NOTICE OF CONSTRUCTION

TO: Resident / Business Owner

Monterey Peninsula Engineering (M.P.E.) is working with the City of Marina to make pedestrian crossing improvements at the intersection of California Avenue and Marina Heights Drive as part of the California Avenue Pedestrian Crossing Project.

On March 15th, 2023, M.P.E. will commence construction activities near your property. Residents/ business owners may experience delays due to material deliveries, construction traffic, and other construction activities. Lane closures will be in effect during various stages of the project. Marina Heights Drive will be limited to local traffic only during normal working hours. Detours will be in place to direct traffic along designated routes. Working hours will be between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

All work zones will be secured at the end of each workday for your safety. The City of Marina and M.P.E are committed to completing this work quickly, efficiently and safely. M.P.E apologizes for any inconveniences during construction. We appreciate your patience and understanding.

If you have any questions, please call the on-site Foreman Remberto Renteria, at (831) 277-6125, or Erik Nava, inspector at (831) 884-1218, or visit the City of Marina's website, <https://www.cityofmarina.org/1185/California-Ave-Pedestrian-Crossing-Insta> , for more information regarding this project.

Thank you,
Monterey Peninsula Engineering
