Lease Payments, in whole on any date or in part on any Lease Payment Date, from and to the extent of any Net Proceeds of an insurance, title insurance or condemnation award with respect to the Property theretofore deposited in the Lease Payment Fund for such purpose pursuant to Article VI hereof and Article VI of the Trust Agreement. The City and the Corporation hereby agree that such Net Proceeds shall be applied first to the payment of any delinquent Lease Payments, and thereafter shall be credited towards the City's obligations under this Section 10.3. Lease Payments due after any such partial prepayment shall be in the amounts set forth in a revised Lease Payment schedule which shall be provided by, or caused to be provided by, the City to the Trustee and which shall represent an adjustment to the schedule set forth in Exhibit C attached hereto taking into account said partial prepayment.

Section 10.4. <u>Credit for Amounts on Deposit</u>. In the event of prepayment of the principal components of the Lease Payments in full under this Article X, such that the Trust Agreement shall be discharged by its terms as a result of such prepayment, remaining amounts on deposit in the Lease Payment Fund shall be credited towards the amounts then required to be so prepaid.

EXHIBIT C: DESCRIPTION OF THE PROJECT

#### ARTICLE II

#### THE CERTIFICATES OF PARTICIPATION

Section 2.01. Authorization. The Trustee is hereby authorized and directed upon written

request from the Corporation to execute and deliver, to the Original Purchaser identified in such written request, Certificates in an aggregate principal amount of \_\_\_\_\_\_\_ dollars (\$\_\_\_\_\_) evidencing direct, undivided fractional interests of the Owners thereof in the Lease Payments. In no event shall such Certificates be deemed an obligation, liability or debt of the Trustee.

Section 2.02. Date; Payment of Interest. Each Certificate shall be dated as of the Closing Date. Interest with respect thereto shall be payable from the Interest Payment Date next

Section 2.02. <u>Date</u>; <u>Payment of Interest</u>. Each Certificate shall be dated as of the Closing Date. Interest with respect thereto shall be payable from the Interest Payment Date next preceding the date of execution thereof, unless: (i) it is executed as of an Interest Payment Date, in which event interest with respect thereto shall be payable from such Interest Payment Date, or (ii) it is executed after a Regular Record Date and before the following Interest Payment Date, in which event interest with respect thereto shall be payable from such Interest Payment Date; or (iii) it is executed on or before October 15, 2022, in which event interest with respect thereto shall be payable from the Closing Date; *provided*, *however*, that if, as of the date of execution of any Certificate, interest is in default with respect to any Outstanding Certificates, interest represented by such Certificate shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment with respect to the Outstanding Certificates. Payment of defaulted interest shall be paid by wire or check mailed to the Owners as of a special record date to be fixed by the Trustee, notice of which shall be given to the Owners not less than ten (10) days prior to such special record date.

## Section 2.03. Maturity; Interest Rates; Percentages.

(a) *Maturity; Interest Rates*. The Certificates shall mature on May 1 in each of the respective years, and in the respective amounts, except that no Certificate may have principal maturing in more than one year, and interest represented thereby shall be computed at the respective rates, as follows:

Maturity Date	Principal	Interest	Maturity Date	Principal	Interest
(May 1)	Amount	Rate	(May 1)	Amount	Rate

(b) *Payments with Respect to Certificates Equal to Total Lease Payments.* The total principal and interest due with respect to all Certificates shall not exceed the total Lease Payments due under the Lease Agreement.

Section 2.04. <u>Interest</u>. Interest represented by the Certificates shall be payable on each Interest Payment Date to and including the date of maturity or redemption, whichever is

earlier, as provided in Section 2.10 hereof. Said interest shall represent the portion of Lease Payments designated as interest and coming due during the six-month period preceding each Interest Payment Date. The portion of Lease Payments designated as interest with respect to any Certificate shall be computed by multiplying the portion of Lease Payments designated as principal with respect to such Certificate by the rate of interest applicable to such Certificate (on the basis of a 360-day year of twelve 30-day months).

Section 2.05. <u>Forms</u>. The Certificates shall be delivered in the form of fully registered Certificates without coupons in the denomination of \$5,000 or any integral multiple thereof. The Certificates shall be numbered consecutively, beginning with R-1. The Certificates shall be substantially in the form set forth in Exhibit B attached hereto and by this reference incorporated herein.

Section 2.06. <u>Execution</u>. The Certificates shall be executed by and in the name of the Trustee by the manual signature of an authorized officer or signatory of the Trustee. If any officer or signatory whose signature appears on any Certificate ceases to be such officer or signatory before the date of delivery of said Certificate, such signature shall nevertheless be as effective as if the officer or signatory had remained in office until such date.

## Section 2.07. Application of Proceeds.

(a) The net proceeds red	ceived by the Trustee from the sale of the Certifica	tes in the
aggregate amount of \$	, being the face amount of the Certificates (\$	_), less an
underwriter's discount of \$	, plus a net original issue premium of \$	, shall
forthwith be deposited by the Ti	rustee in a temporary fund called the Proceeds Fund	which the
Trustee shall establish, maintain	and hold in trust, and which shall be disbursed in f	full on the
Closing Date (whereupon said	temporary fund shall be closed) in the following	respective
funds:		_

(i) The	Trustee	shall	deposit	in 1	the	Delivery	Costs	Fund	an	amount	equal	to
\$ , an	d											

- (ii) The Trustee shall deposit in the Project Fund an amount equal to \$\_\_\_\_\_.
- (b) The Trustee may create additional accounts and subaccounts in any of the funds created under this Indenture as the Trustee may deem appropriate for the purpose of fulfilling its obligations hereunder.

#### Section 2.08. <u>Transfer and Exchange</u>.

(a) *Transfer of Certificates*. The registration of any Certificate may, in accordance with its terms, be transferred upon the Registration Books by the person in whose name it is registered, in person or by his attorney duly authorized in writing upon surrender of such Certificate for cancellation at the Designated Corporate Trust Office, accompanied by delivery of a written instrument of transfer in a form approved by the Trustee, duly executed. Whenever any Certificate or Certificates shall be surrendered for registration of transfer, the Trustee shall execute and deliver a new Certificate or Certificates for like aggregate principal amount in authorized denominations. The City shall pay any costs of the Trustee incurred in connection with such transfer, except that the Trustee may require the payment by the Certificate Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. The Trustee shall not be required to transfer (i) any Certificates or portion thereof during the period between the date fifteen (15) days prior to the date of selection

of Certificates for redemption and such date of selection, or (ii) any Certificates selected for redemption.

- (b) Exchange of Certificates. Certificates may be exchanged, upon surrender thereof, at the Designated Corporate Trust Office for a like aggregate principal amount of Certificates of other authorized denominations of the same maturity. Whenever any Certificate or Certificates shall be surrendered for exchange, the Trustee shall execute and deliver a new Certificate or Certificates for like aggregate principal amount in authorized denominations. The City shall pay any costs of the Trustee incurred in connection with such exchange, except that the Trustee may require the payment by the Certificate Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. The Trustee shall not be required to exchange (i) any Certificate or any portion thereof during the period between the date fifteen (15) days prior to the date of selection of Certificates for redemption and such date of selection, or (ii) any Certificate selected for redemption.
- (c) *Information to Trustee*. Prior to any transfer of the Certificates outside the book-entry system (including, but not limited to, the initial transfer outside the book-entry system), the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under section 6045 of the Code. The Trustee shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 2.09. Certificates Mutilated, Lost, Destroyed or Stolen. If any Certificate shall become mutilated, the Trustee, at the expense of the Owner of said Certificate, shall execute and deliver a new Certificate of like tenor, maturity and amount in exchange and substitution for the Certificate so mutilated, but only upon surrender to the Trustee of the Certificate so mutilated. Every mutilated Certificate so surrendered to the Trustee shall be canceled by it and destroyed with a certificate of destruction furnished to the City, upon its request. If any Certificate shall be lost, destroyed or stolen, evidence of such loss, destruction or theft shall be submitted to the Trustee, and, if such evidence is satisfactory to the Trustee and if an indemnity satisfactory to the Trustee shall be given, the Trustee, at the expense of the Certificate Owner, shall execute and deliver a new Certificate of like tenor, maturity and amount and numbered as the Trustee shall determine in lieu of and in substitution for the Certificate so lost, destroyed or stolen. The Trustee may require payment by the City of the expenses which may be incurred by the Trustee in carrying out the duties under this Section 2.09. Any Certificate executed and delivered under the provisions of this Section 2.09 in lieu of any Certificate alleged to be lost, destroyed or stolen shall be equally and fractionally entitled to the benefits of this Trust Agreement with all other Certificates secured by this Trust Agreement. The Trustee shall not be required to treat both the original Certificate and any replacement Certificate as being Outstanding for the purpose of determining the principal amount of Certificates which may be executed and delivered hereunder or for the purpose of determining any percentage of Certificates Outstanding hereunder, but both the original and replacement Certificate shall be treated as one and the same. Notwithstanding any other provision of this Section 2.09, in lieu of delivering a new Certificate to replace a Certificate which has been mutilated, lost, destroyed or stolen, and which has matured or has been called for redemption, the Trustee may make payment with respect to such Certificate upon receipt of the aforementioned indemnity.

Section 2.10. <u>Payment</u>. Payment of interest due with respect to any Certificate on any Interest Payment Date shall be made to the person appearing on the Registration Books as the Owner thereof as of the Regular Record Date immediately preceding such Interest Payment Date, such interest to be paid by check mailed on the Interest Payment Date by first class mail to such Owner at his address as it appears on the Registration Books as of such Regular Record

Date or, upon written request filed with the Trustee prior to the Regular Record Date by an Owner of at least \$1,000,000 in aggregate principal amount of Certificates, by wire transfer in immediately available funds to an account in the United States designated by such Owner in such written request. Any such written request shall remain in effect until rescinded in writing by the Owner. The principal and redemption price with respect to the Certificates at maturity or upon prior redemption shall be payable by check denominated in lawful money of the United States of America upon surrender of the Certificates at the Designated Corporate Trust Office.

Section 2.11. Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by this Trust Agreement to be signed or executed by Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of Certificates shall be sufficient for any purpose of this Trust Agreement (except as otherwise herein provided), if made in the following manner:

- (a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate, which need not be acknowledged or verified, of an officer of any bank or trust company located within the United States of America, or of any notary public, or other officer authorized to take acknowledgments of deeds to be recorded in such jurisdictions, stating that the persons signing such instruments acknowledged before him the execution thereof. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.
- (b) The fact of the ownership of Certificates by any person and the amount, the maturity and the numbers of such Certificates and the date of his holding the same shall be proved by the Registration Books.

Any request or consent of the Owner of any Certificate shall bind every future Owner of the same Certificate in respect of anything done or suffered to be done by the Trustee pursuant to such request or consent.

Section 2.12. <u>Registration Books</u>. The Trustee shall keep or cause to be kept, at its Designated Corporate Trust Office, sufficient records for the registration and registration of transfer of the Certificates, which shall at all reasonable times be open to inspection by the City and the Corporation during regular business hours on any Business Day with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books, Certificates as hereinbefore provided.

Section 2.13. <u>CUSIP Numbers</u>. The Trustee, the City and the Corporation shall not be liable for any defect or inaccuracy in the CUSIP number that appears on any Certificate or in any redemption notice. The Trustee may, in its discretion, include in any redemption notice a statement to the effect that the CUSIP numbers on the Certificates have been assigned by an independent service and are included in such notice solely for the convenience of the Owners and that neither the Trustee, the City nor the Corporation shall be liable for any inaccuracies in such numbers.

Section 2.14. <u>Use of Depository</u>. Notwithstanding any provision of this Trust Agreement to the contrary:

- (a) The Certificates shall be initially executed, delivered and registered in the name of "Cede & Co.," as nominee of The Depository Trust Company, the depository designated by the Original Purchaser, and shall be evidenced by one Certificate maturing on each of the maturity dates set forth in Section 2.03 hereof to be in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such Certificates, or any portions thereof, may not thereafter be transferred except:
  - (i) to any successor of The Depository Trust Company or its nominee, or of any substitute depository designated pursuant to paragraph (ii) of this subsection (a) ("substitute depository"); provided that any successor of The Depository Trust Company or substitute depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;
  - (ii) to any substitute depository designated in a written request of the City, upon (A) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository or (B) a determination by the City that The Depository Trust Company or its successor is no longer able to carry out its functions as depository; provided that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or
  - (iii) to any person as provided below, upon (A) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository or (B) a determination by the City that The Depository Trust Company or its successor is no longer able to carry out its functions as depository; provided that no substitute depository which is not objected to by the City and the Trustee can be obtained.
- (b) In the case of any transfer pursuant to paragraph (i) or paragraph (ii) of subsection (a) of this Section 2.14, upon receipt of all Outstanding Certificates by the Trustee, together with a written request of a City Representative to the Trustee, a single new Certificate shall be executed and delivered for each maturity of such Certificate then outstanding, registered in the name of such successor or such substitute depository or their nominees, as the case may be, all as specified in such written request of a City Representative. In the case of any transfer pursuant to paragraph (iii) of subsection (a) of this Section 2.14, upon receipt of all Outstanding Certificates by the Trustee together with a written request of a City Representative, new Certificates shall be executed and delivered in such denominations and registered in the names of such persons as are requested in a written request of the City provided the Trustee shall not be required to deliver such new Certificates within a period less than sixty (60) days from the date of receipt of such a written request of a City Representative.
- (c) In the case of partial redemption or an advance refunding of any Certificates evidencing all of the principal maturing in a particular year, The Depository Trust Company shall, at the City's expense, deliver the Certificates to the Trustee for cancellation and reregistration to reflect the amounts of such reduction in principal.
- (d) The City and the Trustee shall be entitled to treat the person in whose name any Certificate is registered as the absolute Owner thereof for all purposes of this Trust Agreement and any applicable laws, notwithstanding any notice to the contrary received by the Trustee or the City and the City and the Trustee shall have no responsibility for the accuracy of any

records maintained by DTC or any participant in DTC or transmitting payments to, communication with, notifying or otherwise dealing with any beneficial owners of the Certificates. Neither the City nor the Trustee will have any responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party including The Depository Trust Company or its successor (or substitute depository or its successor), except for the registered owner of any Certificate.

- (e) So long as all outstanding Certificates are registered in the name of Cede & Co. or its registered assign, the City and the Trustee shall reasonably cooperate with Cede & Co., as sole registered Owner, or its registered assign in effecting payment of the principal and interest due with respect to the Certificates by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due, in accordance with the Letter of Representations between DTC and the City.
- (f) So long as all Outstanding Certificates are registered in the name of Cede & Co. or its registered assigns (hereinafter, for purposes of this paragraph (f), the "Owner"):
  - (i) All notices and payments addressed to the Owners shall contain the Certificates' CUSIP number.
  - (ii) Notices to the Owner shall be forwarded in the manner set forth in the form of DTC's standard form blanket issuer letter of representations executed by the City and received and accepted by DTC.

Section 3.03. <u>Project Fund</u>. The Trustee shall establish a special fund designated as the "Project Fund," shall keep such fund separate and apart from all other funds and moneys held by it; and shall administer such fund as provided herein. There shall be deposited in the Project Fund from the proceeds of the Certificates the amount required to be deposited therein pursuant to Section 2.07(a)(ii) hereof, together with any other amounts from time to time deposited with the Trustee for such purpose as may be identified in writing to the Trustee.

Section 3.04. <u>Payment of Project Costs</u>. Amounts in the Project Fund shall be disbursed for Project Costs. Disbursements from the Project Fund shall be made by the Trustee upon receipt of a sequentially numbered requisition requesting disbursement executed by a City Representative. Each such requisition shall:

- (a) set forth the amounts to be disbursed for payment or reimbursement of previous payments of Project Costs and the person or persons to whom said amounts are to be disbursed;
- (b) state that the amounts to be disbursed constitute Project Costs, that said amounts are required to be disbursed pursuant to a contract entered into therefor by or on behalf of the City, or were necessarily and reasonably incurred, and that said amounts are not being paid in advance of the time, if any, fixed for payment;

- (c) state that no amount set forth in the requisition was included in any requisition requesting disbursement previously filed with the Trustee pursuant to this Section 3.04; and
- (d) state that there has been compliance with Section 5.11 of the Lease Agreement relating to the private use limitation and the private loan limitation.

The Trustee shall be responsible for the safekeeping and investment (in accordance with Section 7.02 hereof) of the moneys held in the Project Fund and the payment thereof in accordance with this Section 3.04, but the Trustee shall not be responsible for the truth or accuracy of such requisitions, may rely conclusively thereon and shall be under no duty to investigate or verify any statements made therein.

Upon the filing with the Trustee of a Written Certificate of the City stating that the Project has been completed, the Trustee shall withdraw any remaining amounts then on deposit in the Project Fund and, at the direction of the City, either (i) transfer such amounts to the Lease Payment Fund and applied to the payment of interest with respect to the Certificates, or (ii) apply such amount to the redemption of Certificate in accordance with the Trust Agreement and, in either case, the Project Fund shall be closed and the Trustee shall no longer be obligated to make payments for Project Costs.

In the event that the Trustee shall redeem Certificates in part but not in whole pursuant to subsections (a) or (b) of this Section 4.01, the amount of the Certificates to be redeemed in each subsequent year pursuant to this subsection (c) shall be reduced to correspond to the principal components of the Lease Payments prevailing following such redemption as determined pursuant to Section 4.4 of the Lease Agreement. The City shall provide the Trustee with a revised sinking fund schedule giving effect to such redemption.

Section 4.02. <u>Selection of Certificates for Redemption</u>. Whenever provision is made in this Trust Agreement for the redemption of Certificates and less than all Outstanding Certificates within a maturity are to be redeemed, Certificates of that maturity shall be selected for redemption in accordance with the rules of the Securities Depositories. For the purposes of

such selection, Certificates shall be deemed to be composed of \$5,000 portions and any such portion may be separately redeemed.

Section 4.03. Notice of Redemption. The City shall be required to give the Trustee written notice of its intention to redeem Certificates at least thirty (30) days prior to the date fixed for redemption unless the Trustee otherwise agrees to a shorter period for such notice. Unless waived in writing by any Owner of a Certificate to be redeemed, notice of any such redemption shall be given by the Trustee on behalf and at the expense of the City, by mailing a copy of a redemption notice by first class mail, postage prepaid, at least twenty (20) days and not more than sixty (60) days prior to the date fixed for redemption to such Owner of the Certificate or Certificates to be redeemed at the address shown on the Registration Books maintained by the Trustee or at such other address as is furnished in writing by such Owner to the Trustee; provided, however, that neither the failure to receive such notice nor any defect in any notice shall affect the sufficiency of the proceedings for the redemption of the Certificates.

All notices of redemption shall be dated and shall state: (i) the redemption date; (ii) the redemption price; (iii) if less than all Outstanding Certificates of a maturity are to be redeemed, the Certificate numbers (and, in the case of partial redemption, the respective principal amounts) of the Certificates to be redeemed; (iv) that on the redemption date the redemption price will become due and payable upon each such Certificate or portion thereof called for redemption and that interest with respect thereto shall cease to accrue from and after said date; (v) the place where such Certificates are to be surrendered for payment of the redemption price, which place of payment shall be the Designated Corporate Trust Office; (vi) the CUSIP numbers of all Certificates being redeemed; (vii) the original date of execution and delivery of the Certificates; (viii) the rate of interest payable with respect to each maturity of Certificates being redeemed; (ix) the maturity date of each Certificate being redeemed; and (x) any other descriptive information needed to identify accurately the Certificates being redeemed.

Notwithstanding the foregoing, in the case of any optional redemption of the Certificates under Section 4.01(a), the notice of redemption shall state that the redemption is conditioned upon receipt by the Trustee of sufficient moneys to redeem the Certificates on the scheduled redemption date, and that the optional redemption shall not occur if, by no later than the scheduled redemption date, sufficient moneys to redeem the Certificates have not been deposited with the Trustee. In the event that the Trustee does not receive sufficient funds by the scheduled optional redemption date to so redeem the Certificates to be optionally redeemed, such event shall not constitute an Event of Default; the Trustee shall send written notice to the Owners, to the Securities Depositories and to one or more of the Information Services to the effect that the redemption did not occur as anticipated, and the Certificates for which notice of optional redemption was given shall remain Outstanding for all purposes of this Trust Agreement.

Notice of redemption having been given as aforesaid and the deposit of the redemption price having been made by the City, the Certificates or portions of Certificates so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date interest with respect to such Certificates or portions of Certificates shall cease to be payable. Upon surrender of such Certificates for redemption in accordance with said notice, such Certificates shall be paid by the Trustee at the redemption price. Upon the payment of the redemption price of Certificates being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Certificates being redeemed with the proceeds of such check or other transfer, to the extent possible. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Certificates

which have been redeemed shall be canceled by the Trustee, shall not be redelivered and shall be destroyed pursuant to Section 13.07.

In addition to the foregoing notice to the Owners, notice shall also be given by the Trustee, by telecopy or other electronic transmission, registered, certified or overnight mail, to all Securities Depositories and to an Information Service which shall state the information set forth above, but no defect in said notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption.

The Trustee shall have no responsibility for a defect in the CUSIP number that appears on any Certificate or in the redemption notice. The redemption notice may provide that the CUSIP numbers have been assigned by an independent service and are included in the notice solely for the convenience of Certificate Owners and that the Trustee and the City shall not be liable in any way for inaccuracies in said numbers.

Section 4.04. <u>Partial Redemption of Certificate</u>. Upon surrender of any Certificate redeemed in part only, the Trustee shall execute and deliver to the Owner thereof a new Certificate or Certificates of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Certificate surrendered and of the same interest rate and the same maturity.

Section 4.05. <u>Purchase of Certificates</u>. In lieu of redemption of Certificates as provided in this Article IV, amounts held by the Trustee for such redemption may also be used on any Interest Payment Date, upon receipt by the Trustee at least ninety (90) days prior to the next scheduled Interest Payment Date of the written request of a City Representative, for the purchase of Certificates at public or private sale as and when and at such prices (including brokerage, accrued interest and other charges) as the City may in its discretion direct. Such purchases may be effected through the investment department of the Trustee or of an affiliate of the Trustee. The aggregate principal amount of Certificates of the same maturity purchased in lieu of redemption pursuant to this Section 4.05 shall not exceed the aggregate principal amount of Certificates of such maturity which would otherwise be subject to such redemption. Remaining moneys, if any, shall be deposited in the Lease Payment Fund. All Certificates purchased in lieu of redemption shall be canceled by the Trustee.

Section 6.01. <u>Establishment of Insurance and Condemnation Fund; Application of Net Proceeds of Insurance Award.</u>

- (a) Any Net Proceeds of insurance against damage to or destruction of any part of the Property collected by the City in the event of any such damage or destruction shall be paid to the Trustee by the City pursuant to Section 6.2(a) of the Lease Agreement and deposited by the Trustee promptly upon receipt thereof in a special fund designated as the "Insurance and Condemnation Fund" to be established by the Trustee when deposits are required to be made therein.
- (b) Within ninety (90) days following the date of such deposit, the City shall determine and notify the Trustee in writing of its determination either (i) that the replacement, repair, restoration, modification or improvement of the Property is not economically feasible or in the best interest of the City, or (ii) that all or a portion of such Net Proceeds are to be applied to the prompt replacement, repair, restoration, modification or improvement of the damaged or destroyed portions of the Property.
- (c) In the event the City's determination is as set forth in clause (i) of paragraph (b) above, such Net Proceeds shall be promptly transferred by the Trustee to the Lease Payment Fund, applied to the prepayment of Lease Payments pursuant to Section 10.3 of the Lease Agreement and applied to the redemption of Certificates as provided in Section 4.01(b) hereof; provided, however, that in the event of damage or destruction of the Property in full, such Net Proceeds may be transferred to the Lease Payment Fund only if sufficient, together with other moneys available therefor, to cause the prepayment of the principal components of all unpaid Lease Payments pursuant to Section 10.3 of the Lease Agreement, otherwise such Net Proceeds shall be applied to the replacement, repair, restoration, modification or improvement of the Property; provided further, however, that in the event of damage or destruction of the Property in part, such Net Proceeds may be transferred to the Lease Payment Fund and applied to the prepayment of Lease Payments only if the resulting Lease Payments represent fair consideration for the remaining portions of the Property, evidenced by a certificate signed by a City Representative and a Corporation Representative.
- (d) In the event the City's determination is as set forth in clause (ii) of paragraph (b) above, Net Proceeds deposited in the Insurance and Condemnation Fund shall be applied to the prompt replacement, repair, restoration, modification or improvement of the damaged or destroyed portions of the Property by the City, and disbursed by the Trustee upon receipt of requisitions signed by a City Representative stating with respect to each payment to be made (i) the requisition number, (ii) the name and address of the person, firm or corporation to whom payment is due, (iii) the amount to be paid and (iv) that each obligation mentioned therein has been properly incurred, is a proper charge against the Insurance and Condemnation Fund, has not been the basis of any previous withdrawal, and specifying in reasonable detail the nature of the obligation, accompanied by a bill or a statement of account for such obligation. The Trustee shall not be responsible for the representations made in such requisitions and may conclusively rely thereon and shall be under no duty to investigate or verify any statements made therein or review any supporting documentation accompanying such requisition. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to the City.

Section 6.02. <u>Application of Net Proceeds of Eminent Domain Award</u>. If all or any part of the Property shall be taken by eminent domain proceedings (or sold to a government threatening to exercise the power of eminent domain), the Net Proceeds therefrom shall be deposited with the Trustee in the Insurance and Condemnation Fund pursuant to Section 6.2(b) of the Lease Agreement and shall be applied and disbursed by the Trustee as follows:

- (a) If the City has given written notice to the Trustee of its determination that (i) such eminent domain proceedings have not materially affected the operation of the Property or the ability of the City to meet any of its obligations with respect to the Property under the Lease Agreement, and (ii) such proceeds are not needed for repair or rehabilitation of the Property, the City shall so certify to the Trustee and the Trustee, at the City's written request, shall transfer such proceeds to the Lease Payment Fund to be credited towards the prepayment of the Lease Payments pursuant to Section 10.3 of the Lease Agreement and applied to the redemption of Certificates in the manner provided in Section 4.01(b) hereof.
- (b) If the City has given written notice to the Trustee of its determination that (i) such eminent domain proceedings have not materially affected the operation of the Property or the ability of the City to meet any of its obligations with respect to the Property under the Lease Agreement, and (ii) such proceeds are needed for repair, rehabilitation or replacement of the Property, the City shall so certify to the Trustee and the Trustee, at the City's written request, shall pay to the City, or to its order, from said proceeds such amounts as the City may expend for such repair or rehabilitation, upon the filing with the Trustee of requisitions of the City Representative in the form and containing the provisions set forth in Section 6.01. The Trustee shall not be responsible for the representations made in such requisitions and may conclusively rely thereon and shall be under no duty to investigate or verify any statements made therein.
- (c) If (i) less than all of the Property shall have been taken in such eminent domain proceedings or sold to a government threatening the use of eminent domain powers, and if the City has given written notice to the Trustee of its determination that such eminent domain proceedings have materially affected the operation of the Property or the ability of the City to meet any of its obligations with respect to the Property under the Lease Agreement or (ii) all of the Property shall have been taken in such eminent domain proceedings, then the Trustee shall transfer such proceeds to the Lease Payment Fund to be credited toward the prepayment of the Lease Payments pursuant to Section 10.3 of the Lease Agreement and applied to the redemption of Certificates in the manner provided in 4.01(b) hereof.
- (d) In making any determination under this Section 6.02, the City may, but shall not be required to, obtain at its expense, the report of an independent engineer or other independent professional consultant, a copy of which shall be filed with the Trustee. Any such determination by the City shall be final.

Section 6.03. <u>Application of Net Proceeds of Title Insurance Award</u>. The Net Proceeds from a title insurance award shall be deposited with the Trustee in the Insurance and Condemnation Fund pursuant to Section 6.2(c) of the Lease Agreement and shall be transferred to the Lease Payment Fund to be credited towards the prepayment of Lease Payments required to be paid pursuant to Section 10.3 of the Lease Agreement and applied to the redemption of Certificates in the manner provided in Section 4.01(b).

The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Section 7.02 hereof. The City acknowledges that, to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the City the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, the City waives receipt of such confirmations. The City further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.

The Corporation and the City agree that they will maintain a Trustee which shall be a corporation or association organized under the laws of any state, the United States of America, or the District of Columbia, authorized under such laws to exercise corporate trust powers, which shall have (or, in the case of a bank or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least fifty million dollars (\$50,000,000), subject to supervision or examination by federal or State authority, so long as any Certificates are Outstanding. If such corporation or association publishes a report of condition at least annually pursuant to law or to the requirements of any supervising or examining authority above referred to then for the purpose of this Section 8.01, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 8.01, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.07.

The Trustee is hereby authorized to pay the Certificates when duly presented for payment at maturity, or on redemption, or on purchase by the Trustee prior to maturity in accordance with Section 4.05 hereof, and to cancel all Certificates upon payment thereof. The Trustee shall keep records in accordance with corporate trust industry standards of all funds administered by it and of all Certificates paid and discharged.

Section 8.02. <u>Acceptance of Trusts</u>. The Trustee hereby accepts the trusts imposed upon it by this Trust Agreement and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

- (a) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied duties or obligations shall be read into this Trust Agreement against the Trustee. In case an Event of Default has occurred (which has not been cured or waived) the Trustee may exercise such of the rights and powers vested in it by this Trust Agreement and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (b) No provision in this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.
- (c) The Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder either directly or by or through attorneys, receivers or agents and shall be entitled to advice of counsel concerning all matters of trust and its duty hereunder and shall

be absolutely protected in relying thereon. The Trustee shall not be responsible for the misconduct of such persons selected by it with reasonable care.

- (d) The Trustee shall not be responsible for any recital herein, in the Assignment Agreement or in the Certificates, or for any of the supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Certificates delivered hereunder or intended to be secured hereby and the Trustee shall not be bound to ascertain or inquire as to the observance or performance of any covenants, conditions or agreements on the part of the Corporation or the City under the Lease Agreement.
- (e) The Trustee shall not be accountable for the use of any Certificates delivered hereunder or the proceeds thereof. The Trustee, in its individual or any other capacity, may become the Owner or pledgee of Certificates secured hereby with the same rights which it would have if it were not the Trustee; may acquire and dispose of other bonds or evidence of indebtedness of the City with the same rights it would have if it were not the Trustee; and may act as a depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of Certificates, whether or not such committee shall represent the Owners of the majority in principal amount of the Certificates then Outstanding.
- (f) In the absence of bad faith on its part, the Trustee shall be protected in acting or refraining from acting upon any notice, request, consent, requisition, certificate, order, affidavit, facsimile, letter, telegram or other paper or document believed by it to be genuine and to have been signed or sent by the proper person or persons. Any action taken or omitted to be taken by the Trustee in good faith pursuant to this Trust Agreement upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of any Certificate, shall be conclusive and binding upon all future Owners of the same Certificate and upon Certificates executed and delivered in exchange therefor or in place thereof. The Trustee shall not be bound to recognize any person as an Owner of any Certificate or to take any action at his request unless such person is the registered owner as shown on the Registration Books.
- (g) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed by a Corporation Representative or a City Representative as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default of which the Trustee has been given notice or is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient. The Trustee may accept a certificate of a Corporation Representative or a City Representative to the effect that an authorization in the form therein set forth has been adopted by the Corporation or the City, as the case may be, as conclusive evidence that such authorization has been duly adopted, and is in full force and effect.
- (h) The permissive right of the Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct. The immunities and exceptions from liability of the Trustee shall extend to its officers, directors, employees, affiliates and agents.
- (i) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder except failure by the City to make any of the Lease Payments to the Trustee required to be made by the City pursuant to the Lease Agreement or failure by the Corporation or the City to file with the Trustee any document required by this Trust Agreement or a Lease Agreement to be so filed on a date certain subsequent to the delivery of the

Certificates, unless the Trustee shall be specifically notified in writing of such default by the Corporation, the City or by the Owners of at least five percent (5%) in aggregate principal amount of Certificates then Outstanding and all notices or other instruments required by this Trust Agreement to be delivered to the Trustee must, in order to be effective, be delivered at the Designated Corporate Trust Office, and in the absence of such notice so delivered the Trustee may conclusively assume there is no Event of Default except as aforesaid.

- (j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.
- (k) Notwithstanding anything elsewhere in this Trust Agreement with respect to the execution of any Certificates, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Trust Agreement, the Trustee shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, deemed desirable by the Trustee for the purpose of establishing the right of the City to the withdrawal of any cash, or the taking of any other action by the Trustee.
- (l) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of moneys made by it in accordance with Article VII of this Trust Agreement.
- (m) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of a majority in aggregate principal amount of the Outstanding Certificates relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Trust Agreement.
- (n) Before taking any action under Article XII hereof or this Section 8.02 at the request or direction of the Certificate Owners, the Trustee may require payment or reimbursement of its reasonable fees and expenses, including reasonable fees and expenses of counsel and receipt of an indemnity satisfactory to it from the Certificate Owners to protect it against all liability, except liability which is adjudicated to have resulted from its own negligence or willful misconduct in connection with any action so taken. Before being required to take any action, the Trustee may require an opinion of Independent Counsel acceptable to the Trustee, which opinion shall be made available to the other parties hereto upon request, which counsel may be counsel to any of the parties hereto, or a verified certificate of any party hereto, or both, concerning the proposed action. If it does so in good faith, the Trustee shall be absolutely protected in relying thereon.
- (o) Under no circumstances shall the Trustee be liable for the obligations evidenced by the Certificates.
- (p) The Trustee shall not be accountable for the use or application by the City or the Corporation or any other party of any funds which the Trustee has released in accordance with the terms of this Trust Agreement.
- (q) The Trustee has no obligation or duty to insure compliance by the City with the Code.

- (r) The Trustee makes no representation or warranty, express or implied, as to the title, value, design, compliance with specifications or legal or environmental requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose or fitness for the use contemplated by the City or the Corporation of the Property. In no event shall the Trustee be liable for incidental, indirect, special, punitive or consequential damages in connection with or arising from the Lease Agreement or this Trust Agreement for the existence, furnishing or use of the Property.
- (s) The Trustee makes no representations as to the validity or sufficiency of the Certificates and shall incur no responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Certificates assigned to or imposed upon it. The Trustee shall not be responsible for the validity or sufficiency of the Lease Agreement or the assignment under the Assignment Agreement. The Trustee shall not be liable for the sufficiency or collection of any Lease Payments or other moneys required to be paid to it under the Lease Agreement (except as provided in this Trust Agreement), its right to receive moneys pursuant to the Lease Agreement, or the value of or title to the premises upon which the Property is located or the Property. The Trustee makes no representations and shall have no responsibility for any official statement or other offering material prepared or distributed with respect to the Certificates.
- (t) In accepting the trust hereby created, the Trustee acts solely as Trustee for the Owners and not in its individual capacity and all persons, including without limitation the Owners and the City or the Corporation having any claim against the Trustee arising from this Trust Agreement shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein.
- (u) The Trustee is authorized and directed to execute the Assignment Agreement in its capacity as Trustee hereunder.
- (v) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Trust Agreement and delivered using Electronic Means ("Electronic Means" means the following communications methods: email, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Corporation and/or the City, as applicable, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Corporation and/or the City, as applicable, whenever a person is to be added or deleted from the listing. If the Corporation and/or the City, as applicable, elects to give the Trustee Instructions using Electronic Means and the Trustee elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Corporation and the City understand and agree that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Corporation and the City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Corporation, the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Corporation and/or the City, as applicable. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a

subsequent written instruction. The Corporation and the City agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Corporation and/or the City, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

- (w) In acting or omitting to act pursuant to the Lease Agreement, the Site and Facility Lease or any other document contemplated or executed in connection herewith, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Trust Agreement and the Lease Agreement, including, but not limited to, this Article VIII.
- (x) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include but not be limited to acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.
- (y) The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.
- (z) The Trustee may consult with counsel, who may be counsel of or to the City or the Corporation, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.
- (aa) Whenever in the administration of the trusts imposed upon it by this Trust Agreement the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of the City, and such certificate shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Trust Agreement in reliance upon such certificate, but the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

Section 8.03. Fees, Charges and Expenses of Trustee. The City shall pay and reimburse the Trustee for such fees for its services rendered hereunder as shall be agreed upon in writing and under the Assignment Agreement and all advances and expenditures, including but not limited to, advances to and reasonable fees and expenses of independent appraisers, accountants, consultants, counsel, agents and attorneys or other experts employed by the Trustee in connection with such services and the Trustee shall, in the Event of Default, have a first and prior lien on the funds held hereunder to secure the same. The Trustee's rights hereunder, including its rights under Section 11.03 hereof, shall survive its resignation or removal and final payment of the Certificates. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 8.04. <u>Notice to Certificate Owners of Default</u>. If an Event of Default occurs of which the Trustee has been given or is deemed to have notice pursuant to Section 8.02(i) hereof, then the Trustee shall, within ninety (90) days of the occurrence thereof, give written notice thereof at the expense of the City by first class mail, postage prepaid, to the Owner of each Certificate, unless such Event of Default shall have been cured before the giving of such notice; *provided, however* that unless such Event of Default consists of the failure by the City to make any Lease Payment when due, the Trustee may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Certificate Owners not to give such notice.

Section 8.05. <u>Intervention by Trustee</u>. In any judicial proceeding to which the Corporation or the City is a party which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of Owners of the Certificates, the Trustee may intervene on behalf of the Certificate Owners and shall do so if requested in writing by the Owners of at least twenty-five percent (25%) of the aggregate principal amount of Certificates then Outstanding, provided the Trustee shall have no duty to take such action unless it has received payment or reimbursement and has been indemnified to its satisfaction as provided in Section 8.02(n) hereof against all risk or liability arising from such action.

Section 8.06. Removal of Trustee. Upon thirty (30) days' notice, the City (so long as no Event of Default shall have occurred and be continuing) or the Owners of at least a majority of the aggregate principal amount of Certificates then Outstanding may, with the consent of the Corporation, remove the Trustee initially appointed, and any successor thereto, by an instrument or concurrent instruments in writing delivered to the Trustee and the Corporation, and may appoint a successor or successors thereto; provided that any such successor shall be a corporation or association meeting the requirements set forth in Section 8.01 hereof.

Section 8.07. <u>Resignation by Trustee</u>. The Trustee and any successor Trustee may, at any time, resign by giving thirty (30) days' written notice by registered or certified mail to the City and the Corporation.

Section 8.08. Appointment of Successor Trustee. In the event of the removal or resignation of the Trustee pursuant to Sections 9.06 or 9.07 hereof, the City shall promptly appoint a successor Trustee. In the event the City shall, for any reason whatsoever, fail to appoint a successor Trustee within thirty (30) days following the delivery to the Trustee of the instrument described in Section 8.06 hereof or within thirty (30) days following the receipt of notice by the City pursuant to Section 8.07 hereof, the Trustee may apply to a court of competent jurisdiction at the expense of the City, for the appointment of a successor Trustee meeting the requirements of Section 8.01 hereof. Any such successor Trustee appointed by such court shall become the successor Trustee hereunder notwithstanding any action by the City purporting to appoint a successor Trustee following the expiration of such thirty (30) day period. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee.

Section 8.09. Merger or Consolidation. Any company or association into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided that such company or association shall be eligible under Section 8.01 hereof, shall be the successor to the Trustee and vested with all of the title to the trust estate and all of the trusts, powers, discretions, immunities, privileges and all other

matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

Section 8.10. Concerning any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its or his predecessor and also the Corporation and the City an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but such predecessor shall, nevertheless, on the written request of the City, or of its successor, execute and deliver an instrument transferring to such successor all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as the Trustee hereunder to its successor. Upon such acceptance, the City shall mail, by first class mail, postage prepaid, or cause the mailing of, notice thereof to the Certificate Owners at their respective addresses set forth on the Registration Books. Should any instrument in writing from the City be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article VIII, shall be filed or recorded by the successor Trustee in each recording office where the Assignment Agreement shall have been filed or recorded.

#### ARTICLE IX

#### MODIFICATION OR AMENDMENT OF AGREEMENTS

Section 9.01. Amendments Permitted. This Trust Agreement and the rights and obligations of the Owners of the Certificates, the Lease Agreement and the rights and obligations of the parties thereto, the Site and Facility Lease and the rights and obligations of the parties thereto and the Assignment Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental agreement which shall become effective when the written consent of the Owners of the Owners of at least sixty percent (60%) in aggregate principal amount of the Certificates then Outstanding, exclusive of Certificates disqualified as provided in Section 9.03 hereof, shall have been filed with the Trustee. No such modification or amendment shall (1) extend or have the effect of extending the fixed maturity of any Certificate or reducing the interest rate with respect thereto or extending the time of payment of interest, or reducing the amount of principal thereof, without the express consent of the Owner of such Certificate; or (2) reduce or have the effect of reducing the percentage of Certificates required for the affirmative vote or written consent to an amendment or modification of a Lease Agreement; or (3) modify any of the rights or obligations of the Trustee without its written assent thereto. Any such supplemental agreement shall become effective as provided in Section 9.02 hereof.

This Trust Agreement and the rights and obligations of the Owners of the Certificates and the Lease Agreement and the rights and obligations of the respective parties thereto, and the Assignment Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental agreement, without the consent of any such Owners, but only to the extent permitted by law and only (1) to add to the covenants and agreements of the Corporation or the City; (2) to cure, correct or supplement any ambiguous or defective provision contained herein or therein and which shall not, in the opinion of nationally recognized bond counsel, materially adversely affect the interests of the Owners of the Certificates; (3) in regard to questions arising hereunder or thereunder, as the parties hereto or thereto may deem necessary or desirable and which shall not, in the opinion of nationally recognized bond counsel, materially adversely affect the interests of the Owners of the Certificates; (4) to make such additions, deletions or modifications as may be necessary or appropriate in the opinion of bond counsel to assure the exclusion from gross income for federal income tax purposes of the interest component of Lease Payments and the interest payable with respect to the Certificates; (5) to add to the rights of the Trustee; or (6) to maintain the rating or ratings assigned to the Certificates. Any such supplemental agreement shall become effective upon execution and delivery by the parties hereto or thereto, as the case may be.

This Trust Agreement and the Lease Agreement may not be modified or amended at any time by a supplemental agreement which would modify any of the rights and obligations of the Trustee without its written assent thereto.

The Trustee shall receive an opinion of Independent Counsel that any amendment entered into hereunder complies with the provisions of this Article IX and the Trustee may rely conclusively on such opinion.

Section 9.02. <u>Procedure for Amendment with Written Consent of Certificate Owners</u>. This Trust Agreement and the Lease Agreement may be amended by supplemental agreement as provided in this Section 9.02 in the event the consent of the Owners of the Certificates is required pursuant to Section 9.01 hereof. A copy of such supplemental agreement (or a

summary thereof), together with a request to the Certificate Owners for their consent thereto, shall be mailed by first class mail, postage prepaid, by the Trustee at the expense of the City, to each Owner of a Certificate at his address as set forth on the Registration Books, but failure to mail copies of such supplemental agreement and request shall not affect the validity of the supplemental agreement when assented to as in this Section 9.02 provided.

Such supplemental agreement shall not become effective unless there shall be filed with the Trustee the written consent of the Owners of at least sixty percent (60%) in aggregate principal amount of the Certificates then Outstanding (exclusive of Certificates disqualified as provided in Section 9.03 hereof) and a notice shall have been mailed as hereinafter in this Section 9.02 provided. Each such consent shall be effective only if accompanied by proof of ownership of the Certificates for which such consent is given, which proof shall be such as is permitted by Section 2.11 hereof. Any such consent shall be binding upon the Owner of the Certificate giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in the following paragraph of this Section 9.02 provided for has been mailed.

After the Owners of the required percentage of Certificates shall have filed their consents to such supplemental agreement, the Trustee shall mail by first class mail, postage prepaid, a notice at the expense of the City, to the Owners of the Certificates in the manner hereinbefore provided in this Section 9.02 for the mailing of such supplemental agreement of the notice of adoption thereof, stating in substance that such supplemental agreement has been consented to by the Owners of the required percentage of Certificates and will be effective as provided in this Section 9.02 (but failure to mail copies of said notice shall not affect the validity of such supplemental agreement or consents thereto). A record, consisting of the papers required by this Section 9.02 to be filed with the Trustee, shall be conclusive proof of the matters therein stated. Such supplemental agreement shall become effective upon the mailing of such last-mentioned notice, and such supplemental agreement shall be deemed conclusively binding upon the parties hereto and the Owners of all Certificates at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty (60) day period.

Section 9.03. <u>Disqualified Certificates</u>. Certificates owned or held by or for the account of the City or by any person directly or indirectly controlled or controlled by, or under direct or indirect common control with the City (except any Certificates held in any pension or retirement fund) shall not be deemed Outstanding (unless all such Certificates are owned or held, in which case all such Certificates shall be deemed Outstanding) for the purpose of any vote, consent, waiver or other action or any calculation of Outstanding Certificates provided for in this Trust Agreement, and shall not be entitled to vote upon, consent to, or take any other action provided for in this Trust Agreement; *provided, however*, that the Trustee shall not be liable for determining whether Certificates are owned or held by the City or any such other person unless such Certificates are registered in the name of the City on the Registration Books.

Section 9.04. Effect of Supplemental Agreement. From and after the time any supplemental agreement becomes effective pursuant to this Article IX, this Trust Agreement or a Lease Agreement, as the case may be, shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Certificates Outstanding, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any supplemental agreement shall be deemed

to be part of the terms and conditions of this Trust Agreement or a Lease Agreement, as the case may be, for any and all purposes.

Section 9.05. Endorsement or Replacement of Certificates Delivered After Amendments. The City may determine that Certificates delivered after the effective date of any action taken as provided in this Article IX shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Certificate Outstanding at such effective date and presentation of his Certificate for such purpose at the Designated Corporate Trust Office, a suitable notation shall be made on such Certificate. The City may determine that the delivery of substitute Certificates, so modified as in the opinion of the City is necessary to conform to such Certificate Owners' action, is necessary and such substitute Certificates shall thereupon be prepared, executed and delivered. In that case, upon demand of the Owner of any Certificate then Outstanding, such substitute Certificate shall be exchanged at the Designated Corporate Trust Office, at the expense of the City, for a Certificate of the same character then Outstanding, upon surrender of such Outstanding Certificate.

Section 9.06. <u>Amendatory Endorsement of Certificates</u>. The provisions of this Article IX shall not prevent any Certificate Owner from accepting any amendment as to the particular Certificates held by him, provided that proper notation thereof is made on such Certificates.

#### ARTICLE X

#### **COVENANTS**

Section 10.01. <u>Compliance with and Enforcement of Lease Agreement</u>. The City covenants and agrees with the Owners of the Certificates to perform all obligations and duties imposed on it under the Lease Agreement. The Corporation covenants and agrees with the Owners of the Certificates to perform all obligations and duties imposed on it under the Lease Agreement.

The City will not do or permit anything to be done, or omit or refrain from doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be a ground for cancellation or termination of their respective Lease Agreement by the Corporation thereunder. The Corporation and the City, immediately upon receiving or giving any notice, communication or other document in any way relating to or affecting their respective estates, or either of them, in the Property, which may or can in any manner affect such estate of the City or the Corporation, will deliver the same, or a copy thereof, to the Trustee.

Section 10.02. Observance of Laws and Regulations. The City and the Corporation will well and truly keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on them by contract, or prescribed by any law of the United States, or of the State, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the City or the Corporation, respectively, including its right to exist and carry on business as a public entity, to the end that such rights, privileges and franchises shall be maintained and preserved, and shall not become abandoned, forfeited or in any manner impaired.

Section 10.03. Prosecution and Defense of Suits. The City shall promptly, upon request of the Trustee or any Certificate Owner, from time to time take such action as may be necessary or proper to remedy or cure any defect in or cloud upon the title to the Property, whether now existing or hereafter developing and shall prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and shall indemnify and save the Trustee and every Certificate Owner harmless from all loss, cost, damage and expense, including reasonable attorneys' fees and expenses, which they or any of them may incur by reason of any such defect, cloud, suit, action or proceeding.

Section 10.04. <u>Recordation and Filing</u>. The City shall record and file, or cause to be recorded and filed, the Site and Facility Lease, the Lease Agreement (or a memorandum thereof), the Assignment Agreement and all such documents as may be required by law (and shall take all further actions which may be necessary or be reasonably required by the Trustee), all in such manner, at such times and in such places as may be required by law in order fully to preserve, protect and perfect the security of the Trustee and the Certificate Owners.

Section 10.05. <u>Budgets</u>. The City shall supply to the Trustee as soon as practicable, but not later than July 1 in each year, a written determination by a City Representative that the City has made adequate provision in its annual budget for the payment of Lease Payments due under the Lease Agreement in the Fiscal Year covered by such budget. The determination given by the City to the Trustee shall be that the amounts so budgeted are fully adequate for the payment of all Lease Payments and Additional Payments due under the Lease Agreement in the annual period covered by such budget.

Section 10.06. <u>Further Assurances</u>. The Corporation and the City will make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Trust Agreement and the Lease Agreement, or as may be requested by the Trustee and for the better assuring and confirming unto the Owners of the Certificates and the Trustee the rights and benefits provided herein.

Section 10.07. <u>Satisfaction of Conditions Precedent</u>. The City hereby certifies, recites and declares that all acts, conditions and things required by the constitution and statutes of the State, the Lease Agreement and this Trust Agreement to exist, to have happened and to have been performed precedent to and in the delivery of the Certificates, do exist, have happened and have been performed in due time, form and manner as required by law.

Section 10.08. <u>Continuing Disclosure</u>. The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Trust Agreement, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, the holders of at least 25% aggregate principal amount of Outstanding Certificates, or any holder or beneficial owner of the Certificates may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

#### ARTICLE XI

#### LIMITATION OF LIABILITY

Section 11.01. <u>Limited Liability of City</u>. Except for the payment of Lease Payments when due in accordance with the Lease Agreement and the performance of the other covenants and agreements of the City contained in the Lease Agreement and this Trust Agreement, the City shall have no pecuniary obligation or liability to any of the other parties or to the Owners of the Certificates with respect to this Trust Agreement or the terms, execution, delivery or transfer of the Certificates, or the distribution of Lease Payments to the Owners by the Trustee, except as expressly set forth herein.

Section 11.02. <u>No Liability of City or Corporation for Trustee Performance</u>. Neither the City nor the Corporation shall have any obligation or liability to any of the other parties or to the Owners of the Certificates with respect to the performance by the Trustee of any duty imposed upon it under this Trust Agreement.

Section 11.03. <u>Indemnification of Trustee</u>. The City shall to the extent permitted by law indemnify and save the Trustee, its officers, employees, directors, affiliates and agents harmless from and against all claims, losses, costs, expenses, liability and damages, including reasonable legal fees and expenses (including allocated costs of internal counsel), arising out of (i) the use, maintenance, condition or management of, or from any work or thing done on, the Property by the Corporation or the City; (ii) any breach or default on the part of the Corporation or the City the performance of any of their respective obligations under the Lease Agreement, the Assignment Agreement, this Trust Agreement and any other agreement made and entered into for purposes of the Property; (iii) any act of the Corporation or the City or of any of their respective agents, contractors, servants, employees, licensees with respect to the Property; (iv) any act of any assignee of, or purchaser from the Corporation or the City or of any of its or their respective agents, contractors, servants, employees or licensees with respect to the Property; (v) the authorization of payment of Delivery Costs; (vi) the actions of any other party, including but not limited to the ownership, operation or use of the Property by the Corporation or the City including, without limitation, the use, storage, presence, disposal or release of any Hazardous Substances on or about the Property; (vii) the Trustee's exercise and performance of its powers and duties hereunder or as assigned to it under the Assignment Agreement or any other documents contemplated or executed in connection herewith or therewith; (viii) the offering and sale of the Certificates; (ix) the presence under or about or release from the Property, or any portion thereof, of any substance, material or waste which is or becomes regulated or classified as hazardous or toxic under State, local or federal law, or the violation of any such law by the City; or (x) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements made, in the light of the circumstances under which they were made, not misleading, in any official statement or other offering document utilized in connection with the sale of the Certificates. Such indemnification shall include the costs and expenses of defending against any claim or liability arising under this Trust Agreement. No indemnification will be made under this Section 11.03 or elsewhere in this Trust Agreement for willful misconduct or negligence under this Trust Agreement by the Trustee, its officers, affiliates or employees. The City's obligations hereunder shall remain valid and binding notwithstanding maturity and payment of the Certificates or resignation or removal of the Trustee. This Section 11.03 shall survive the termination of this Trust Agreement and the earlier removal or resignation of the Trustee.

Section 11.04. <u>Limitation of Rights to Parties and Certificate Owners</u>. Nothing in this Trust Agreement or in the Certificates expressed or implied is intended or shall be construed to give any person other than the City, the Corporation, the Trustee and the Owners of the Certificates, any legal or equitable right, remedy or claim under or in respect of this Trust Agreement or any covenant, condition or provision hereof; and all such covenants, conditions and provisions are and shall be for the sole and exclusive benefit of the City, the Corporation, the Trustee and said Owners.

#### ARTICLE XII

## EVENTS OF DEFAULT AND REMEDIES OF CERTIFICATE OWNERS

Section 12.01. <u>Assignment of Rights</u>. Pursuant to the Assignment Agreement, the Corporation has transferred, assigned and set over to the Trustee all of the Corporation's rights in and to the Lease Agreement (excepting only the Corporation's rights to give approvals and consents, and its rights under Sections 5.8, 7.3 and 9.4 and its obligations thereof), including without limitation all of the Corporation's rights to exercise such rights and remedies conferred on the Corporation pursuant to the Lease Agreement as may be necessary or convenient (i) to enforce payment of the Lease Payments and any other amounts required to be deposited in the Lease Payment Fund or the Insurance and Condemnation Fund, and (ii) otherwise to exercise the Corporation's rights and take any action to protect the interests of the Trustee or the Certificate Owners in an Event of Default.

Section 12.02. Remedies. If an Event of Default shall happen, then and in each and every such case during the continuance of such Event of Default, the Trustee may, and shall upon request of the Owners of a majority in aggregate principal amount of the Certificates then Outstanding, and upon payment of its reasonable fees and expenses, including reasonable counsel fees, and being indemnified to its satisfaction therefor shall, exercise any and all remedies available pursuant to law or granted pursuant to the Lease Agreement; provided, however, that notwithstanding anything herein or in the Lease Agreement to the contrary, there shall be no right under any circumstances to accelerate the maturities of the Certificates or otherwise to declare any Lease Payment not then in default to be immediately due and payable.

Section 12.03. <u>Application of Funds</u>. All moneys held by the Trustee in the funds and accounts held hereunder and all moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article XII or Article IX of the Lease Agreement shall be applied by the Trustee in the following order upon presentation of the several Certificates:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default, and collecting moneys owed hereunder, including reasonable compensation to its agents, attorneys and counsel (including allocated costs of internal counsel), including all fees, indemnity and expenses past due, and then fees, costs and expenses of the Certificate Owners in declaring such Event of Default, and collecting moneys owed hereunder, including reasonable compensation to its agents, attorneys and counsel; and

Second, to the payment of the whole amount then owing and unpaid with respect to the Certificates for principal and interest, with interest on the overdue principal and installments of interest at the rate per annum payable with respect to the Certificates (but such interest on overdue installments of interest shall be paid only to the extent funds are available therefor following payment of principal and interest and interest on overdue principal, as aforesaid), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid with respect to the Certificates, then to the payment of such principal and interest without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest.

Section 12.04. <u>Institution of Legal Proceedings</u>. If one or more Events of Default shall happen and be continuing, or if there shall be nonpayment of principal or interest with respect to the Certificates, the Trustee shall, upon the written request of the Owners of a majority in

principal amount of the Certificates then Outstanding, and upon payment of its fees and expenses, including counsel fees and expenses, and being indemnified to its satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of the Owners of Certificates by a suit in equity or action at law, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or by mandamus or other appropriate proceeding for the enforcement of any other legal or equitable remedy as shall be deemed most effectual in support of any of its rights or duties hereunder. If one or more Events of Default shall occur and be continuing, the Trustee shall be entitled as a matter of right to the appointment of a receiver or receivers for the Property and for any property securing the Certificates and the revenues, income, produce, and profits thereon. In the case of any receivership, insolvency, bankruptcy, reorganization, or other judicial proceedings affecting the City or the Property, the Trustee shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Trustee and Owners allowed in such proceedings for the entire amount due and payable under this Trust Agreement at the time of the institution of such proceedings, and also for any additional amount which may become due and payable thereafter, without prejudice to the right of any Owner to file a claim on his or her own behalf. The Trustee shall not be obligated to take any such action unless offered compensation, indemnity for its potential liability, and reimbursement for its reasonable legal fees and expenses in accordance with this Section 12.04. Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Certificate Owner any plan of reorganization, arrangement, adjustment, or composition affecting the Certificates or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner in any such proceeding without the approval of the Certificate Owners so affected.

Section 12.05. <u>Non-waiver</u>. Nothing in this Article XII or in any other provision of this Trust Agreement or in the Certificates, shall affect or impair the obligation of the City to pay or prepay the Lease Payments as provided in the Lease Agreement, or affect or impair the right of action, which is absolute and unconditional, of the Certificate Owners to institute suit to enforce and collect such payment. No delay or omission of the Trustee or of any Owner of any of the Certificates to exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every power and remedy given by this Article XII to the Trustee or to the Owners of Certificates may be exercised from time to time and as often as shall be deemed expedient by the Trustee or the Certificate Owners.

Section 12.06. <u>Remedies Not Exclusive</u>. Said direct, undivided fractional share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the Rate of Interest per annum identified above. Interest represented hereby is payable in lawful money of the United States of America by check mailed by the Trustee on each Interest Payment Date by first class mail to the Owner at his address as it appears on the registration books of the Trustee, as of the close of business on the fifteenth (15th) day of the month immediately preceding each Interest Payment Date or, upon written request filed with the Trustee prior to the fifteenth (15th) day of the month immediately preceding the Interest Payment Date by a registered owner of at least \$1,000,000 in aggregate principal amount of Certificates, by wire transfer in immediately available funds to an account in the United States designated by each registered owner in such written request. Principal represented hereby is payable in lawful money of the United States of America by check of the Trustee upon presentation and surrender hereof at the Designated Corporate Trust Office.

This Certificate has been executed and delivered by the Trustee pursuant to the terms of a Trust Agreement by and among the Trustee, the Corporation and the City, dated as of June 1, 2022 (the "Trust Agreement"). The City is authorized to enter into the Lease Agreement and the Trust Agreement under the laws of the State of California. Reference is hereby made to the Lease Agreement and the Trust Agreement (copies of which are on file at the Designated Corporate Trust Office) for a description of the terms on which the Certificates are delivered, the rights thereunder of the registered owners of the Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the City under the Lease Agreement, all of the provisions of which the Owner of this Certificate, by acceptance hereof, assents and agrees.

The City is obligated under the Lease Agreement to pay Lease Payments from any source of legally available moneys and the City has covenanted in the Lease Agreement to make the necessary annual appropriations therefor. The obligation of the City to pay the Lease Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. The obligation of the City to pay Lease Payments does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto with the written consent of the registered owners of at least sixty percent (60%) in aggregate principal amount of the Certificates then outstanding and may be amended without such consent under certain circumstances; provided that no such amendment shall impair the right of any registered owner to receive, in any case, such registered owner's fractional share of any Lease Payment or prepayment thereof in accordance with such registered owner's Certificate, without the consent of such registered owner.

This Certificate is transferable and exchangeable by the Owner, in person or by his attorney duly authorized in writing, at the Designated Corporate Trust Office, but only in the manner, subject to the limitations and upon payment of any charges provided in the Trust Agreement and upon surrender and cancellation of this Certificate. Upon such transfer, a new Certificate or Certificates of an authorized denomination or denominations for the same aggregate principal amount will be delivered to the transferee in exchange for this Certificate.

The Certificates are subject to extraordinary redemption, in whole or in part, on any Interest Payment Date, in an order of maturity determined by the City, from the Net Proceeds of insurance or eminent domain proceedings credited towards the redemption of the Lease Payments pursuant to the Lease Agreement, at a redemption price equal to 100% of the principal amount to be redeemed, together with accrued interest represented thereby to the date fixed for redemption, without premium.

†Maturity.

Notice of redemption is to be given by the Trustee by mailing a redemption notice by first class mail at least twenty (20) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Certificate or Certificates to be redeemed at the address shown on the Certificate registration books maintained by the Trustee. Notice of redemption having been given as aforesaid, the Certificates or portions of Certificates so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) interest with respect to such Certificates or portions of Certificates shall cease to accrue and be payable. Neither the failure to receive such notice nor any defect in any notice shall affect the sufficiency of the proceedings for the redemption of Certificates.

Notwithstanding the foregoing, in the case of any optional redemption of the Certificates, the notice of redemption shall state that the redemption is conditioned upon receipt by the Trustee of sufficient moneys to redeem the Certificates on the scheduled redemption date, and that the optional redemption shall not occur if, by no later than the scheduled redemption date, sufficient moneys to redeem the Certificates have not been deposited with the

Trustee. In the event that the Trustee does not receive sufficient funds by the scheduled optional redemption date to so redeem the Certificates to be optionally redeemed, such event shall not constitute an Event of Default; the Trustee shall send written notice to the Owners, to the Securities Depositories and to one or more of the Information Services to the effect that the redemption did not occur as anticipated, and the Certificates for which notice of optional redemption was given shall remain Outstanding for all purposes of the Trust Agreement.

The Trustee has no obligation or liability to the registered owners of the Certificates to make payments of principal or interest with respect to the Certificates. The Trustee's sole obligations are to administer, for the benefit of the registered owners of the Certificates, the various funds and accounts established under the Trust Agreement. The Trustee makes no representation concerning the recitals contained in the Trust Agreement or in this Certificate.

The City has certified, recited and declared that all conditions, things and acts required by the constitution and statutes of the State of California, the Lease Agreement and the Trust Agreement to exist, to have happened and to have been performed precedent to and in the delivery of this Certificate, do exist, have happened and have been performed in due time, form and manner as required by law.

Unless this Certificate is presented by an authorized representative of The Depository Trust Company, a New York Corporation ("DTC"), to the City or its agent for registration of transfer, exchange, or payment, and any Certificate executed is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

IN WITNESS WHEREOF, this Certificate has been executed by U.S. Bank Trust Company, National Association, as Trustee, acting pursuant to the Trust Agreement.

#### CERTIFICATE PURCHASE AGREEMENT

June 2, 2022

City of Marina 211 Hillcrest Avenue Marina, CA 93933 Attention: City Manager

Ladies and Gentlemen:

The undersigned, Stifel, Nicolaus & Company, Incorporated, as underwriter (the "Underwriter"), hereby offers to enter into this Certificate Purchase Agreement (this Certificate Purchase Agreement, together with the exhibits hereto, being herein called the "Purchase Agreement") with the City of Marina (the "City"), which, upon acceptance, will be binding upon the City and the Underwriter. This offer is made subject to the acceptance by the City, by execution of this Purchase Agreement and its delivery to the Underwriter prior to 11:59 P.M., Pacific Standard time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the City at any time prior to such acceptance.

Capitalized terms used in this Purchase Agreement and not otherwise defined herein shall have the meanings given to such terms as set forth in Trust Agreement, dated as of June 1, 2022 (the "Trust Agreement") by and among Trust Agreement by and among the Public Property Financing Corporation of California (the "Corporation"), the City, and U.S. Bank Trust Company, National Association, as trustee (the "Trustee").

The City hereby acknowledges and agrees that (a) the Underwriter has financial and other interests that differ from those of the City, (b) the primary role of the Underwriter is to purchase securities for sale to investors in an arm's-length commercial transaction between the City and the Underwriter, (c) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent or fiduciary of the City, (d) the Underwriter is not acting as a municipal advisor, financial advisor or fiduciary to the City and has not assumed any advisory or fiduciary responsibility to the City with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading

thereto (irrespective of whether the Underwriter has provided or is currently providing other services to the City on other matters), (e) the only obligations the Underwriter has to the City with respect to the transaction contemplated hereby are expressly set forth in this Certificate Purchase Agreement, and (f) the City has consulted its own financial, municipal, legal, accounting, tax and/or other advisors, as applicable, to the extent it has deemed appropriate in connection with the issuance of the Certificates and the other matters contemplated by this Certificate Purchase Agreement. The City has a municipal advisor in this transaction that has legal fiduciary duties to the City.

The City hereby acknowledges receipt from the Underwriter of disclosures required by the Municipal Securities Rulemaking Board ("MSRB") Rule G-17 (as set forth in MSRB Notice 2012-25 (May 7, 2012), relating to disclosures concerning the Underwriter's role in the transaction, disclosures concerning the Underwriter's compensation, conflict disclosures, if any, and disclosures concerning complex municipal securities financing, if any.

Section 1. **Purchase and Sale**. Upon the terms and conditions and upon the basis of the representations, warranties and agreements herein set forth, the City hereby agrees to sell and deliver to the Underwriter all of the \$\_\_\_\_\_\_ aggregate principal amount of City of Marina Certificates of Participation (2022 Transportation Infrastructure Financing Project) (the "Certificates"), evidencing the direct, undivided fractional interests of the owners thereof in lease payments (the "Lease Payments") to be made by the City pursuant to a Lease Agreement, dated as of June 1, 2022 (the "Lease Agreement"), with the Corporation. The purchase price of the Certificates shall be \$\_\_\_\_\_\_ (representing an aggregate principal amount of the Certificates of \$\_\_\_\_\_\_, plus a net original issue premium of \$\_\_\_\_\_\_, less an Underwriter's discount of \$\_\_\_\_\_\_).

Section 2. **The Certificates**. The Certificates will be dated their date of delivery and will be substantially in the form described in, shall be authorized, executed and delivered under the provisions of, and shall be payable as provided in, the Trust Agreement. The Certificates are being executed and delivered to provide funds to: (a) to finance the cost of transportation infrastructure improvements within the geographic boundaries of the City that are eligible for application of Measure X revenues, and (b) pay costs incurred in connection with executing and delivering the Certificates.

The City will lease certain property and the site thereof (the "Property") to the Corporation pursuant to a Site and Facility Lease, dated as of June 1, 2022 (the "Site Lease"). The Corporation will sublease the Property back to the City pursuant to the Lease Agreement. The Corporation will assign its right to receive Lease Payments from the City under the Lease to the Trustee pursuant to an Assignment Agreement, dated as of June 1, 2022 (the "Assignment Agreement").

The City will also enter into a Continuing Disclosure Certificate, dated the Closing Date (the "Continuing Disclosure Certificate"). The Trust Agreement, the Site Lease, the Lease Agreement, the Assignment Agreement, the Continuing Disclosure Certificate and this Purchase Agreement are hereinafter referred to as the "Legal Documents."

#### Section 3. Public Offering and Establishment of Issue Price.

(a) The Underwriter agrees to assist the City in establishing the issue price of the Certificates and shall execute and deliver to the City at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Special

Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Certificates.

- (b) Except as otherwise set forth in Schedule I to Exhibit B, the City will treat the first price at which 10% of each maturity of the Certificates (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the City the price or prices at which it has sold to the public each maturity of Certificates. If at that time the 10% test has not been satisfied as to any maturity of the Certificates, the Underwriter agrees to promptly report to the City the prices at which it sells the unsold Certificates of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Certificates of that maturity or until all Certificates of that maturity have been sold to the public.
- (c) The Underwriter confirms that it has offered the Certificates to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I to Exhibit B, except as otherwise set forth therein. Schedule I to Exhibit B also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Certificates for which the 10% test has not been satisfied and for which the City and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Certificates, the Underwriter will neither offer nor sell unsold Certificates of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:
  - (i) the close of the fifth (5th) business day after the sale date; or
  - (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the City when it has sold 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Certificates of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Certificates of that maturity or all Certificates of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The City acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Certificates to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Certificates to the public, the agreement

of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Certificates.

- (e) The Underwriter acknowledges that sales of any Certificates to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:
  - (i) "public" means any person other than an underwriter or a related party,
  - (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Certificates to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Certificates to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Certificates to the public),
  - (iii) a purchaser of any of the Certificates is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
  - (iv) "sale date" means the date of execution of this Purchase Agreement by all parties.

#### Section 4. The Official Statement.

(a) By its acceptance of this proposal, the City ratifies, confirms and approves of the use and distribution by the Underwriter prior to the date hereof of the preliminary official statement, dated May 23, 2022, relating to the Certificates (including the cover page, the inside cover page, all appendices and all information incorporated therein, the "Preliminary Official Statement"). The City hereby certifies that such Preliminary Official Statement is deemed final as of its date, for purposes of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 ("Rule 15c2-12") except for certain omissions with respect to the pricing of the Certificates permitted to be omitted therefrom by Rule 15c2-12, and has executed and delivered a certificate in substantially the form attached hereto as Exhibit B.

The City hereby agrees to deliver or cause to be delivered to the Underwriter, within seven business days of the date hereof, copies of the final official statement, dated the date hereof, relating to the Certificates (including all information previously permitted to have been omitted by Rule 15c2-12, the cover page, the inside cover page all appendices, all information incorporated therein and any amendments or supplements as have been approved by the City

and the Underwriter, the "Official Statement") in such quantity as the Underwriter shall reasonably request. The City has approved the use and distribution by the Underwriter of the Official Statement, and the City hereby authorizes the use by the Underwriter of the Legal Documents in connection with the offer and sale of the Certificates.

Section 5. **Closing**. At 8:00 A.M., Pacific Daylight time, on June 16, 2022, or at such other time and date as may be agreed upon by the City and the Underwriter (the "Closing Date"), (i) the City will cause to be delivered to the Underwriter the Certificates in definitive form, bearing CUSIP numbers and fully registered, through the book-entry system of The Depository Trust Company, New York, New York ("DTC"); and (ii) the City will cause to be delivered to the Underwriter the other documents herein mentioned at the offices of Quint & Thimmig LLP in Larkspur, California, or another place to be agreed upon by the City and the Underwriter. The Underwriter will accept such delivery and pay the purchase price of the Certificates as set forth in Section 1 hereof in immediately available funds to the order of the Trustee on behalf of the City. This payment and delivery, together with the delivery of the aforementioned documents, is herein called the "Closing." Notwithstanding the foregoing, neither the failure to print CUSIP numbers on any Certificate nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Certificates on the Closing Date in accordance with the terms of this Purchase Agreement.

Section 6. **Representation, Warranties and Covenants of the City**. The City represents, warrants and covenants to the Underwriter that:

- (a) The City is a municipal corporation and general law city duly organized and validly existing under the Constitution and laws of the State of California (the "State"). The City has all necessary power and authority and has taken all official action necessary to enter into and perform its duties under the Site Lease, the Lease Agreement, the Trust Agreement and this Purchase Agreement (collectively, the "City Documents"). The City Documents and the Official Statement have been duly executed and delivered by the City and, assuming the due authorization, execution and delivery by the other respective parties thereto, the City Documents to the best knowledge of the City will constitute legally valid and binding obligations of the City enforceable against the City in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other similar laws or equitable principles relating to or limiting creditors' rights generally.
- (b) To the best of its knowledge, except as may be required under Blue Sky or other securities laws of any state (as to which no representation is made), there is no consent, approval, authorization or other order of, or filing with, or certification by, any regulatory authority having jurisdiction over the City required for the execution, delivery and sale of the Certificates or the consummation by the City of the transactions contemplated by the City Documents and by the Official Statement, which has not been duly obtained or made on or prior to the date hereof.
- (c) There is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court or governmental or public entity pending, or to the best knowledge of the City, threatened against the City which affects or seeks to prohibit, restrain or enjoin the execution or delivery of the Certificates, or contesting the powers of the City to enter into or perform its obligations under any of the City Documents or the existence or powers of the City.
- (d) the distribution of the Preliminary Official Statement and the Official Statement have been duly authorized by the City and as of the date hereof and at all times subsequent thereto up to and including the time of the Closing, the statements and information contained in the

Official Statement (excluding statements under the captions "THE CORPORATION," "UNDERWRITING," information relating to DTC and the book-entry only system and information as to bond prices on the cover of the Official Statement, as to which no opinion or view is expressed) are and will be true, correct and complete in all material respects and the Official Statement does not and will not omit to state a material fact required to be stated therein or necessary to make such statements and information therein, in the light of the circumstances under which they were made, not misleading in any material respect;

(e) The City agrees that, if at any time before the Closing Date any event of which it has knowledge occurs, as a result of which the Official Statement as then in effect would include any untrue or misleading statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading, the City shall promptly prepare or cooperate in the preparation of an amendment or supplement to the Official Statement if in the opinion of the City and the Underwriter or their respective counsel, such event requires the preparation and publication of a supplement or amendment to the Official Statement. The City shall advise the Underwriter promptly of any proposal to so amend or supplement the Official Statement and shall effect such amendment or supplement in a form and manner approved by the Underwriter. The City shall promptly advise the Underwriter of the institution of any action, suit, proceeding, inquiry or investigation seeking to prohibit, restrain or otherwise affect the use of the Official Statement in connection with the offering, sale or distribution of the Certificates.

If any information relating to the City contained in the Official Statement is amended or supplemented pursuant to the immediately preceding subparagraph, at the time of each supplement or amendment thereto and (unless subsequently supplemented or amended pursuant to such subparagraph) at all times subsequent thereto up to and including the date of the Closing, the portions of the Official Statement so supplemented or amended (including any financial and statistical data contained therein) will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make such information therein concerning the City or the City's affairs, in the light of the circumstances under which it was presented, not misleading.

- (f) The City shall furnish or cause to be furnished to the Underwriter, in such quantities as shall be reasonably required by the Underwriter, copies of the Official Statement and all amendments and supplements thereto, in each case as soon as available.
- (g) The proceeds from the sale to the Underwriter of the Certificates will be applied in the manner and for the purposes specified in the Trust Agreement.
- (h) The resolution of the City approving the execution and delivery of the City Documents and the Official Statement has been duly adopted by the City, has not been amended, modified or repealed and is in full force and effect on the date hereof.
- (i) To the best of its knowledge, neither the execution and delivery by the City of the City Documents nor the City's adoption of the resolution, nor the City's compliance with such documents or such resolution, nor the consummation of the transactions contemplated by such documents, such resolution or the Official Statement, conflicts with or constitutes a breach of or default under, or will conflict with or constitute a breach of or default under, any term or provision of any applicable law or any administrative rule or regulation of the State or the United States or any applicable judgment, decree, order, license, permit, agreement or instrument to which the City is subject or is otherwise bound has or will have a material adverse effect on the ability of the City to perform its obligations under the City Documents,

and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or an event of default under any such instruments.

- (j) The City agrees to cooperate with the Underwriter in endeavoring to qualify the Certificates for offer and sale under the securities or Blue Sky laws of as many jurisdictions of the states of the United States as the Underwriter may request; provided, however, that the City will not be required to expend any of its own funds in connection with such qualifications and will not be required to consent to service of process in any such jurisdiction in which it is not now subject to service of process or to qualify as a broker or a foreign corporation in connection with any such qualification in any jurisdiction.
- (k) The City covenants that it will not take any action which would cause interest payable with respect to the Certificates to be subject to federal income taxation or State personal income taxation.
- (l) Other than as described in the Preliminary Official Statement and the Official Statement, the City has not failed to comply with any previous continuing disclosure undertaking within the prior 5 years.
- Section 7. **Conditions to the Obligations of the Underwriter**. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and warranties of the City contained herein. The obligations of the Underwriter to accept delivery of and pay for the Certificates on the Closing Date shall be subject, at the option of the Underwriter, to the performance by the City of its obligations, to be performed hereunder and to the performance by the City and the Corporation of their obligations, to be performed under the Legal Documents, at or prior to the Closing Date and the following additional conditions:
- (a) The representations, warranties and covenants of the City contained herein shall be true and correct at the date hereof and at the time of the Closing, as if made on the Closing Date;
- (b) At the time of Closing, the Legal Documents shall be in full force and effect as valid and binding agreements between or among the various parties thereto and the Legal Documents and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter, and all such reasonable actions as, in the opinion of Special Counsel or counsel to the Underwriter, shall reasonably deem necessary in connection with the transactions contemplated hereby;
- (c) Between the date hereof and the Closing Date, the market price or marketability, at the initial public offering prices set forth on the inside cover page of the Official Statement, of the Certificates shall not have been materially adversely affected, in the reasonable judgment of the Underwriter, by reason of any of the following:
  - (i) the marketability of the Certificates or the market price thereof, in the opinion of the Underwriter, has been materially adversely affected by an amendment to the Constitution of the United States or by any legislation in or by the Congress of the United States or by the State, or the amendment of legislation pending as of the date of the Purchase Agreement in the Congress of the United States, or the recommendation to Congress or endorsement for passage (by press release, other form of notice or otherwise) of legislation by the President of the United States, the Treasury Department of the United States, the Internal Revenue Service or the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, or the proposal for consideration of legislation by either such Committee or by any member thereof, or the

presentment of legislation for consideration as an option by either such Committee, or by the staff of the Joint Committee on Taxation of the Congress of the United States, or the favorable reporting for passage of legislation to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or any decision of any federal or state court or any ruling or regulation (final, temporary or proposed) or official statement on behalf of the United States Treasury Department, the Internal Revenue Service or other federal or state authority affecting the federal or state tax status of the Corporation or the City, or the interest with respect to bonds or notes (including the Certificates);

- (ii) the declaration of war or engagement in major military hostilities by the United States or the occurrence or escalation of any other national emergency or calamity relating to the normal operation of the government of or the financial community in the United States;
- (iii) the declaration of a general banking moratorium by federal, New York or California authorities, or the general suspension of trading on any national securities exchange;
- (iv) the imposition by the New York Stock Exchange or other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Certificates or obligations of the general character of the Certificates or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, underwriters;
- (v) an order, decree or injunction issued by any court of competent jurisdiction, or order, ruling, regulation (final, temporary or proposed), official statement or other form of notice or communication issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that (i) obligations of the general character of the Certificates, or the Certificates, including any or all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or that the Trust Agreement is not exempt from qualification under the Trust Indenture Act of 1939, as amended, or (ii) the execution and delivery, offering or sale of obligations of the general character of the Certificates, or the execution and delivery, offering or sale of the Certificates, including any or all underlying obligations, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws as amended and then in effect:
- (vi) any event shall occur which makes untrue any material statement or results in an omission to state a material fact that is necessary to make the statements in the Official Statement, in the light of the circumstances under which they were made, not misleading, which event, in the reasonable opinion of the Underwriter would materially or adversely affect the ability of the Underwriter to market the Certificates

- (G) there is no action, suit, proceeding, inquiry or investigation, at law or in equity before or by any court or governmental agency or body, pending or, to the best knowledge of the City, threatened against the City, except as disclosed in the Official Statement, to restrain or enjoin the execution or delivery of the Certificates, or in any way contesting or affecting the validity or enforceability of the Certificates or the City Documents or contesting the powers of the City to enter into or perform its obligations under any of the foregoing; and

### ISSUE PRICE CERTIFICATE

The undersigned, on behalf of Stifel, Nicolaus & Company, Incorporated ("Stifel"), based on the information available to it, hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the "Certificates").

### I. General

1. Stifel and the City of Marina (the "Issuer") have executed a certificate purchase agreement in connection with the Certificates on the Sale Date. Stifel has not modified the certificate purchase agreement since its execution on the Sale Date.

### II. Price

- 1. Stifel offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule I (the "Initial Offering Prices") on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Certificates is attached to this certificate as Schedule II.
- 2. As set forth in the certificate purchase agreement, Stifel has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Certificates of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement would contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement, to comply with the hold-the-offering-price rule.
- 3. No Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity during the Holding Period.

### III. Defined Terms

- 1. General Rule Maturities means those Maturities of the Certificates not listed in Schedule I hereto as the "Hold-the-Offering-Price Maturities."
- 2. *Hold-the-Offering-Price Maturities* means those Maturities of the Certificates listed in Schedule I hereto as the "Hold-the-Offering-Price Maturities."
- 3. Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of such Hold-the-Offering-Price

Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

- 4. *Maturity* means Certificates with the same credit and payment terms. Certificates with different maturity dates, or Certificates with the same maturity date but different stated interest rates, are treated as separate maturities.
- 5. *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
- 6. A person is a "Related Party" to an Underwriter if the Underwriter and the person are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).
- 7. Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the Certificates. The Sale Date of the Certificates is June 2, 2022.

Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with Stifel to form an underwriting syndicate) to participate in the initial sale of the Certificates to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Certificates to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Certificates to the Public).

All terms not defined herein shall have the same meanings as in the Tax Exemption Certificate and Agreement with respect to the Certificates, to which this Certificate is attached. The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents Stifel' interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in its documents and with respect to compliance with the federal income tax rules affecting the Certificates, and by Quint & Thimmig LLP in connection with rendering its opinion that the interest on the Certificates is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038-G, and other federal income tax advice it may give to the Issuer from time to time relating to the Certificates.

Notice of redemption having been given as aforesaid and the deposit of the redemption price having been made by the City, the Certificates or portions of Certificates so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date interest with respect to such Certificates or portions of Certificates shall cease to be payable. Upon surrender of such Certificates for redemption in accordance with said notice, such Certificates shall be paid by the Trustee at the redemption price. Upon the payment of the redemption price of Certificates being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Certificates being redeemed with the proceeds of such check or other transfer, to the extent possible. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Certificates which have been redeemed shall be canceled by the Trustee, shall not be redelivered and shall be destroyed pursuant to the Trust Agreement.

In addition to the foregoing notice to the Owners, notice shall also be given by the Trustee, by telecopy or other electronic transmission, registered, certified or overnight mail, to all Securities Depositories and to an Information Service which shall state the information set forth above, but no defect in said notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption.

The Trustee shall have no responsibility for a defect in the CUSIP number that appears on any Certificate or in the redemption notice. The redemption notice may provide that the CUSIP numbers have been assigned by an independent service and are included in the notice solely for the convenience of Certificate Owners and that the Trustee and the City shall not be liable in any way for inaccuracies in said numbers.

Partial Redemption of Certificate. Upon surrender of any Certificate redeemed in part only, the Trustee shall execute and deliver to the Owner thereof, at the expense of the City, a new Certificate or Certificates of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Certificate surrendered and of the same interest rate and the same maturity.

Purchase of Certificates. In lieu of redemption of Certificates, amounts held by the Trustee for such redemption may also be used on any Interest Payment Date, upon receipt by the Trustee at least ninety (90) days prior to the next scheduled Interest Payment Date of the written request of a City Representative, for the purchase of Certificates at public or private sale as and when and at such prices (including brokerage, accrued interest and other charges) as the City may in its discretion direct. Such purchases may be effected through the investment department of the Trustee or of an affiliate of the Trustee. The aggregate principal amount of Certificates of the same maturity purchased in lieu of redemption shall not exceed the aggregate principal amount of Certificates of such maturity which would otherwise be subject to such redemption. Remaining moneys, if any, shall be deposited in the Lease Payment Fund. All Certificates purchased in lieu of redemption shall be canceled by the Trustee.

### **Transfer and Exchange of Certificates**

The registration of any Certificate may, in accordance with its terms, be transferred upon the Registration Books by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Certificate for cancellation at the Designated Corporate Trust Office of the Trustee, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Certificate or Certificates shall be surrendered for registration of transfer, the Trustee shall execute and deliver a new Certificate or Certificates of the same maturity and aggregate principal amount, in any authorized denominations.

Certificates may be exchanged at the Corporate Trust Office of the Trustee, for a like aggregate principal amount of Certificates of other authorized denominations of the same maturity. The City shall pay any costs of the Trustee incurred in connection with such exchange, except that the Trustee may require the payment by the Certificate Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

### **Book-Entry System**

The Certificates will be initially executed, delivered and registered as one fully registered certificate for each maturity, without coupons, in the name of Cede & Co., as nominee of DTC. DTC will act as securities depository of the Certificates. Individual purchases may be made in book-entry form only, in the principal amount of \$5,000 and integral multiples thereof. Purchasers will not receive physical certificates representing their interest in the Certificates purchased. Principal and interest will be paid to DTC which will in turn remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Certificates as described herein. So long as DTC's book-entry system is in effect with respect to the Certificates, notices to Owners of the Certificates by the City or the Trustee will be sent to DTC. Notices and communication by DTC to its participants, and then to the beneficial owners of the Certificates, will be governed by arrangements among them, subject to then effective statutory or regulatory requirements. See APPENDIX F—DTC'S BOOK-ENTRY ONLY SYSTEM.

In the event that such book-entry system is discontinued with respect to the Certificates, the City will cause the Trustee to execute and deliver replacements in the form of registered certificates and, thereafter, the Certificates will be transferable and exchangeable on the terms and conditions provided in the Trust Agreement.

### SOURCE OF PAYMENT FOR THE CERTIFICATES

### General

Each Certificate represents a direct, undivided fractional interest in the Lease Payments. Pursuant to the Lease Agreement, the City will lease the Property from the Corporation and agree to make Lease Payments. See "THE PROPERTY." Upon satisfaction of certain conditions set forth in the Lease Agreement, the City may substitute the Property with other properties. See "Substitution or Removal of Property" and "Abatement" below.

As security for the Certificates, the Corporation will assign to the Trustee for the payment of principal and interest with respect to the Certificates, the Corporation's rights, title and interest in the Lease Agreement (with certain exceptions), including the right to receive Lease Payments to be made by the City under the Lease Agreement. The Lease Payments are designed to be sufficient, in both time and amount, to pay when due, the principal and interest with respect to the Certificates. The Lease Payments are payable by the City from any source of legally available funds.

THE OBLIGATION OF THE CITY TO MAKE LEASE PAYMENTS UNDER THE LEASE AGREEMENT DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NEITHER THE CERTIFICATES NOR THE OBLIGATION OF THE CITY TO MAKE LEASE PAYMENTS UNDER THE LEASE AGREEMENT CONSTITUTES AN INDEBTEDNESS OF THE CITY OR THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATIONS.

### Lease Payments; Covenant to Appropriate

Pursuant to the Lease Agreement, the City has agreed to make Lease Payments for the lease of the Property. Lease Payments will be made by the City to the Trustee on April 15 and October 15 in each year, in advance of the corresponding May 1 and November 1 Interest Payment Dates. The City will also pay as additional payments ("Additional Payments"), amounts required for the payment of all costs and expenses incurred by the Corporation to comply with the provisions of the Trust Agreement or in connection with the execution and delivery of the Certificates. The City has covenanted under the Lease Agreement to take such action as may be necessary to include all Lease Payments in its annual budget and to make the necessary annual appropriations for all such payments. Under certain circumstances described under the Lease Agreement, however, Lease Payments are subject to abatement during periods of substantial interference with the City's use and occupancy of the Property or any portion thereof. See "SOURCE OF PAYMENT FOR THE CERTIFICATES—Abatement."

### Measure X Sales Tax Receipts

While all legally available funds of the City, primarily moneys in its general fund, are available to make Lease Payments, assuming the compliance of the Project with the Measure X Ordinance and the Measure X Guidelines (as such terms are defined herein), the City intends to use its Measure X Sales Tax receipts and the fund balance in its Transportation Safety and Investment Fund to make the Lease Payments when due.

Measure X is a three-eighths of one-percent (3/8%) transactions and use tax (the "Measure X Sales Tax") imposed on transactions in the County pursuant to Part 1.6 of Division 2 of the California Revenue and Taxation Code and the Measure X Ordinance. The "Measure X Ordinance" is Ordinance No. 2016-01 of the Board of Directors of the Transportation Agency for Monterey County ("TAMC"), originally adopted on June 24, 2015, approved by 67.7% of the voters in the County voting on such proposition in the November 8, 2016, election, as amended. The Measure X Sales Tax was approved for a 30-year duration. Collection of the Measure X Sales Tax commenced on April 1, 2017, and will terminate on April 1, 2047, if not renewed beforehand by the voters of the County. The Certificates mature on May 1, 20

The Measure X Sales Tax is generally imposed upon the same transactions and items that are subject to the sales or use tax levied Statewide (the "State Sales Tax"), with generally the same exceptions. Action by the State Legislature or by voter initiative could change the transactions and items upon which the State Sales Tax and the Measure X Sales Tax are imposed. Such changes or amendments could have either an adverse or beneficial effect on Measure X Revenues.

Measure X Sales Tax collections are divided and distributed between three categories: 60% of collections are pledged to Local Road Maintenance, Pothole Repairs & Safety, 27% of collections are pledged to Regional Road Safety & Congestion Improvements, and 13% are pledged to Pedestrian & Bike Safety and Mobility Projects, in accordance with the Measure X Ordinance.

All cities within the County and the County itself are eligible to receive a portion of the 60% portion of the Measure X Sales Tax collections dedicated to Local Road Maintenance, Pothole Repairs & Safety (the "Local Pool") granted that each local jurisdiction enters into a tax sharing agreement with TAMC that mandates that certain requirements are met (the "Local Pool Requirements").

The Local Pool Requirements in the tax sharing agreements must include, among other things, (1) the submission of an annual compliance report to TAMC, (2) a maintenance of effort ("MOE") requirement that requires each local jurisdiction to annually expend an amount for streets and highways purposes not less than the annual average of its expenditures for streets and highways purposes from its general fund during the fiscal years 2010, 2011 and 2012 but not less than what was expended in fiscal year 2017 when the Measure X Sales Tax was passed (the baseline amount, as indexed to the Engineering News Record construction index), (3) that each local jurisdiction account for Measure X Sales Tax collections in a separate "Transportation Safety & Investment Plan Account" not to be comingled with other funds, and (4) the development of or participation in a pavement management program to ensure timely repairs of streets and to keep the public informed.

TAMC divides the Local Pool among the eligible cities within the County and the County itself (for the benefit of the unincorporated areas in the County) according to a formula by proportion to 50% population/50% lane miles within each local jurisdiction. Eligible local jurisdiction shares are distributed to each city and the County by the County Auditor-Controller on a quarterly basis. TAMC annually updates the Local Pool distribution formula at the beginning of each fiscal year using up-to-date Department of Finance population figures and Association of Monterey Bay Area Governments (or equivalent) lane mile data. If the number of incorporated cities changes, the Local Pool distribution formula will account for changes in population and lane miles for the new and existing jurisdictions.

Distributions of the Measure X Sales Tax receipts from the Local Pool are restricted to funding transportation purposes, including critical safety, mobility, and maintenance projects and programs and are subject to full repayment for any misuse in accordance with the Measure X Ordinance. Failure to meet Local

Pool Requirements or to comply with the Measure X Ordinance will result in the suspension of the distribution of funds from the Local Pool to the deficient local jurisdiction to be held in trust for up to two years for said jurisdiction pending remediation, after which the funds will be distributed to the remaining local jurisdictions. For additional discussion, see "Risk Factors Related to the City's Measure X Sales Tax Receipts."

The Measure X Ordinance, together with policies and project descriptions approved by TAMC on in 2016 relating to the administration and use of the Measure X Sales Tax (the "Measure X Guidelines") allow for local agencies, such as the City to expend Measure X Sales Tax receipts for improvements authorized by the Measure X Ordinance.

The City has annually submitted a compliance report to TAMC affirming its satisfaction of the Local Pool Requirements and its compliance with the Measure X Ordinance and Measure X Guidelines. The City's compliance reports are available on the TAMC website at: https://www.tamcmonterey.org/city-and-county-annual-reports-on-measure-x-spending. Such website is not incorporated herein by this reference.

The City first received a share of the Local Pool of Measure X Sales Tax Receipts from TAMC during its 2017-18 fiscal year. The City accounts for its Measure X Sales Tax distributions in its Transportation Safety and Investment Fund. The City transfers amounts from its Transportation Safety and Investment Fund to its Measure X – Capital Projects Fund for reimbursement as expenditures are made for eligible Measure X capital improvement projects.

The following table sets forth a history the audited amount of Measure X Sales Tax Receipts the City has received from TAMC, the amounts transferred from the City's Transportation Safety and Investment Fund to the City's Measure X - Capital Projects Fund, the net change in the City's Transportation Safety and Investment Fund balance, and the end of year fund balances for the Transportation Safety and Investment Fund. No assurance can be provided that future Measure X Sales Tax Receipts.

The City is permitted to use its Measure X Sales Tax receipts and the fund balances in its Transportation Safety and Investment Fund to make the Lease Payments.

Based upon estimated Measure X Sales Tax Receipts in fiscal year 2022-23 of \$980,000 and estimated Lease Payments of \$\_\_\_\_\_\_, Measure X Sales Tax Receipts will provide a debt service coverage ratio of %.

#### Risk Factors Related to the City's Measure X Sales Tax Receipts

Non-Compliance with Guidelines. In connection with the Measure X Ordinance, TAMC has adopted the Measure X Guidelines. The Measure X Guidelines include provisions that must be complied with by the City to ensure continued eligibility to receive Measure X Sales Tax distributions. Failure to follow these provisions could result in the suspension of distributions of Measure X Sales Tax, the return of such tax to TAMC or the requirement of the City to replenish its "Measure X Local Return" account with available funds other than Measure X Sales Tax. TAMC performs annual audits to monitor compliance with the provisions of the Measure X Guidelines.

Under the Measure X Guidelines, the City is permitted to expend Measure X Sales Tax monies only on those transportation purposes identified in the Measure X Guidelines. If the City is found to have expended funds on transportation purposes that do not meet the requirements of the Measure X Guidelines the City will be required to remit the amount of the unapproved expenditures to TAMC. If TAMC determines that Measure X Sales Tax was expended on projects that do not meet the Guidelines' definition of transportation purposes, then the City will be required to reimburse its Measure X Sales Tax account in an amount equal to the non-qualifying expenditures plus interest, and could also face a suspension of disbursements of Measure X Sales Tax for a period of three years. If such a suspension were imposed, the

City would not receive any Measure X Sales Tax during the term of the suspension, which may have an adverse impact on the City's ability to pay the Lease Payments on a timely basis.

In addition, the failure of the City to properly verify that all Measure X Sales Tax related revenue, including Measure X Sales Tax allocations to the City, project-generated revenues, and interest income, was properly credited to its Transportation Safety and Investment Fund could result in the suspension of Measure X Sales Tax disbursements until the City has demonstrated to TAMC that all such Measure X Sales Tax allocable to the City has been credited to the City's Transportation Safety and Investment Fund. If the City fails to properly credit its Measure X Sales Tax related revenue to its Transportation Safety and Investment Fund, TAMC could suspend the distribution of Measure X Sales Tax until the City has demonstrated compliance with the Measure X Ordinance and the Measure X Guidelines. of and interest on the 2019A Bonds on a timely basis.

The Measure X Guidelines also require the local agencies, including the City, to maintain their individual local commitment of funds for transportation projects and services that was expended prior to the receipt of the Measure X Sales Tax (the "MOE"). If the local agency fails to maintain the MOE, then such local agency will be required to reimburse its account with available funds other than Measure X Sales Tax monies.

The Measure X Guidelines additionally require that the City annually submit an expenditure plan and an expenditure report to TAMC to remain legally eligible to receive Measure X Sales Tax. If the City fails to submit these items to TAMC, the City may be determined to be legally ineligible to receive Measure X Sales Tax receipts to which it would otherwise be entitled.

The City has annually submitted compliance reports to TAMC affirming its satisfaction of the Local Pool Requirements and its compliance with the terms of the Measure X Ordinance and the Measure X Guidelines. For additional discussion, see "Measure X Sales Tax Receipts."

Economic, Political, Social and Environmental Conditions. The collection of Measure X Sales Tax depends on the level of taxable sales transactions within the County, which, in turn, depends on the level of general economic activity in the County and the State generally. Changes in economic, political, social or environmental conditions on a local, State, federal or international level may adversely affect investment risk generally. Such conditional changes may include (but are not limited to) the reduction or elimination of previously available State or federal revenues, fluctuations in business production, consumer prices or financial markets, unemployment rates, technological advancements, shortages or surpluses in natural resources or energy supplies, changes in law, social unrest, fluctuations in the crime rate, political conflict, acts of war or terrorism environmental damage and natural disasters.

During fiscal year 2019-20 and fiscal year 2020-21, Measure X Sales Tax Receipts were affected by the COVID-19 Pandemic. Reductions in County-wide Measure X Sales Tax collections lead to a reduction of the amounts of Measure X Sales Tax Receipts in the Local Pool for distribution to the City and the other eligible local jurisdiction. While the City expects that Measure X Sales Tax collections will increase as the COVID-19 Pandemic wanes, the City is unable to predict with certainty whether its Measure X Sales Tax receipts will increase or decrease in the future.

#### Insurance

The City is required to keep or cause to be kept casualty insurance against loss or damage by fire and lightning, with extended coverage and vandalism and malicious mischief insurance, in an amount at least equal to the lesser of (i) 100% of the replacement cost (without deducting for depreciation) of the Property and (ii) the aggregate principal amount of Certificates at the time outstanding. Such insurance shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance.

To insure against loss of rental income caused by perils mentioned above, the City is required to maintain, or cause to be maintained throughout the term of the Lease Agreement, rental interruption or use and occupancy insurance to cover loss, total or partial, of the use of any part of the Property as a result of any of the hazards described above in an amount at least equal to the maximum Lease Payments coming due and payable during any two consecutive fiscal years during the remaining term of the Lease Agreement.

Public liability and property damage insurance coverage is required in the minimum liability limits of \$1,000,000 for personal injury or death of each person and \$3,000,000 for personal injury or deaths of two or more persons in each accident or event, and in a minimum amount of \$150,000 (subject to a deductible clause of not to exceed \$250,000, or such higher amount as the City shall determine, provided that such higher deductible shall be considered a self-insured retention) for damage to property resulting from each accident or event. Such public liability and property damage insurance may, however, be in the form of a single limit policy in the amount of \$3,000,000 covering all such risks. Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried by the City and may be maintained in the form of insurance maintained through a joint exercise of powers authority created for such purpose or in the form of self-insurance by the City. The net proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the insurance proceeds shall have been paid.

The City shall provide, from moneys in the Costs of Issuance Fund or at its own expense, on the Closing Date, a CLTA title insurance policy in the amount of not less than the principal amount of the Certificates, insuring the City's leasehold estate in the Property, subject only to Permitted Encumbrances.

See APPENDIX E—SUMMARY OF THE PRINCIPAL LEGAL DOCUMENTS—LEASE AGREEMENT—Insurance.

#### Abatement

Pursuant to the Lease Agreement, Lease Payments shall be abated during any period in which, by reason of damage or destruction, there is substantial interference with the use and occupancy by the City of the Property or any portion thereof (other than any modified portions of the Property as described in the Lease Agreement) to the extent to be agreed upon by the City and the Corporation and communicated by a City Representative to the Trustee. The parties agree that the amounts of the Lease Payments under such circumstances shall not be less than the amounts of the unpaid Lease Payments, unless such unpaid amounts are determined to be greater than the fair rental value of the portions of the Property not damaged or destroyed), based upon any appropriate method of valuation, in which event the Lease Payments shall be abated such that they represent said fair rental value. Such abatement shall continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction as communicated by a City Representative to the Trustee. In the event of any such

damage or destruction, this Lease Agreement shall continue in full force and effect and the City waives any right to terminate this Lease Agreement by virtue of any such damage and destruction. Notwithstanding the foregoing, there shall be no abatement of Lease Payments to the extent that (a) the proceeds of rental interruption insurance or (b) amounts in the Insurance and Condemnation Fund and/or the Lease Payment Fund are available to pay Lease Payments which would otherwise be abated, it being hereby declared that such proceeds and amounts constitute special funds for the payment of the Lease Payments. If an abatement event has occurred but remedied, the City shall be required to extend the Term of this Lease Agreement, as described in the Lease Agreement, so that amounts abated are recouped. See "SOURCE OF PAYMENT FOR THE CERTIFICATES—Insurance," APPENDIX E—SUMMARY OF THE PRINCIPAL LEGAL DOCUMENTS—Lease Agreement—Insurance and APPENDIX E—SUMMARY OF THE PRINCIPAL LEGAL DOCUMENTS—Lease Agreement—Abatement of Rental Payments in the Event of Damage or Destruction.

#### **Eminent Domain**

Pursuant to the Lease Agreement, if all of the Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the term of the Lease Agreement shall cease as of the day possession shall be so taken. If less than all of the Property is taken permanently, or if the Property or any part thereof shall be taken temporarily, under the power of eminent domain, (1) the Lease Agreement shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties waive the benefit of any law to the contrary, and (2) there shall be a partial abatement of Lease Payments as a result of the application of the Net Proceeds of any eminent domain award to the prepayment of the Lease Payments, in an amount to be agreed upon by the City and the Corporation such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portion of the Property.

### No Reserve Fund

A reserve fund will *not* be funded for the Certificates.

#### **Optional Prepayment**

Pursuant to the Lease Agreement, the City has an option to prepay the principal components of the Lease Payments in full, by paying the aggregate unpaid principal components of the Lease Payments, in whole or in part, in a prepayment amount equal to the principal amount of Lease Payments to be prepaid, together with accrued interest to the date fixed for prepayment, with a premium as described above for the redemption of Certificates. See "THE CERTIFICATES—Prepayment—Optional Prepayment."

Said option may be exercised by the City on any date on or after September 15, 2031. In the event of prepayment in part, the partial prepayment will be applied against Lease Payments in such order of payment date as will be selected by the City. Lease Payments due after any such partial prepayment will be in the amounts set forth in a revised Lease Payment schedule which will be provided by, or caused to be provided by, the City to the Trustee and which will represent an adjustment to the schedule set forth in the Lease Agreement taking into account said partial prepayment.

# Prepayment from Net Proceeds of Insurance and Condemnation

The City shall be obligated to prepay the Lease Payments for the Property, in whole or in part on any date, from and to the extent of any Net Proceeds of insurance award or condemnation award with respect to the Property that have been deposited with the Trustee in the Lease Payment Fund for such purpose. Such proceeds shall be applied to the prepayment of the principal component of the Lease Payments and the prepayment of the Certificates. See "THE CERTIFICATES—Prepayment—Prepayment from Net Proceeds of Insurance and Condemnation."

# **Substitution of Property**

Substitution of Site or Facility. The City shall have, and is hereby granted, the option at any time and from time to time during the Term of the Lease Agreement to substitute other land (a "Substitute Site") and/or a substitute facility (a "Substitute Facility") for the Site (the "Former Site"), or a portion thereof, and/or the Facility (the "Former Facility"), or a portion thereof, provided that the City shall satisfy all of the following requirements (to the extent applicable) which are hereby declared to be conditions precedent to such substitution:

- (i) If a substitution of the Site, the City shall file with the Corporation and the Trustee an amended Exhibit A to the Site and Facility Lease which adds thereto a description of such Substitute Site and deletes therefrom the description of the Former Site;
- (ii) If a substitution of the Site, the City shall file with the Corporation and the Trustee an amended Exhibit A to the Lease Agreement which adds thereto a description of such Substitute Site and deletes therefrom the description of the Former Site;
- (iii) If a substitution of the Facility, the City shall file with the Corporation and the Trustee an amended Exhibit B to the Site and Facility Lease which adds thereto a description of such Substitute Facility and deletes therefrom the description of the Former Facility;
- (iv) If a substitution of the Facility, the City shall file with the Corporation and the Trustee an amended Exhibit B to the Lease Agreement which adds thereto a description of such Substitute Facility and deletes therefrom the description of the Former Facility;
- (v) The City shall certify in writing to the Corporation and the Trustee that such Substitute Site and/or Substitute Facility serve the purposes of the City, constitutes property that is unencumbered, subject to Permitted Encumbrances, and constitutes property which the City is permitted to lease under the laws of the State;
- (vi) The City delivers to the Corporation and the Trustee an Officer's Certificate of the City based on insurance values or any other reasonable basis of valuation received by the City (which need not require an appraisal) that the value of the Property following such substitution is equal to or greater than the Outstanding principal amount of the Certificates and confirms in writing to the Trustee that the indemnification provided pursuant to the Trust Agreement applies with respect to the Substitute Site and/or Substitute Facility;

- (vii) The Substitute Site and/or Substitute Facility shall not cause the City to violate any of its covenants, representations and warranties made herein and in the Trust Agreement, as evidenced by an officer's certificate delivered to the Trustee;
- (viii) The City shall obtain an amendment to the title insurance policy required pursuant to the Lease Agreement which adds thereto a description of the Substitute Site and deletes therefrom the description of the Former Site;
- (ix) The City shall provide notice of the substitution to any rating agency then rating the Certificates which rating was provided at the request of the City or the Corporation; and
- (x) The City shall furnish the Corporation and the Trustee with a written opinion of Special Counsel, which shall be an Independent Counsel, stating that such substitution does not cause the interest components of the Lease Payments to become subject to federal income taxes or State personal income taxes.

Release of Site. The City shall have, and is hereby granted, the option at any time and from time to time during the Term of the Lease Agreement to release any portion of the Site, provided that the City shall satisfy all of the following requirements which are hereby declared to be conditions precedent to such release:

- (i) The City shall file with the Corporation and the Trustee an amended Exhibit A to the Site and Facility Lease which describes the Site, as revised by such release;
- (ii) The City shall file with the Corporation and the Trustee an amended Exhibit A to the Lease Agreement which describes the Site, as revised by such release;
- (iii) The City delivers to the Corporation and the Trustee an Officer's Certificate of the City based on insurance values or any other reasonable basis of valuation received by the City (which need not require an appraisal) that the value of the Property, as revised by such release, is equal to or greater than the Outstanding principal amount of the Certificates and confirms in writing to the Trustee and the Corporation that the indemnification provided pursuant to the Trust Agreement applies with respect to the Site, as revised by such release;
- (iv) Such release shall not cause the City to violate any of its covenants, representations and warranties made herein and in the Trust Agreement, as evidenced by an officer's certificate delivered to the Trustee;
- (v) The City shall obtain an amendment to the title insurance policy required pursuant to the Lease Agreement which describes the Site, as revised by such release; and
- (vi) The City shall provide notice of the release to any rating agency then rating the Certificates which rating was provided at the request of the City or the Corporation.

Release of Facility. The City shall have, and is hereby granted, the option at any time and from time to time during the Term of the Lease Agreement to release any portion of the Facility, provided that the City shall satisfy all of the following requirements which are hereby declared to be conditions precedent to such release:

- (i) The City shall file with the Corporation and the Trustee an amended Exhibit B to the Site and Facility Lease which describes the Facility, as revised by such release;
- (ii) The City shall file with the Corporation and the Trustee an amended Exhibit B to the Lease Agreement which describes the Facility, as revised by such release;
- (iii) The City delivers to the Corporation and the Trustee an Officer's Certificate of the City based on insurance values or any other reasonable basis of valuation received by the City (which need not require an appraisal) that the value of the Property, as revised by such release, is equal to or greater than the Outstanding principal amount of the Certificates and confirms in writing to the Trustee and the Corporation that the indemnification provided pursuant to the Trust Agreement applies with respect to the Facility, as revised by such release;
- (iv) Such release shall not cause the City to violate any of its covenants, representations and warranties made herein and in the Trust Agreement, as evidenced by an officer's certificate delivered to the Trustee; and
- (v) The City shall provide notice of the release to any rating agency then rating the Certificates which rating was provided at the request of the City or the Corporation.

#### **Events of Default and Remedies**

The following shall be "events of default" under the Lease Agreement:

- (a) Failure by the City to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein.
- (b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Lease Agreement (including failure to request appropriation pursuant thereunder) or under the Trust Agreement, other than as referred to in clause (a) above, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Corporation, the Trustee or the Owners of not less than five percent (5%) in aggregate principal amount of Certificates then outstanding; provided, however, if the failure stated in the notice can be corrected, but not within the applicable period, the Corporation, the Trustee (as directed by such Owners of not less than 5% in aggregate principal amount of Certificates then Outstanding) and such Owners shall not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the City within the applicable period and diligently pursued until the default is corrected.
- (c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of the Federal Bankruptcy Act, as amended, or under any similar acts which may hereafter be enacted.

Whenever any event of default shall have happened and be continuing, it shall be lawful for the Corporation to exercise any and all remedies available pursuant to law or granted pursuant to the Lease

Agreement; provided, however, that notwithstanding anything in the Lease Agreement or in the Trust Agreement to the contrary, there shall be no right under any circumstances to accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable. Each and every covenant to be kept and performed by the City under the Lease Agreement is expressly made a condition and upon the breach thereof the Corporation may exercise any and all rights of entry and re-entry upon the Property, and also, at its option, with or without such entry, may terminate the Lease Agreement. In the event of such default and notwithstanding any re-entry by the Corporation, the City shall, as expressly provided in the Lease Agreement, continue to remain liable for the payment of the Lease Payments and/or damages for breach of the Lease Agreement and the performance of all conditions contained in the Lease Agreement and, in any event, such rent and/or damages shall be payable to the Corporation at the time and in the manner as provided in the Lease Agreement.

# **Amendment of Lease Agreement**

#### THE CITY

The City, located in the County, was incorporated on November 13, 1975 as a charter city under the laws of the State. The City is located on California State Route 1 along the central coast of California, 8 miles (13 km) west of the city of Salinas, 8 miles (13 km) north of the city of Monterey, and adjacent to the city of Seaside and unincorporated Monterey County. The City includes an area of approximately 9.6 square miles and has a current population of approximately 22,000 residents. The City is located adjacent to the former Fort Ord, a US Army installation which closed in 1994 during the country's base closure initiative.

The City operates under a council-manager form of government. The five-member City Council is comprised of a mayor elected on an at large basis by the City's voters and four other council members elected by district from within the City. Council members serve four-year terms, with two members elected every two years. The Mayor is elected for a four-year term. The City Council appoints the City Manager and the City Attorney. The City Manager is responsible for directing, coordinating and carrying out City Council policies.

The City provides police and fire protection; traffic control; on- and off-street parking; building inspections; licenses and permits; library services; the construction and maintenance of highways, streets, and other infrastructure; recreational and cultural activities; low-income housing; and general aviation services. Water and sewer services are provided through legally separate entities.

The City's economy is influenced by tourism in the Monterey Bay region generally and Cal State University Monterey Bay. A major regional shopping center for Monterey Bay region is located in the City. The City is also home to part of the California State University, Monterey Bay campus, the UC Santa Cruz Monterey Bay Education, Science and Technology Center, and the Veterans Transition Center. The City has significant land assets from the Fort Ord's closure that will support future housing and commercial development.

Numerous development projects in the City are currently ongoing, which, upon completion, will add thousands of residential units and hundreds of thousands of additional square feet of commercial retail and light industrial property. For additional information about development within the City, see the City's website at <a href="https://www.cityofmarina.org/186/Development-Projects-and-Opportunities">https://www.cityofmarina.org/186/Development-Projects-and-Opportunities</a>. #### CITY FINANCIAL INFORMATION

# **Financial Statements and Budgetary Process**

The City's accounting policies conform to generally accepted accounting principles. The audited financial statements also conform to the principles and standards for public financial reporting established by the Governmental Accounting Standards Board.

Basis of Accounting and Financial Statement Presentation. The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Audited Financial Statements. The City retained Chavan & Associates, LLP, San Jose, California (the "City's Auditor"), to examine the general-purpose financial statements of the City as of and for the year ended June 30, 2021. The audited financial statements for fiscal year ended June 30, 2021, are included in APPENDIX B—ANNUAL COMPREHENSIVE FINANCIAL REPORT OF THE CITY FOR THE FISCAL YEAR ENDED JUNE 30, 2021. The City has not requested, and the City's Auditor has not provided, any review or update of such financial statements in connection with their inclusion in this Official Statement.

Budget Process. The Council adopts a budget for the fiscal year by June 30 preceding the beginning of the fiscal year on July 1. The City has adopted a two-year budget process which includes two discrete single year budgets and is the foundation for the City's financial planning and control. The City's budgets are prepared by fund, function (e.g., public safety), and department (e.g., police). The City's proposed budgets must be balanced, with balanced being defined as the anticipated annual fiscal expenditures not exceeding the annual fiscal revenues less non-recurring fund transfers. Department heads may transfer resources within a department as they see fit. Transfers between departments, however, need special approval from the governing council. The City makes mid-cycle budget adjustments halfway through its two-year budget process.

Certain of the City's revenues are collected and dispersed by the State (such as sales tax and motor-vehicle license fees) or allocated in accordance with State law (most importantly, property taxes). Therefore, State budget decisions can have an impact on City finances. See "STATE BUDGET INFORMATION."

# City Financial Management

The City Council has adopted a comprehensive set of financial management policies to provide for: (i) establishing targeted General Fund reserves; (ii) the prudent investment of City funds, and (iii) management of debt. The City's practice is to incur debt only after deliberation over the effect of such debt on the City's General Fund and other resources of the City, and in those circumstances where the use of debt would be appropriate to the scale and economic life of the asset being financed and the accumulation or availability of reserves to fund the capital requirement.

<sup>(1)</sup> In FY2019-20 the City accounted for certain amounts related to revenues generated from services provided to the Preston Park and Abrams Park developments as "transfers in" for budgeting purposes but as "charges for services" in its audited actuals.

General Fund Reserve Policy. The City's Reserve Policy was most recently updated in 2020 and sets a goal of a 20% of budgeted General Fund revenues. The City achieved its reserve policy target in FY2020-21 and has budgeted to achieve maintain at reserves of at least 20% of budgeted general fund revenues in FY2021-22 and FY2022-23.

Investment Policy. The investment of funds of the City (except pension and retirement funds) is made in accordance with the City's Investment Policy, most recently approved on October 2, 2018 (the "Investment Policy"), prepared by the City Treasurer as authorized by section 53601 of the Government Code of California. The Investment Policy allows for the purchase of a variety of securities and provides for limitations as to exposure, maturity and rating which vary with each security type. The composition of the portfolio will change over time as old investments mature, or are sold, and as new investments are made. Invested funds are managed to ensure preservation of capital through high quality investments, maintenance of liquidity and then yield. Further, operating funds may not be invested in any investment with a maturity greater than five years.

Debt Management Policy. In accordance with section 8855(i) of the California Government Code the City adopted a debt management policy on May 1, 2018, to establish conditions for the use of debt; to ensure that debt capacity and affordability are adequately considered; to minimize the City's interest and issuance costs; to maintain the highest possible credit rating; to provide complete financial disclosure and reporting; and to maintain financial flexibility for the City.

#### **Primary Sources of General Fund Revenues**

The City relies on several sources to balance its General Fund budget. The most important of these revenue sources (based on percentage of the total revenue budget) are property taxes, which typically account for approximately 25% of the City's General Fund revenues. The City's second largest General Fund revenue source is sales and use taxes, which typically account for 25% of the City's General Fund revenues. Charges for services are the General Fund's third largest revenue source, typically accounting for approximately 13% of the City's General Fund Revenues. Transient occupancy taxes, the General Fund's fourth largest revenue source, typically account for 10% of the City's General Fund revenues. The City also levies taxes on franchises and cardrooms, which typically account for under 5% of the City's General Fund revenues. Together these five primary sources of General Fund revenues have constituted approximately 80% of the City's General Fund revenues in recent years.

The table below shows the City's primary general fund revenue sources for the three most recent fiscal years and budgeted projections for Fiscal Years 2021-22 and 2022-23. Following the table is a brief discussion of each of the City's primary sources of General Fund revenues.

Property Taxes. Property taxes are one of the General Fund's two primary revenue source, together with sales and use taxes. The County levies a tax of 1% on the assessed valuation of property within the County. The City receives a share of this 1% levy for property located within the City limits. In Fiscal Year 2019-20, property taxes (including property taxes in-lieu of vehicle license fees) generated approximately \$7.1 million. In Fiscal Year 2020-21 property taxes (including property taxes in-lieu of vehicle license fees) generated approximately \$7.5 million. Property tax revenues are budgeted to generate \$7.6 million and \$7.8 million in Fiscal Years 2021-22 and 2022-23, respectively (including property taxes in-lieu of vehicle license fees). See "Property Taxes" below for additional information relating to the property taxes and the assessed valuation of property located in the City.

Sales and Use Taxes. Sales and use taxes are the General Fund's second primary revenue source. The City receives a 1% share of all taxable sales generated within its borders from the State. The City also receives sales and use taxes from a voter-approved 1.5% sales tax ("Measure N") on all taxable sales generated within its borders. Measure N is a general tax and Measure N collections are available to the City's General Fund for any lawful purpose. In Fiscal Year 2019-20, sales and use taxes (including Measure N taxes) generated approximately \$7.7 million and in Fiscal Year 2020-21, sales and use taxes (including Measure N taxes) generated approximately \$8.8 million. Sales and use taxes are budgeted to generate \$9.4 million and \$9.6 million in Fiscal Years 2021-22 and 2022-23, respectively. Sales and Use Tax revenues for Fiscal Years 2019-20 through 2022-23 have been impacted by the COVID-19 Pandemic. For additional discussion of the City's General Fund sales tax revenues and of Measure N, see "Sales and Use Taxes."

Charges for Services. The City's charges for services consist of planning services fees, residential building report fees and miscellaneous fees for the City's Library, Police, and Public Works. Together, the charges for services comprise the City's third largest source of General Fund revenues. In Fiscal Year 2019-20, charges for services generated approximately \$3.9 million. In Fiscal Year 2020-21 charges for services

<sup>(1)</sup> Amount includes Measure N sales taxes but does not include Measure X Sales Taxes. Measure X Sales Tax Receipts are a restricted revenue source accounted for a separate fund. For additional discussion, see "Sales and Use Taxes" and "SOURCE OF PAYMENTS FOR THE CERTIFICATES—Measure X Sales Taxes."

<sup>(2)</sup> FY2021-22 and FY2022-23 budgeted data is from the City's Mid-Cycle Budget Adjustments, as adopted on May 3, 2022.

generated approximately \$3.8 million. Charges for services revenues are budgeted to generate \$3.5 million in Fiscal Years 2021-22 and 2022-23. The City's ability to set fees for services is limited under California law. Generally, a fee may not exceed the estimated reasonable cost of providing the particular service or product for which the fee is charged, plus overhead.

Transient Occupancy Taxes. The City currently imposes a voter-approved general transient occupancy tax upon the occupancy of any hotel room in the City, charged to the transient (or guest) who is entitled to such occupancy. The current rate of the City's transient occupancy tax is 14% of the rent charged by the hotel operator for the use of the hotel room. The current transient occupancy tax rate was approved by a majority of the voters in the City voting in an election on November 6, 2018 and became effective January 1, 2019, representing a 2% increase from the 12% prior rate. The City's transient occupancy tax is a general tax, which means that the transient occupancy tax proceeds are deposited into the City's general fund and may be used for any and all municipal purposes. In Fiscal Year 2019-20, transient occupancy taxes generated approximately \$3.5 million and in Fiscal Year 2020-21 transient occupancy taxes generated approximately \$3.5 million. Transient occupancy taxes are budgeted to generate \$4.2 million and \$4.3 million in Fiscal Years 2021-22 and 2022-23, respectively. Transient occupancy tax collections have been significantly impacted by the COVID-19 Pandemic, but are expected to return to historical norms.

Franchise & Cardroom Taxes. Since January 1, 2017 the City has levied a flat 0.2 percent tax on gross receipts for all businesses operating in the City that was approved by a majority of the voters in the City voting in an election on November 8, 2016. In addition, cardrooms operating within the City have been charged a 5% tax on their annual gross operating revenues since the City's voters approved a cardroom tax at an election on November 5, 2013 which became effective on January 1, 2014. In Fiscal Year 2019-20, franchise & cardroom taxes generated approximately \$1.2 million and in Fiscal Year 2020-21 franchise & cardroom taxes generated approximately \$1.2 million. Franchise & cardroom taxes are budgeted to generate \$1.2 million in Fiscal Years 2021-22 and 2022-23. Franchise & cardroom taxes have been significantly impacted by the COVID-19 Pandemic, but are expected to return to historical norms.

# **Property Taxes**

Under Proposition 13, an amendment to the California Constitution adopted in 1978 that added Article XIIIA of the California Constitution, the county assessor's valuation of real property is established as shown on the Fiscal Year 1975-76 tax bill, or, thereafter, as the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred. Assessed value of property may be increased annually to reflect inflation at a rate not to exceed 2% per year or reduced to reflect a reduction in the consumer price index or comparable data for the area under taxing jurisdiction or in the event of declining property value caused by substantial damage, destruction, market forces or other factors. As a result of these rules, real property that has been owned by the same taxpayer for many years can have an assessed value that is much lower than that of similar properties more recently sold and may be lower than its own market value. Likewise, changes in ownership of property and reassessment of such property to market value commonly will lead to increases in aggregate assessed value even when the rate of inflation or consumer price index would not permit the full 2% increase on any property that has not changed ownership.

Taxes are levied by the County for each fiscal year on taxable real and personal property which is situated in the County as of the preceding January 1. Real property which changes ownership or is newly constructed is revalued at the time the change in ownership occurs or the new construction is completed. The current year property tax rate will be applied to the reassessment, and the taxes will then be adjusted by a proration factor to reflect the portion of the remaining tax year for which taxes are due.

Local agencies and schools will share the growth of "base" sources from all tax rate areas in the County. Each year's growth allocation becomes part of each local agency's allocation in the following year. The availability of revenue from growth in the tax bases in such tax rate areas may be affected by the existence of redevelopment agencies (including their successor agencies) which, under certain circumstances, may be entitled to sources resulting from the increase in certain property values. State law exempts \$7,000 of the assessed valuation of an owner-occupied principal residence. This exemption does not result in any loss of revenue to local agencies since an amount equivalent to the taxes that would have been payable on such exempt values is supplemented by the State.

For assessment and tax collection purposes, property is classified either as "secured" or "unsecured," and is listed accordingly on separate parts of the assessment roll. The "secured roll" is that part of the assessment roll containing State-assessed property and property (real or personal) for which there is a lien on real property sufficient, in the opinion of the county assessor, to secure payment of the taxes. All other property is "unsecured," and is assessed on the "unsecured roll." Secured property assessed by the SBE is commonly identified for taxation purposes as "utility" property.

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each fiscal year, and if unpaid become delinquent on December 10 and April 10, respectively. A penalty of 10% attaches immediately to any delinquent payment. Property on the secured roll, with respect to which taxes are delinquent, becomes tax defaulted on or about June 30 of the fiscal year. Such property may thereafter be redeemed by payment of delinquent taxes and the delinquency penalty, plus costs and prepayment penalty of one and one-half percent per month to the time of prepayment. If taxes are unpaid for a period of five years or more, the property is subject to sale by the county treasurer.

Property taxes on the unsecured roll are due as of the January 1 lien date and become delinquent, if unpaid, on August 31. A 10% penalty attaches to delinquent unsecured taxes. If unsecured taxes are unpaid at 5 p.m. on October 31, an additional penalty of one and one-half percent per month attaches to such taxes beginning the second month after the delinquent date, and on the first day of each month until paid. A county has four ways of collecting delinquent unsecured personal property taxes: (1) bringing a civil action against the taxpayer; (2) filing a certificate in the office of the County Clerk specifying certain facts in order to obtain a lien on certain property of the taxpayer; (3) filing a certificate of delinquency for record in the County Clerk and County Recorder's office in order to obtain a lien on certain property of the taxpayer; and (4) seizing and selling personal property, improvements, or possessory interests belonging or assessed to the delinquent taxpayer.

#### **Teeter Plan**

The Board of Supervisors of the County has approved the implementation of the Alternative Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds (the "Teeter Plan"), as provided for in section 4701 et seq. of the California Revenue and Taxation Code. The Teeter Plan guarantees distribution of 100% of the general taxes levied to the taxing entities within the County, with the County retaining all penalties and interest penalties affixed upon delinquent properties and redemptions of subsequent collections. Under the Teeter Plan, the County apportions secured property taxes on a cash basis to local political subdivisions, including the City, for which the County acts as the tax-levying or tax-collecting agency. At the conclusion of each fiscal year, the County distributes 100% of any taxes delinquent as of June 30th to the respective taxing entities.

The County cash position is protected by a special fund, known as the "Tax Loss Reserve Fund," which accumulates moneys from interest and penalty collections. In each fiscal year, the Tax Loss Reserve Fund is required to be funded to the amount of delinquent taxes plus one percent of that year's tax levy. Amounts exceeding the amount required to be maintained in the tax loss reserve fund may be credited to the County's general fund. Amounts required to be maintained in the tax loss reserve fund may be drawn on to the extent of the amount of uncollected taxes credited to each agency in advance of receipt.

The Teeter Plan is to remain in effect unless the County Board orders its discontinuance or unless, prior to the commencement of any fiscal year of the County (which commences on July 1), the County Board receives a petition for its discontinuance joined in by resolutions adopted by at least two-thirds of the participating revenue districts in the County, in which event the County Board is to order discontinuance of the Teeter Plan effective at the commencement of the subsequent fiscal year. The County Board may also, after holding a public hearing on the matter, discontinue the Teeter Plan with respect to any tax levying agency or assessment levying agency in the County if the rate of secured tax delinquency in that agency in any year exceeds 3% of the total of all taxes and assessments levied on the secured roll in that agency. If the Teeter Plan is discontinued in the future, only those secured property taxes actually collected would be allocated to political subdivisions (including the City) for which the County acts as the tax-levying or tax-collecting agency, but penalties and interest would be credited to the political subdivisions.

The City is not aware of any petitions for the discontinuance of the Teeter Plan in the County.

#### **Assessed Value**

The assessed valuation of property in the City is established by the County Assessor, except for public utility property which is assessed by the SBE. Assessed valuations are reported at 100% of the "full value" of the property, as defined in Article XIIIA of the California Constitution.

Certain classes of property, such as churches, colleges, not-for-profit hospitals and charitable institutions, are exempt from property taxation and do not appear on the tax rolls. No reimbursement is made by the State for such exemptions. Property taxes allocated to the City are collected by the County at the same time and on the same tax rolls as are county and special district taxes. The valuation of secured property by the County Assessor is established as of January 1 and is subsequently equalized in September of each year.

The table below shows the assessed valuation of taxable property in the City for the ten most recent fiscal years.

Assessments may be adjusted during the course of the year when real property changes ownership or new construction is completed. Assessments may also be appealed by taxpayers seeking a reduction as a result of economic and other factors beyond the City's control, such as a general market decline in property values, reclassification of property to a class exempt from taxation, whether by ownership or use (such as exemptions for property owned by State and local agencies and property used for qualified educational, hospital, charitable or religious purposes), or the complete or partial destruction of taxable property caused by natural or manmade disaster, such as earthquake, flood, fire, toxic dumping, etc. When necessitated by changes in assessed value in the course of a year, taxes are pro-rated for each portion of the tax year.

Appeals of Assessed Valuation; Blanket Reductions of Assessed Values. There are two basic types of property tax assessment appeals provided for under State law. The first type of appeal, commonly referred to as a base year assessment appeal, involves a dispute on the valuation assigned by the assessor immediately subsequent to an instance of a change in ownership or completion of new construction. If the base year value assigned by the assessor is reduced, the valuation of the property cannot increase in subsequent years more than 2% annually unless and until another change in ownership and/or additional new construction activity occurs.

The second type of appeal, commonly referred to as a Proposition 8 appeal (which Proposition 8 was approved by the voters in 1978), can result if factors occur causing a decline in the market value of the property to a level below the property's then current taxable value (escalated base year value). Pursuant to State law, a property owner may apply for a Proposition 8 reduction of the property tax assessment for such owner's property by filing a written application, in the form prescribed by the SBE, with the appropriate county board of equalization or assessment appeals board. A property owner desiring a Proposition 8 reduction of the assessed value of such owner's property in any one year must apply to the county assessment appeals board (the "Appeals Board"). Following a review of the application by the county assessor's office, the county assessor may offer to the property owner the opportunity to stipulate to a

reduced assessment or may confirm the assessment. If no stipulation is agreed to, and the applicant elects to pursue the appeal, the matter is brought before the Appeals Board (or, in some cases, a hearing examiner) for a hearing and decision. The Appeals Board generally is required to determine the outcome of appeals within two years of each appeal's filing date. Any reduction in the assessment ultimately granted applies only to the year for which application is made and during which the written application is filed. The assessed value increases to its pre-reduction level (escalated to the inflation rate of no more than 2%) following the year for which the reduction application is filed. However, the county assessor has the power to grant a reduction not only for the year for which application was originally made, but also for the then current year and any intervening years as well. In practice, such a reduced assessment may and often does remain in effect beyond the year in which it is granted.

In addition to the above-described taxpayer appeals, county assessors may independently reduce assessed valuations based on changes in the market value of property, or for other factors such as the complete or partial destruction of taxable property caused by natural or man-made disasters such as earthquakes, floods, fire, drought or toxic contamination pursuant to relevant provisions of the State Constitution.

In addition, Article XIIIA of the State Constitution provides that the full cash value base of real property used in determining taxable value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year or may be reduced to reflect a reduction in the consumer price index or comparable local data. This measure is computed on a calendar year basis.

Risk of Decline in Property Values; Fire; Earthquake Risk. Property values could be reduced by factors beyond the City's control, including fire, earthquake and a depressed real estate market due to general economic conditions in the County, the region and the State.

Other possible causes for a reduction in assessed values include the complete or partial destruction of taxable property caused by other natural or manmade disasters, such as flood, fire, drought, toxic dumping, acts of terrorism, etc., or reclassification of property to a class exempt from taxation, whether by ownership or use (such as exemptions for property owned by State and local agencies and property used for qualified educational, hospital, charitable or religious purposes).

No assurance can be given that property tax appeals and/or blanket reductions of assessed property values will not significantly reduce the assessed valuation of property within the City in the future.

Assembly Bill 102. On June 27, 2017, the Governor of the State (the "Governor") signed into law Assembly Bill 102 ("AB 102"). AB 102 restructured the functions of the SBE and created two new separate agencies: (i) the California Department of Tax and Fee Administration, and (ii) the Office of Tax Appeals. Under AB 102, the California Department of Tax and Fee Administration took over programs previously in the SBE Property Tax Department, such as the Tax Area Services Section, which is responsible for maintaining all property tax-rate area maps and for maintaining special revenue district boundaries. Under AB 102, the SBE continues to perform the duties assigned by the State Constitution related to property taxes, however, effective January 1, 2018, the SBE will only hear appeals related to the programs that it constitutionally administers and the Office of Tax Appeals will hear appeals on all other taxes and fee matters, such as sales and use tax and other special taxes and fees. AB 102 obligates the Office of Tax Appeals to adopt regulations as necessary to carry out its duties, powers, and responsibilities. No assurances can be given as to the effect of such regulations on the appeals process or on the assessed valuation of property within the City.

State-Assessed Property. Under the Constitution, the SBE assesses property of State-regulated transportation and communications utilities, including railways, telephone and telegraph companies, and companies transmitting or selling gas or electricity. The Board of Equalization also is required to assess pipelines, flumes, canals and aqueducts lying within two or more counties. The value of property assessed by the Board of Equalization is allocated by a formula to local jurisdictions in the county, including school districts, and taxed by the local county tax officials in the same manner as for locally assessed property. Taxes on privately owned railway cars, however, are levied and collected directly by the Board of Equalization. Property used in the generation of electricity by a company that does not also transmit or sell that electricity is taxed locally instead of by the Board of Equalization. Thus, the reorganization of regulated utilities and the transfer of electricity-generating property to non-utility companies, as often occurred under electric power deregulation in California, affects how those assets are assessed, and which local agencies benefit from the property taxes derived. In general, the transfer of State-assessed property located in the City to non-utility companies will increase the assessed value of property in the City, since the property's value will no longer be divided among all taxing jurisdictions in the County. The transfer of property located and taxed in the City to a State-assessed utility will have the opposite effect, generally reducing the assessed value in the City as the value is shared among the other jurisdictions in the County. The City is unable to predict future transfers of State-assessed property in the City and the County, the impact of such transfers on its utility property tax revenues, or whether future legislation or litigation may affect ownership of utility assets, the State's methods of assessing utility property, or the method by which tax revenues of utility property is allocated to local taxing agencies, including the City.

# Sales and Use Taxes

A sales tax is imposed on the privilege of consuming personal property in the State. The State does not tax services. The tax rate is established by the State Legislature, and is presently 7.25%, statewide (of which 1% is paid to the City) (the "State Sales Tax"). In addition, many of the State's cities, counties, districts and communities have special taxing jurisdiction to impose a transaction (sales) or use tax. These so-called district taxes increase the tax rate in a particular area by adding the local option tax to the statewide tax. While more than one district tax may be in effect for a particular location, counties, municipalities, and districts are allowed to increase the sales tax in specific jurisdictions up to a total of 10.25%.

Measure N. On November 6, 2018, the voters of the City approved Measure N, which increased an existing sales and use tax on all taxable sales generated within the City from 1.00% to 1.50%. Measure N sales and use taxes will be collected until the expiration date of Measure N on March 31, 2034, if Measure N's sales tax is not otherwise extended by the voters of the City beforehand. Revenues from Measure N taxes are available to the City's general fund for any lawful purpose.

Since the increase of the Measure N sales tax rate to 1.50% became effective, Measure N sales tax revenues have typically comprised approximately two-thirds of the City's total general fund sales tax revenues in each fiscal year.

The State's Department of Tax and Fee Administration actual administrative costs with respect to the portion of sales taxes allocable to the City are deducted before distribution and are determined on a quarterly basis.

The following table shows a breakdown of the composition of the current sales and use tax rate applicable to transactions in the City:

The State's Department of Tax and Fee Administration actual administrative costs with respect to the portion of sales taxes allocable to the City are deducted before distribution and are determined on a quarterly basis.

Many categories of transactions are exempt for the State Sales Tax. The most important of these exemptions are the sales of food products for home consumption, prescription medicine, edible livestock and their feed, seed and fertilizer used in raising food for human consumption, and gas and electricity and water when delivered to consumers through mains, lines and pipes. In addition, occasional sales (i.e., sales of property not held or used by a seller in the course of activities for which he or she is required to hold a seller's permit) are generally exempt from both the State Sales Tax; however, the occasional sales exemption does not apply to the sale of an entire business and other sales of machinery and equipment used in a business.

Action by the State Legislature or by voter initiative could change the transactions and items upon which the State Sales Tax are imposed. Such changes or amendments could have either an adverse or beneficial effect on revenues produced by sales taxes. The City is not currently aware of any proposed legislative change that would have a material adverse effect on the State Sales Tax.

<sup>(1)</sup> Includes the Measure X Sales Tax. For additional discussion, see "SOURCE OF PAYMENT FOR THE CERTIFICATES—Measure X Sales Tax."

Online Purchases. The City's sales tax collections may be affected by increasing levels of sales of physical products bought online and delivered in the City by businesses located outside of the State. The City believes that many of these transactions may avoid taxation either through error or deliberate non-reporting and this potentially reduces the amounts of the sales taxes collected. See "RISK FACTORS—Increased Internet Use May Reduce Sales Tax Revenues."

#### **Transient Occupancy Tax**

Marina receives tourism spill-over from Monterey Bay, but the City does not primarily rely on tourism for generated revenues. The City levies a 14% tax on hotels and lodging establishments. The 14% transient occupancy tax level became effective on January 1, 2019 following the approval of an increase by a majority of the voters of the City voting in the November 6, 2018 election. Prior to January 1, 2019 the transient occupancy tax rate was 12%. The City's transient occupancy tax is a general tax and can be used for any governmental purpose.

Effects of COVID-19 Pandemic on Transient Occupancy Tax Revenues. Transient occupancy taxes are the City's most impacted General Fund revenue source from the result of closures and reduced travel caused by the COVID-19 Pandemic. The City's collections of transient occupancy tax revenues are down substantially in fiscal year fiscal year 2020-21 as compared to historical levels. As the COVID-19 Pandemic subsides, the City expects revenues from transient occupancy taxes to revert towards historical norms.

# **Other Sources of General Fund Revenues**

In addition, the City receives approximately 20% of its annual General Fund revenues from the following sources:

*Licenses and Permits*. The City charges certain permits, licenses and fees for the cost recovery of providing current planning, building inspection, recreation and other municipal services.

Fines, Forfeitures and Penalties. These revenues include parking citations and other fines for municipal code violations.

*Impact of COVID-19 Pandemic on Other Revenue Sources*. The City's other revenue sources have been relatively unimpacted by the COVID-19 Pandemic.

#### No Material Reliance on State Revenues

The City does not rely on the State for a material amount of revenues. There can be no assurance that future State budget difficulties will not adversely affect the City's revenues or its ability to make the Lease Payments when due. See "STATE BUDGET INFORMATION."

# Risk Management

General Liability. The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the City obtains insurance coverages.

The City purchases liability, property, errors and omissions, and workers' compensation insurance from the Monterey Bay Area Self Insurance Authority ("MBASIA"), a risk-sharing program. Under this program, coverage is provided for up to a maximum of \$29,000,000 for each general liability claim less the City's deductible of \$10,000. Statutory coverage is provided for workers' compensation claims. The City is assessed a contribution to cover claims, operating costs, and claim settlement expenses based upon an actuarially determined rate for each coverage layer pool Additional cash contributions may be assessed on the basis of adverse loss experience. If the events of the year result in a negative risk position, the members' annual assessment may be increased in subsequent years. The City is unable to reasonably estimate the probability of MBASIA ending the year in a negative risk position. Refunds to members may be made if funds are determined to be surplus as a result of an actuarial study.

The City currently reports liability risk management activities in the general fund. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. Workers compensation insurance costs are allocated to various departments proportionate to their total payroll. For the year ended June 30, 2020, the City paid a total of \$1,111,994 to MBASIA for insurance coverage; \$304,070 and \$807,924 for liability and workers compensation insurance, respectively and did not receive a rebate from the program. There were no material unpaid and uninsured claims outstanding at the beginning or end of the last two fiscal years.

<sup>(1)</sup> The agreement between the MEA and the City is currently under renegotiation.

For additional information about the City's Risk Management, see APPENDIX B—ANNUAL COMPREHENSIVE FINANCIAL REPORT OF THE CITY FOR THE FISCAL YEAR ENDED JUNE 30, 2021, Note 8.

# **Employee Retirement Plans**

The information set forth below regarding the California Public Employees' Retirement System ("CalPERS") program, other than the information provided by the City regarding its annual contributions thereto, has been obtained from publicly available sources which are believed to be reliable but are not guaranteed as to accuracy or completeness, and should not be construed as a representation by either the City or the Underwriter.

Plan Description. All qualified permanent and probationary employees are eligible to participate in the Public Agency Cost- Sharing Multiple-Employer Defined Benefit Pension Plan (Plan) administered by the California Public Employees' Retirement System (CalPERS). The Plan consists of individual rate plans (benefit tiers) within a safety risk pool (police and fire) and a miscellaneous risk pool (all other.) Plan assets may be used to pay benefits for any employer rate plan of the safety and miscellaneous risk pools. Accordingly, rate plans within the safety or miscellaneous pools are not separate plans under GASB Statement No. 68. Individual employers may sponsor more than one rate plan in the miscellaneous or safety risk pools. The City sponsors three miscellaneous rate plans. Benefit provisions under the Plan are established by State statute and City resolution. CalPERS issues publicly available reports that include a full description of the pension plan regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Benefits Provided. CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full-time employment. Members with five years of total service are eligible to retire at age 50 (age 52 for Miscellaneous Plan members if membership date is on or after January 1, 2013) with statutorily reduced benefits. All members are eligible for non-duty disability benefits after 5 years of service. The death benefit is one of the following: the Special Death Benefit (Safety only), the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

Contributions. Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

The City's combined contributions to its Miscellaneous and Safety Plans for the most recent is summarized in the following table.

CalPERS Amortization Period Reform. On February 13, 2018, the CalPERS Board voted to shorten the period over which actuarial gains and losses are amortized from 30 years to 20 years for new pension liabilities. The new 20-year amortization period begins with new gains or losses accrued starting with the June 30, 2019 actuarial valuations. The first payments on the new 20-year amortization schedule will take place in 2021.

A shorter amortization period will increase annual Unfunded Accrued Liability ("UAL") contributions for cities that participate in CalPERS so long as CalPERS remains underfunded. The shortened amortization period will also lead to reductions of periods of negative amortization of the UAL, interest cost savings, and faster recoveries of funded status after market downturns.

Cities that participate in CalPERS will also see additional volatility in their future UAL contributions due to market performance as gains or losses will be amortized faster under the new amortization period.

The City cannot currently estimate the impact the shorter amortization period will have on its required contributions for its Miscellaneous and Safety Plans. For information concerning the Plans, including descriptions of the actuarial methods and assumptions, please see APPENDIX B—ANNUAL COMPREHENSIVE FINANCIAL REPORT OF THE CITY FOR THE FISCAL YEAR ENDED JUNE 30, 2021, Note 9.

#### **Other Post-Employment Benefits**

Plan Description. The City administers a single-employer defined benefit post-employment healthcare plan. Employees hired prior to July 1, 2008, have the stipulated years of service, and retire directly from the City, are eligible to receive up to the Kaiser rate (family or single, depending on MOU) and the Medicare eligible rate after reaching the age of 65. This same benefit may continue to a surviving spouse depending on the retirement plan election.

*Employees Covered*. Membership of the plan consisted of 82 active employees, 23 inactive members entitled to but not yet receiving benefits, and 11 retirees and beneficiaries receiving benefits at June 30, 2020.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, investment returns, mortality, and the healthcare cost trend. Amounts

determined regarding the funded status of the Plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

# **Debt Obligations**

No Short-Term General Fund-Secured Obligations. The City has no outstanding short-term obligations secured by its general fund.

No Long-Term General Fund-Secured Obligations. The City has no outstanding long-term obligations secured by its general fund.

General Obligation Bonds. On May 12, 2015, the City issued its \$7,640,000 City of Marina 2015 General Obligation Refunding Bonds (the "2015 GO Bonds") to refund general obligation bonds issued by the City in 2005 to finance the construction of the City's library which is the subject Property under the Lease Agreement. As of May 1, 2022, the 2015 GO Bonds were outstanding in the principal amount of \$6,430,000 and mature on August 1, 2035. The 2015 GO Bonds are secured by *ad valorem* property tax assessed against taxable property in the City and are not payable from the City's general fund or Measure X revenues.

# **Overlapping Debt**

Set forth below is a direct and overlapping debt report (the "Debt Report") prepared by California Municipal Statistics, Inc. and effective March 1, 2022. The Debt Report is included for general information purposes only. Neither the City nor the Underwriter has reviewed the Debt Report for completeness or accuracy and neither the City nor the Underwriter makes any representation in connection therewith.

The Debt Report generally includes long-term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the City in whole or in part. Such long-term obligations generally are not payable from revenues of the City (except as indicated) nor are they necessarily obligations secured by land within the City. In many cases, long-term obligations issued by a public agency are payable only from the General Fund or other revenues of such public agency.

The contents of the Debt Report are as follows: (1) the first column indicates the public agencies which have outstanding debt as of the date of the Debt Report and whose territory overlaps the City; (2) the second column shows the respective percentage of the assessed valuation of the overlapping public agencies identified in column 1 which is represented by property located in the City; and (3) the third column is an apportionment of the dollar amount of each public agency's outstanding debt (which amount is not shown in the table) to property in the City, as determined by multiplying the total outstanding debt of each agency by the percentage of the City's assessed valuation represented in column 2.

#### STATE BUDGET INFORMATION

Information regarding the State Budget is regularly available at various State-maintained websites. The fiscal year 2021-22 State Budget and the 2022-23 State Budget further described below can each be found at the website of the Department of Finance, www.dof.ca.gov, under the heading "California Budget." Additionally, an impartial analysis of the State's Budgets is posted by the Office of the Legislative Analyst at www.lao.ca.gov. The information referred to is prepared by the respective State agency maintaining each website and not by the City, and neither the City nor the Underwriter takes responsibility for the continued accuracy of the internet addresses or for the accuracy, completeness or timeliness of information posted there, and such information is not incorporated herein by these references.

State Budget Process. Through the State budget process, the State enacts legislation that significantly impacts the source, amount and timing of the receipt of revenues by local agencies, including the City. As in recent years, State budget deficits can result in legislation that adversely impacts local agency budgets.

The State's fiscal year begins on July 1 and ends on June 30. The annual budget is proposed by the Governor by January 10 of each year for the next fiscal year (the "Governor's Budget"). Under State law, the annual proposed Governor's Budget cannot provide for projected expenditures more than projected revenues and balances available from prior fiscal years. Following the submission of the Governor's Budget, the Legislature takes up the proposal.

Under the State Constitution, money may be drawn from the Treasury only through an appropriation made by law. The primary source of the annual expenditure authorizations is the Budget Act as approved by the Legislature and signed by the Governor. The Budget Act must be approved by a two-thirds majority vote of each House of the Legislature. The Governor may reduce or eliminate specific line items in the Budget Act or any other appropriations bill without vetoing the entire bill. Such individual line item vetoes are subject to override by a two-thirds majority vote of each House of the Legislature.

Appropriations also may be included in legislation other than the Budget Act. Bills containing appropriations (except for K-14 education) must be approved by a two-thirds majority vote in each House of the Legislature and be signed by the Governor. Bills containing K-14 education appropriations only require a simple majority vote. Continuing appropriations, available without regard to fiscal year, may also be provided by statute or the State Constitution.

Funds necessary to meet an appropriation need not be in the State Treasury at the time such appropriation is enacted; revenues may be appropriated in anticipation of their receipt.

Recent State Budgets. Certain information about the State budgeting process and the State Budget is available through several State sources. A convenient source of information is the State's website, where recent official statements for State bonds are posted. The references to internet websites shown below are shown for reference and convenience only; the information contained within the websites has not been reviewed by the City and is not incorporated herein by reference.

The State Treasurer's Internet home page at www.treasurer.ca.gov, under the heading "Financial Information," posts the State's audited financial statements. In addition, the "Financial Information" section includes the State's Rule 15c2-12 filings for State bond issues. The "Financial Information" section also includes the "Overview of the State Economy and Government, State Finances, State Indebtedness,

Litigation" from the State's most current Official Statement, which discusses the State budget and the state budget process in greater detail.

The State Legislative Analyst's Office ("LAO") prepares analyses of the proposed and adopted State budgets. The analyses are accessible on the Legislative Analyst's Internet home page at www.lao.ca.gov under the heading "Products."

#### 2021-22 State Budget

On July 12, 2021, Governor Gavin Newsom signed SB 129, legislation that reflects the majority of the State's budget for Fiscal Year 2021-22 (the "2021-22 Budget"). While the Governor's initial budget projections in January 2021 projected a budget surplus of \$6.0 billion, the 2021-22 Budget projects an even larger surplus of \$7.2 billion caused primarily by a better-than-expected economic recovery from the COVID-19 Pandemic, two major federal relief bills, and continued stock market appreciation. In addition to amounts received already under the CARES Act, the State's general fund will receive over \$43 billion in combined recovery funds from the American Rescue Plan Act of 2021 to cover costs incurred between March 3, 2021 and December 31, 2024.

The 2021-22 Budget notes that actual general fund revenues for fiscal year 2020-21 were \$183.8 billion. Relative to the projections contained in the State's 2020-21 Budget, actual 2020-21 general fund revenues reflect an increase of \$53.9 billion or 41.5% over the projected totals. The 2021-22 Budget projects general fund revenues to decrease slightly from fiscal year 2020-21 levels to \$178.8 (a decrease of \$5.0 billion) due in part to projected decreases of in personal income tax and corporation tax collections.

The 2021-22 Budget includes a major increase in general fund expenditures from \$166.1 billion in fiscal year 2020-21 to \$196.4 billion in fiscal year 2021-22 (an increase of \$30.4 billion). The largest increases are projected to occurring in expenditures for health and human services and government operations. The increases in expenditures are made possible by the larger than expected budget surplus in fiscal year 2020-21. The improved revenue forecast also allows for the elimination of \$2 billion in program suspensions enacted in prior budgets and allows the State to completely pay off Proposition 98 deferrals implemented in the 2020-21.

The 2021-22 Budget includes substantial contributions to the State's reserves. The 2021-22 Budget anticipates contributions of \$3.4 billion in fiscal year 2021-22 to grow the State's budget stabilization account/rainy day fund from \$12.3 billion to \$15.8 billion. The 2021-22 Budget also includes a \$2.6 billion contribution to the State's public school system stabilization account and a \$450 million contribution to the State's safety net reserve.

Due to the one-time nature of the 2020-21 surplus, the 2021-22 Budget prioritizes one-time spending over ongoing, allocating 85 percent of discretionary funds to one-time spending. Major new expenditures in the 2021-22 Budget include:

Golden State Stimulus and COVID-19 Pandemic Relief. The January 2021-22 Budget included a comprehensive package of budget actions was enacted to speed needed relief to individuals, families and businesses suffering the most significant economic hardships due to the pandemic. The January 2021-22 Budget established the Golden State Stimulus program, which provided \$600 one-time payments to millions of low-income Californians; added \$2.075 billion (on top of a \$500 million investment) to California's Small Business COVID-19 Relief Grant Program;

provided certain small businesses impacted by the pandemic license renewal fee waivers; provided additional resources for critical child care services; and provided emergency financial aid for community college students, among other investments. The 2021-22 Budget includes a major expansion to the Golden State Stimulus, providing tax refunds to middle-class families with an adjusted gross income of \$75,000 or less. In total, two-thirds of Californians will benefit from \$600 payments. Qualified families with dependents, regardless of immigration status, will also be eligible for an additional \$500 payment.

The 2021-22 Budget also expands relief to small businesses by adding \$1.5 billion to the State's earlier \$2.5 billion investment in the Small Business COVID-19 Relief Grant Program that has helped approximately 210,000 businesses stay open and keep Californians employed. In addition to \$6.4 billion in state administered and direct local federal rent relief, the 2021-22 Budget also includes \$2 billion to pay down unpaid utility debt, which accumulated during the pandemic.

Homelessness and Housing Affordability. The 2021-22 Budget includes approximately \$12 billion over two years to combat homelessness. Project Roomkey, first deployed during the pandemic, has helped to house homeless individuals and families, and the 2021-22 Budget includes \$150 million to support transitions to permanent housing. Since the fall of 2020, Homekey has acquired and rehabilitated 6,000 units of permanent housing. Total proposed funding of \$5.8 billion for Homekey will further expand the portfolio of housing, including behavioral health continuum infrastructure and housing for low-income seniors. The 2021-22 Budget also includes \$2 billion over multiple years to support local actions to address homelessness. This funding is connected to accountability metrics, such as increasing transitions of individuals to permanent supportive housing.

Health Care Equity. The 2021-22 Budget expands Medi-Cal coverage to undocumented adults aged 50 years and older, beginning in May 2022. This proposal is designed to increase health care access and is another milestone on the path toward universal health coverage. Other equity investments in the 2021-22 Budget include Medi-Cal eligibility for postpartum individuals, doula services as a covered benefit in Medi-Cal, and subsidized zero-dollar premium plans. The 2021-22 Budget also eliminates the Medi-Cal asset limit for older adults and persons with disabilities.

Wildfire Prevention. An early action package enacted in April 2021 included \$536 million (\$411 million General Fund and \$125 million Cap and Trade) for a broad set of investments that are currently supporting forest health and fire prevention activities. The 2021-22 Budget authorizes an additional \$958 million (\$758 million General Fund and \$200 million Cap and Trade) for expenditure in the 2021-22 fiscal year to advance wildfire prevention and forest resilience investments. This includes \$500 million in general fund authorizations to accelerate into the budget year.

The 2021-22 Budget includes ongoing general fund support for 30 additional fire crews, enabling the California Department of Forestry and Fire Protection to respond to larger and more damaging wildfires throughout the fire season and complete priority fuel reduction projects to reduce wildfire risk in fire-threatened areas. The 2021-22 Budget also includes significant investments in new Black Hawk helicopters and large air tankers transferred from the federal government.

Water Resilience and Drought. The 2021-22 Budget commits approximately \$5.1 billion over four years to the State's water resilience and drought preparedness and response, including investments that support safe drinking water, wastewater, and water conveyance infrastructure; water recycling and groundwater cleanup; Sustainable Groundwater Management Act grants; financial assistance to small and urban water suppliers; and water resilience multi-benefit projects. Of this amount, \$2.1 billion from the general fund over three years is set aside for water resilience investments that will be negotiated subsequent to the adoption of the 2021-22 Budget.

Zero Emissions Vehicles. The 2021-22 Budget includes \$2.7 billion in 2021-22 and \$3.9 billion (\$2.98 billion general fund, \$565 million Cap and Trade, and \$394 million other funds) over three years for zero-emission vehicle ("ZEV") and infrastructure investments. This will scale the zero-emission vehicle market and accelerate the state toward meeting climate and transportation goals established in the Governor's ZEV Executive Order N-79-20 and consistent with California's Zero Emission Vehicle Market Development Strategy.

*Broadband.* The 2021-22 Budget reflects a plan to increase equitable access to high-speed broadband Internet service through a \$6 billion investment to expand broadband infrastructure and enhance access by constructing an open access middle mile and by funding construction of last mile projects that connect unserved households in remote areas to the middle mile.

## 20922-23 Proposed State Budget

On January 10, 2022, Governor Gavin Newsom released his proposed budget for the State's 2022-23 fiscal year (the "Proposed 2022-23 Budget"). The State's economic outlook and revenue forecasts have remained strong since the adoption of the State's 2021-22 Budget on June 28, 2021. The Proposed 2022-23 Budget projects general fund revenues comparable to 2021-22 levels (a total of \$197.3 billion in 2022-23 compared to \$201.7 billion in 2021-22), while expenditures are projected to increase slightly by \$3.1 billion over 2021-22 levels to a total of \$213.1 billion.

The largest areas of general fund expenditure increases in the Proposed 2022-23 Budget over 2021-22 expenditure levels include health and human services (an increase of \$8.3 billion) and labor and workforce development (an increase of \$1.2 billion). K-12 education expenditures, the single largest category of expenditures in the Proposed 2022-23 Budget, will increase by \$0.9 billion over the prior year to a total of \$70.4 billion. Under the Proposed 2022-23 Budget, the State is projected to have approximately \$37.7 billion in budget resiliency, comprised of budgetary reserves and surplus including \$20.9 billion in the Proposition 2 Budget Stabilization Account (the Rainy Day Fund) for fiscal emergencies; \$900 million in the Safety Net Reserve, \$9.7 billion in the Public School System Stabilization Account, and an estimated \$6.2 billion in the State's operating reserves.

Analysis prepared by the Legislative Analysts' Office ("LAO"), a nonpartisan office that provides fiscal and policy information and advice to the State Legislature, published on the LAO's website on January 13, 2022, estimates that the Governor had approximately a \$29 billion surplus to allocate in the Proposed

2022-23 Budget. The LAO analysis views approximately 60 percent of that discretionary surplus, or \$17.3 billion, being spent on a one-time or temporary basis for a variety of programmatic expansions, \$6.2 billion to reduce revenues (such as terminating temporary limits on the ability of businesses to use net operating loss (NOL) deductions and tax credits), and \$2 billion for ongoing spending increases. In addition, the LAO's analysis notes nearly \$13 billion in discretionary spending for schools and community colleges (which are constitutionally required).

The following is a summary of certain of the major discretionary spending proposals identified by the LAO analysis of the Proposed 2022-23 Budget:

Lifting Temporary Limits on Business Tax Provisions. The Proposed 2022-23 Budget proposes to end, one year early, temporary limits on the ability of businesses to use NOL deductions and tax credits to reduce their tax payments. These limits were put in place for three years at the onset of the pandemic as a solution to an anticipated \$54 billion budget problem. Lifting the NOL deduction and credit limits will reduce tax revenues by an estimated \$5.5 billion in 2022-23 and then, over following years, increase revenues by several hundred million dollars per year.

Workforce Training Programs. The Proposed 2022-23 Budget allocates over \$2 billion in discretionary General Fund (plus additional funding under Proposition 98) for more than 20 new, one-time workforce training proposals. These include proposals for several new training programs in clean energy fields, as well as new and expanded training programs to recruit and train teachers, social workers, nurses, community health workers, and behavioral health workers, among others. The broad aim of these proposals is to recruit and train more workers in fields that are growing or in demand. Many of the proposals also would seek to increase diversity within existing occupations.

Climate Change-Related Proposals. The Proposed 2022-23 Budget includes numerous proposals related to climate change, some of which are presented as packages. This is in addition to full inclusion of 2022-23 funding that was agreed to by the Legislature and the Governor as part of the 2021-22 Budget for different packages of proposals related to climate resilience, zero-emission vehicles (ZEVs), and drought. For example, the proposed budget includes \$2.1 billion that was part of a Climate Resilience package. Some of the key new climate-change proposals and packages include:

ZEV Package. The Proposed 2022-23 Budget proposes a total of \$6.1 billion over five years—\$2.7 billion in 2022-23 and \$3.4 billion in subsequent years—in additional funding for ZEV-related programs. This total includes \$3.5 billion from the General Fund (non-Proposition 98), \$1.5 billion in Proposition 98 General Fund, \$676 million from the Greenhouse Gas Reduction Fund (GGRF), and \$383 million in federal funds.

*Energy Package.* The Proposed 2022-23 Budget proposes a total of roughly \$2 billion over two years (\$938 million in 2022-23 and \$1.1 billion in 2023-24), almost entirely from the General Fund, for various proposals related to clean energy and building decarbonization.

Wildfire Resilience Package. The Proposed 2022-23 Budget proposes \$800 million from the General Fund over two years—\$400 million in 2022-23 and 2023-24—to implement various efforts to improve forest health and make communities more resilient to future wildfires.

Drought Package. The Proposed 2022-23 Budget proposes \$750 million one-time General Fund for a variety of activities to respond to current drought conditions and build the state's

resilience to weather future dry years. This amount includes (1) \$180 million for water conservation programs, (2) \$145 million to address communities experiencing water supply shortages, (3) \$250 million to set aside as unspecified "contingency" funding the Governor would propose for specific drought response allocations later in the budget process, and (4) \$175 million for various other drought-related activities.

Wildfire Suppression Proposals. The Governor's budget provides augmentations for various proposals related to fire suppression. Some of the major fire protection-related proposals include: (1) \$400 million ongoing General Fund to improve the health and wellness of California Department of Forestry and Fire Protection (CalFire) firefighters; (2) \$190 million General Fund in 2022-23, along with some outyear funding, for equipment such as helicopters and fire engines; (3) \$175 million in 2022-23 (\$120 million in General Fund and \$55 million in lease revenue bonds) for CalFire capital outlay projects, and (4) \$69 million General Fund in 2022-23, increasing to \$81 million ongoing, to increase the availability of year-round fire crews.

*Infrastructure*. The Proposed 2022-23 Budget's major infrastructure proposals include:

**Transportation**. The Proposed 2022-23 Budget proposes a total of \$4.9 billion from the General Fund—\$3.3 billion in 2021-22 and \$1.6 billion in 2022-23—to support various transportation projects, including transit and intercity rail, active transportation, and climate adaptation. In addition, the Proposed 2022-23 Budget includes \$1.8 billion in 2021-22 and \$1.9 billion 2022-23 in new federal transportation funds that the state is expected to receive through formula-based transportation programs as part of the Federal Infrastructure Investment and Jobs Act (IIJA) that was enacted in November 2021.

**Port Infrastructure and Goods Movement.** The Proposed 2022-23 Budget proposes \$1.2 billion from the General Fund—\$600 million in 2022-23 and 2023-24—for projects that improve the movement of goods on rail and roadways that serve ports, including railyard expansions and new bridges.

Health Care Access and Affordability. The two largest proposals in the Proposed 2022-23 Budget are to expand comprehensive Medi-Cal Coverage to all income-eligible undocumented immigrants and commit to addressing the affordability of health care through Covered California programs. In addition, the Proposed 2022-23 Budget reintroduces a proposal to establish an Office of Health Care Affordability and proposes efforts to lower the cost of insulin.

Homelessness. The Proposed 2022-23 Budget proposes \$2 billion in one-time General Fund over two years intended to address near-term homelessness needs while previously authorized funding for long-term housing solutions are implemented. Specifically, the budget proposes \$1.5 billion to the Department of Health Care Services' Behavioral Health Continuum Infrastructure Program for housing support for people with behavioral health needs. Additionally, the Proposed 2022-23 Budget proposes \$500 million for the Encampment Resolution Grants Program in 2022-23 administered by the California Interagency Council on Homelessness to provide targeted grants to local governments to rehouse individuals living in encampments.

Housing Development. The Proposed 2022-23 Budget proposes \$1 billion in one-time General Fund over two years to expand housing development. Specifically, the budget proposes \$500 million for infill housing development, \$300 million for the Affordable Housing and Sustainable Communities Program,

\$100 million to build housing on excess state sites, and \$100 million to repurpose existing commercial buildings for housing.

Affordable Housing. The Proposed 2022-23 Budget proposes \$1 billion in one-time General Fund over two years for affordable housing development. The Proposed 2022-23 Budget largely expands existing state programs related to affordable housing, including \$500 million for tax credits to builders of rental housing affordable to low-income households, \$200 million for mixed-income housing, \$200 million to preserve affordable housing units, and \$100 million to preserve affordable mobile homes.

*K-14 Education*. Under Proposition 98, the Proposed 2022-23 Budget includes \$102 billion in spending for K-14 education, \$73.1 billion from state General Fund and \$28.9 billion from local property tax revenue. As described below, the Proposed 2022-23 Budget includes a significant portion of additional funding to pay deferrals implemented in 2021-22, return students to in-person instruction, and provide a 5.33% cost-of-living adjustment to the Local Control Funding Formula.

The LAO estimates that under the Proposed 2022-23 Budget, the State has approximately \$17.7 billion available for new spending on K-14 programs as compared to prior years. All of the major ongoing increases for K-12 schools relate to previous commitments or involve additional funding for longstanding programs.

The LAO identified spending increases allocated to the following main priorities:

\$5.3 Billion Ongoing for Previous Commitments. The Proposed 2022-23 Budget provides funding to implement several program expansions agreed upon in the 2021-22 Budget, including \$3.4 billion to accelerate the implementation of the Expanded Learning Opportunities Program, which funds summer and before/after school programs and \$1.9 billion to expand Transitional Kindergarten, provide school meals for all students, reduce staffing ratios in Transitional Kindergarten classrooms, implement State Preschool rate increases, and cover community college financial aid expansions.

\$4.1 Billion Ongoing for COLAs and Attendance Changes. The Proposed 2022-23 Budget funds a 5.33 percent COLA for the primary K-14 funding formulas and several categorical programs. For schools, the budget anticipates a 2.19 percent decline in funded attendance but proposes to offset this decline with a new funding adjustment for districts with declining attendance. This adjustment would credit districts with their average attendance over the previous three years if it exceeds their current- and prior-year attendance.

\$2.3 Billion One Time for Infrastructure. The Proposed 2022-23 Budget proposes \$1.5 billion to replace diesel school buses with electric buses. It also provides \$450 million to upgrade school kitchen infrastructure and \$388 million for deferred maintenance and instructional equipment at the community colleges. Separate from these allocations, the budget also proposes to provide \$2.2 billion in non-Proposition 98 General Fund for the School Facilities Aid Program (\$1.3 billion in 2022-23 and \$925 million in 2023-24).

\$1.5 Billion One Time for College and Career Pathways. The Proposed 2022-23 Budget proposes \$1.5 billion to develop college and career pathways for high school students interested in technology, health care, education, and climate-related fields. The funds would be available over

four years to support local partnerships involving schools, colleges, universities, employers, and other community organizations.

Significant Deposits Into the Proposition 98 Reserve. Proposition 2 (2014) established the Proposition 98 Reserve and set forth rules requiring deposits and withdrawals under certain conditions. Generally, the State is required to deposit Proposition 98 funding into the account when revenue from capital gains is relatively strong and the minimum guarantee is growing faster than per capita personal income. The State is required to withdraw mandatory deposits from the Proposition 98 Reserve if the minimum guarantee is not growing quickly enough to support the prior-year funding level, as adjusted for student attendance and inflation. Under the Proposed 2022-23 Budget, by 2022-23 the cumulative balance of the Proposition 98 Reserve would be more than \$9.7 billion—nearly 10 percent of the total Proposition 98 funding allocated to schools and community colleges that year. Once the balance reaches 10 percent, additional deposits are no longer required.

Future State Budgets. The City receives a portion of its funding from the State. Changes in the revenues received by the State can affect the amount of funding, if any, to be received from the State by the City and other cities in the State.

In addition, the City cannot predict the outcome of current and future State budget negotiations, the impact that such budgets will have on its finances and operations or what actions will be taken in the future by the State Legislature and Governor to deal with changing State revenues and expenditures. Current and future State budgets will be affected by national and State economic conditions and other factors over which the City has no control. # CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES, REVENUES AND APPROPRIATIONS

The constitutional and statutory provisions discussed in this section have the potential to affect the ability of the City to levy taxes and spend tax proceeds for operating and other purposes.

## **Article XIIIA of the California Constitution**

On June 6, 1978, California voters approved an amendment (commonly known as both Proposition 13 and the Jarvis-Gann Initiative) to the California Constitution. This amendment, which added Article XIIIA to the California Constitution, among other things affects the valuation of real property for the purpose of taxation in that it defines the full cash property value to mean "the county assessor's valuation of real property as shown on the 1975-76 tax bill under "full cash value," or thereafter, the appraised value of real property newly constructed, or when a change in ownership has occurred after the 1975 assessment." The full cash value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or a

reduction in the consumer price index or comparable local data at a rate not to exceed 2% per year, or reduced in the event of declining property value caused by damage, destruction or other factors including a general economic downturn. The amendment further limits the amount of any ad valorem tax on real property to one percent of the full cash value except that additional taxes may be levied to pay debt service on indebtedness approved by the voters prior to July 1, 1978, and bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978 by two-thirds of the votes cast by the voters voting on the proposition.

Legislation enacted by the California Legislature to implement Article XIIIA provides that all taxable property is shown at full assessed value as described above. In conformity with this procedure, all taxable property value included in this Official Statement (except as noted) is shown at 100% of assessed value and all general tax rates reflect the \$1 per \$100 of taxable value. Tax rates for voter approved bonded indebtedness and pension liability are also applied to 100% of assessed value.

The voters of the State subsequently approved various measures which further amended Article XIIIA. One such amendment generally provides that the purchase or transfer of (i) real property between spouses or (ii) the principal residence and the first \$1,000,000 of the Full Cash Value of other real property between parents and children, do not constitute a "purchase" or "change of ownership" triggering reappraisal under Article XIIIA. Other amendments permitted the State Legislature to allow persons over the age of 55 who meet certain criteria or "severely disabled homeowners" who sell their residence and buy or build another of equal or lesser value within two years in the same county, to transfer the old residence's assessed value to the new residence. Other amendments permit the State Legislature to allow persons who are either 55 years of age or older, or who are "severely disabled," to transfer the old residence's assessed value to their new residence located in either the same or a different county and acquired or newly constructed within two years of the sale of their old residence.

In the November 1990 election, the voters approved an amendment of Article XIIIA to permit the State Legislature to exclude from the definition of "new construction" certain additions and improvements, including seismic retrofitting improvements and improvements utilizing earthquake hazard mitigation technologies constructed or installed in existing buildings after November 6, 1990.

Article XIIIA has also been amended to provide that there would be no increase in the Full Cash Value base in the event of reconstruction of the property damaged or destroyed in a disaster.

Section 51 of the Revenue and Taxation Code permits county assessors who have reduced the assessed valuation of a property as a result of natural disasters, economic downturns or other factors, to subsequently "recapture" such value (up to the pre-decline value of the property) at an annual rate higher than 2%, depending on the assessor's measure of the restoration of value of the damaged property.

Section 4 of Article XIIIA also provides that cities, counties and special districts cannot, without a two-thirds vote of the qualified electors, impose special taxes, which has been interpreted to include special fees in excess of the cost of providing the services or facility for which the fee is charged, or fees levied for general revenue purposes.

Both the California State Supreme Court and the United States Supreme Court have upheld the validity of Article XIIIA.

#### **Article XIIIB of the California Constitution**

On November 6, 1979, California voters approved Proposition 4, the Gann Initiative, which added Article XIIIB to the California Constitution. In June 1990, Article XIIIB was amended by the voters through their approval of Proposition 111. Article XIIIB of the California Constitution limits the annual appropriations of the State and any city, county, school district, authority or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted annually for changes in the cost of living, population and services rendered by the governmental entity. The "base year" for establishing such appropriation limit is Fiscal Year 1978-79. Increases in appropriations by a governmental entity are also permitted (1) if financial responsibility for providing services is transferred to the governmental entity, or (2) for emergencies so long as the appropriations limits for the three years following the emergency are reduced to prevent any aggregate increase above the Constitutional limit. Decreases are required where responsibility for providing services is transferred from the government entity.

Appropriations subject to Article XIIIB include generally any authorization to expend during the fiscal year the proceeds of taxes levied by the State or other entity of local government, exclusive of certain State subventions, refunds of taxes, benefit payments from retirement, unemployment insurance and disability insurance funds. Appropriations subject to limitation pursuant to Article XIIIB do not include debt service on indebtedness existing or legally authorized as of January 1, 1979, on bonded indebtedness thereafter approved according to law by a vote of the electors of the issuing entity voting in an election for such purpose, appropriations required to comply with mandates of courts or the Federal government, appropriations for qualified outlay projects, and appropriations by the State of revenues derived from any increase in gasoline taxes and motor vehicle weight fees above January 1, 1990 levels. "Proceeds of taxes" include, but are not limited to, all tax revenues and the proceeds to any entity of government from (1) regulatory licenses, user charges, and user fees to the extent such proceeds exceed the cost of providing the service or regulation, (2) the investment of tax revenues and (3) certain State subventions received by local governments. As amended by Proposition 111, the appropriations limit is tested over consecutive two-year periods. Any excess of the aggregate "proceeds of taxes" received by the City over such two-year period above the combined appropriations limits for those two years is to be returned to taxpayers by reductions in tax rates or fee schedules over the subsequent two years.

As amended in June 1990, the appropriations limit for the City in each year is based on the limit for the prior year, adjusted annually for changes in the costs of living and changes in population, and adjusted, where applicable, for transfer of financial responsibility of providing services to or from another unit of government. The change in the cost of living is, at the City's option, either (1) the percentage change in California per capita personal income, or (2) the percentage change in the local assessment roll for the jurisdiction due to the addition of nonresidential new construction. The measurement of change in population is a blended average of statewide overall population growth and change in attendance at local school and community college ("K-14") districts.

Article XIIIB permits any government entity to change the appropriations limit by vote of the electorate in conformity with statutory and Constitutional voting requirements, but any such voter-approved change can only be effective for a maximum of four years.

## Articles XIIIC and XIIID (Proposition 218) of the California Constitution

On November 5, 1996, the voters of the State approved Proposition 218, a constitutional initiative, entitled the "Right to Vote on Taxes Act" ("Proposition 218"). Proposition 218 added Articles XIIIC and

XIIID to the California Constitution and contained a number of interrelated provisions affecting the ability of local governments, including the City, to levy and collect both existing and future taxes and assessments, fees and charges.

Section 2 of Article XIIIC requires majority voter approval for the imposition, extension or increase of general taxes and requires two thirds voter approval for the imposition, extension or increase of special taxes. These voter approval requirements of Article XIIIC reduce the flexibility of the City to raise revenues by the levy of general or special taxes and, given such voter approval requirements, no assurance can be given that the City will be able to enact, impose, extend or increase any such taxes in the future to meet increased expenditure requirements.

Although a portion of the City's General Fund revenues are derived from general taxes purported to be governed by Proposition 218, all of such taxes were either imposed, extended or increased prior to the effective date of Proposition 218 or in accordance with the requirements of Proposition 218. No assurance can be given that the voters of the City will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges, such as the TOT, Proposition 172 revenues, or storm water fees which support the City's General Fund. TOT and other local taxes, assessments, fees and charges, could be subject to reduction or repeal by initiative under Proposition 218.

Section 3 of Article XIIIC expressly extends the initiative power to give voters the power to reduce or repeal local taxes, assessments, fees and charges, regardless of the date such taxes, assessments, fees or charges were imposed. Section 3 expands the initiative power to include reducing or repealing assessments, fees and charges that had previously been considered administrative rather than legislative matters and therefore beyond the initiative power. This extension of the initiative power is not limited by the terms of Article XIIIC to fees imposed after November 6, 1996, the effective date of Proposition 218, and absent other legal authority could result in the reduction in any existing taxes, assessments or fees and charges imposed prior to November 6, 1996.

"Fees" and "charges" are not expressly defined in Article XIIIC or in SB 919, the Proposition 218 Omnibus Implementation Act enacted in 1997 to prescribe specific procedures and parameters for local jurisdictions in complying with Article XIIIC and Article XIIID ("SB 919"). However, on July 24, 2006, the California Supreme Court ruled in Bighorn-Desert View Water Agency v. Virjil (Kelley) (the "Bighorn Decision") that charges for ongoing water delivery are fees and charges within the meaning Section 3 of Article XIIIC. The California Supreme Court held that such water service charges may, therefore, be reduced or repealed through a local voter initiative pursuant to Section 3 of Article XIIIC. The Bighorn Decision has been interpreted to mean that ongoing water delivery charges are also property-related fees and charges within the meaning of Article XIIID.

In the Bighorn Decision, the Supreme Court stated that nothing in Section 3 of Article XIIIC authorizes initiative measures that impose voter-approval requirements for future increases in fees or charges for water delivery. The Supreme Court stated that water providers may determine rates and charges upon proper action of the governing body and that the governing body may increase a charge which was not affected by a prior initiative or impose an entirely new charge.

The Supreme Court further stated in the Bighorn Decision that it was not holding that the initiative power is free of all limitations and was not determining whether the initiative power is subject to the statutory provision requiring that water and wastewater service charges be set at a level that will pay debt service on bonded debt and operating expenses. Such initiative power could be subject to the limitations

imposed on the impairment of contracts under the contract clause of the United States Constitution. Additionally, SB 919 provides that the initiative power provided for in Proposition 218 "shall not be construed to mean that any owner or beneficial owner of a municipal security, purchased before or after (the effective date of Proposition 218) assumes the risk of, or in any way consents to, any action by initiative measure that constitutes an impairment of contractual rights" protected by the United States Constitution.

Article XIIIC also removes many of the limitations on the initiative power in matters of reducing or repealing any local tax, assessment, fee or charge. No assurance can be given that the voters of the City will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges currently comprising a substantial part of the City's General Fund. "Assessments," "fees" and "charges" are not defined in Article XIIIC, and it is unclear whether these terms are intended to have the same meanings for purposes of Article XIIIC as for Article XIIID described below. If not, the scope of the initiative power under Article XIIIC potentially could include any General Fund local tax, assessment, or fee not received from or imposed by the federal or State government or derived from investment income.

If the City is unable to continue to collect assessment revenues for a particular program, the program might have to be curtailed and/or funded by the City's General Fund. Given the approval requirements imposed by Article XIIID, the City is unable to predict whether it will be able to continue to collect assessment revenues for these programs. If the City chose to fund any such programs from the General Fund instead, the General Fund budget would be affected.

Article XIIID defines a "fee" or "charge" as any levy other than an ad valorem tax, special tax, or assessment imposed by an agency upon a parcel or upon a person as an incident of property ownership, including a user fee or charge for a property-related service. A "property-related service" is defined as "a public service having a direct relationship to a property ownership" herein. Article XIIID further provides that reliance by an agency on any parcel map (including an assessor's parcel map) may be considered a significant factor in determining whether a fee or charge is imposed as an incident of property ownership. In the Bighorn Decision, the Supreme Court stated that ongoing water delivery charges are also property-related fees and charges within the meaning of Article XIIID.

Article XIIID requires that any agency imposing or increasing any property-related fee or charge must provide written notice thereof to the record owner of each identified parcel upon which such fee or charge is to be imposed and must conduct a public hearing with respect thereto. The proposed fee or charge may not be imposed or increased if a majority of owners of the identified parcels file written protests against it. As a result, if and to the extent that a fee or charge imposed by a local government for water service is ultimately determined to be a "fee" or "charge" as defined in Article XIIID, the local government's ability to increase such fee or charge may be limited by a majority protest.

In addition, Article XIIID also includes a number of limitations applicable to existing fees and charges including provisions to the effect that (i) revenues derived from the fee or charge shall not exceed the funds required to provide the property-related service; (ii) such revenues shall not be used for any purpose other than that for which the fee or charge was imposed; (iii) the amount of a fee or charge imposed upon any parcel or person as an incident of property ownership shall not exceed the proportional cost of the service attributable to the parcel; and (iv) no such fee or charge may be imposed for a service unless that service is actually used by, or immediately available to, the owner of the property in question. Property-related fees or charges based on potential or future use of a service are not permitted.

Depending on the interpretation of what constitutes a "property-related fee" under Article XIIID, there could be future restrictions on the ability of the City's General Fund to charge its enterprise funds for various services provided. In the event that fees and charges of enterprise funds cannot be appropriately increased or are reduced pursuant to exercise of the initiative power, the City may have to decide whether to supplement any deficiencies in these enterprise funds with moneys from the General Fund or to curtail service, or both.

The interpretation and application of Proposition 218 will ultimately be determined by the courts or through implementing legislation with respect to a number of the matters described above, and it is not possible at this time to predict with certainty the outcome of such determination or the nature or scope of any such legislation.

Both Articles XIIIA and XIIIB, as well as Articles XIIIC and XIIID described above, were adopted as measures that qualified for the ballot pursuant to California's constitutional initiative process. From time-to-time other initiative measures could be adopted, affecting the ability of the City to increase revenues and to increase appropriations.

## **Proposition 1A of 2004**

The California Constitution and existing statutes give the legislature authority over property taxes, sales taxes and the VLF. The legislature has authority to change tax rates, the items subject to taxation and the distribution of tax revenues among local governments, schools, and community college districts. The State has used this authority for many purposes, including increasing funding for local services, reducing State costs, reducing taxation, addressing concerns regarding funding for particular local governments, and restructuring local finance.

The California Constitution generally requires the State to reimburse the local governments when the State "mandates" a new local program or higher level of service. Due to the ongoing financial difficulties of the State, it has not provided in recent years reimbursements for many mandated costs. In other cases, the State has "suspended" mandates, eliminating both responsibility of the local governments for complying with the mandate and the need for State reimbursements.

The 2004 Budget Act, related legislation and the enactment of Proposition 1A of 2004 (described below) dramatically changed the State-local fiscal relationship. These constitutional and statutory changes implemented an agreement negotiated between the Governor and local government officials (the "State-local agreement") in connection with the 2004 Budget Act.

One change related to the reduction of the VLF rate from 2% to 0.65% of the market value of the vehicle. In order to protect local governments, which had previously received all VLF revenues, the 1.35 percent reduction in VLF revenue to cities and counties from this rate change was backfilled by an increase in the amount of property tax revenues they receive. This worked to the benefit of local governments, because the backfill amount annually increases in proportion to the growth in secured roll property tax revenues, which has historically grown at a higher rate than VLF revenues. Proposition 1A of 2004 requires the State to provide local governments with equal replacement revenues.

On November 3, 2004, the voters of the State approved Proposition 1A ("Proposition 1A of 2004"). Proposition 1A of 2004 amended the State Constitution to, among other things, reduce the Legislature's authority over local government revenue sources by placing restrictions on the State's access

to local governments' property tax, sales tax, and VLF revenues as of November 3, 2004. Pursuant to Proposition 1A of 2004, the State is able to borrow up to 8% of local property tax revenues but only if the Governor proclaims such action is necessary due to a severe State fiscal hardship and two-thirds of both houses of the State Legislature approve the borrowing. Any amounts borrowed are required to be repaid within three years. Proposition 1A of 2004 also permits the State to borrow from local property tax revenues for no more than two fiscal years within a period of 10 fiscal years, and only if previous borrowings have been repaid. In addition, the State cannot reduce the local sales tax rate or restrict the authority of the local governments to impose or change the distribution of the statewide local sales tax. Proposition 1A of 2004 generally prohibits the State from mandating activities on cities, counties, or special districts without providing the funding needed to comply with the mandates, and if the State does not provide funding for the activity that has been determined to be mandated, the requirement on cities, counties, or special districts to abide by the mandate is suspended. Proposition 1A of 2004 also expanded the definition of what constitutes a mandate to encompass State action that transfers to cities, counties, and special districts financial responsibility for a required program for which the State previously had partial or complete responsibility. The State mandate provisions of Proposition 1A of 2004 do not apply to schools or community colleges or to mandates relating to employee rights.

Pursuant to statutory changes made in conjunction with amendments to the fiscal year 2008-09 State Budget Act, the Fiscal Year 2009-10 State Budget Act and related budget legislation adopted by the State Legislature and signed by the Governor in February 2012 (collectively, the "February 2012 Budget Package"), the VLF rate increased from 0.65% to 1.15% effective May 19, 2012. Of this 0.50% increase, 0.35% will flow to the State General Fund, and 0.15% will support various law enforcement programs previously funded by the State General Fund.

## **Proposition 22**

Proposition 22 ("Proposition 22"), which was approved by California voters in November 2010, prohibits the State, even during a period of severe fiscal hardship, from delaying the distribution of tax revenues for transportation, redevelopment, or local government projects and services and prohibits fuel tax revenues from being loaned for cash-flow or budget balancing purposes to the State General Fund or any other State fund. Due to the prohibition with respect to State's ability to take, reallocate, and borrow money raised by local governments for local purposes, Proposition 22 supersedes certain provisions of Proposition 1A of 2004. See " - Proposition 1 A of 2004" herein. In addition, Proposition 22 generally eliminates the State's authority to temporarily shift property taxes from cities, counties, and special districts to schools, temporarily increase schools' and community college districts' share of property tax revenues, prohibits the State from borrowing or redirecting redevelopment property tax revenues or requiring increased pass-through payments thereof, and prohibits the State from reallocating vehicle license fee revenues to pay for State imposed mandates. In addition, Proposition 22 requires a two-thirds vote of each house of the State Legislature and a public hearing process to be conducted in order to change the amount of fuel excise tax revenues shared with cities and counties. The LAO states that Proposition 22 will prohibit the State from enacting new laws that require redevelopment agencies to shift funds to schools or other agencies.

Proposition 22 prohibits the State from borrowing sales taxes or excise taxes on motor vehicle fuels or changing the allocations of those taxes among local government except pursuant to specified procedures involving public notices and hearings. In addition, Proposition 22 requires that the State apply the formula setting forth the allocation of State fuel tax revenues to local agencies revert to the formula in effect on June 30, 2009. The LAO anticipated that Proposition 22 would require the State to adopt alternative actions to

address its fiscal and policy objectives, particularly with respect to short-term cash flow need. The City does not believe that Proposition 22 will have a significant impact on its revenues and expenditures.

# **Proposition 26**

Proposition 26 ("Proposition 26"), which was approved by California voters on November 2, 2010, revises the California Constitution to expand the definition of "taxes." Proposition 26 re-categorizes many State and local fees as taxes and specifies a requirement of two-thirds voter approval for taxes levied by local governments.

Proposition 26 requires the State obtain the approval of two-thirds of both houses of the State Legislature for any proposed change in State statutes, which would result in any taxpayer paying a higher tax. Proposition 26 eliminates the previous practice whereby a tax increase coupled with a tax reduction that resulted in an overall neutral fiscal effect was subject only to a majority vote in the State Legislature. Furthermore, pursuant to Proposition 26, any increase in a fee above the amount needed to provide the specific service or benefit is deemed to be a tax and the approval thereof will require such two-thirds vote of approval to be effective. In addition, for State imposed fees and charges, any fee or charge adopted after January 1, 2010 with a majority vote of approval of the State Legislature which would have required a two-thirds vote of approval of the State Legislature if Proposition 26 were effective at the time of such adoption is repealed as of November 2011 absent the re-adoption by the requisite two-thirds vote.

Proposition 26 amends Article XIII C of the State Constitution to state that a "tax" means a levy, charge or exaction of any kind imposed by a local government, except (1) a charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege; (2) a charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product; (3) a charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof; (4) a charge imposed for entrance to or use of local government property or the purchase rental or lease of local government property; (5) a fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government as a result of a violation of law; (6) a charge imposed as a condition of property development; or (7) assessments and property related fees imposed in accordance with the provisions of Proposition 218.

Proposition 26 applies to any levy, charge or exaction imposed, increased, or extended by local government on or after November 3, 2010, unless exempted, as stated above. Accordingly, fees adopted prior to that date are not subject to the measure until they are increased or extended or if it is determined that an exemption applies. As of the date hereof, none of the City's fees or charges has been challenged in a court of law in connection with the requirements of Proposition 26.

If the local government specifies how the funds from a proposed local tax are to be used, the approval will be subject to a two-thirds voter requirement. If the local government does not specify how the funds from a proposed local tax are to be used, the approval will be subject to a fifty percent voter requirement. Proposed local government fees that are not subject to Proposition 26 generally are subject to the approval of a majority of the governing body. In general, proposed property charges will be subject to a

majority vote of approval by the governing body although certain proposed property charges will also require approval by a majority of the affected property owners.

## **Proposition 19**

On November 3, 2020, State voters approved a constitutional amendment entitled Property Tax Transfers, Exemptions and Revenue for Wildfire Agencies and Counties Amendment ("Proposition 19"), which will: (i) expand special rules that give property tax savings to homeowners that are over the age of 55, severely disabled, or whose property has been impacted by a natural disaster or contamination, when they buy a different home; (ii) narrow existing special rules for inherited properties; and (iii) broaden the scope of legal entity ownership changes that trigger reassessment of properties. The City cannot make any assurance as to what effect the implementation of Proposition 19 will have on assessed valuation of real property in the City.

#### **Future Initiatives**

Articles XIIIA, XIIIB, XIIIC and XIIID, Propositions 1A, 22, 26 and 19 were each adopted as measures that qualified for the ballot pursuant to the State's initiative process. From time to time, other initiative measures could be adopted, which may place further limitations on the ability of the State, the City or local districts to increase revenues or to increase appropriations which may affect the City's revenues or its ability to expend its revenues.

#### **RISK FACTORS**

This section provides a general overview of certain risk factors which should be considered, in addition to the other matters set forth in this Official Statement, in evaluating an investment in the Certificates. This section is not meant to be a comprehensive or definitive discussion of the risks associated with an investment in the Certificates, and the order in which this information is presented does not necessarily reflect the relative importance of various risks. Potential investors in the Certificates are advised to consider the following factors, among others, and to review this entire Official Statement to obtain information essential to the making of an informed investment decision. Any one or more of the risk factors discussed below, among others, could lead to a decrease in the market value and/or in the marketability of the Certificates. There can be no assurance that other risk factors not discussed herein will not become material in the future.

## Lease Payments Are Not Debt

The obligation of the City to make the Lease Payments under the Lease Agreement does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. The obligation of the City to make Lease Payments does not constitute a debt of the City, the State or any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction.

Although the Lease Agreement does not create a pledge, lien or encumbrance upon the funds of the City, the City is obligated under the Lease Agreement to pay the Lease Payments from any source of legally available funds and the City has covenanted in the Lease Agreement that, for so long as the Property is available for its use, it will make the necessary annual appropriations within its budget for the Lease Payments. The City is currently liable and may become liable on other obligations payable from general

revenues, some of which may have a priority over the Lease Payments, or which the City, in its discretion, may determine to pay prior to the Lease Payments.

The City has the capacity to enter into other obligations payable from the City's general fund, without the consent of or prior notice to the Owners of the Certificates. To the extent that additional obligations are incurred by the City, the funds available to make Lease Payments may be decreased. In the event the City's revenue sources are less than its total obligations, the City could choose to fund other municipal services before making Lease Payments. The same result could occur if, because of State constitutional limits on expenditures, the City is not permitted to appropriate and spend all of its available revenues. The City's appropriations, however, have never exceeded the limitations on appropriations under Article XIIIB of the California Constitution. For information on the City's current limitations on appropriations, see "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS—Article XIIIB of the California Constitution."

# Valid and Binding Covenant to Budget and Appropriate

Pursuant to the Lease Agreement, the City covenants to take such action as may be necessary to include Lease Payments due in its annual budgets and to make necessary appropriations for all such payments. Such covenants are deemed to be duties imposed by law, and it is the duty of the public officials of the City to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the City to carry out and perform such covenants. A court, however, in its discretion may decline to enforce such covenants. Upon delivery of the Certificates, Special Counsel will render its opinion (substantially in the form of APPENDIX D-FORM OF SPECIAL COUNSEL OPINION) to the effect that, subject to the limitations and qualifications described therein, the Lease Agreement constitutes a valid and binding obligation of the City.

## **Additional Obligations of the City**

The Lease Agreement does not prohibit the City from incurring additional lease and other obligations payable from the City's General Fund. In that regard, the City may, from time to time, incur general fund obligations to finance public improvements (see "OTHER CITY FINANCIAL INFORMATION—Long-Term General Fund-Secured Obligations"), which may also include lease obligations payable from its general fund.

## **Cash Management**

The City has numerous internal or external means to manage its cash flow, including but not limited to interfund borrowing, intrafund borrowing and tax and revenue anticipation notes which may be employed to the extent the City Council is required to make budget adjustments in order to maintain a balanced budget. If the City does not take required actions and the budget remains out of balance, the cash requirements of the City may exceed available cash flow. The ability of the City to borrow on an interim basis to meet any cash shortfalls also may be limited if the budget remains out of balance for a sustained period of time. The City has the legal authority to issue "warrants" in place of cash to meet various types of expenditures or appropriations as an additional means to manage its cash flow. See "CITY FINANCIAL INFORMATION."

#### **Abatement**

In the event of loss or substantial interference in the use and possession by the City of all or any portion of the Property caused by material damage, title defect, destruction to or condemnation of the Property, Lease Payments will be subject to abatement. In the event that such component of the Property, if damaged or destroyed by an insured casualty, could not be replaced during the period of time that proceeds of the City's rental interruption insurance will be available in lieu of Lease Payments, or in the event that casualty insurance proceeds or condemnation proceeds are insufficient to provide for complete repair or replacement of such component of the Property or prepayment of the Certificates, there could be insufficient funds to make payments to Owners in full. Reduction in Lease Payments due to abatement as provided in the Lease Agreement does not constitute a default thereunder.

It is not possible to predict the circumstances under which such an abatement of rental may occur. In addition, there is no statute, case or other law specifying how such an abatement of rental should be measured. For example, it is not clear whether fair rental value is established as of commencement of the lease or at the time of the abatement. If the latter, it may be that the value of the Property is substantially higher or lower than its value at the time of the execution and delivery of the Certificates. Abatement, therefore, could have an uncertain and material adverse effect on the security for and payment of the Certificates.

## No Acceleration Upon Default

In the event of a default, there is no remedy of acceleration of the total Lease Payments due over the term of the Lease Agreement and the Trustee is not empowered to foreclose or sell a fee simple interest in the Property and use the proceeds of such sale to prepay the Certificates or pay debt service thereon. Any suit for money damages would be subject to limitations on legal remedies against public agencies in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest as described below. See "—Limitations on Remedies."

#### **Risk of Uninsured Loss**

The City covenants under the Lease Agreement to maintain certain insurance policies on the Property. See "SOURCE OF PAYMENT FOR THE CERTIFICATES—Insurance." These insurance policies do not cover all types of risk, and the City need not obtain insurance except as available on the open market from reputable insurers. The City does not insure its facilities against the risk of earthquake. Additionally, the Property could be the subject of an eminent domain proceeding. Under these circumstances an abatement of Lease Payments could occur and could continue indefinitely. There can be no assurance that the providers of the City's casualty and rental interruption insurance will in all events be able or willing to make payments under the respective policies for such loss should a claim be made under such policies. Further, there can be no assurances that amounts received as proceeds from insurance or from condemnation of the Property will be sufficient to prepay the Certificates.

Under the Lease Agreement the City may obtain casualty insurance which provides for a deductible up to \$250,000. Should the City be required to meet such deductible expenses, the availability of general fund revenues to make Lease Payments may be correspondingly affected.

#### **Eminent Domain**

If the Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the term of the Lease Agreement will cease as of the day possession is taken. If less than all of the Property is taken permanently, or if the Property or any part thereof is taken temporarily, under the power of eminent domain, (a) the Lease Agreement will continue in full force and effect and will not be terminated by virtue of such taking, and (b) there will be a partial abatement of Lease Payments as a result of the application of net proceeds of any eminent domain award to the prepayment of the Lease Payments, in an amount to be agreed upon by the City and the Corporation such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portion of the Property. The City covenants in the Lease Agreement to contest any eminent domain award which is insufficient to either: (i) prepay the Lease Payments in whole, if all the Property is condemned; or (ii) prepay a pro rata share of Lease Payments, in the event that less than all of the Property is condemned.

#### **COVID-19 Pandemic**

The COVID-19 Pandemic has affected travel, commerce, investment values, and financial markets globally, and is widely expected to continue to affect economic output worldwide and within the City, the County, and the State. While federal and state governments (including California) have enacted legislation and taken executive actions seeking to mitigate the negative public health and economic impacts of the Pandemic, no assurances can be given that these interventions will have the intended effects.

Negative economic impacts resulting from the COVID-19 Pandemic may or may not reduce or otherwise negatively affect revenues to the City's General Fund including declines in transient occupancy taxes as discussed under "CITY FINANCIAL INFORMATION." The ultimate impact of the COVID-19 Pandemic on the City's operations and finances is unknown. The City has developed what it believes to be reasonable budgeted projections of the magnitude of these impacts on its revenues and on its expenditures, but the COVID-19 Pandemic is ongoing, and the City cannot predict how and when it will be resolved.

As of the date of this Official Statement, the City does not believe that the impacts of the COVID-19 Pandemic will prevent the City from making the Lease Payments when due.

Additional information about the State's and the County's current status can be found at the State's website, <a href="www.covid19.ca.gov">www.covid19.ca.gov</a> and at the County's website <a href="www.co.monterey.ca.us">www.co.monterey.ca.us</a> for up-to-date information regarding COVID-19 restrictions in place in the State and in the County. Reference to the State's and the County's website is included in this Official Statement for general information only and information on such website is not included in this Official Statement by reference to such website.

## **Concentration of Revenue Sources**

The City relies on, among other things, a 1.5% voter-approved sales tax known as Measure N. Measure N was approved by the voters of the City voting in an election in November 6, 2018. The business license tax is a major revenue source for the City and has historically accounted for approximately 10-15% of the City's total General Fund revenues in recent years. Measure N sales and use taxes will sunset on March 31, 2034 if Measure N's sales tax is not otherwise extended by the voters of the City beforehand. Failure to extend Measure N beyond 2034 could materially and adversely impact the City's revenues and could affect the City's ability to make the Lease Payments when due. Such a result could be affected by

events entirely outside of the City's control. For additional discussion of sales and use taxes and of Measure N, see "CITY FINANCIAL INFORMATION -Primary Sources of General Fund Revenues and -Sales and Use Taxes."

## **Hazardous Substances**

One of the most serious risks in terms of the potential reduction in the value or use of a parcel of property is a claim with regard to a hazardous substance. In general, the owners, lessors and/or lessees of a parcel of real property may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act," is the most well-known and widely applicable of these laws, but California laws with regard to hazardous substances are also stringent and similar in application. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the owner (or operator) has contributed to or caused contamination with the hazardous substances. The effect, therefore, should property in the City be affected by a hazardous substance, is to reduce both marketability and the value of property by the costs of remedying the condition. While the City is not currently aware of any such condition, it is possible that such hazardous substance conditions do currently exist and that the City has not been made aware of their existence.

#### **Natural Calamities**

General. From time to time, the City has been and could be subject to natural calamities, including, but not limited to, earthquake, flood or wildfire, that may adversely affect economic activity in the City, and which could have a negative impact on City finances. There can be no assurance that the occurrence of any natural calamity would not cause substantial damage to persons, property and structures in the City and could have a substantial negative effect on the City's General Fund.

Flood. Like most of the State, the City is subject to unpredictable seasonal rainfall, with periods of intense and sustained precipitation occurring every few years. Certain of the areas in the City adjacent to water features are classified by FEMA as being in the AE flood zone and the A flood zone, flood insurance rate zone that correspond to the 1% annual chance floodplain and 1% annual chance shallow floodplain, respectively. Property owners in AE and A flood risk zones who have federally backed mortgages are required to purchase flood insurance as a condition of that loan. Additionally, areas adjacent to the Salinas River, which runs to the north of the City, are also at risk of damage from flood conditions. FEMA flood maps can be viewed at the FEMA Flood Map Service Center at <a href="https://msc.fema.gov/portal/home">https://msc.fema.gov/portal/home</a>. Such website is not incorporated herein by this reference.

Drought. The State is currently experiencing drought conditions. The Governor of the State has issued targeted emergency drought proclamations to nearly all counties across the State, including the County. The emergency drought proclamations allow for the set-aside of certain state regulatory requirements until the subsistence of drought conditions. The City and the County are presently experiencing drought conditions and are likely to continue to be effected by drought conditions in the future.

Seismic. Like most regions in California, the City is in an area of significant seismic activity. Soils in lowland areas away from major faults may also be unable to support buildings during major earthquakes. Landslides are likely on hillsides during major earthquakes. Damage resulting from such an event could have a material adverse effect on the City's financial condition as well, through unexpected recovery costs and reduced tax and other revenues.

Wildfire. In recent years, wildfires have caused extensive damage to cities throughout the State. In some instances, entire neighborhoods have been destroyed. Areas effected by wildfires may be more prone to flooding and mudslides. In addition to the direct impact of wildfires on health and safety and property damage, the smoke from wildfires has negatively impacted the quality of life in the City and may have short-term and future impacts on residential and commercial activity in the City.

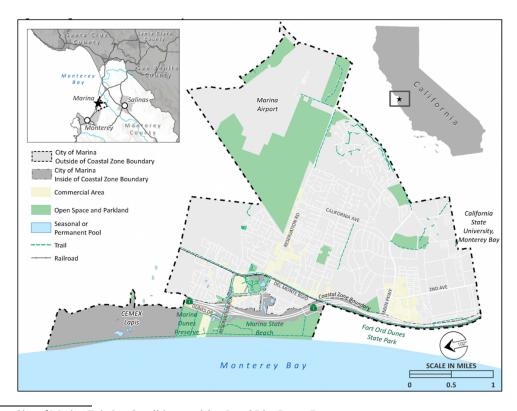

As the devastating Soberanes Fire in 2016 and Basin Complex fire of 2008 attest, wildfire is a serious hazard in Monterey County and for the City of Marina. The historical average return interval between large wildfires (>10,000 acers) in Monterey County is 7.3 years, with a minimum return interval as short as 1 year, and a maximum as long as 16 years. The greatest potential wildfire risk to the City of Marina is from the Bureau of Land Management's Fort Ord National Monument, which is in close proximity to the southern end of the city. Severe weather conditions could make this landscape consisting of fuel-rich maritime chaparral and oak woodlands highly susceptible to wildfire outbreak. Several studies have indicated that the risk of wildfire will increase with climate change. While the models differ, there is a general pattern for wildfires in California to start earlier in the season, continue later in the year, and occur with increasing frequency.

While the City believes the possibility of wildfire damage within the City is low, there can be no assurances that wildfires will not occur within the City or the County or that the City will not be negatively impacted by sustained smoky conditions caused by wildfires. Damage resulting from such an event could have a material adverse effect on the City's financial condition as well, through unexpected recovery costs and reduced tax and other revenues.

Climate Change/Sea Level Rise. Climate change caused by human activities may have adverse effects on the City and its finances. Climate change can also result in more variable weather patterns throughout the State, rising ocean water levels, increased risk of flooding, changes in salinity and tidal patterns, coastal erosion, drought, water restrictions and vegetation changes. Portions of the City are located adjacent to Monterey Bay and are likely to be negatively impacted by these and other results of climate change. The City considers the potential effects of climate change in its planning.

The City's coastline has one of the highest rates of erosion in California. The high rates of erosion have largely been caused by a long standing coastal sand mine. In 2017, a monumental settlement agreement between the City, the California Coastal Commission ("CCC"), the California State Lands Commission ("CSLC"), and CEMEX, the owner of the sand mine laid out the phased end and remediation to nearly a century of sand mining activities. In accordance with the terms of the settlement agreement, CEMEX ceased all operations at the sand mine in December, 2021.

As the City's coastline has a mostly unique dune topography, the large distances to inland development mean that most developed property in the City faces minimal exposure to coastal hazards and sea level rise. Coastal dune erosion hazards, as described above, are the biggest threat to the City. The primary impact from this erosion will be to open space, recreation, and dune habitats along Marina State Beach. Infrastructure projected to be eroded and damaged by sea level rise along the coast include certain Marina Coast Water District facilities, some portions of the City's wastewater conveyance system, and the Sanctuary Beach Resort. With ~5 feet of sea level rise, coastal wave flooding could begin to cause temporary flood impacts inland of Highway 1 during high tides and a rare 1% annual chance (aka 100 year) storm wave events.

## MAP OF THE CITY OF MARINA AND ITS COSTAL AREAS

Source: 2019 City of Marina Existing Conditions and Sea Level Rise Issues Report.

City of Marina Local Costal Program (LCP). The California Coastal Act requires local governments in the State's Coastal Zone to create and implement Local Coastal Programs ("LCPs"). Each LCP consists of a Coastal Land Use Plan and an Implementation Plan. Using the California Coastal Act, the California Coastal Commission ("CCC") and local governments manage coastal development, including addressing the challenges presented by coastal hazards like storms, flooding, and erosion. Sea level rise and the changing climate present new management challenges with the potential to significantly threaten many coastal resources, including both natural and public access.

In order to address sea level rise and associated hazards in the City's LCP project, the City and its consultant team prepared a 2019 City of Marina Existing Conditions and Sea Level Rise Issues Report (the "SLR Report"). The purpose of the SLR Report was to provide technical analysis using climatic modeling to support the City's effort to incorporate a range of coastal and climate change hazards into the City's planning and regulatory processes to assist the City in making informed decisions regarding land use and development standards from the project level to the plan level. The SLR Report considered potential impacts from coastal hazards exacerbated by various elevations of sea level rise (9 inches, 28 inches, and 63 inches) to a range of infrastructure and natural resource sectors. The SLR Report also lays out a framework over the next few decades for when office buildings, a sewer pump, and an aging water treatment facility should consider moving away from the sea.

The City's SLR Report and Local Costal Plan can be viewed on the City's website at: https://www.cityofmarina.org/888/Local-Coastal-Program-Update. Such website is not incorporated herein by this reference.

Projections of the impacts of global climate change on the City are complex and depend on many factors that are outside the City's control. The various scientific studies that forecast the amount and timing of adverse impacts of climate change are based on assumptions contained in such studies, but actual events may vary materially. Also, the scientific understanding of climate change and its effects continues to evolve. Accordingly, the City is unable to forecast with certainty when and where the adverse impacts of climate change will occur or the extent of such impacts. While the impacts of climate change may be mitigated by the City's past and future investment in adaptation strategies, the City can give no assurance about the net effects of those strategies and whether the City will be required to take additional adaptive mitigation measures.

## Potential Impact of State Financial Condition on the City

During the 2008-09 recession, the State faced a structural deficit that resulted in substantial annual deficits and reductions in expenditures. Although the State has had a budget surplus in the more recent fiscal years, according to the State there remain a number of major risks and pressures that threaten the State's financial condition, including the threat of recession, potential changes to federal fiscal policies and unfunded long-term liabilities of more than \$200 billion related to pensions and other post-retirement benefits. These risks and financial pressures could result in future reductions or deferrals in amounts payable to the City. The State's financial condition and budget policies affect local public agencies throughout California. To the extent that the State budget process results in reduced revenues to the City, the City will be required to adjust its budget. State budget policies can also impact conditions in the local economy and could have an adverse effect on the local economy and the City's major revenue sources.

No prediction can be made by the City as to whether the State will encounter budgetary problems in future fiscal years, and if it were to do so, it is not clear what measures would be taken by the State to balance its budget, as required by law. In addition, the City cannot predict the final outcome of future State budget negotiations, the impact that such budgets will have on City finances and operations or what actions will be taken in the future by the Legislature and the Governor to deal with changing State revenues and expenditures. There can be no assurance that actions taken by the State to address its financial condition will not materially adversely affect the financial condition of the City. Current and future State budgets will be affected by national and State economic conditions and other factors over which the City has no control (see "STATE BUDGET INFORMATION"). The ability of the state to divert funds from the City has been limited by Proposition 1A and Proposition 22, which are discussed herein. See "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES, REVENUES AND APPROPRIATIONS."

## **Increased Internet Use May Reduce Sales Tax Revenues**

The increasing use of the Internet to conduct electronic commerce may affect the levels of the sales tax revenues collected by the City and the County. Online sales of physical products by businesses located in the State, and online sales of physical products delivered to the State by businesses located outside of the State are generally subject to the sales taxes. However, the City believes that many of these transactions may avoid taxation either through error or deliberate non-reporting and this potentially reduces the amounts of the sales tax revenues collected. As a result, the more that the Internet is used to conduct electronic commerce, along with the failure to collect sales taxes on such online purchases, the more that the City may experience reductions sales tax collections. On September 23, 2011, Governor Jerry Brown signed into law a settlement with Amazon.com Inc., one of the largest internet retailers in the State. As a result, beginning

in September 2012, Amazon started collecting taxes from its online sales in the State, to remit to the California Department of Tax and Fee Administration ("CDTFA"). On June 21, 2018, in the case of South Dakota v. Wayfair, the Supreme Court of the United States ruled that state and local governments have the authority to require out-of-state vendors with no local physical presence in a state to collect and remit sales taxes to state and local governments. As of April 1, 2019, retailers located outside of the State are required to register with CDTFA, collect the California use tax and pay the tax to CDTFA based on the amount of their sales into California, even if they do not have a physical presence in the state, with exceptions for retailers with California sales below certain volume and dollar thresholds. The City and the County cannot predict the degree that the collection of the California use tax on such retailers will affect the collection of sales taxes on a going forward basis.

## **Pension Benefit Liability**

Many factors influence the amount of the City's pension benefit liabilities, including, without limitation, inflationary factors, changes in statutory provisions of CalPERS retirement system laws, changes in the level of benefits provided or in the contribution rates of the City, increases or decreases in the number of covered employees, changes in actuarial assumptions or methods (including but not limited to the assumed rate of return), mortality rates, and differences between actual and anticipated investment experience of CalPERS. Any of these factors could give rise to additional liability of the City to its pension plans as a result of which the City would be obligated to make additional payments to its pension plans in order to fully fund the City's obligations to its pension plans.

# **Risks Related to Cyber Security**

The City relies on computers and technology to conduct its operations. The City and its departments face cyber threats from time to time including, but not limited to, hacking, viruses, malware and other forms of technology attacks. The City owns and operates its own enterprise class data network serving the municipal city government and its operations. The City has retained information technology professionals to support, maintain and protect these operations locally in a purpose-built and physically secure environment. This network and its operations are governed by and in compliance with all applicable governmental regulations as well as the City's own administrative regulations. Within the City's operations and guidance is an active cyber-security program designed to protect from, and to quickly identify and mitigate, a multitude of complex security threats. While no network is completely immune from all possible compromise, the City exercises its due diligence in protecting the data it possesses and the systems it operates. To date, there have been no significant cyber-attacks on the City's computers and technologies.

# [DISCUSS. ANY CYBER POLICY OR INSURANCE?]

While the City routinely maintains its technology systems and continuously implements new information security controls, no assurances can be given that the City's security and operational control measures will be successful in guarding against all cyber threats and attacks. The results of any attack on the City's computer and technology could negatively impact the City's operations, and the costs related to such attacks could be substantial.

## **Bankruptcy**

The City is a unit of State government and therefore is not subject to the involuntary procedures of the United States Bankruptcy Code (the "Bankruptcy Code"). However, pursuant to Chapter 9 of the

Bankruptcy Code, the City may seek voluntary protection from its creditors for purposes of adjusting its debts. A City bankruptcy petition could have a material adverse effect on the payment of the Certificates. The following paragraphs present a discussion of certain potential consequences surrounding a potential City bankruptcy. It is not intended to be an exhaustive discussion of all potential adverse consequences or potential outcomes.

In the event the City were to become a debtor under the Bankruptcy Code, the City would be entitled to all of the protective provisions of the Bankruptcy Code as applicable in a Chapter 9 proceeding. Among the adverse effects of such a bankruptcy might be: (i) the application of the automatic stay provisions of the Bankruptcy Code, which, until relief is granted, would prevent collection of payments from the City or the commencement of any judicial or other action for the purpose of recovering or collecting a claim against the City; (ii) the avoidance of preferential transfers occurring during the relevant period prior to the filing of a bankruptcy petition; (iii) the existence of unsecured or court-approved secured debt which may have a priority of payment superior to that of Owners of Certificates; and (iv) the possibility of the adoption of a plan for the adjustment of the City's debt (a "Plan") without the consent of the Trustee or all of the Owners of Certificates, which Plan may restructure, delay, compromise or reduce the amount of any claim of the Owners if the Bankruptcy Court finds that the Plan is fair and equitable.

In addition, the City could either reject the Lease Agreement or assume the Lease Agreement despite any provision of the Lease Agreement which makes the bankruptcy or insolvency of the City an event of default thereunder. In the event the City rejects the Lease Agreement, the Trustee, on behalf of the Owners of the Certificates, would have a pre-petition claim that may be limited under the Bankruptcy Code and treated in a manner under a Plan over the objections of the Trustee or Owners of the Certificates. Moreover, such rejection would terminate the Lease Agreement and the City's obligations to make payments thereunder.

## **Early Redemption Risk**

Early redemption of the Certificates may occur in whole or in part without premium, on any date if the Property or a portion thereof is lost, destroyed or damaged beyond repair or taken by eminent domain or from the proceeds of title insurance (see "THE CERTIFICATES—Redemption").

#### **Limitations on Remedies**

The enforcement of any remedies provided in the Lease Agreement and the Trust Agreement could prove both expensive and time consuming. Although the Lease Agreement provides that if the City defaults the Trustee may enter the Property and re-let the Property, portions of the Property may not be easily recoverable, and even if recovered, could be of little value to others because of the Property's specialized nature. Additionally, the Trustee may have limited ability to re-let the Property to provide a source of rental payments sufficient to pay the principal of and interest with respect to the Certificates so as to preserve the tax-exempt nature of interest with respect to the Certificates. Furthermore, due to the governmental nature of the Property, it is not certain whether a court would permit the exercise of the remedy of re-letting with respect thereto.

Alternatively, the Trustee may terminate the Lease Agreement and proceed against the City to recover damages pursuant to the Lease Agreement. Any suit for money damages would be subject to limitations on legal remedies against public agencies in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest.

The rights of the Owners of the Certificates are subject to certain limitations on legal remedies against cities, redevelopment agencies and other governmental entities in the State, including but not limited to a limitation on enforcement against funds that are otherwise needed to serve the public welfare and interest. Additionally, the rights of the Owners of the Certificates may be subject to (i) bankruptcy, insolvency, reorganization, moratorium, or similar laws limiting or otherwise affecting the enforcement of creditors' rights generally (as such laws are now or hereafter may be in effect), (ii) equity principles (including but not limited to concepts of materiality, reasonableness, good faith and fair dealing) and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or law, (iii) the exercise by the United States of America of the powers delegated to it by the Constitution, and (iv) the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Under Chapter 9 of the Bankruptcy Code (Title 11, United States Code), which governs bankruptcy proceedings for public agencies, there are no involuntary petitions in bankruptcy. If the City were to file a petition under Chapter 9 of the Bankruptcy Code, the Owners, the Trustee and the Corporation could be prohibited or severely restricted from taking any steps to enforce their rights under the Lease Agreement and from taking any steps to collect amounts due from the City under the Lease Agreement.

Special Counsel has limited its opinion as to the enforceability of the Lease Agreement to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium, or other similar laws affecting generally the enforcement of creditor's rights, by equitable principles and by the exercise of judicial discretion. Additionally, the Certificates are not subject to acceleration in the event of the breach of any covenant or duty under the Lease Agreement. The lack of availability of certain remedies or the limitation of remedies may entail risks of delay, limitation or modification of the rights of the Owners.

## No Reserve Fund

No debt service reserve fund has been established with respect to the Certificates.

# Secondary Market Risk

There can be no assurance that there will be a secondary market for purchase or sale of the Certificates, and from time to time there may be no market for them, depending upon prevailing market conditions, the financial condition or market position of firms who may make the secondary market and the financial condition of the City.

## Changes in Law

There can be no assurance that the electorate of the State will not at some future time adopt additional initiatives or that the Legislature will not enact legislation that will amend the laws or the Constitution of the State resulting in a reduction of the general fund revenues of the City and consequently, having an adverse effect on the security for the Certificates.

#### ABSENCE OF LITIGATION

At the time of delivery of and payment for the Certificates, the City and the Corporation will certify that there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court or regulatory agency, public board, or body pending or threatened against the City or the Corporation affecting their existence or the titles of their respective officers or seeking to restrain or to enjoin the issuance, sale, or delivery of the Certificates, or the application of the proceeds thereof in accordance with the Trust Agreement, or in any way contesting or affecting the validity or enforceability of the Certificates, any agreement entered into between the City and any purchaser of the Certificates, the Lease Agreement, the Trust Agreement, the Assignment Agreement, the Site and Facility Lease or any other applicable agreements or any action of the City or the Corporation contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the City or the Corporation or their authority with respect to the Certificates or any action of the City or the Corporation contemplated by any of said documents, nor, to the knowledge of the City or the Corporation, is there any basis therefor. There is no litigation pending or threatened against the City that could affect the City's ability to make the Lease Payments.

# CONTINUING DISCLOSURE

Pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), the City has agreed, for the benefit of holders of the Certificates, to provide certain financial information and operating data relating to the City relating to the Certificates (the "Annual Reports") and its audited financial statements, by not later than March 31 of each year commencing with the report for the 2020-21 fiscal year (the "Annual Information"), and to provide notices of the occurrence of certain events. The Annual Reports, audited financial statements and notices of events will be filed by the City with the Municipal Securities Rulemaking Board (the "MSRB"), via its Electronic Municipal Market Access ("EMMA") system. The nature of the information to be provided in the Annual Reports and the notices of events is set forth in APPENDIX G—FORM OF CONTINUING DISCLOSURE CERTIFICATE.

During the last five years, all Annual Reports were filed on time. The City's 2018 audited financial statements were filed late on August 21, 2019, its 2020 audited financial statements were filed late on July 2, 2021, and its 2021 audited financial statements were file late on \_\_\_\_\_\_, 2022, although unaudited financial statements for those years were filed on time. All other audited financial statements during the last five years were filed on time.

#### **MUNICIPAL ADVISOR**

KNN Public Finance, LLC, Berkeley, California (the "Municipal Advisor"), is an independent financial advisory firm registered as a "Municipal Advisor" with the Securities Exchange Commission and Municipal Securities Rulemaking Board. The Municipal Advisor does not underwrite, trade or distribute municipal or other public securities. The Municipal Advisor has assisted the District in connection with the planning, structuring, sale, and delivery of the Certificates. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification of or to assume responsibilities for the accuracy, completeness, or fairness of the information contained in this Official Statement not provided by the Municipal Advisor. The fees of the Municipal Advisor in respect to the Certificates are contingent upon their sale and delivery.

## **LEGAL MATTERS**

All legal matters in connection with the execution and delivery of the Certificates are subject to the approval of Quint & Thimmig LLP, Larkspur, California, Special Counsel. Special Counsel's opinion with respect to the Certificates will be substantially in the form set forth in APPENDIX D—FORM OF SPECIAL COUNSEL OPINION. Certain legal matters will also be passed on for the City by Quint & Thimmig LLP, Larkspur, California, as Disclosure Counsel, and by the City Attorney. Certain legal matters will be passed upon for the Underwriter by Stradling Yocca Carlson & Rauth, Newport Beach, California. The fees and expenses of Special Counsel, Disclosure Counsel and Underwriter's Counsel are contingent upon the delivery of the Certificates.

#### TAX MATTERS

Federal tax law contains a number of requirements and restrictions which apply to the Certificates, including investment restrictions, periodic payments of arbitrage profits to the United States, requirements regarding the proper use of bond proceeds and the facilities financed therewith, and certain other matters. The City has covenanted to comply with all requirements that must be satisfied in order for the interest with respect to the Certificates to be excludable from gross income for federal income tax purposes. Failure to comply with certain of such covenants could cause interest with respect to the Certificates to become includible in gross income for federal income tax purposes retroactively to the date of delivery of the Certificates.

Subject to the City's compliance with the above-referenced covenants, under present law, in the opinion of Special Counsel, interest with respect to the Certificates is excludable from the gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the federal alternative minimum tax under the Internal Revenue Code of 1986, as amended (the "Code").

In rendering its opinion, Special Counsel will rely upon certifications of the City with respect to certain material facts within the City's knowledge. Special Counsel's opinion represents its legal judgment based upon its review of the law and the facts that it deems relevant to render such opinion and is not a guarantee of a result.

Ownership of the Certificates may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, corporations subject to the branch profits tax, financial institutions, certain insurance companies, certain S corporations, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of the Certificates should consult their tax advisors as to applicability of any such collateral consequences.

The issue price for original issue discount (as further discussed below) and market discount purposes (the "OID Issue Price") for each maturity of the Certificates is the price at which a substantial amount of such maturity of the Certificates is first sold to the public (excluding bond houses and brokers and similar persons or organizations acting in the capacity of underwriters, placement agents or

wholesalers). The OID Issue Price of a maturity of the Certificates may be different from the price set forth, or the price corresponding to the yield set forth, on the inside cover page hereof.

If the OID Issue Price of a maturity of the Certificates is less than the principal amount payable at maturity, the difference between the OID Issue Price of each such maturity, if any, of the Certificates (the "OID Certificates") and the principal amount payable at maturity is original issue discount.

For an investor who purchases an OID Certificate in the initial public offering at the OID Issue Price for such maturity and who holds such OID Certificate to its stated maturity, subject to the condition that the City complies with the covenants discussed above, (a) the full amount of original issue discount with respect to such OID Certificate constitutes interest which is excludable from the gross income of the owner thereof for federal income tax purposes; (b) such owner will not realize taxable capital gain or market discount upon payment of such OID Certificate at its stated maturity; (c) such original issue discount is not included as an item of tax preference in computing the alternative minimum tax for individuals under the Code; and (d) the accretion of original issue discount in each year may result in certain collateral federal income tax consequences in each year even though a corresponding cash payment may not be received until a later year. Owners of OID Certificates should consult their own tax advisors with respect to the state and local tax consequences of original issue discount on such OID Certificates.

Owners of Certificates who dispose of Certificates prior to the stated maturity (whether by sale, redemption or otherwise), purchase Certificates in the initial public offering, but at a price different from the OID Issue Price or purchase Certificates subsequent to the initial public offering should consult their own tax advisors.

If a Certificate is purchased at any time for a price that is less than the Certificate's stated redemption price at maturity or, in the case of an OID Certificate, its OID Issue Price plus accreted original issue discount reduced by payments of interest included in the computation of original issue discount and previously paid (the "Revised Issue Price"), the purchaser will be treated as having purchased a Certificate with market discount subject to the market discount rules of the Code (unless a statutory de minimis rule applies). Accrued market discount is treated as taxable ordinary income and is recognized when a Certificate is disposed of (to the extent such accrued discount does not exceed gain realized) or, at the purchaser's election, as it accrues. Such treatment would apply to any purchaser who purchases an OID Certificate for a price that is less than its Revised Issue Price even if the purchase price exceeds par. The applicability of the market discount rules may adversely affect the liquidity or secondary market price of such Certificate. Purchasers should consult their own tax advisors regarding the potential implications of market discount with respect to the Certificates.

An investor may purchase a Certificate at a price in excess of its stated principal amount. Such excess is characterized for federal income tax purposes as "bond premium" and must be amortized by an investor on a constant yield basis over the remaining term of the Certificate in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium relating to a tax-exempt bond. The amortized bond premium is treated as a reduction in the tax-exempt interest received. As bond premium is amortized, it reduces the investor's basis in the Certificate. Investors who purchase a Certificate at a premium should consult their own tax advisors regarding the amortization of bond premium and its effect on the Certificate's basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the Certificate.

There are or may be pending in the Congress of the United States legislative proposals, including some that carry retroactive effective dates, that, if enacted, could alter or amend the federal tax matters referred to above or affect the market value of the Certificates. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to Certificates delivered prior to enactment. Prospective purchasers of the Certificates should consult their own tax advisors regarding any pending or proposed federal tax legislation. Special Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

The Internal Revenue Service (the "Service") has an ongoing program of auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is includible in the gross income of the owners thereof for federal income tax purposes. It cannot be predicted whether or not the Service will commence an audit of the Certificates. If an audit is commenced, under current procedures the Service may treat the City as a taxpayer and the Owners may have no right to participate in such procedure. The commencement of an audit could adversely affect the market value and liquidity of the Certificates until the audit is concluded, regardless of the ultimate outcome.

Payments of interest on, and proceeds of the sale, redemption or maturity of, tax-exempt obligations, including the Certificates, are in certain cases required to be reported to the Service. Additionally, backup withholding may apply to any such payments to any Certificate owner who fails to provide an accurate Form W-9 Request for Taxpayer Identification Number and Certification, or a substantially identical form, or to any Certificate owner who is notified by the Service of a failure to report any interest or dividends required to be shown on federal income tax returns. The reporting and backup withholding requirements do not affect the excludability of such interest from gross income for federal tax purposes.

In the further opinion of Special Counsel, interest with respect to the Certificates is exempt from California personal income taxes.

Ownership of the Certificates may result in other state and local tax consequences to certain taxpayers. Special Counsel expresses no opinion regarding any such collateral consequences arising with respect to the Certificates. Prospective purchasers of the Certificates should consult their tax advisors regarding the applicability of any such state and local taxes.

The complete text of the final opinion that Special Counsel expects to deliver upon the delivery of the Certificates is set forth in APPENDIX D—FORM OF OPINION OF SPECIAL COUNSEL.

#### **RATING**

S&P Global Ratings, a Standard & Poor's Financial Services LLC business ("S&P") has assigned the rating of "\_\_\_\_" to the Certificates. Such rating reflects only the view of S&P and any desired explanation of the significance of such rating should be obtained from S&P at the following address: 55 Water Street, New York, NY 10041, (212) 208-8000. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance such rating will continue for any given period of time or that such rating will not be revised downward or withdrawn entirely by S&P if, in the judgment of S&P, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price for the Certificates.

# GENERAL, ECONOMIC AND DEMOGRAPHIC INFORMATION RELATING TO THE CITY AND THE COUNTY

The following information concerning the City of Marina and Monterey County is included only for the purpose of supplying general information regarding the City and the County. The Certificates are not a debt of the County, the State or any of its political subdivisions, and none of the County, the State nor any of their political subdivisions, except for the City, are liable therefor.

Although reasonable efforts have been made to include up-to-date information in this Appendix A, some of the information is not current due to delays in reporting of information by various sources. It should not be assumed that the trends indicated by the following data would continue beyond the specific periods reflected herein.

## Introduction

The City. The City of Marina, California (the "City") is located in Monterey County, California (the "County"). The City is located along the central coast of California, 8 miles west of the City of Salinas, and 8 miles north of the City of Monterey. The City is also connected to Monterey, California by California State Route 1, which also connects it with Santa Cruz, California, after driving for about 35 miles. The City lies at an elevation of 43 feet. The City was incorporated in 1975 and is the newest city on the Monterey Peninsula. The City includes part of the California State University, Monterey Bay campus, the Monterey Bay Education, Science and Technology Center branch research center of the University of California Santa Cruz, and the Veterans Transition Center (VTC). According to the United States Census Bureau, the City has a total area of 9.8 square miles, of which 8.9 square miles is land and 0.9 square miles is water.

The City's history is intertwined with that of Fort Ord. Fort Ord lands were used as an infantry training center since the Mexican-American War. Major growth took place in 1938 with the first joint Army and Navy maneuvers held in 1940. Fort Ord was selected in 1991 for decommissioning and the post formally closed after troop reassignment in 1994. In July 1994 the first academic year of California State University, Monterey Bay opened, and barracks were soon transformed into dorms. As a result of base closure, some of the last undeveloped natural wildlands on the Monterey Peninsula are now overseen by the Bureau of Land Management, including 86 miles of trails for the public to explore on foot, bike or horseback. In 2012, President Barack Obama designated 14,000 acres of the closed base as a National Monument managed by the BLM.

The County. Monterey County, described as the "greatest meeting of land and sea" celebrated its quadricentennial in 2002. In 1602, Spanish merchant Sebastian Vizcaino became the first European on the Monterey Peninsula. He christened Monterey after the viceroy of New Spain, Count de Monte Rey. Eventually, the City of Monterey served as California's first capital, where the State constitution was signed in 1849. The County is one of the 27 original California counties, incorporating in 1850.

With an area of about 3,300 square miles, the County borders the Pacific Ocean almost at the midpoint of California with 99 miles of coastline. The County is located about 100 miles south of San Francisco and 240 miles north of Los Angeles. It is bordered by Santa Cruz County to the north, San Benito (originally part of Monterey County), Fresno and Kings Counties to the east and San Luis Obispo County to the south.

There are two distinct sub-regions in the County. One is the Monterey Peninsula, world famous for beautiful ocean views, opulent homes, the 17-mile drive, seafood and golf courses. The other, the Salinas Valley, is equally renowned as an area full of fertile farmland, running almost the entire length of the County and is one of the world's major vegetable producing areas.

The Department of Defense has a number of installations located in the County: Fort Hunter-Liggett, Camp Roberts, the Naval Postgraduate School, the Defense Language Institute and some support facilities for the Naval Postgraduate School and the Defense Language Institute and certain other functions at what used to be Fort Ord. The Monterey Peninsula, famed for its scenic beauty, is a year-round tourist attraction. Pebble Beach, Cypress Point, Spyglass Hill, Poppy Hills and The Links at Spanish Bay are well known Monterey Peninsula golf courses. The Monterey Bay Aquarium and the City of Carmel-By-The-Sea also are attractions that draw tourists to the Monterey Peninsula.

The County also benefits from two wilderness areas set aside for recreational enjoyment, consisting of 468,538 total acres. The Los Padres National Forest has 304,035 acres and the Ventana Wilderness totals 164,503 acres.

## **Household Effective Buying Income**

"Effective Buying Income" is defined as personal income less personal tax and nontax payments, a number often referred to as "disposable" or "after-tax" income. Personal income is the aggregate of wages and salaries, other labor-related income (such as employer contributions to private pension funds), proprietor's income, rental income (which includes imputed rental income of owner-occupants of non-farm dwellings), dividends paid by corporations, interest income from all sources, and transfer payments (such as pensions and welfare assistance). Deducted from this total are personal taxes (federal, state and local), nontax payments (fines, fees, penalties, etc.) and personal

contributions to social insurance. According to U.S. government definitions, the resultant figure is commonly known as "disposable personal income."

The following table summarizes the median household effective buying income for the City, the County, the State and the nation for the past five years.

#### FORM OF SPECIAL COUNSEL OPINION

[Letterhead of Quint & Thimmig LLP]

[Closing Date]

City Council of the City of Marina 211 Hillcrest Avenue Marina, California 93933	}	
OPINION:	\$	* Certificates of Participation (2022 Trans

sportation Infrastructure Financing Project) Evidencing Direct, Undivided Fractional Interests of the Owners Thereof in Lease Payments to be Made by the City of Marina, as the Rental for Certain Property Pursuant to

a Lease Agreement with the Public Property Financing Corporation of California

# Members of the City Council:

We have acted as special counsel in connection with the delivery by the City of Marina (the "City"), of its \* Lease Agreement, dated as of June 1, 2022, by and between the Public Property Financing Corporation of California (the "Corporation") and the City (the "Lease Agreement"), pursuant to the California Government Code. The Corporation has, pursuant to the Assignment Agreement, dated as of June 1, 2022 (the "Assignment Agreement"), by and between the Corporation and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), assigned certain of its rights under the Lease Agreement, including its right to receive a portion of the lease payments made by the City thereunder (the "Lease Payments"), to the Trustee. Pursuant to the Trust Agreement, dated as of June 1, 2022, by and among the Trustee, the Corporation and the City (the "Trust Agreement"), the Trustee has executed and delivered certificates of participation (the "Certificates") evidencing direct, undivided fractional interests of the owners thereof in the Lease Payments. We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the City contained in the Lease Agreement and in the certified proceedings and certifications of public officials and others furnished to us without undertaking to verify the same by independent investigation.

Based upon our examination, we are of the opinion, under existing law, as follows:

- 1. The City is duly created and validly existing as a municipal corporation and general law city organized and existing under the laws of the State of California with the power to enter into the Site and Facility Lease (as defined in the Trust Agreement), the Lease Agreement and the Trust Agreement and to perform the agreements on its part contained therein.
- 2. The Site and Facility Lease, the Lease Agreement and the Trust Agreement have been duly authorized, executed and delivered by the City and are obligations of the City valid, binding and enforceable against the City in accordance with their respective terms.

<sup>\*</sup> Preliminary, subject to change.

- 3. The Assignment Agreement is valid, binding and enforceable in accordance with their terms.
- 4. Subject to the terms and provisions of the Lease Agreement, the Lease Payments to be made by the City are payable from general funds of the City lawfully available therefor. By virtue of the Assignment Agreement, the owners of the Certificates are entitled to receive their fractional share of the Lease Payments in accordance with the terms and provisions of the Trust Agreement.
- 5. Subject to the City's compliance with certain covenants, interest with respect to the Certificates is excludable from gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the alternative minimum tax for individuals under the Internal Revenue Code of 1986, as amended. Failure to comply with certain of such covenants could cause interest with respect to the Certificates to be includable in gross income for federal income tax purposes retroactively to the date of delivery of the Certificates.
- 6. The portion of the Lease Payments designated as and comprising interest and received by the owners of the Certificates is exempt from personal income taxation imposed by the State of California.

Ownership of the Certificates may result in other tax consequences to certain taxpayers, and we express no opinion regarding any such collateral consequences arising with respect to the Certificates.

The rights of the owners of the Certificates and the enforceability of the Site and Facility Lease, the Lease Agreement, the Assignment Agreement and the Trust Agreement may be subject to the Bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and also may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Our opinion represents our legal judgment based upon such review of the law and the facts that we deem relevant to render our opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Respectfully submitted,

# DTC'S BOOK-ENTRY ONLY SYSTEM

The information in this Appendix F, concerning The Depository Trust Company, New York, New York ("DTC"), and DTC's book-entry system, has been furnished by DTC for use in official statements and the City takes no responsibility for the completeness or accuracy thereof. The City cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest or principal with respect to the Certificates, (b) certificates representing ownership interest in or other confirmation of ownership interest in the Certificates, or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Certificates, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Appendix F. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC. Information Furnished by DTC Regarding its Book-Entry Only System

- 1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Certificates (as used in this Appendix FE, the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each maturity of the Securities, in the aggregate principal amount of such issue, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.
- 2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC is rated AA+ by Standard & Poor's. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.
- 3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

- 4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
- 5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit the notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.
- 6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
- 7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).
- 8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the paying agent or bond trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the paying agent or bond trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the paying agent or bond trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
- 9. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the City or the paying agent or bond trustee. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.
- 10. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.
- 11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

- (c) The City acknowledges that the events described in subparagraphs (a)(ii), (a)(vii), (a)(viii) (if the event is a bond call), (a)(x), (a)(xiii), (a)(xiv) and (a) (xv) of this Section 5 contain the qualifier "if material." The City shall cause a notice to be filed as set forth in paragraph (b) above with respect to any such event only to the extent that the City determines the event's occurrence is material for purposes of U.S. federal securities law. The City intends that the words used in paragraphs (xv) and (xvi) and the definition of "financial obligation" to have the meanings ascribed thereto in the Rule.
- (d) For purposes of this Disclosure Certificate, any event described in paragraph (a)(xii) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City or an obligated person in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City or an obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

- Section 7. <u>Termination of Reporting Obligation</u>. The City's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Certificates. If such termination occurs prior to the final maturity of the Certificates, the City shall give notice of such termination in the same manner as for a Significant Event under Section 5(b).
- Section 8. <u>Dissemination Agent</u>. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any Dissemination Agent, with or without appointing a successor Dissemination Agent. Any Dissemination Agent may resign by providing 30 days' written notice to the City.
- Section 9. <u>Amendment; Waiver</u>. Notwithstanding any other provision of this Disclosure Certificate, the City may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:
- (a) if the amendment or waiver relates to the provisions of Sections 3(a), 4, 5(a), 5(b) or 5(c), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Certificates, or type of business conducted;
- (b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Certificates, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (c) the proposed amendment or waiver either (i) is approved by holders of the Certificates in the manner provided in the Trust Agreement for amendments to the Trust Agreement with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Certificates.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first annual financial information filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to the undertaking specifying the accounting principles to be followed in preparing financial statements, the annual financial information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative.

Honorable Mayor and Members of the Marina City Council

City Council Meeting of May 17, 2022

CITY COUNCIL OF THE CITY OF MARINA CONSIDER ADOPTING RESOLUTION NO. 2022- APPROVING THE FORM AND AUTHORIZING THE **EXECUTION OF CERTAIN LEASE FINANCING DOCUMENTS** CONNECTION WITH THE OFFERING AND SALE OF CERTIFICATES PARTICIPATION RELATING THERETO TO FINANCE THE COST **MEASURE** X INFRASTRUCTURE **IMPROVEMENTS** WITHIN THE GEOGRAPHIC BOUNDARIES OF THE CITY AND AUTHORIZING AND DIRECTING CERTAIN ACTIONS WITH RESPECT THERETO

# **REQUEST:**

It is requested that the Marina City Council adopt Resolution No. 2022-, which approves certain documents in order for the City to finance various street improvements to be funded out of the City's allocation from the Measure X sales tax proceeds and authorizes various other actions related thereto.

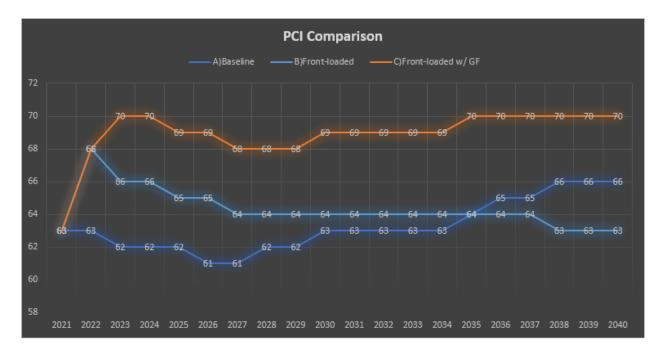

## **BACKGROUND:**

## **Pavement Management Condition**

One of the top priorities identified by the City Council has been to invest sufficient funds to repair the city's street system and address the backlog for street maintenance and rehabilitation including 25 critical streets that need to be reconstructed. Five years ago the city was only able to invest \$400,000 annually into street repairs and maintenance. Through various ballot measures approved by our citizens over the last five years, the City is now investing annually almost \$2.3 million into the repair and maintenance of our street system. This includes Measure X which was a Transportation Agency of Monterey County ballot measure that was approved.

However, even with the increased annual funds allocated to street repair and maintenance, it is still not sufficient to address the backlog and get the overall street system to a sufficient condition which we identify in our Pavement Condition Index as 70.

The following graph shows that to get the street system to a PCI of 70 the city needs to front load a significant amount of funds in addition to maintaining the annual on-going contributions of \$2.3 million. The total amount needed to be front loaded was \$11.5 million. Initially it was thought that we could leverage our Measure X funds for a bond that would generate \$8.7 million upfront and the remaining \$2.8 million would have to be funded by the General Fund. However, updated estimates now show Measure X funds can be leveraged to achieve the full \$11.5 million.

#### Measure X Funds

In 2016, voters in Monterey County approved Measure X, which imposed a 3/8% transactions and use tax to finance road improvements. The tax is generally imposed upon the same transactions that are subject to the Statewide sales tax; it commenced in 2017 and will terminate in 2047 if not renewed beforehand by the voters of the County. Measure X sales tax collections are divided and distributed between three categories: 60% of collections are pledged to Local Road Maintenance, Pothole Repairs & Safety, 27% of collections are pledged to Regional Road Safety & Congestion Improvements, and 13% are pledged to Pedestrian & Bike Safety and Mobility Projects. All cities within the County and the County itself are eligible to receive a portion of the 60% portion with allocations derived by formula based on population and lane miles.

The current financing is designed to leverage the City's revenue from the 60% allocation and raise \$11.5 million to accelerate road repairs on 25 failed residential streets in need of major reconstruction, improving the quality of the City's roadway infrastructure and allowing the City to make repairs before continued deterioration exponentially increases costs.

The most efficient means of leveraging this revenue is through a lease revenue financing, with the specific financing instrument called a certificate of participation, representing an interest in the lease payments to be made by the City and is, in effect, a tax-exempt bond. This form of financing will be legally secured by the City's General Fund, although all debt service payments are expected to be made from Measure X sales tax revenues. The financing has been sized to ensure that Measure X sales tax revenues in FY 2022 will be about 120% of the amount of debt service, providing a cushion to ensure that no General Fund moneys are ever required to pay debt service.

The legal structure is a lease financing, whereby the City will lease the City's library to a nonprofit corporation, which will lease it back to the City, with the leaseback securing the debt. This is a very common financing method in California for financing public improvements. For purpose of this financing, the City will utilize the Public Property Financing Corporation of California, a non-profit corporation that is long-established for assisting cities and other municipalities in such financings.

The Resolution takes a number of actions:

- Approves the basic legal documents for the financing, which includes the lease of the library to the nonprofit corporation (EXHIBIT B) and its lease back by the City (EXHIBIT C), the latter agreement serving as the security and source of payment for the certificates of participation;
- Approves the trust agreement with U.S. Bank Trust Company, National Association (EXHIBIT D), which provides for the execution and delivery of the certificates of participation and the use of the City's lease payments to repay investors;
- Approves a certificate purchase agreement with Stifel, Nicolaus & Company, Incorporated (EXHIBIT E) as underwriter for the certificates of participation, which will purchase the certificates for sale to investors;
- Approves a preliminary official statement for the certificates (EXHIBIT F), which is the offering
  document, similar to a prospectus, which discloses the material information required for potential
  investors to make an informed investment decision:
- Approves a continuing disclosure certificate (**EXHIBIT G**) setting forth the City's requirement for annually reporting to investors certain information through the term of the certificates;
- Authorizes the City Manager and other City officials to take additional actions as necessary to
  execute this financing within the certain not-to-exceed parameters outlined in the resolution.

# **ANALYSIS:**

Measure X created an additional source of funding for the City's street maintenance and repair program, supplementing the annual General Fund and State gas tax revenues appropriated for street maintenance and repair. Unfortunately, the annual receipt of Measure X revenue is not sufficient to provide for the timely repair of the city's roadway infrastructure including 25 residential streets that require substantial reconstruction, at an estimated current cost of \$12 million. If such reconstruction were financed only out of Measure X revenues as received, not only would street repair be extended over many years, but the cost of these repairs would escalate exponentially as the condition of these streets would deteriorate. By leveraging this revenue stream with a debt issue the City can accelerate its delivery of repaired streets and reduce the ultimate cost.

There are two approaches available for issuing debt secured by Measure X revenues. The City could issue a form of revenue bond secured only by Measure X revenues. To do so, the amount of debt service would be reduced to approximately half of available revenues, and the interest cost of such debt would be relatively high. The alternative is to issue a debt instrument that is backed by all legally available revenues of the City, even though expectations are that the debt would be paid entirely from Measure X revenues. This mechanism allows the City to leverage Measure X more fully, thereby increasing the amount of critical street repairs that can be financed, increasing the bond rating on the obligation, and lowering the interest rate on the borrowing. The latter is the structure being presented to the City Council.

The best mechanism for achieving this goal is a lease revenue obligation, whereby the City identifies an existing facility—in this case, the Marina library—leases it to a nonprofit corporation, and then leases it back for City use. The leaseback secures the debt obligation. The City will utilize an existing nonprofit corporation to serve in this capacity for a nominal fee.

As part of the approving resolution, the City's municipal advisor, KNN Public Finance, has provided estimates of the cost of the financing, including par amount, interest costs, costs of issuance and total debt service. These estimates are based on market conditions as of the date of this report. The resolution authorizing this financing provides additional flexibility to address potentially changing market conditions. However, the amount of debt service is not expected to be much greater than \$800,000 a year, ensuring that the debt will be substantially less than expected Measure X revenues. (Expected FY 2023 revenues, estimated by TAMC to be around 950,000, would be 117% of currently anticipated debt service.) As Measure X revenues grow over time, the coverage of debt service will grow as well.

The attached resolution approves a number of documents required by this financing. One of the documents that is presented for approval is the preliminary official statement, which is intended to contain material information that the City believes investors should have to make an informed investment decision. The City will also commit to provide continuing disclosure of material information under a continuing disclosure agreement.

Assuming Council approval on May 17, the certificates of participation are scheduled to be sold June 2, with funds available on June 16.

The adoption of the attached resolution will approve all of the documents required to issue the certificates of participation and fund approximately \$11.5 million in street repairs expected to be repaid out of the City's Measure X sales tax receipts.

# **FISCAL IMPACT:**

Respectfully submitted

While the City and its General Fund is ultimately responsible for making the lease payments that secure this obligation, it is the City's expectation that all such payments will be made out of Measure X receipts. By accelerating street repair, it is expected that the cost of such repairs will be reduced, allowing for the City to make even greater improvements to its street system from these revenues.
