To Residents and Tenants:

RE: CONSTRUCTION NOTICE - City of Marina Street Resurfacing

You are receiving this notice because construction will be taking place on your street. Minor traffic delays and parking restrictions are anticipated during construction. Precision Grade Inc., City of Marina's contractor, will start construction of Annual Street Resurfacing projects on April 11, 2022. The project includes construction of Americans with Disabilities Act (ADA) compliant curb ramps, removal and replacement of some curbs, gutters, and sidewalks, resurfacing and restriping of various City streets.

The first phase of the work is the construction of ADA compliant curbs ramps, sidewalk, and pavement repair. This phase of work may impact some landscaping improvements in the City's right-of-way in front of your property. Should you like to save your landscaping improvements, please coordinate with the contractor or construction management team using the contact information shown below. You will receive a subsequent notice prior to the resurfacing phase of the project.

Please visit City webpage for further information, <https://cityofmarina.org/142/Street-Maintenance>.

Schedule, traffic impacts and updates are located at the city webpage.
