

RESOLUTION NO. 2018-03

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARINA AUTHORIZING THE CITY OF MARINA TO ENTER INTO THE AGREEMENT BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO AND THE CITY OF MARINA FOR THE DISTRIBUTION OF FY 2017 UASI (URBAN AREAS SECURITY INITIATIVE) GRANT FUNDS UP TO TWO HUNDRED NINETY-SIX THOUSAND FIVE HUNDRED FORTY-SEVEN DOLLARS (\$296,547) AND TO AUTHORIZE THE CITY MANAGER TO EXECUTE THESE AGREEMENTS ON BEHALF OF THE CITY SUBJECT TO FINAL REVIEW AND APPROVAL BY THE CITY ATTORNEY. THE ADOPTION OF THIS RESOLUTION WILL ALLOW THE MONTEREY PENINSULA SPECIAL RESPONSE UNIT (SRU) TO ACQUIRE AN ARMORED RESCUE VEHICLE WITH THE CITY OF MARINA BEING THE GRANTEE.

WHEREAS, the Monterey Peninsula Special Response Unit (SRU) was formed in January 2010 after an agreement was ratified between the cities of Marina, Seaside, Monterey, Pacific Grove, Sand City, Carmel-By-The-Sea and California State University at Monterey Bay. The City formally adopted the agreement on December 1, 2009, Resolution No. 2009-189.

WHEREAS, in 2008 the SRU acquired a Light Armored Vehicle (LAV) from the California Highway Patrol through the California Public Safety Procurement Program (CPSPP).

WHEREAS, due to the current age and personnel capacity of the SRU LAV, it is critical the SRU procure a modern armored tactical vehicle to operate in urban and rural areas that provides the safety, technical capabilities and personnel capacity required to operate effectively in high risk tactical and rescue situations, not only for the protection of law enforcement but for the protection of the public.

WHEREAS, after evaluating purchasing or leasing an armored tactical vehicle it was found it was cost prohibitive as many member agencies do not have funding for an outright purchase or long-term lease.

WHEREAS, in May 17, 2016, the City of Marina adopted Resolution No. 2016-74, which allowed the Marina Police Department to acquire a modern armored rescue vehicle through CPSPP. However, it was later determined that the vehicles that were available through CPSPP would have required additional funding to transform them so that they would meet the needs of the SRU.

WHEREAS, the 2017 Urban Areas Security Initiative (UASI) process, the SRU, through MCCLEOA, with the City of Marina as the grantee, will secure \$296,546 in funding to procure a contemporary armored rescue vehicle.

WHEREAS, the utilization of the SRU Rescue Vehicle is guided by policies, which relate that the vehicle is specialized equipment designed for specific purposes and that it is intended for use during critical incidents including, but not limited to; hostage situations, barricaded subject incidents, active shooter situations, high risk arrest and search warrants, any threat of explosive devices, and other situations where ballistic protection is necessary for the protection of SRU personnel, officers, and the public.

WHEREAS, the policy includes that the SRU Rescue Vehicle will not be deployed for situations such as peaceful protests or demonstrations where violence is not threatened toward the public, property or law enforcement personnel. The policy does allow that the SRU Rescue Vehicle may be deployed for exhibition at community based events for the purpose of educating and familiarizing the public with its use and purpose.

WHEREAS, costs associated with the maintenance, upkeep or any equipment added to the vehicle will be equally shared by the member agencies of the SRU through their individual budgets that already exist.

WHEREAS, the City of Marina will act as the grantee to procure the tactical vehicle and process all paperwork required for its acquisition.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Marina does hereby:

1. Adopt Resolution No. 2018-, approving the agreement between the City and County of San Francisco and the City of Marina for the distribution of FY 2017 UASI (Urban Areas Securities Initiative) Grant funds to purchase an armored rescue vehicle for the Monterey Peninsula Special Response Unit (SRU), with the City of Marina being the Grantee.
2. Adopt Resolution No. 2018-, approving the 2017 UASI MOU allowing the City of Marina to receive up to two hundred ninety-six thousand five hundred forty-seven dollars (\$296,547).
3. Authorize the City Manager to execute these agreements on behalf of the City subject to final review and approval by the City Attorney.

MARINA acknowledges and agrees that grant decisions are subject to the discretion of the Cal OES and Approval Authority. Further, MARINA acknowledges and agrees that the City shall have no obligation to disburse grant funds to MARINA until City and MARINA have fully and finally executed this Agreement. MARINA acknowledges and agrees that if it takes any action, informal or formal, to appropriate, encumber or expend Grant Funds before final allocation decisions by Cal OES and the Approval Authority, and before this Agreement is fully and finally executed, it assumes all risk of possible non-allocation or non-reimbursement of funds, and such acknowledgement and agreement is part of the consideration of this Agreement.

2.2 **Certification of Controller; Guaranteed Maximum Costs.** No funds shall be available under this Agreement without prior written authorization certified by the San Francisco Controller. In addition, as set forth in Section 21.19 of the San Francisco Administrative Code:

(d) The Controller is not authorized to make payments on any agreement for which funds have not been certified as available in the budget or by supplemental appropriation.

2.3 SUPERSEDURE OF CONFLICTING PROVISIONS. IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS ARTICLE 2 AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS ARTICLE 2 SHALL GOVERN.

ARTICLE 3 PERFORMANCE OF THE AGREEMENT

3.1 Duration of Term. The term of this Agreement shall commence on **NOVEMBER 1, 2017** and shall end at 11:59 p.m. San Francisco time on **FEBRUARY 28, 2019**.

3.2 Maximum Amount of Funds. In no event shall the amount of Grant Funds disbursed hereunder exceed **TWO HUNDRED NINETY-SIX THOUSAND FIVE HUNDRED FORTY-SEVEN DOLLARS (\$296,547)**. 3.3 Use of Funds.

(a) General Requirements. MARINA shall use the Grant Funds received under this Agreement for the purposes and in the amounts set forth in the Grant Plan. MARINA shall not use or expend Grant Funds for any other purpose, including but not limited to, for matching funds for other federal grants/cooperative agreements, lobbying or intervention in federal regulatory or adjudicatory proceedings, or to sue the federal government or any other government entity. MARINA shall not permit any federal employee to receive Grant Funds.

(b) Modification of Grant Plan. Under Sections 1.1(f) and 10.2 of this Agreement, MARINA may submit a written request to modify the Grant Plan. MARINA shall not appropriate, encumber or expend any additional or reallocated Grant Funds pursuant to such a request for modification until (1) the General Manager or designee has provided written approval for the request and (2) the parties have finally executed a modification of this Agreement under Section 10.2, to reflect the modified Grant Plan. In addition, if the modification request requires approval from the Approval Authority and/or Cal OES, as determined by the General Manager, MARINA shall not appropriate, encumber or expend any additional or reallocated Grant Funds pursuant to the modification request without approval from the Approval Authority and/or Cal OES.

(c) No Supplanting. MARINA shall use Grant Funds to supplement existing funds, and not replace (supplant) funds that have been appropriated for the same purpose.

(d) **Obligations.** MARINA must expend Grant Funds in a timely manner consistent with the grant milestones, guidance and assurances; and make satisfactory progress toward the goals, objectives, milestones and deliverables in this Agreement.

(a) MARINA shall comply with all Grant Assurances included in Appendix B, attached hereto and incorporated by reference as though fully set forth herein. MARINA shall require and ensure that all subgrantees, contractors and other entities receiving Grant Funds through or from MARINA comply with all applicable statutes, regulations, executive orders, requirements, policies, guides, guidelines, information bulletins, Cal OES grant management memos, and instructions; the terms and conditions of the grant award; the approved application, and any conditions imposed by Cal OES or the Approval Authority.

(c) MARINA shall promptly comply with all standards, specifications and formats of San Francisco and the UASI Management Team, as they may from time to time exist, related to evaluation, planning and monitoring of the Grant Plan and compliance with this Agreement. MARINA shall cooperate in good faith with San Francisco and the UASI Management Team in any evaluation, inspection, planning or monitoring activities conducted or authorized by DHS, Cal OES, San Francisco or the UASI Management Team. For ensuring compliance with non-supplanting requirements, upon request by City or the UASI Management Team, MARINA shall supply documentation certifying that a reduction of non-federal resources occurred for reasons other than the receipt or expected receipt of Grant Funds.

3.5 Administrative, Programmatic and Financial Management Requirements. MARINA shall establish and maintain administrative, programmatic and financial management systems and records in accordance with federal and State of California requirements. This provision requires, at a minimum, that MARINA comply with the following non-exclusive list of regulations commonly applicable to DHS grants, as applicable to this Agreement and the Grant Plan:

(a) **Administrative Requirements:**

1. 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (formerly 44 CFR Part 13, OMB Circulars A-21, A-87, A-89, A-102, A-110, A-122, and A-133).

(b) **Cost Principles:**

3.6 Technology Requirements.

(a) National Information Exchange Model ("NIEM"). MARINA shall use the latest NIEM specifications and guidelines regarding the use of Extensible Markup Language ("XML") for all awards of Grant Funds.

(b) Geospatial Guidance. MARINA is encouraged to use Geospatial technologies, which can capture, store, analyze, transmit and/or display location-based information (i.e., information linked to a latitude and longitude), and to align any geospatial activities with the guidance available on the Federal Emergency Management Agency ("FEMA") website.

(c) Criminal Intelligence Systems Operating Policies. Any information technology system funded or supported by Grant Funds shall comply with 28 CFR Part 23, *Criminal Intelligence Systems Operating Policies*, if applicable.

(d) MARINA is encouraged to use the DHS guidance in *Best Practices for Government Use of CCTV: Implementing the Fair Information Practice Principles*, if Grant Funds are used to purchase or install closed circuit television (CCTV) systems or to support operational CCTV systems.

3.7 Procurement Requirements.

(a) General Requirements. MARINA shall follow its own procurement requirements as long as those requirements comply with all applicable federal and State of California statutes, regulations, requirements, policies, guides, guidelines and instructions, including the most recent restrictions on the purchase of general purpose equipment (see FY 2016 HGSP Notice of Funding Opportunity ("NOFO") at pgs. 27-28) and on purchases of specified controlled equipment (see NOFO at pg. 59).

(b) Specific Purchases. If MARINA is using Grant Funds to purchase interoperable communication equipment, MARINA shall consult DHS's SAFECOM's coordinated grant guidance, which outlines standards and equipment information to enhance interoperable communication. If MARINA is using Grant Funds to acquire critical emergency supplies, prior to expending any Grant Funds, MARINA shall submit to the UASI Management Team for approval by Cal OES a viable inventory management plan, an effective distribution strategy, sustainment costs for such an effort, and logistics expertise to avoid situations where funds are wasted because supplies are rendered ineffective due to lack of planning.

(c) Bond requirement. MARINA shall obtain a performance bond for any equipment items over \$250,000 or any vehicle, aircraft or watercraft financed with Grant Funds.

3.8 Subgrantee and Contractor Requirements.

(a) MARINA shall ensure and independently verify that any subgrantee, contractor or other entity receiving Grant Funds through or from MARINA is not debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs, under Executive Orders 12549 and 12689, as implemented at 2 CFR Part 3000. MARINA shall obtain documentation of eligibility before disbursing Grant Funds to any subgrantee, contractor or other entity. MARINA shall maintain documentary proof of this verification in its files. MARINA shall establish procedures for the effective use of the "Excluded Parties List System," to assure that it does not provide Grant Funds to

excluded parties. MARINA shall also establish procedures to provide for effective use and/or dissemination of the list to assure that its grantees and subgrantees, including contractors, at any tier do not make awards in violation of the non-procurement debarment and suspension common rule.

(b) MARINA shall ensure that any subgrantee, contractor or other entity receiving Grant Funds through or from MARINA complies with the requirements of 44 CFR Part 18, *New Restrictions on Lobbying*; and

(c) MARINA shall ensure that any subgrantee, contractor or other entity receiving Grant Funds through or from MARINA complies with the requirements of 2 CFR Part 3001, *Requirements for Drug-Free Workplace (Financial Assistance)*.

3.9 Monitoring Grant Performance.

(a) City and the UASI Management Team are both authorized to perform periodic monitoring reviews of MARINA's performance under this Agreement, to ensure that the Grant Plan goals, objectives, performance requirements, timelines, milestone completion, budgets and other criteria are being met. Programmatic monitoring may include the Regional Federal Preparedness Coordinators, or other federal or state personnel, when appropriate. Monitoring may involve a combination of desk-based reviews and on-site monitoring visits, inspection of records, and verifications of grant activities. These reviews will involve a review and analysis of the financial, programmatic, performance and administrative issues relative to each program and will identify areas where technical assistance and other support may be needed. The reviews may include, but are not limited to:

1. Evaluating eligibility of expenditures;
2. Comparing actual grant activities to those approved by the Approval Authority and specified in the Grant Plan;
3. Ensuring that any advances have been deposited in an interest bearing account and disbursed in accordance with applicable guidelines; and
4. Confirming compliance with: Grant Assurances; information provided on performance reports and payment requests; and needs and threat assessments and strategies.

(b) MARINA is responsible for monitoring and auditing the grant activities of any subgrantee, contractor or other entity receiving Grant Funds through or from MARINA. This requirement includes but is not limited to mandatory on-site verification visits.

(c) If after any monitoring review, the DHS or Cal OES makes findings that require a Corrective Action Plan by MARINA, the City shall place a hold on all Reimbursement Requests from MARINA until the findings are resolved.

3.10 Disbursement Procedures. San Francisco shall disburse Grant Funds to MARINA as follows:

(a) MARINA shall submit to the UASI Management Team, in the manner specified for notices pursuant to Article 9, a document ("Reimbursement Request") substantially in the form attached as Appendix C, attached hereto and incorporated by reference as though fully set forth herein. The UASI Management Team shall serve as the primary contact for MARINA regarding any Reimbursement Request.

(b) The UASI Management Team will review all Reimbursement Requests for compliance with this Agreement and all applicable guidelines and requirements. The UASI Management Team will

return to MARINA any Reimbursement Request that is submitted and not approved by the UASI Management Team, with a brief statement of the reason for the rejection of the Reimbursement Request.

(c) The UASI Management Team will submit any Reimbursement Request that is approved by the UASI Management Team to DEM. City through DEM shall review the Reimbursement Request for compliance with this Agreement and all applicable guidelines and requirements. City shall return to the UASI Management Team any Reimbursement Request that is not approved by City, with a brief explanation of the reason for the rejection of the Reimbursement Request.

(d) If a rejection relates only to a portion of the expenditures itemized in any Reimbursement Request, City shall have no obligation to disburse any Grant Funds for any other expenditures itemized in such Reimbursement Request unless and until MARINA submits a Reimbursement Request that is in all respects acceptable to the UASI Management Team and to City.

(e) If MARINA is not in compliance with any provision of this Agreement, City may withhold disbursement of Grant Funds until MARINA has taken corrective action and currently complies with all terms and conditions of the Agreement.

3.11 **Disallowance.** MARINA agrees that if it claims or receives reimbursement from City for an expenditure that is later disallowed by the State of California or the federal government, MARINA shall promptly refund the disallowed amount to City upon City's written request. At its option, City may offset all or any portion of the disallowed amount against any other payment due to MARINA hereunder or under any other Agreement with MARINA. Any such offset with respect to a portion of the disallowed amount shall not release MARINA from MARINA's obligation hereunder to refund the remainder of the disallowed amount.

3.12 **Sustainability.** Grant Funded programs that contain continuing personnel and operating expenses, over and above planning and implementation costs, must be sustained once the Grant Funding ends. If Equipment is purchased with grant funds the equipment must be sustained through the useful life of equipment. By executing this Agreement, MARINA acknowledges its responsibility and agrees to sustain continuing programs beyond the Grant Funding period. MARINA acknowledges and agrees that this sustainability requirement is a material term of the Agreement.

3.13 **EHP Requirements.**

(a) Grant Funded projects must comply with the federal Environmental and Historic Preservation ("EHP") program. MARINA shall not initiate any project with the potential to impact environmental or historic properties or resources until Cal OES and FEMA have completed EHP reviews and approved the project. Examples of projects that may impact EHP resources include: communications towers, physical security enhancements, new construction, and modifications to buildings, structures and objects that are 50 years old or greater. MARINA shall notify the UASI Management Team of any project that may require an EHP review. MARINA agrees to provide detailed project information to FEMA, Cal OES and/or the UASI Management Team, to cooperate fully in the review, and to prepare any documents requested for the review. MARINA shall comply with all conditions placed on the project as the result of the EHP review, and implement any treatment or mitigation measures deemed necessary to address potential adverse impacts. With prior approval of the UASI Management Team, MARINA may use Grant Funds toward the costs of preparing documents and/or implementing treatment or mitigation measures. Any change to the approved project scope of work will require re-evaluation for compliance with EHP requirements. If ground disturbing activities occur during project implementation, MARINA shall notify the UASI Management Team and ensure monitoring of ground disturbance. If any potential archeological resources are discovered, MARINA shall immediately cease construction in that

area and notify the UASI Management Team, which will notify the appropriate State Historic Preservation Office. If MARINA is using Grant Funds for a communication tower project, MARINA shall complete its Federal Communication Commission ("FCC") EHP process before preparing its Cal OES/FEMA EHP materials, and shall include the FCC EHP materials in the Cal OES/FEMA submission.

(b) Any construction or other project that MARINA initiates without the necessary EHP review and approval will not be eligible for reimbursement. Failure of MARINA to meet federal, State, and local EHP requirements, obtain applicable permits, or comply with any conditions that may be placed on the project as the result of FEMA's and/or Cal OES's EHP review will result in the denial of Reimbursement Requests.

3.14 **National Energy Conservation Policy and Energy Policy Acts.** MARINA shall comply with the following requirements:

(a) Grant Funds may not be used in contravention of the Federal buildings performance and reporting requirements of Executive Order 13123, part 3 of Title V of the National Energy Conservation Policy Act (42 USC §8251 et seq.), or Subtitle A of Title I of the Energy Policy Act of 2005; and

(b) Grant Funds may not be used in contravention of Section 303 of the Energy Policy Act of 1992 (42 USC §13212).

3.15 **Royalty-Free License.** MARINA understands and agrees that FEMA reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and authorize others to use, for federal government purposes: (a) the copyright in any work developed using Grant Funds; and (b) any rights of copyright that MARINA purchases or acquires using Grant Funds. MARINA shall consult with the UASI Management Team and FEMA regarding the allocation of any patent rights that arise from, or are purchased with, Grant Funds.

3.16 **Publication Statements.** MARINA shall ensure that all publications created or developed under this Agreement prominently contain the following statement: "This document was prepared under a grant from the Federal Emergency Management Agencies Grant Programs Directorate (FEMA/GPD) within the US Department of Homeland Security. Points of view or opinions expressed in this document are those of the authors and do not necessarily represent the official position or policies of FEMA/GPD or the US Department of Homeland Security."

ARTICLE 4 REPORTING REQUIREMENTS; AUDITS

4.1 **Regular Reports.** MARINA shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the UASI Management Team or by City, in form and substance satisfactory to the UASI Management Team or City. Such reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages, to the maximum extent possible.

4.2 **Notification of Defaults or Changes in Circumstances.** MARINA shall notify the UASI Management Team and City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; (b) any change of circumstances that would cause any of the representations or warranties contained in Article 5 to be false or misleading at any time during the term of this Agreement; and (c) any change of circumstances or events that would cause MARINA to be out of compliance with the Grant Assurances in Appendix B.

4.3 **Books and Records.** MARINA shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds. Without limiting

the scope of the foregoing, MARINA shall establish and maintain accurate financial books and accounting records relating to Authorized Expenditures and to Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. MARINA shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than three (3) years after expiration of this Agreement or until any final audit by Cal OES has been fully completed, whichever is later.

4.4 Inspection and Audit. MARINA shall make available to the UASI Management Team and to City, and to UASI Management Team and City employees and authorized representatives, during regular business hours, all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by MARINA under Section 4.3, and allow access and the right to examine those items. MARINA shall permit the UASI Management Team and City, and UASI Management Team and City employees and authorized representatives, to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of the UASI Management Team and City pursuant to this Section shall remain in effect so long as MARINA has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 4. The DHS, the Comptroller General of the United States or designee, and Cal OES shall have the same inspection and audit rights as the City and UASI Management Team. MARINA shall cooperate with any federal or state audit.

4.5 Audit Report. If the amount specified in Section 3.2 of this agreement is \$750,000 or more, MARINA shall submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with GAO's *Government Auditing Standards*, and 2 CFR Part 200 Subpart F - *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. MARINA shall submit its audit report to the UASI Management Team no later than six months after the end of MARINA's fiscal year.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES

MARINA represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

5.1 No Misstatements. No document furnished or to be furnished by MARINA to the UASI Management Team or to City in connection with this Agreement, any Reimbursement Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

5.2 Eligibility to Receive Federal Funds. By executing this Agreement, MARINA certifies that it is eligible to receive federal funds, and specifically certifies as follows:

(a) MARINA is not suspended, debarred or otherwise excluded from participation in federal assistance programs, as required by Executive Order 12549 and 12689, "Debarment and Suspension" and implemented at 2 CFR Part 3000.

(b) MARINA complies with 31 U.S.C. §1352, *Limitation on use of appropriated funds to influence federal contracting and financial transactions*, as implemented at 44 CFR Part 18 and 6 CFR Part 9.

(c) MARINA complies with the Drug-Free Workplace Act of 1988, as amended, 41 U.S.C. §701 et seq., as implemented in 2 CFR Part 3001, and will continue to provide a drug-free workplace as required under that Act and implementing regulations.

(d) MARINA is not delinquent in the repayment of any federal debt. See OMB Circular A-129.

MARINA acknowledges that these certifications of eligibility to receive federal funds are material terms of the Agreement.

5.3 NIMS Compliance. To be eligible to receive Grant Funds, MARINA must meet National Incident Management System ("NIMS") compliance requirements, and report full NIMS compliance via the National Incident Management System Capability Assessment Support Tool ("NIMSCAST"). By executing this Agreement, MARINA certifies that it is in full NIMS compliance, and that it has reported that compliance via the NIMSCAST. MARINA shall provide documentation of its NIMS compliance to the UASI Management Team. MARINA acknowledges that this certification is a material term of the Agreement.

ARTICLE 6 INDEMNIFICATION AND GENERAL LIABILITY

6.1 Indemnification. MARINA shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by MARINA's performance of this Agreement, including, but not limited to, the following: (a) a material breach of this Agreement MARINA; (b) a material breach of any representation or warranty of MARINA contained in this Agreement; (c) any personal injury or death caused, directly or indirectly, by any act or omission of MARINA or its employees, subgrantees or agents; (d) any loss of or damage to property caused, directly or indirectly, by any act or omission of MARINA or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by MARINA, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to MARINA by an Indemnified Party; (f) any tax, fee, assessment or other charge for which MARINA is responsible under Section 10.4; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished by MARINA or its employees, subgrantees or agents to such Indemnified Party in connection with this Agreement. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and San Francisco's costs of investigating any claims against San Francisco.

6.2 Duty to Defend; Notice of Loss. MARINA acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 6.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 6.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to MARINA by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give MARINA prompt notice of any Loss under Section 6.1 and MARINA shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of MARINA if representation of such Indemnified Party by the counsel retained by MARINA would be inappropriate due to conflicts of interest between such Indemnified Party and MARINA. An Indemnified Party's failure to notify MARINA promptly of any Loss shall not relieve MARINA of any liability to such Indemnified Party pursuant to Section 6.1, unless such failure materially impairs MARINA's ability to defend such Loss. MARINA shall seek the Indemnified Party's prior

written consent to settle or compromise any Loss if MARINA contends that such Indemnified Party shares in liability with respect thereto.

6.3 **Incidental and Consequential Damages.** Losses covered under this Article 6 shall include any and all incidental and consequential damages resulting in whole or in part from MARINA's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

6.4 **LIMITATION ON LIABILITY OF SAN FRANCISCO.** CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 7

EVENTS OF DEFAULT AND REMEDIES; TERMINATION FOR CONVENIENCE

7.1 **Events of Default.** The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:

(a) **False Statement.** Any statement, representation, certification or warranty contained in this Agreement, in any Reimbursement Request, or in any other document submitted to the UASI Management Team or to City under this Agreement is found by the UASI Management Team or by City to be false or misleading.

(b) **Failure to Perform Other Covenants.** MARINA fails to perform or breaches any provision or covenant of this Agreement to be performed or observed by MARINA as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.

(c) **Failure to Comply with Applicable Laws.** MARINA fails to perform or breaches any of the terms or provisions of Article 12.

(d) **Voluntary Insolvency.** MARINA (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of CONTR COSTA or of any substantial part of MARINA's property or (v) takes action for the purpose of any of the foregoing.

(e) **Involuntary Insolvency.** Without consent by MARINA, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to MARINA or with respect to any substantial part of MARINA's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of MARINA.

7.2 Remedies upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

(a) **Termination.** City may terminate this Agreement by giving a written termination notice to MARINA and, on the date specified in such notice, this Agreement shall terminate and all rights of MARINA hereunder shall be extinguished. In the event of such termination, City will pay MARINA for Authorized Expenditures in any Reimbursement Request that was submitted and approved by the UASI Management Team and by City prior to the date of termination specified in such notice.

(b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether MARINA has previously submitted a Reimbursement Request or whether the UASI Management Team and/or City has approved the disbursement of the Grant Funds requested in any Reimbursement Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to MARINA after cure of applicable Events of Default shall be disbursed without interest.

(c) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by MARINA in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

7.3 Termination for Convenience.

(a) City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving MARINA written notice of termination. The notice shall specify the date on which termination shall become effective.

(b) Upon receipt of the notice, MARINA shall commence and perform, with diligence, all actions necessary on the part of MARINA to effect the termination of this Agreement on the date specified by City and to minimize the liability of MARINA and City to third parties as a result of termination. All such actions shall be subject to the prior approval of the UASI Management Team.

(c) Within 30 days after the specified termination date, MARINA shall submit to the UASI Management Team an invoice for all Authorized Expenses incurred through the termination date. For Authorized Expenses incurred after receipt of the notice of termination, City will only reimburse MARINA if the Authorized Expenses received prior approval from the UASI Management Team as specified in subparagraph (b).

(d) In no event shall City be liable for costs incurred by MARINA or any of its contractors or subgrantees after the termination date specified by City.

(e) City's payment obligation under this Section shall survive termination of this Agreement.

7.4 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 8 ASSIGNMENTS

8.1 **No Assignment by MARINA.** MARINA shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of MARINA hereunder without the prior written consent of the UASI Management Team; provided, however, that any contractor or subgrantee specifically referenced in Appendix A shall not require the consent of Management Team. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of MARINA involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of MARINA or a sale or transfer of substantially all of the assets of MARINA shall be deemed an assignment for purposes of this Agreement.

8.2 **Agreement Made in Violation of this Article.** Any agreement made in violation of Section 8.1 shall confer no rights on any person or entity and shall automatically be null and void.

8.3 **MARINA Retains Responsibility.** MARINA shall in all events remain liable for the performance by any subgrantee contractor, or assignee of all of the covenants, terms and conditions in this Agreement.

ARTICLE 10 MISCELLANEOUS

10.1 **No Waiver.** No waiver by San Francisco of any default or breach of this Agreement shall be implied from any failure by the UASI Management Team or San Francisco to take action on account of such default if such default persists or is repeated. No express waiver by San Francisco shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by San Francisco of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by the UASI Management Team or San Francisco of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

10.2 **Modification.** This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement; provided, however, that the General Manager or designee may establish alternate procedures for modification of the Appendix A and the Grant Plan.

10.3 **Governing Law; Venue.** The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California, without regard to its conflict of laws principles. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

10.4 **MARINA to Pay All Taxes.** MARINA shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.

10.5 **Headings.** All article and section headings and captions contained in this Agreement are for reference only and shall not be considered in construing this Agreement.

10.9 **Successors; No Third-Party Beneficiaries.** Subject to the terms of Article 8, the terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their successors and assigns. Nothing in this Agreement, whether express or implied, shall be construed to give any person or entity (other than the parties hereto and their respective successors and assigns and, in the case of Article 6, the Indemnified Parties) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

10.10 **Survival of Terms.** The obligations of MARINA and the terms of the following provisions of this Agreement shall survive and continue following expiration or termination of this Agreement: Sections 4.3 and 4.4, Article 6, this Article 10, and the Grant Assurances of Appendix B.

10.11 **Further Assurances.** From and after the date of this Agreement, MARINA agrees to do such things, perform such acts, and make, execute, acknowledge and deliver such documents as may be reasonably necessary or proper and usual to complete the transactions contemplated by this Agreement and to carry out the purpose of this Agreement in accordance with this Agreement.

ARTICLE 11 INSURANCE

11.1 Types and Amounts of Coverage. Without limiting MARINA's liability pursuant to Article 6 of this Agreement, MARINA shall maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; and

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

11.3 Additional Requirements Regarding Workers' Compensation. Regarding Workers' Compensation, MARINA hereby agrees to waive subrogation which any insurer of MARINA may acquire from MARINA by virtue of the payment of any loss. MARINA agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the MARINA, its employees, agents and subcontractors.

11.4 Additional Requirements for All Policies. All policies shall provide thirty days' advance written notice to the City of reduction or nonrenewal of coverages or cancellation of coverages for any reason. Notices shall be sent to the City address in Article 9, Notices and Other Communications.

11.5 Required Post-Expiration Coverage. Should any of the required insurance be provided under a claims-made form, MARINA shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

11.6 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

11.7 Lapse in Insurance. Should any required insurance lapse during the term of this Agreement, requests for reimbursement originating after such lapse may not be processed, in the City's sole discretion, until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

11.8 Evidence of Insurance. Before commencing any operations or expending any Grant Funds under this Agreement, MARINA shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

11.9 Effect of Approval. Approval of the insurance by City shall not relieve or decrease the liability of MARINA hereunder.

11.10 Insurance for Subcontractors and Evidence of this Insurance. If a subcontractor or subgrantee will be used to complete any portion of this Agreement, MARINA shall ensure that the subcontractor or subgrantee shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents and employees and the MARINA as additional insureds.

11.11 Authority to Self-Insure. Nothing in this Agreement shall preclude MARINA from self-insuring all or part of the insurance requirement in this Article. However, MARINA shall provide proof of self-insurance, in a form acceptable to San Francisco, in the amounts of each line of self-insurance.

ARTICLE 12 COMPLIANCE

MARINA agrees that it will promptly notify City in writing of all violations of State or Federal criminal law involving fraud, bribery, or gratuities affecting or involving the use of Grant Funds.

12.3 **Compliance with ADA.** MARINA acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. 12.4 **Prohibition on Political Activity with City Funds.** In accordance with San Francisco Administrative Code Chapter 12G, MARINA may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. MARINA agrees to comply with San Francisco Administrative Code Chapter 12G and any implementing rules and regulations promulgated by San Francisco's Controller. The terms and provisions of Chapter 12G are incorporated herein by this reference. In the event Contractor violates the provisions of this section, San Francisco may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit MARINA from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider MARINA's use of profit as a violation of this section.

12.5 **Submitting False Claims; Monetary Penalties.** Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. It is requested that the City Council:

1. Consider adopting Resolution No. 2018-, approving the agreement between the City and County of San Francisco and the City of Marina for the distribution of FY 2017 UASI (Urban Areas Securities Initiative) Grant funds to purchase an armored rescue vehicle for the Monterey Peninsula Special Response Unit (SRU), with the City of Marina being the Grantee.
2. Consider adopting the 2017 UASI MOU allowing the City of Marina to receive up to two hundred ninety-six thousand five hundred forty-seven dollars (\$296,547).
3. Authorize the City Manager to execute these agreements on behalf of the City subject to final review and approval by the City Attorney.

BACKGROUND:

The Monterey Peninsula Special Response Unit (SRU) was formed in January 2010 after an agreement was ratified between the cities of Marina, Seaside, Monterey, Pacific Grove, Sand City, Carmel-By-The-Sea and California State University at Monterey Bay. The City formally adopted the agreement on December 1, 2009, Resolution No. 2009-189.

The SRU is comprised of a Special Weapons and Tactics (SWAT) Team and a Crisis Negotiations Team (CNT). The SRU was established in January 2010 to provide a tactical/crisis management response to critical incidents. Through the use of specialized skills, tactics and specialized equipment and capabilities the SRU manages critical incidents utilizing tactics and strategies that emphasize control, containment, resolution, and the protection of life and property.

Since its inception, the SRU has operated very successfully, handling numerous high risk assignments. To date, the SRU has responded to over thirty incidents throughout the Monterey Peninsula that were at high risk for violence.

ANALYSIS:

In 2008 the SRU acquired a Light Armored Vehicle (LAV) from the California Highway Patrol through the California Public Safety Procurement Program (CPSPP). The City of Seaside, a qualified CPSPP member, received the LAV on behalf of the SRU. Due to the current age and personnel capacity of the SRU LAV, it is critical the SRU procure a modern armored tactical vehicle to operate in urban and rural areas that provides the safety, technical capabilities and personnel capacity required to operate effectively in high risk tactical and rescue situations, not only for the protection of law enforcement but for the protection of the public.

After evaluating purchasing or leasing an armored tactical vehicle it was found it was cost prohibitive as many member agencies do not have funding for an outright purchase or long-term lease. For several years the SRU Board (MCCLEOA), unsuccessfully attempted to obtain Homeland Security grants to purchase such a vehicle.

As the need for a modern armored tactical vehicle is critical to the mission of the SRU, other options for procurement of a vehicle were explored. It was found that through CPSPP a tactical vehicle could be procured on a long term no cost loan. However, one of the requirements is that a local law enforcement jurisdiction's city council or governing body pass a resolution authorizing the procurement. The Marina Police Department was asked to take the lead in the procurement of a tactical vehicle through CPSPP and requested Council approval through resolution.

As a result, on May 17, 2016, the City of Marina adopted Resolution No. 2016-74, which allowed the Marina Police Department to acquire a modern armored rescue vehicle through CPSPP. However, it was later determined that the vehicles that were available through CPSPP would have required additional funding to transform the Department of Defense (DOD) vehicle into a vehicle that would meet the needs of the SRU.

The SRU has evaluated their armored tactical vehicle needs based on the SRU's multi-functional role as a Special Weapons and Tactics Team, Tactical Medical Team and Crisis Negotiations Team. It was determined the optimal design to meet the needs of the SRU would be an armored tactical vehicle that has operational capabilities for each of the SRU's disciplines to include:

1. The ability to drive it into extremely hazardous situations in order to facilitate evacuation of members of the public and officers who are in immediate danger or injured.
2. To rescue innocent bystanders.
3. To provide immediate rescue trauma care for the injured.
4. The ability to be placed in close proximity to active shooters and hostage situations in order to provide the most effective response to the incident.
5. To provide cover/shield for officers as they move from one point to another to tactical positions to contain a situation.
6. Possess rapid entry and egress capabilities to and from the vehicle.
7. Have ballistic body, glass, floor and fuel tank protection from gunfire or explosive blast.

The current SRU tactical vehicle, the LAV, has performed to the best of its capabilities but due to its age it does not have modern safety and design features and occupancy requirements which are currently needed. Purchase of a new armored tactical vehicle is not an option because of the limited budgets of SRU member agencies and grant funds are not available. The cost of one of these vehicles is estimated at \$250,000 to \$350,000.

During the 2017 Urban Areas Security Initiative (UASI) process, the SRU, through MCCLEOA, with the Marina Police Department as the grantee, was able to secure \$296,546 in funding to procure a contemporary armored rescue vehicle to replace the outdated LAV. The adoption of this resolution will allow the Marina Police Department to acquire the vehicle sometime in mid-2018 (**“EXHIBIT A”**).

The utilization of the SRU Rescue Vehicle is guided by policies, which relate that the vehicle is specialized equipment designed for specific purposes and that it is intended for use during critical incidents including, but not limited to; hostage situations, barricaded subject incidents, active shooter situations, high risk arrest and search warrants, any threat of explosive devices, and other situations where ballistic protection is necessary for the protection of SRU personnel, officers, and the public. The policy includes that the SRU Rescue Vehicle will not be deployed for situations such as peaceful protests or demonstrations where violence is not threatened toward the public, property or law enforcement personnel. The policy does allow that the SRU Rescue Vehicle may be deployed for exhibition at community based events for the purpose of educating and familiarizing the public with its use and purpose.

The City of Marina will act as the grantee to procure the tactical vehicle and process all paperwork required for its acquisition.

FISCAL IMPACT:

costs associated with the maintenance, upkeep or any equipment added to the vehicle will be equally shared by the member agencies of SRU through their individual budgets that already exist. There is adequate funding contained in the FY 2017-18 Police Department Budget to fund the City’s portion of the maintenance and upkeep and it will be charged to the General Fund, Police Department, SRU Expenditures Acct. No. 11.141.64100. Invoicing from the City of Marina to the SRU member agencies will include full costs for staff time associated with maintenance and upkeep. Since the replacement of this vehicle will be through a similar grant funding process, there will be no contributions needed for the City’s vehicle replacement fund.

CONCLUSION:

This request is submitted for City Council consideration and possible action.

Respectfully submitted,

Eddie Anderson
