Item No. **8e(1)**

Honorable Mayor and Members
of the Marina City Council

City Council Meeting of
June 4, 2019

**RECOMMENDATION TO CONSIDER ADOPTING RESOLUTION NO. 2019-,
APPROVING ADVERTISING AND CALL FOR BIDS FOR THE 2019
CITYWIDE STREET REPAIR PROJECT**

RECOMMENDATION:

It is recommended that the City Council consider adopting Resolution No. 2019-, approving advertising and call for bids for the 2019 Citywide Street Repair Project

BACKGROUND:

At the regular meeting of May 8, 2018, the City Council of the City of Marina adopted Resolution No. 2018-46, receiving the proposed 2018-19 Capital Improvement Program (CIP) budget, receiving staff presentation thereof, and providing direction towards the CIP budget adoption. As part of the staff presentation, the City's annual street resurfacing project was introduced with Senate Bill 1 Road Maintenance and Rehabilitation Account funds, Measure X and General Fund funding a FY 18/19 budget for roadway maintenance.

At the regular meeting of April 18, 2019, the Public Works Commission received a presentation on the scope of the 2019 Citywide Street Repair Project.

ANALYSIS:

The annual resurfacing of streets will extend the useful life of the City's pavement infrastructure. Streets are selected by the pavement management program to provide the greatest benefit to the street network within the given budget. The proposed project to be advertised will address specific areas of pavement failures within certain roads with full-depth reconstruction patches, or digouts, cape seal wearing course and a pavement-preserving slurry sealing. The project scope will also include ramp improvements and sidewalk repairs along the cape sealed streets.

FISCAL IMPACT:

There is no fiscal impact to calling for bids. The current budget for this project is approximately \$1.4 million.

CONCLUSION:

This request is submitted for City Council consideration and possible action.

Respectfully submitted,

Edrie Delos Santos, P.E.
