This report concerns the Seabreeze Landscape Maintenance Assessment District.

This report has been prepared pursuant to Section 22265 through 22574 of the Streets and Highway Code (Landscaping and Landscaping Act 1972).

The Assessment District encompasses the Seabreeze subdivision located on the north side of Beach Road and west of Marina Drive in the City of Marina, County of Monterey, State of California.

The subdivision consists of 37 residential lots, with all underground utilities (water, sewer, gas and electric) street and drainage improvements. The Assessment District has been formed for the purpose of maintaining the proposed landscape areas including the street scape along the Northerly side of Beach Road adjacent to Seabreeze Subdivision, Tract No. 1251 and the buffer along the westerly side of the Southern Pacific Railroad within the rear portion of Lots 18 through 21 of the Seabreeze subdivision. Lot 38 is dedicated to the City for the maintenance of the drainage percolation basin. These improvements were installed and paid for by the developer.

A brief description of the improvements that are to be maintained by the Assessment District are:

All landscaping elements, irrigation systems and services thereto located along the Northerly side of Beach Road, the westerly of Southern Pacific Railroad and the easterly of the percolation pond. Also included is the maintenance, repair and replacement of the sound walls. Landscaping elements consist of ground cover, shrubs, trees, irrigation pipelines, controllers, valves, emitters, sprinklers and appurtenant improvements all as delineated on the plans with the City of Marina and titled Seabreeze Streetscape and Buffer Plans prepared by Isaacson Wood & Associates, Landscape Architecture.

This report includes the following attached exhibits:

METHOD OF DETERMINATION OF ASSESSMENT SPREAD

The maintenance of the landscaped areas within the Assessment District benefits the Assessment District as a whole. Therefore, the assessment should be equally apportioned over the 37 residential building sites or lots contained within the district as indicated on the Assessment Diagram (Exhibit A).

Honorable Mayor and Members
of the Marina City Council

City Council Meeting
of April 4, 2017

CITY COUNCIL OPEN PUBLIC HEARING, TAKE ANY TESTIMONY FROM THE PUBLIC AND CONSIDER ADOPTING RESOLUTION NO. 2017-, CONFIRMING DIAGRAM, ASSESSMENT AND ORDERING LEVY OF \$182.42 FOR FY 2017-18 ASSESSMENT FOR SEABREEZE LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT, AND; AUTHORIZING CITY CLERK TO FILE CERTIFIED COPY OF DIAGRAM AND ASSESSMENT WITH MONTEREY COUNTY AUDITOR-CONTROLLER PRIOR TO FRIDAY, AUGUST 1, 2017

REQUEST:

It is requested that the City Council:

1. Open public hearing and take any testimony from the public;
2. Consider adopting Resolution No. 2017-, confirming diagram, assessment and ordering levy of \$182.42 for FY 2017-18 assessment for Seabreeze Landscape Maintenance Assessment District, and;
3. Authorize City Clerk to file certified copy of diagram and assessment with Monterey County Auditor-Controller prior to Friday, August 1, 2017.

BACKGROUND:

At the regular meeting of June 4, 1996, the City Council adopted Resolution No. 1996-62, ordering the formation of the Seabreeze Landscape Maintenance Assessment District pursuant to Streets and Highway Code §22594 and the Landscaping and Lighting Act of 1972 to maintain certain improvements required of new development as a condition of the subdivision approvals.

The Landscaping and Lighting Act of 1972 requires an annual update report to be prepared which includes the costs to maintain the improvements of the Districts and what the proposed assessments will be to provide for that maintenance.

At the regular meeting of March 21, 2017, the City Council adopted Resolution No. 2017-26, preliminarily approving the FY 2017-18 Engineer's Report for Seabreeze Landscape Maintenance Assessment District and calling a public hearing on April 4, 2017 on proposed intention to levy and collect assessments for the Seabreeze Landscape Maintenance Assessment District.

ANALYSIS:

Based on the Engineer's Report (Exhibit A), the assessment has been set in the amount of \$182.42. This is the same amount as last year's assessment and is the upper limit set by the last the assessment district at its formation in 1996.

The City has been coordinating with various District residents on deferred site improvements such as landscape fence replacement, tree removal and replacement, and concrete sound wall repairs. Staff is recommending the continued assessment of \$182.42 in order to obtain the required fund balance for these improvements.

The current contract agreement with New Image Landscaping for District landscape maintenance will expire at the end of Fiscal Year 16/17. Additional funds have been programmed into the fiscal year's administration budget to prepare specifications and conduct a public bidding process for the maintenance contract of this District.

FISCAL IMPACT:

Should the City Council approve this request, the anticipated revenue for the FY 2017-18 assessment levy is \$6,749.54 for the purpose of the landscape maintenance district.

Levying of the assessment is the first step to collect the assessments to fund the landscape maintenance district.

CONCLUSION:

This request is submitted for City Council consideration and possible action.

Respectfully submitted,

Edrie Delos Santos, P.E.
Senior Engineer
Public Works Department
