WARNINGS RELATION TO COVID-19 FOR ONSITE PARTICIPATION

The novel coronavirus, Covid-19, has been declared a worldwide pandemic by the World Health Organization. Covid-19 is extremely contagious and has significant person to person spread. As a result, federal, state, and local governments and federal and state health agencies have recommended social distancing measures and have, in many locations, required ongoing prohibitions on the congregation of groups of people of various sizes.

While covid-19 can cause mild symptoms in some individuals, it can lead to severe illness and even death in others. People of any ages with serious underlying medical conditions including, but not limited to, serious heart conditions, asthma and other respiratory conditions such as chronic lung disease, severe obesity, diabetes, chronic kidney disease undergoing dialysis, liver disease, and people whose immune systems are compromised (e.g. cancer treatment, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications), may be a higher risk for more serious complications from COVID-19.

As permitted by the State of California and Monterey County Shelter in Place Orders, providing essential services. We have put preventative measures in place to reduce the spread of Covid-19, guided by the CDC and local health agencies. These include, but are not limited to:

- screening everyone before they are permitted to enter our facilities
- social distancing
- wellness monitoring
- increased sterilization
- required handwashing

However, the risk of being infected by Covid-19 while being in this environment is inherent and unavoidable. The City of Marina cannot guarantee that you will not become infected with Covid-19. It is solely your decision to participate at any City of Marina Recreation & Cultural Services Department activities and made in full understanding and acceptance of the foregoing risks.

COVID-19 ASSUMPTION OF THE RISK AND RELEASE OF LIABILITY AGREEMENT

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, claim, liability, or expense of any kind that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at any Marina recreation facility or participation in any City of Marina Recreation & Cultural Services Department activities ("claims"). On my behalf, and on behalf of my child(ren), I hereby release, covenant not to sue, discharge, and hold harmless City of Marina (including its successors, assigns, current and former officers, employees, volunteers, servants, agents, attorneys, insurance carriers and self-insurance pools) from any claims, and waive any and all rights to assert such claims, including any and all liabilities, actions, damages, costs, or expenses of any kind of every nature arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of City of Marina, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any City of Marina Recreation & Cultural Services Department recreation centers or similar program. I agree that presentation of this Release and Waiver constitutes a complete and affirmative defense to any action asserting any Claims and that any such action shall be dismissed with prejudice upon presentation of this Release and Waiver.

I have carefully read this liability waiver, fully understand all of its terms, understand the rights that my child(ren) and I forfeit by signing it, and sign it freely and voluntarily without any inducement. I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending any City of Marina recreation facilities or similar activities and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at a City of Marina recreation facility or similar activity may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Marina Youth or Teen Center, including employees and volunteers, and program participants and their families.
