Item No. **10e(1)**

Honorable Mayor and Members
of the Marina City Council

City Council Meeting of
August 6, 2025

**CITY COUNCIL CONSIDER ADOPTING RESOLUTION NO. 2025-,
APPROVING ADVERTISING AND CALL FOR BIDS FOR THE 2025
CITYWIDE STREET REPAIR: PHASE 4 – MICRO-SURFACING & SLURRY
SEAL PROJECT**

RECOMMENDATION: It is recommended that the City Council consider:

1. Adopting Resolution No. 2025-, approving advertising and call for bids for the 2025 Citywide Street Repair: Phase 4 – Micro-surfacing & Slurry Seal Project

BACKGROUND:

At the regular meeting of June 20, 2023, the City Council of the City of Marina adopted Resolution No. 2023-66, receiving a presentation on the City's Pavement Management Program for Fiscal Years 23/24, 24/25 and 25/26. As part of the staff presentation, the City's annual street resurfacing project was introduced with Senate Bill 1 Road Maintenance and Rehabilitation Account funds, Measure X and General Fund funding for roadway maintenance.

ANALYSIS:

The annual resurfacing of streets will extend the useful life of the City's pavement infrastructure. Streets are selected by the pavement management program to provide the greatest benefit to the street network within the given budget. The proposed project to be advertised is one of two Phases of Construction for this fiscal year. This Phase will address specific areas of the City that require pavement-preserving slurry sealing (see Exhibit A).

FISCAL IMPACT:

There is no fiscal impact to calling for bids. The current budget for this project is approximately \$1.5 million. The project's budget is funded with Senate Bill 1 Road Maintenance and Rehabilitation Account funds, Measure X and General Fund funding for roadway maintenance.

CEQA Findings:

The City has determined the project exempt from environmental review per § 15301(b) of the CEQA Guidelines for Existing Facilities.

CONCLUSION:

This request is submitted for City Council consideration and possible action.

Respectfully submitted,

Edrie Delos Santos, P.E.
