RESOLUTION NO. 2019-100 RESOLUTION NO. 2019-03 (NPC)

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARINA AND THE ABRAMS B NON-PROFIT CORPORATION APPROVING ABRAMS B HOUSING AREA BUDGET FOR FY 2019-2020 AND AUTHORIZING FINANCE DIRECTOR TO MAKE APPROPRIATE ACCOUNTING AND BUDGETARY ENTRIES

WHEREAS, Alliance Communities Inc. is under contract as the management agent of Abrams B Housing and they submitted a draft FY 2019/20 budget; and

WHEREAS, City staff, Councilmembers O'Connell and Morton, and Tenant's Association representative Paula Pelot have met several times with Alliance Management staff over the past several months in preparation of this budget; and

WHEREAS, the staff of Alliance Communities Inc. and the City of Marina have worked collectively on preparing a budget to be presented to the City Council and Board of Abrams B Non-Profit Corporation; and

WHEREAS, Alliance Communities Inc. submitted a budget letter describing highlights of the proposed Abrams B Housing Area FY 2019/20 Budget; and

WHEREAS, the rental revenues are used to provide funds for debt service payments on the 2006 Abrams B Multifamily Housing Revenue Bonds; and

WHEREAS, the proposed 3% increase is based on the rent formula adopted by the City Council on June 2, 2010 which provides that annual increases in market rents for in-place residents shall be capped at the lesser of three percent (3%) or the Department of Labor's Consumer Price Index for San Francisco-Oakland-San Jose. All urban Consumers average percentage for the previous year (February to February – 3.6%); and

WHEREAS, the City's owner distribution is the same as last year, \$1,532,220. This includes funding for the Bond repayment, city staff support for Abrams Park which includes assistance with the affordable housing program, developing a long-term capital improvement program, and help with developing ideas for potential development and expansion of the property; and

WHEREAS, City staff has reviewed the Alliance Management Budget Memorandum and the attached budget for Abrams Park (EXHIBIT A) for FY 2019/20 and recommends approval of the proposed budget and the indicated rent increase; and

WHEREAS, the City Council and Abrams B Non-Profit Corporation held a study session on September 16, 2019, and provided staff with direction as to desired changes to final draft Budget; and

WHEREAS, on October 1, 2019 the City Council of Marina and the Board of the Abrams B Non-Profit Corporation reviewed and considered the proposed budgets.

Resolution No. 2019-100 Resolution No. 2019-03 (NPC) Page Two

Anita Sharp, Deputy City Clerk

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Marina and the Corporation Board of the Abrams B Non-Profit Corporation do hereby:

- 1. Approve the Abrams B Housing Area Budget Option 1 for FY 2019-20, and;
- 2. Authorize the Finance Director to make appropriate accounting and budgetary entries.

PASSED AND ADOPTED, by the City Council of the City of Marina and the Corporation Board of the Abrams B Non-Profit Corporation at a regular meeting duly held on the 1st day of October 2019, by the following vote:

AYES: COUNCIL MEMBERS: Berkley, Urrutia, O'Connell, Morton, Delgado
NOES: COUNCIL MEMBERS: None
ABSENT: COUNCIL MEMBERS: None
ABSTAIN: COUNCIL MEMBERS: None

Bruce C. Delgado, Mayor

ATTEST:

September 17, 2019

Mr. Layne Long City Manager City of Marina 211 Hillcrest Avenue Marina, California 93933

Re: Abrams Park FY 2019/ Proposed Budget

Dear Mr. Long:

It has been a pleasure to continue to work with residents and the City of Marina over the last year. With the combination of wonderful residents and effective staff, a number of positive changes have been seen in Abrams Park:

- 1) <u>Building Upgrades:</u> Termite treatment was executed on Wilson Court and Carpenter Court. Window Replacement bids are being collected and cost estimates have been added to the 2019/2020 budget. Lastly, two parking spaces, one ADA and one regular space, were added outside the leasing office to provide ADA access along with landscape and lighting enhancements surrounding the space at a cost of \$85,895.
- 2) <u>Landscaping/Asphalt Repairs:</u> Additional landscape irrigation controllers were replaced throughout the community to provide more stable watering. Tree trimming was completed in May of 2019 throughout the property.
- 3) <u>Units of Long Term Residents:</u> Several long-term residents have gone through the process to refresh their flooring, paint, and appliances. These services are extended to long-term residents upon notification or inspection indicating replacement is necessary based on age or condition.
- 4) <u>Green Initiatives:</u> In addition to the Marina Coast Water District's and other utility conservation programs, Alliance purchases and installs water or energy saving devices as replacement fixtures as needed. PG&E continues to work directly with income eligible residents to weatherize their homes at no cost to the resident or the community.

Alliance looks to continue to provide the residents at Abrams Park a comfortable and quality living experience. Continued capital improvements throughout the community will allow this property to remain a desirable neighborhood for renters, as well a source of housing that is essential to the general populace of Marina.

Budget Summary

Revenue

The primary source of revenue is rents, Section 8 voucher payments from the Housing Authority of the County of Monterey, and associated charges to residents such as late fees.

The City Council of the City of Marina and the Corporation Board of the Abrams B Non-Profit Corporation adopted rent formulas at a regular meeting held on the 2nd of June 2010. The formula states that the annual increase in market rents for in-place residents shall be capped at the lesser of three percent (3%) or the Department of Labor's Consumer Price Index for San Francisco-Oakland-San Jose, All Items, for All Urban Consumers (referred to as CPI-U) Average percentage for the previous year (February to February) to be applied to the next fiscal year, provided that the increased rent for in-place tenants does not exceed the market rent charged to move-in residents.

<u>Proposed Budget</u> - Targeted Rental Increase applies the allowable 3.0% Rental Increase to inplace residents who are currently under the Fair Market Rental Rate as computed by averaging rates from the Monterey County Housing Authority and the HUD Fair Market Rent schedule and is adjusted for a determined amount for the Water, Sewer and Garbage that residents pay directly to the provider for those services. A reduced Rental Increase amount proportionate to their current rent would be applied to households that may not qualify for the standard 3% Rental Increase

In-	In-Place Market Rate Rents for Targeted Units										
Unit Size	Current Rent	Change 9/1/19									
	Range FY18/19	FY19/20 Rent									
Section 8 - Two BR	N/A	N/A	N/A								
Two Bedroom	\$1,294 - \$1,450	\$1,333 - \$1,494	\$39 - \$44								
Section 8 - Four BR*	\$1,776 - \$2,300	\$1,829 - \$2,369	\$53 -\$69								
Four Bedroom	\$1,883 - \$2,375	\$1,939 - \$2,403	\$28 - \$56								

This Budget also applies an increase to Below Market Households as calculated using published information from the County of Monterey and Housing Authority (see new rates under Affordable Rents below) and HUD Income Limits Guidelines. As shown in **Attachment A**, the proposed Budget results in a 3.6% increase in Total Income (\$122,792).

Current Market Rent Conditions

The market rent for new move-ins is calculated by comparable market rent levels in the competitive market throughout the year. Additionally, the comparables are outlined in the attached Market Survey dated 3.30.19 (Attachment B).

Per the Marina City Council approved rent formula in 2010, the market rents for new move-ins are fluid throughout the year and change according to market conditions. Currently, market rents for incoming residents are as follows:

Unit Size	Current Rent Range for Incoming
	Market Rate Residents
Two Bedroom	\$1,700 - \$1,800
Remodeled - Two BR	\$2,200
Four Bedroom	\$2,325 - \$2,450
Remodeled - Four BR	\$2,575 - \$2,900

^{*} Note: Four 2-Bedroom homes and eight 4-Bedroom homes have additional features that warrant higher than average rental rates.

The Averaged HUD Fair Market Rents (FMR) and the Monterey County Housing Authority Peninsula Payment Standard for 2019 are as follows:

Unit Bedroom Size	Fair Market	Utility	Adjusted Rental		
	Rent	Allowance	Amount		
Two Bedroom	\$1,748.00	\$200.26	\$1,547.74		
Four Bedroom	\$2,603.00	\$200.26	\$2,402.74		

A number of in-place market renters in Abrams Park homes are leasing below the averaged Fair Market Rent. The Fair Market Rates above include allowance for some utilities, which are currently paid directly by Abrams Park residents in addition to their monthly rental amount. The two-bedroom average in-place market rent at Abrams Park is \$1,497.12 (effectively \$1697.38), while the average four-bedroom units at Abrams Park rent at \$2,109.82 (effectively \$2,310.08.)

Affordable Rents

Affordable rental rates are derived from median income schedules published by governmental agencies. Rental rates at Preston Park are based upon 50% and 60% and 80% of the median income for Monterey County. The U.S. Department of Housing and Urban Development calculates the maximum household income by family size in Monterey County, generally once a year. As of the date of this memo the rental rates are based upon families at 50% and 60% and 80% of the Monterey County median income for 2019. A rental increase is proposed per calculations using published information from the County of Monterey and Housing Authority (Attachment C).

In-Place Affordable Rate Rents										
Unit Size	Current Rent	Proposed	Change 9/1/19							
	Range FY18/19	FY19/20 Rent								
Two Bedroom VL - L	\$760 - \$948	\$809 - \$1,012	\$49 - \$64							
Four Bedroom VL - L	\$923 - \$1,166	\$975 - \$1,236	\$52 - \$70							

The above table does reflect increases in the 80% Rental Rate category as that is being implemented this year. The 80% rental rate for a Two Bedroom is \$1,416 and a Four Bedroom is \$1,650.

Maximum Household Income Limits for 2019 as published in April 2019.

Income Category	Two Person	Three Person	Four Person	Five Person	Six Person	Seven Person	Eight Person	Nine Person
50%Very Low	\$39,950	\$40,450	\$44,900	\$48,500	\$52,100	\$55,700	\$59,300	62,900
60% Low/Lower	\$43,150	\$48,550	\$53,900	\$58,200	\$62,550	\$66,850	\$71,200	\$ 75,500
80% Low	\$57,500	\$64,700	\$71,850	\$77,600	\$83,350	\$89,100	\$94,850	100,600

Expenses

Expenses as outlined in **Attachment D** include Operating Expense projections and relevant changes from the FY 2018/19 budget. Operating expenses typically include expenditures for routine maintenance of the property, redecorating expenses as they apply to unit turns, and expenditures relating to the daily operations of the Leasing Office. Non-Routine expenses are included as they pertain directly to the daily function of the community, however are not typically able to be forecasted (i.e. large plumbing leaks requiring vendor service, unit specific rehabilitation projects). Annual Inspection materials are included with the Non-Routine expenses as they are a one-time yearly expense. Overall, total operating expenses proposed for FY 2019/20 are 10.4% higher than the Estimated Actuals for FY 2018/19 (\$116,449), in most part due to anticipated increases in Payroll, Utility, Marketing, Non-Routine Maintenance and Insurance costs. Alliance seeks to maximize cost savings, e.g. lower utilities expenses through installation of water/energy saving devices, while contending with cost increases.

Owner Distributions

The proposed budget repeats the previous years' Owner Distributions (\$1,532,220).

Capital Expenses

Expenses categorized as Capital expenses directly impact the long term value of the community, including roof replacements, exterior painting, large-scale landscaping improvements, and interior upgrades including appliances and carpeting/vinyl. Note that amounts labeled for interior upgrades in future budget years are placeholders and are anticipated to change based on Annual Inspection findings.

Recommended capital projects include:

- 1) Roof Replacement \$700,000
 - Replacement would continue full tear off at Carpenter Court and Wilson Court
- 2) Window/Sliding Door Replacement \$320,000 Replacement on Clark Court, Ingman Court and Harvey Court.
- 3) **Duct Cleaning \$95,000**
 - Cleaning of HVAC ducts and dryer vent cleaning for all units
- 4) **Toilet, Showerhead, Aerator Retrofit \$82,720.00**Replacement of toilets to upgraded low flow in all units, including water efficient upgrades.
- 5) **Parking Improvements \$200,000**To include the additional spots, painting, signage and permits to start the proposed parking plan.

Capital Reserve Fund

As a result of continued limited rent growth, and bond payment requirements adoption of the proposed Budget - Targeted rental increase (Attachment E) will result in a maximum contribution of \$2,811 per unit during this fiscal year. Please note the replacement reserve only conceptualizes typical replacements. It does not contemplate or allow for unknown expenses which are typical, particularly as a building continues to age.

In reviewing the physical needs of the property, and in conjunction with recommendations from the City of Marina Building Department, Alliance recommends the maximum reserve withholding per unit per year going forward. This withholding would ensure that the asset holds

adequate reserves to perform necessary replacements and repairs to protect the useful life of the buildings (Attachment F).

We will continue to look for new ways to improve our services over the coming year and remain committed to meeting the objectives set by the City of Marina. Please feel free to contact me at (831) 384-0119 should you have additional questions or concerns.

Regards,

Victor Vo-Khuong Business Manager

Family Size Adjustments: Once the final 4-person income limit has been established, income limits for other family sizes are calculated by applying a percentage adjustment to the final 4-person VLIL. Calculation of income limits for other family sizes is straight-forward. The 1-person family income limit is 70% of the 4-person income limit. The 2-person family income limit is 80% of the 4-person income limit, the 3-person family income limit is 90% of the 4-person income limit, the 5-person income limit is 108% of the 4-person income limit, the 6-person family income limit is 116% of the 4-person income limit, the 7-person family income limit is 124% of the 4-person income limit, and the 8-person family income limit is 132% of the 4-person income limit. For family sizes larger than 8 persons, the income limit can be calculated by adding an additional eight (8) percent per person to the next lower limit. For example a 9-person family income limit is 140% (132% + 8%), and so on. The resulting low-income limit calculation for other family sizes are then rounded up to the nearest \$50 to produce the Final VLIL.

Comment

Lower projection due to pets leaving the commuity and not being replaced.

RESOLUTION NO. 2010-87 RESOLUTION NO. 2010-02 (NPC)

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARINA AND THE ABRAMS B NON-PROFIT CORPORATION APPROVING LONG TERM FORMULAS FOR CALCULATING AND ESTABLISHING MARKET RENTS AT ABRAMS PARK AND PRESTON PARK HOUSING AREAS

WHEREAS, each year the City Council and Abrams B Non-Profit Corporation has considered the schedule of market rents for move-ins and in-place tenants when approving the annual budgets for Abrams Park and Preston Park housing developments, and;

WHEREAS, increases in market rents have customarily been calculated according to Consumer Price Index increases, and;

WHEREAS, in May 2009 the Council and Board requested a long term permanent formula for calculating market rents for move-ins and establishing a cap on annual rent increases for in-place tenants, and;

WHEREAS, Alliance Residential Company has prepared recommended formulas based on their experience as a professional real estate management company, and;

WHEREAS, the proposed Preston Park rent formulas were reviewed by Fort Ord Reuse Authority staff and found to be consistent with existing agreements, and;

WHEREAS, the City Council and Board approve the Market Rent Formula for Move-Ins ("Exhibit A") to be calculated to market rent levels throughout the year, and;

WHEREAS, the annual increase in market rents for in-place tenants shall be capped at the lesser of three percent (3%) or the Department of Labor's Consumer Price Index for San Francisco-Oakland-San Jose, All Items, for All Urban Consumers (referred to as CPI-U) Average percentage for the previous calendar year to be applied to the next fiscal year, provided that the increased rent for in-place tenants does not exceed the market rent charged to move-in tenants.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Marina and the Corporation Board of the Abrams B Non-Profit Corporation do hereby approve long term formulae for market rents at Abrams Park and Preston Park Housing Areas.

PASSED AND ADOPTED, by the City Council of the City of Marina and the Corporation Board of the Abrams B Non-Profit Corporation at a regular meeting duly held on the 2nd day of June 2010, by the following vote:

AYES: COUNCIL/CORPORATION BOARD MEMBERS: Ford, McCall, Gray,
NOES: COUNCIL/CORPORATION BOARD MEMBERS: O'Connell, Delgado
ABSENT: COUNCIL/CORPORATION BOARD MEMBERS: None
ABSTAIN: COUNCIL/CORPORATION BOARD MEMBERS: None

ATTEST:	Bruce C. Delgado, Mayor and Board President
Dimitra M. Hubbard, Deputy Cit	y Clerk and Board Secretary

ALLIANCE COMMUNITIES INC. ABRAMS B AND PRESTON PARK HOUSING PROPOSED FORMULA FOR MOVE-IN MARKET RENT SCHEDULE

When proposing market rents, the goal of professional real estate management companies is to maximize the rents thereby increasing the overall value of the property. It is important to note that when a property's revenue is maximized, those revenues provide for additional opportunities to add value to a property through investment in the physical environment or the communities building social environment. Examples are improved common areas, additional resident functions and enhanced curb appeal. Aside from being a smart business decision, maximizing revenue through rents creates the ability for Owners to give back to the community.

Market rents for new move-in tenants are best determined by comparison to comparables in a competitive set of properties. The competitive set of properties for **Preston Park and Abrams B** is defined as the following properties:

Competitive Properties

Sunbay Suites Marina Square Marina del Sol

Preston Park/Abrams B Shadow Market *

The "Shadow Market" is defined as the inventory of investor owned single-family homes, townhouses, and condos that attract renters away from traditional apartment complexes. Craig's List is an important source of information on these listings especially for Abrams' four-bedroom units.

In order to compare and evaluate the subject properties' standings amongst a set of competitive properties, a market survey is compiled and analyzed. This survey is updated on a monthly basis, and possibly more often if the market is deemed to be "soft."

A soft market is defined as one in which prospect tours are low as compared to the seasonal averages, availability for the average market exceeds 7%, concessions are present in greater than 30% of the market place.

Market rents are driven by many factors, a good number of which are out of the control of the Management's hands. Some of these factors include: declining or improving employment market, increased or restricted supply of rental housing units in the market place, mismanagement of properties in the market place. various goals or policies set by properties in the market place that restrict or push rent growth, and condition of location surrounding the subject property.

It is also important to note that rents within a market place are fluid and adjust on an ongoing basis throughout a year. Alliance recommends that rents be reviewed and adjusted if appropriate more frequently than annually. Generally, conventional unit rents (meaning units where rents are not income restricted) are evaluated on a monthly basis and adjusted accordingly. However, we have found that in soft markets, property owners adjust rents weekly and in some cases daily. Following professional industry standards, we would recommend that rents at Preston and Abrams be adjusted in the same manner.

Regardless of the frequency of review and adjustment, Alliance proposes that the move-in market rents be determined for the subject property using the following process:

- 1. An updated market study is prepared within 72 hours of the rent evaluation
- 2. Competitive properties are evaluated for superiority or inferiority based on the rating scale described below
- 3. Rents are typically positioned in a manner whereas they are greater than inferior product types and less than superior product types, using the size of a specific unit type as a guide as well.

(Note: Rents may not always line up in this manner. If a community is mispriced in the market place, the subject property may have to adjust rents below or above a mispriced community to maintain overall competitiveness.)

Craig's List will be used as the primary source to survey the shadow market inventory and offerings in Marina/Seaside submarkets. For reference, a comparable property is generally defined as being within a three mile radius from the subject property and being of like type and finish. When five (5) or less properties are available within a three mile radius that meet the specifications listed above, the next closest property of like type and finish will be identified and used.

A. Alliance will pull five of the most expensive listings that are of comparable product type and five of the least expensive listings that are of comparable product type.

B. If five listings of the high or low are not available, the average of the listings available will be used to determine the rent for the listings not available at that time.

C. Upon obtaining the market information for both the professionally managed and shadow market communities, an analysis will be performed to determine the average rent for the market, adjusted for the utilities that are included.

Many factors are taken into account when analyzing the set of comparables against the subject property. These factors are identified as:

- Unit types
- 2x1, 3x2, 4x2, etc
- Size of each unit type
- Measured in sqft for interior living space
- Amenities attached to a specific unit type
- Washer and dryer, microwave, dishwasher, etc
- Common area amenities available at each property
- Pool, tennis court, etc
- Property ratings

The following areas within a community are rated:

- Location
- Examples: Proximity to freeway, shopping, entertainment, major employers, quality of neighborhood, crime rates, etc
- Visibility
- Examples: Property can be seen off of a major thoroughfare, located on a main street on the way to a major attraction or employment center, etc
- Curb Appeal
- Example: First impression of the community is clean, bright, tasteful, landscaping is crisp and fresh flowers are planted
- Condition
- Examples: Does there appear to be deferred maintenance? Moss on roofs, wood rot apparent, broken gates or is the property freshly painted, new fencing, etc
- Interiors
- Example: Interiors are updated with new granite counters, paneled doors, two tone paint, plush carpeting, etc. Also refers to interior amenities. Is there a Washer/Dryer. Microwave, Dishwasher, extra storage, etc
- Amenities
- Example: Community pool, sauna, tennis courts, movie theater, business center, etc
- Properties are rated on an A D scale
- A Highest quality. Finishes are updated and the property is in impeccable condition.
- \bullet B Property is in very good condition, finished are updated, but may not have all the "bells and whistles" of a newly constructed or rehabbed community
- C Property is generally good repair, but some deferred maintenance is present. Property is missing some key elements in desirability.
- \bullet D Property is distressed and has a significant amount of deferred maintenance present. Unit interiors will be dated and in poor condition.

April 15, 2010 Item No. **10c-10b**

Honorable Mayor and Members of the Marina City Council

City Council Meeting of April 20, 2010

Chair and Board Members of Abrams B Non-Profit Corporation Corporation Board Meeting of April 20, 2010

CITY COUNCIL AND ABRAMS B NON-PROFIT CORPORATION CONSIDER ADOPTING RESOLUTION NO. 2010- AND 2010- (NPC), APPROVING LONG TERM FORMULAS FOR CALCULATING AND ESTABLISHING MARKET RENTS AT ABRAMS PARK AND PRESTON PARK HOUSING AREAS

REQUEST:

It is requested that the City Council and Corporation Board:

1. Consider adopting Resolution No. 2010- and Resolution No. 2010- (NPC), approving long term formulas for calculating and establishing market rents at Abrams Park and Preston Park Housing Areas.

BACKGROUND:

The Preston Park Housing Area is owned by the Fort Ord Reuse Authority (FORA). The City acts as FORA's agent for oversight of the property. On December 20, 2007, FORA and the City entered into an Agreement for Management Services with Alliance Residential Company (Alliance) to manage the Preston Park Housing Area.

Abrams Park is owned by the Abrams B Non-Profit Corporation (Corporation) and leased by the City of Marina. On December 20, 2007, the Corporation entered into an Agreement for Management Services with Alliance to manage the property.

The Management Agreement for both properties requires Alliance to submit to the City, by January 31, a proposed budget for the following fiscal year beginning July 1. After review by tenants, the budget is considered by the City Council for approval in April/May in order to incorporate it in the City's proposed budget for the next Fiscal Year.

There are three (3) categories of rents charged at Abrams/Preston:

- 1. City of Marina below market rate (BMR) housing rents
- 2. Section 8 Housing rents
- 3. Market rents.

The rents for the City BMR units are calculated according to the formula established in Section 17.45 of the Marina Municipal Code. The formula is applied to the current Area Median Income (AMI) established by the U.S. Department of Housing and Urban Development (HUD), and adjusted for utilities according to the schedule established by the Housing Authority of Monterey

County. The AMI for Monterey County is typically updated each year in April/May and does not always increase.

The Section 8 rent schedule is established by the Housing Authority of Monterey County (HAMC). Generally, a tenant in the Section 8 Housing Choice voucher program pays a predetermined percentage of their income and HAMC pays the gap between the tenant's contribution and the Section 8 market rent. Until September 2009, the Abrams/Preston market rents were within the HAMC Section 8 market rent maximums.

Due to federal budget cutbacks, HAMC announced last summer that their market rent maximums across the board in Monterey County were adjusted to ninety percent (90%) of market rents. The result was that Section 8 tenants, who wanted to remain at Abrams and Preston, must pay an additional amount beyond thirty percent (30%) of their income in order to reach the market rent.

Therefore, the property has continued to receive market rents from these units. This policy change has created a significant burden on Section 8 tenants who have generally decided to try to pay the additional amount rather than vacate their units. Significantly, however, no new Section 8 housing choice voucher holders have applied to move in since the Housing Authority's policy change.

In previous years, market rents were established by the City Council at the time of adopting of the annual budgets for these properties. Mid-Peninsula Housing Coalition, which managed the properties from 1997 to 2007, often proposed a flat rate increase, e.g. \$35/per unit regardless of size. At other City-owned properties, the City Council often tied market rent increases to Consumer Price Index (CPI) increases.

During the consideration of the FY 2009-10 Budget, there was discussion about which CPI figure, covering which time period, was most applicable. The City Council directed staff to bring forward a recommendation for a long term permanent formula that would be applied to establish market rents each year.

The City Council requested that the formula consider the program of long-term capital improvements, to ensure that the rent schedule accommodates funding sufficient to maintain the property in good condition.

City and Alliance staff held a meeting with Abrams and Preston tenants on March 22, 2010. Copies of the proposed formulas were available and discussed at the meeting. The formula was revised to reflect tenant concerns about in-place rents exceeding move-in rents over time. Alliance staff contacted the Tenants Association twice about providing additional feedback but they declined the opportunity, stating they prefer to bring additional feedback on the formula to the City Council meeting.

ANALYSIS:

The City Council and Corporation Board is requested to consider setting the formula for two (2) types of market rents:

- 1. Rents for new "move-ins", and;
- 2. Rents for in-place tenants which adjust every year.

Alliance Residential Company, the management company since January 1, 2008, has prepared a recommendation to update "move-in" market rents frequently throughout the year, rather than

calculating a recommended rent schedule in January that doesn't go into effect until July 1 ("EXHIBIT A").

Alliance recommends a formula for establishing the market move-in rent to market rent level at any point throughout the year, based on industry standards for professionally-managed complexes. The proposed formula could be more responsive to documented changes in local rents of comparable properties, including decreases.

The market rate formula for move-ins utilizes an in-depth analysis of two (2) facets of the local rental market (Marina/Seaside sub-market): comparable professionally-managed properties and the "shadow market" of independently owned/managed properties.

Abrams and Preston have some unique features compared to the local comparables identified by Alliance, such as townhouse architecture versus one-story apartments, generous interior storage space, garages instead of carports or uncovered parking spaces, and the open spaces throughout the property.

The "shadow" market analysis captures the average rents charged for properties such as single-family houses owned by individuals that reflect some features of Abrams and Preston housing areas. Examples of market surveys of comparable properties is provided ("**EXHIBIT B**").

Alliance also proposes adjusting the rent according to the relative size and features of each unit, for example, a two (2) bedroom unit with one (1) bathroom that is smaller than a two (2) bedroom unit with two (2) bathrooms would have a different rent. The practice of the former management company was to charge one (1) rent for all two (2) bedroom units.

Therefore, the formula for move in market rents is based on the market survey data applied to the Abrams and Preston units and adjusted according to each unit's characteristics.

To adjust market rents paid by "in-place tenants," Alliance proposes an annual cap, or maximum, rent increase, as the lesser of the following, provided that the increased rent for in-place tenants does not exceed the market rent charged to move-in tenants:

- (a) Three percent (3%), or;
- (b) Department of Labor's Consumer Price Index for San Francisco-Oakland-San Jose, All Items, for All Urban Consumers (referred to as CPI-U) for the annual percentage of the previous calendar year to be applied to the next fiscal year, which is derived from the February to February percentage prior to the upcoming fiscal year.

For example, the CPI for FY 2010-11 would be based on the percentage for February 2009 to February 2010, as reported in February of 2010, or 1.8%. The resulting rents would be:

Unit Size	Current Rent	Proposed FY10/11 Rent	Proposed Increase 8/1/2010	Market Study Rents Low-High Range
ABRAMS				
Two	\$1,198	\$1,219	\$21	\$1,100-\$1,475
bedroom				
Four	\$1,701	\$1,7,32	\$31	\$2,300-\$2,600*
bedroom				
PRESTON	PARK			
Two	\$1,198	\$1,219	\$21	\$1,100-\$1,475
bedroom				

Three	\$1,555	\$1,583	\$28	\$2,150-\$2,550
bedroom				

^{*}Data represents comparables adjusted for attached vs. detached.

Over time, the rent schedule could result in a spread between current market rents charged to move-in tenants and the rents charged to long term tenants. The CPI (or 3%) is a figure that combines consumer prices and is not tied to housing cost increases alone.

The City Council and NPC Corporation Board is asked to consider the above formulas for the market rate units in Preston Park and Abrams B. FORA has reviewed these proposed formulas and found them to be consistent with existing agreements.

This request is considered a matter of governance for the purpose of responsible management of assets of the City and the Fort Ord Reuse Authority.

FISCAL IMPACT:

Should the City Council and Corporation Board approve this request, the management company for Abrams Park and Preston Park housing developments will apply these formulas to the move-in market rents and in-place tenants in preparation of annual budgets for Abrams and Preston in FY 2010-11 and future fiscal years while the formula is in effect. Depending on market conditions and CPI, this may result in increased or decreased revenues from the rent receipts at each property from year to year.

Applying the proposed formula to "in-place" tenants and rent for new "move-ins" similar to that established by a market study of March 31, 2010, in FY 2010-11, the market rent revenues at Preston Park may increase by \$68,555 and the market rent revenues at Abrams B may increase by \$37,420.

CONCLUSION:

This request is submitted for City Council and Corporation Board consideration and possible action.

EXHIBIT B

September 23, 2019 Item No. 8f(3)

Honorable Mayor and Members Marina City Council City Council Meeting of the October 1, 2019

Chair and Board Members of Abrams B Non-Profit Corporation Corporation Board Meeting October 1, 2019

CITY COUNCIL AND ABRAMS B NON-PROFIT CORPORATION BOARD CONSIDER ADOPTING RESOLUTION NO. 2019-, AND 2019-(NPC), APPROVING ABRAMS B HOUSING AREA BUDGET FOR FY 2019-20 AND AUTHORIZING FINANCE DIRECTOR TO MAKE APPROPRIATE ACCOUNTING AND BUDGETARY ENTRIES

REOUEST:

It is requested that the City Council and Corporation Board consider:

- 1. Adopting Resolution No. 2019- and Resolution No. 2019- (NPC), approving the Abrams B Housing Area Budget for FY 2019-20, and;
- 2. Authorizing Finance Director to make appropriate accounting and budgetary entries.

BACKGROUND:

City staff, Councilmembers Morton and O'Connell, and Tenant's Association representatives have met several times with Alliance Management staff between April and July 2019, to discuss the preparation of the Abrams B Non-Profit Corporation Budget for FY 2019-20.

On September 16, 2019, the City Council and Abrams B Non-Profit Corporation Board held a Study Session to receive the presentation of the Abrams Park fiscal year 2019-2020 budget.

City staff has reviewed the Alliance Management Budget Memorandum and the attached budget for Abrams Park (**EXHIBIT A**) for FY 2019/20 and recommends approval of the proposed budget and the indicated rent increase.

This item provides further for the fulfillment of Work Plan Item Number 46, Preston Park and Abrams Park Fiscal Sustainability.

ANALYSIS:

The attached Standard Budget is described in the Alliance Management Budget Memorandum. The Standard Budget Consolidation and Sign Off summary page demonstrates the total Income, Operating Expenses, Operating Income, and Net Income (after debt service). Also summarized are the after Net Income expenses of the City's distribution (contribution to the General Fund), taxes, insurance, replacement reserve contribution, capital asset expenses and Net Cash Flow. The annual debt service (\$735,000) is paid by the City after the City's distribution is received.

Due to the year to year ups and downs in the capital asset spending, there are years when the replacement reserve contribution will be higher than the capital asset expenses, and years when the replacement reserve contribution is lower than capital asset spending. The \$545,340 replacement reserve savings is an accrual number based on the total capital project program projected over the next five (5) years. While capital asset project spending this year is \$1,710,080 (\$1,164,740 higher than the \$545,340 replacement reserve savings), spending for the next four (4) years will average

\$295,487. The accrued year end replacement reserve fund balance will be \$69,536. The current year capital asset project spending is much higher this fiscal year due to necessary window upgrades and reroofing. Note, that beginning next year, staff will be recommending a 30-year replacement schedule horizon versus five years as has been the practice. This will smooth the annual replacement reserve savings while adequately planning for necessary capital spending.

Abrams Park currently holds three bank accounts. At the close of August 2019, cash on hand in the bank accounts included:

Operating Cash Account - \$ 817,303 Security Deposit Reserve Account - \$ 274,589 Replacement Reserve - \$1,335,100 Total Cash - \$2,426,993

Study Session Council Direction

During the Study Session meeting, the City Council made changes to the proposed budget. One of the budget changes directed by the City Council was to reduce the Marketing budget line item to the previous year's budget level. In 2018, the approved Marketing budget was \$9,735, with the actual expenditures ending at \$8,931. These funds were expended on print of the monthly residential newsletter, California Apartment Association Membership, and the online request tracking software and resident portal. The proposed Marketing budget for 2019 had been increased by \$3,824, as discussed during the September 16 Study Session. Alliance staff indicated that the requested increase would fund printed materials such as property maps. At the Council's direction, the increase was eliminated.

In addition to the changes in expenditures discussed above, the City Council also directed staff to make adjustments to the format of the Capital Expenditures sheet (Attachment "F" to Exhibit "A") to make certain items clearer to the reader. As a result, staff has provided a beginning Replacement Reserve Fund balance, demonstrated the Total Capital Expenses (matches the capital asset line item it the Standard Budget) as a negative, added in the Replacement Reserve Fund Contribution (included as replacement reserve fund contribution line item in the Standard Budget), and included a calculation of the ending Replacement Reserve Fund balance. Also included are labels to the abovementioned lines to the Capital Expenditures sheet and an additional explanation to the Parking line item expense.

Study Session Council Questions

During the September 16 Study Session, the City Council has also requested general information and answers to the following questions:

• What is the current policy for setting rents?

The City Council adopted a rent formula on June 2, 2010 which provides that annual increases in market rents for in-place residents shall be capped at the lesser of three percent (3%) or the Department of Labor's Consumer Price Index for San Francisco-Oakland-San Jose, All urban Consumers average percentage for the previous year (February to February – 3.6%). At the request of Council, this policy is attached to this report.

• Can we reduce the pages in the Standard Budget that contain mostly or all zeros?

Staff will be working with Alliance to provide a higher-level summary of the budget for next year.

• Is there a better reporting system that can be incorporated to allow residents the ability to provide real-time rule enforcement complaints?

Staff will be working with Alliance to review the current system and where improvements, or communication can be implemented.

• Will a lighting survey be performed prior to lighting upgrades included in the capital projects?

Staff will work with Alliance staff to determine where lighting can be improved within the approved budget. This can be an earlier priority capital project this fiscal year.

• Can modular housing be evaluated to increase units at Abrams Park?

Yes, these units can be evaluated for feasibility.

FISCAL IMPACT:

Should the City Council and Corporation Board elect to approve this request for the FY 2019-2020 Budget, the owner distribution as proposed will be \$1,532,220. From the owner distribution, the City pays the debt service of \$735,000, distributes \$420,000 to the General Fund, and retains \$377,220 as cash reserves for the Abrams B Housing Area.

CONCLUSION:

This request is submitted for City Council and NPC Board consideration and possible action.
